Subject: Report Regarding Miami-Dade County Boards – Directives No. 251597 & 251875

This report is in response to Resolutions No. R-975-25 adopted by the Board of County Commissioners (Board) on October 9, 2025, sponsored by Commissioner Oliver G. Gilbert, III, and R-1088-25 sponsored by Commissioner Roberto J. Gonzalez which was adopted by the Board on November 4, 2025.

R-975-25 directed the County Mayor or the County Mayor's designee to provide a report that compiles a list of existing County boards, as defined in section 2-11.36.1 of the Code, that have duties or functions related to healthcare. R-1088-25 further directed the County Mayor or County Mayor's designee to provide a report that (i) identifies all County boards that have not met in the past year; (ii) identifies if such boards have an executive director or other staff; (iii) have expenditure authority; and provide such other relevant budgetary information or fiscal impact analysis.

Report

Staff evaluated all boards, as defined in Section 2-11.36 of the County Code. Pursuant to Section 2-11.36.1 of the Code, a board is defined as an "agency, authority, advisory board, regulatory board, quasi-judicial board, semiautonomous instrumentality, committee, task force or any other citizens' group created and funded in whole or in part by the Board of County Commissioners."

It was identified that six of the 66 boards have duties or functions related to healthcare. These six boards are currently active and meet regularly. Attachment A provides detailed information regarding these boards, as provided by their respective board support staff.

Of the 66 boards, 11 have not met within the past year. Most of these boards identified quorum or membership issues as the primary reasons they have been unable to meet. None of these boards have an "Executive Director" assigned to support the board. Attachment B provides additional information regarding these boards, as provided by their respective board support staff.

This report will be placed on the next available Board Agenda pursuant to Rule 5.06(j). Should you require additional information, please contact Ray Baker, Director, Office of Management and Budget at 305-375-5143.
