Memorandum

MIAMI-DADE COUNTY

Date:	November 12, 2026
To:	Honorable Chairman Anthony Rodriguez and Members, Board of County Commissioners
From:	Danielle Levine Cava Mayor
Subject:	Social Equity and Fiscal Impact Statement for the Ordinance Revising Requirements Relating to Sponsorship of County Approvals of State or Municipal Namings, Renamings, or Codesignations of Roads, Facilities or Properties – Legistar No. 261769

IEIC
Supplement to
Agenda Item No. 1(G)1

This proposed ordinance amends Rule 9.02 of Section 2-1 of the Code of Miami-Dade County (Code) to expand the rule's applicability to include the naming, renaming, and codesignation of state and municipal roads, facilities, and properties, in addition to County-owned roads, facilities, and properties. The amendment requires that resolutions approving such naming, renaming, or codesignation of state and municipal roads, facilities, and properties be sponsored by the district commissioner representing the district in which the subject property is located.

Additionally, the ordinance adds clarifying language to the Commission Auditor's background research and reporting requirements. The Clerk of the Board must continue to include the Commission Auditor's report as a supplement to the corresponding agenda item.

Social Equity Statement

The proposed ordinance is expected to yield a positive social benefit. The ordinance maintains and/or enhances procedural safeguards such as Board oversight, transparency, and public awareness via the opportunity for public input.

Fiscal Impact Statement

It is not anticipated that this proposed ordinance will have a fiscal impact to Miami-Dade County. The fabrication, installation, maintenance, and repair of up to two ground-mounted signs, excluding those located along state roadways, are

considered part of the Department of Transportation and Public Works' (DTPW) routine operational and maintenance responsibilities.

Roy Coley
Deputy Mayor
