Subject: Project Award Recommendation in the Amount of $339,000.00 Between Quality Construction Performance, Inc. and Miami-Dade County for the People's Transportation Plan (PTP) Project Entitled Miscellaneous Concrete Contract **(Project - CICC 7040-0/07 RPQ No. 20060317)**

RECOMMENDATION

The attached **Project Award Recommendation** for a Miscellaneous Concrete Contract (Project – CICC 7040-0/07 RPQ No. 20060317), in the amount of $339,000.00, between Quality Construction Performance, Inc. and Miami-Dade County has been prepared by the Public Works Department (PWD) and is recommended for approval. Three (3) sites have been identified for this contract and are listed as follows: S.W. 56 Street, from S.W. 77 Avenue to S.W. 107 Avenue; N.W. 22 Avenue, from N.W. 151 Street to N.W. 188 Terrace; S.W. 67 Avenue, from Flagler Street to Coral Way. Additional sites may be added during the life of this contract. Proceeds from the Charter County Transit System Sales Surtax (the Surtax) will be used to fund this project, therefore, approval by the Board of County Commissioners (BCC) and Citizens' Independent Transportation Trust (CITT) is required.

BACKGROUND

In an effort to accelerate the continued success of the People's Transportation Plan (PTP) Neighborhood Improvements initiative, PWD is taking advantage of various contracting mechanisms such as the subject Miscellaneous Construction Contracting process available under the Office of Capital Improvements (OCI) contract CICC 7040-0/07. Through this process, PWD forwards the Request for Price Quotation (RPQ), by the way of facsimile transmission and US-mail, to a pool of pre-qualified Community Small Business Enterprise (CSBE) contractors for the subject trade. Interested contractors prepare their bids according to the Job Order Contracting (JOC) process, whereby the County establishes unit prices for the pay items in accordance with industry averages. The contractors submit their bid as an overall percentage factor of the pricing established by the County. The project award evaluation is based upon the lowest percentage submitted by the responsive, responsible bidder for the project.

PWD staff determined that the scope of work for this project qualified for a CSBE set-aside (Levels 1, 2, and 3) designation. Therefore, on September 27, 2006, PWD forwarded an RPQ for a Miscellaneous Concrete Contract, utilizing the OCI contract CICC 7040-0/07, to a list of 52 pre-qualified firms. Three (3) firms purchased contract documents and two (2) firms proffered a bid. As a result, on October 31, 2006, PWD issued a recommendation of award for RPQ 20060317 with a percentage factor of 1.15 to Quality Construction Performance, Inc., with the stipulation that approval of this project must be obtained from the BCC and the CITT due to guidelines associated with the funding source.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, equipment, tools and performing all operations necessary for the construction and installation of pedestrian ramps and small concrete miscellaneous repairs required as part of ADA guidelines when making improvements to roadways such as resurfacing. Historically, this work was included as separate line items within the Department's resurfacing contracts and subcontracted for completion.

However, in an effort to increase opportunities for CSBE contractors, the Department separated these concrete items in order to issue contracts directly to available CSBE's. The project also includes base preparation for sidewalk construction (grading, compaction of limerock, sand and removal of tree roots and debris), clearing and grubbing, filling, sodding and removal of existing curb and/or gutter and/or sidewalk work.

The work to be performed under the life of this contract includes work at numerous small sites throughout areas/corridors that require construction and/or repairs. Three (3) sites have been identified for this contract and are listed as follows: S.W. 56 Street, from S.W. 77 Avenue to S.W. 107 Avenue; N.W. 22 Avenue, from N.W. 151 Street to N.W. 188 Terrace; S.W. 67 Avenue, from Flagler Street to Coral Way. Additional sites may be added during the life of this contract. The base contract amount is $300,000.00, but the total allocated amount is $339,000.00, which is inclusive of the contingency and dedicated allowances.

CONTRACTOR PERFORMANCE

The contractor, Quality Construction Performance, Inc., is new to the Department. Therefore, the OCI database lists no contracts for this contractor.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. Throughout all PTP projects, the responsible staff person in PWD will continue to be the PTP Coordinator, Mr. David Tinder, P.E. Following completion of the award process, the project will be assigned to Mr. Rudy Raghunandan, Construction Coordinator, for day to day responsibilities.

According to the Florida Department of State, Division of Corporations, Quality Construction Performance, Inc., Company Principal is Gustavo J. Bustos and the Company's address is listed as: 2451 N.W. 109th Ave., Unit #2, Miami, Florida 33172.

FISCAL IMPACT

The fiscal impact will be approximately $339,000.00 and will be funded from the Surtax. The proposed improvements qualify under the allowable work categories included in the PTP Neighborhood Improvements Section. Specific funding for each project will be allocated from the respective Commission District PTP yearly allocations.

People's Transportation Plan (PTP)
Miscellaneous Concrete Contract

Dear Mr. Bustos:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Wednesday, October 25, 2006. The total RPQ amount is three hundred thirty-nine thousand dollars and zero cents ($339,000.00). This includes a base contract amount of three hundred thousand dollars and zero cents ($300,000.00), a contingency amount of thirty thousand dollars and zero cents ($30,000.00), and dedicated allowances totaling nine thousand dollars and zero cents ($9,000.00). The contract duration is established as 365-calendar days. However, the award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. CICC 7040-0/07, Section 2.0 Special Conditions, Page 13, Article 2.13, **PERFORMANCE AND PAYMENT BOND**.
2. Letter from Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current insurance certificates.
4. Copies of required license(s).

The preceding documents are required as outlined within Contract CICC-7040-0/07 and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded.

Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work. No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s).

After receipt of the permits the Project Manager will schedule a Pre-Construction Conference and issue a Notice to Proceed authorizing the performance of the work.

This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Further, it shall be understood that since proceeds from the Charter County Transit System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the following have occurred: 1) the County Commission awards the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto); and 2) either i) the Citizens' Independent Transportation Trust (CITT) has approved same, or ii) in response to the CITT's disapproval, the County Commission re-affirms its award by two-thirds (2/3) vote of the Commission's membership and such reaffirmation becomes final.

Please contact Ms. Angelica De Limas, OCI office, at (305) 375-2606 to insure that your file is complete for award consideration.
