RESOLUTION NO. _____

RESOLUTION DIRECTING THE COUNTY MAYOR OR COUNTY MAYOR'S DESIGNEE TO DESIGN AND IMPLEMENT A ONE-YEAR PILOT PROGRAM IN DISTRICT 6 IN COORDINATION WITH THE DISTRICT COMMISSIONER TO GATHER DATA REGARDING THE FEASIBILITY OF THE USE OF RUBBER SPEED HUMPS ON LOCAL COUNTY STREETS, PERFORMANCE, COST, AND COMMUNITY IMPACT, INCLUDING IDENTIFYING AVAILABLE FUNDING SOURCES; AUTHORIZING THE COUNTY MAYOR OR COUNTY MAYOR'S DESIGNEE TO NEGOTIATE AND EXECUTE ALL DOCUMENTS FOR SUCH PILOT PROGRAM; AND REQUIRING A REPORT TO THE BOARD REGARDING THE PILOT PROGRAM

WHEREAS, Miami-Dade County regularly receives requests from residents seeking traffic-calming measures to improve safety in residential neighborhoods; and

WHEREAS, traditional asphalt speed humps require roadway construction, can be costly, and may pose maintenance challenges; and

WHEREAS, rubber speed humps are modular, removable, and potentially less expensive, and may provide opportunities for rapid deployment of traffic-calming treatments; and

WHEREAS, evaluating their feasibility within Miami-Dade County's varied roadway conditions would help determine whether they are suitable for broader County use; and

WHEREAS, the County Commissioner for District 6 wishes to establish a pilot program in District 6 to gather data regarding the efficacy of rubber speed humps used on local County streets; and

WHEREAS, establishing a pilot program in Commission District 6 would allow the County to test the installation, durability, cost-effectiveness, safety outcomes, and community response to rubber speed humps before considering expansion countywide; and

WHEREAS, this Board seeks to ensure data-driven decision-making in the selection and implementation of traffic-calming measures; and

WHEREAS, such data could help aid County policymaking and administration with respect to traffic calming measures and traffic management,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that:

Section 1. This Board adopts the matters set forth in the foregoing recitals.

Section 2. This Board directs the County Mayor or County Mayor's designee to, within 60 days of the effective date of this resolution, create a one-year District 6 rubber speed hump pilot program on local County streets in coordination with the District Commissioner, and identify and use any legally available funding source. The pilot program shall include: (1) identification of appropriate test locations based on traffic data and resident input; (2) installation of rubber speed humps at selected locations; and (3) collection and evaluation of data relating to speed reduction effectiveness, durability, maintenance needs, emergency-response impacts, installation costs, and community feedback.

Section 3. The County Mayor or County Mayor's designee is authorized to negotiate and execute any documents necessary to enact the pilot program.

Section 4. The County Mayor or County Mayor's designee shall provide a report to this Board that: (1) summarizes the data collected during the one-year pilot program required by section 2 of this resolution and (2) makes policy recommendations based on that data within 365 days of the effective date of the resolution. The County Mayor or County Mayor's designee shall

place the completed report on an agenda of the full Board without committee review pursuant to rule 5.06(j) of the Board's Rules of Procedure. The report shall identify the legally available funding sources being used to fund the pilot program.
