Agenda Item No. 8(P)(1)(B)

To: Honorable Chairman Bruno A. Barreiro

From: George M. Burgess

Subject: Project Award Recommendation in the Amount of $680,000.00 Between Southeast Underground Utilities Corp. and Miami-Dade County for the People's Transportation Plan (PTP) Project Entitled Internally Illuminated Street Name Sign Installation **(Project – CICC 7360-0/08 RPQ No. 20060276)**

RECOMMENDATION

The attached **Project Award Recommendation** for Internally Illuminated Street Name Sign Installation (Project – CICC 7360-0/08 RPQ No. 20060276), in the amount of $680,000.00, between Southeast Underground Utilities Corp. and Miami-Dade County has been prepared by the Public Works Department (PWD) and is recommended for approval. Proceeds from the Charter County Transit System Sales Surtax (the Surtax) will be used to fund this project, therefore, approval by the Board of County Commissioners (BCC) and Citizens' Independent Transportation Trust (CITT) is required.

BACKGROUND

In an effort to accelerate the continued success of the People's Transportation Plan (PTP) Neighborhood Improvements initiative, PWD is taking advantage of various contracting mechanisms, such as the subject Miscellaneous Construction Contracting (MCC) process available under the Office of Capital Improvements (OCI) contract CICC 7360-0/08. Through this process, PWD forwards the Request for Price Quotation (RPQ), by way of facsimile transmission and US-mail, to a pool of firms that have registered with OCI for the subject trade. Additionally, PWD advertises the project in the Miami Herald, Daily Business Review and the Diario De Las Americas in order to increase participation among firms that may not have pre-registered with OCI. Interested contractors prepare their bids according to the Job Order Contracting (JOC) process, whereby the County establishes unit prices for the pay items in accordance with industry averages. The contractors submit their bid as an overall percentage factor of the pricing established by the County. The project award evaluation is based upon the lowest percentage submitted by the responsive, responsible bidder for the project.

PWD staff submitted the referenced project to the Department of Business Development's (DBD) Review Committee on September 20, 2006. The Review Committee reviewed and recommended no contract measures for RPQ 20060276. Therefore, on September 22, 2006, PWD issued an RPQ for an Internally Illuminated Street Name Sign Installation Contract and forwarded it to a list of 58 pre-registered firms from the OCI database as noted above. Seven (7) firms purchased contract documents and three (3) firms proffered a bid. As a result, on November 7, 2006, PWD issued a recommendation of award for RPQ 20060276 with a percentage factor of 97.7 to Southeast Underground Utilities Corp., with the stipulation that approval of this project must be obtained from the BCC and the CITT due to guidelines associated with the funding source.

The work to be accomplished for this project consists of, but is not limited to, furnishing all supervision, labor, required materials, tools and equipments required to provide sign installation as directed by the Engineer. The Contractor shall keep the Engineer informed at all times of his work schedule, so that the project can be inspected during all phases of installation, including wire splicing, installation of conductors and any work involving the electrical connections at the controller cabinet. The Contractor shall have the capacity of performing the work as described herein using a minimum of four (4) crews working simultaneously.

The work to be performed under the life of this contract includes installation of illuminated signs at various intersections in Miami-Dade County. The locations will be Countywide and will generally be on County maintained roads, including but not limited to: Killian Parkway, Coral Way and Miami Lakes Drive / NW 154 Street. The base contract amount is $600,000.00, but the total allocated amount is $680,000.00, which is inclusive of the contingency and dedicated allowances.

CONTRACTOR PERFORMANCE

The contractor, Southeast Underground Utilities Corp., is currently performing work for PWD at a satisfactory level as reported by the Project Manager. PWD has reviewed the OCI database and found nine (9) awarded contracts for Southeast Underground Utilities Corp. The referenced database also lists a total of seven (7) contractor performance evaluations from PWD, all with satisfactory ratings. The remaining contracts are still under construction and do not yet have evaluations on file.

Following PWD's standard operating procedures, after award of this contract, a pre-construction meeting will be scheduled. Throughout all PTP projects, the responsible staff person in PWD will continue to be the PTP Coordinator, Mr. David Tinder, P.E. Following completion of the award process, the project will be assigned to Mr. Joaquin Urrechaga, P.E., Construction Coordinator, for day to day responsibilities.

According to the Florida Department of State, Division of Corporations, Southeast Underground Utilities Corp., Company Principals are: Anthoneel Allen, Charles Allen, Hector Allen, James Hashim and Bob Duckworth. The Company's address is listed as: 1860 N.W. 59th Ave., Suite B, Ft. Lauderdale, Florida 33313.

FISCAL IMPACT

The fiscal impact will be approximately $680,000.00 and will be funded from the Surtax. The proposed improvements quality under the allowable work categories included in the PTP Neighborhood Improvements Section. Specific funding for traffic signs is included under Traffic Signals and Signs Operations in the PTP Countywide Neighborhood Improvements.

Dear Mr. Hashim:

This letter will serve as your notification that you have been recommended for award for the above referenced RPQ based on your Price Quotation submitted on Wednesday, October 25, 2006. The total RPQ amount is six hundred eighty thousand dollars and zero cents ($680,000.00). This includes a base contract amount of six hundred thousand dollars and zero cents ($600,000.00), a contingency amount of sixty thousand dollars and zero cents ($60,000.00), and dedicated allowances totaling twenty thousand dollars and zero cents ($20,000.00). The contract duration is established as 270-calendar days. However, the award is contingent upon the submission of the required items listed below:

1. Performance and Payment Bond as required in Contract No. CICC 7360-0/08, Section 2.0 Special Conditions, Page 16, Article 2.11, **PERFORMANCE AND PAYMENT BOND**.
2. If the Bond is not dated, you must furnish a letter from the Bonding Agent granting Miami-Dade County authorization to date the Performance Bond.
3. Copies of current insurance certificates.
4. Copies of required license(s).

The preceding documents are required as outlined within Contract CICC-7360-0/08 and to be submitted within 10 business days. Failure to submit the document(s) within the specified time, or any extension granted, will result in the award being rescinded.

Subsequent to the review and approval of the aforementioned documents, you are required to obtain the required permits in the time stipulated in the RPQ. Upon obtaining the permit(s), a copy(s) must be submitted to the Project Manager prior to commencement of work. No work is to be performed without a permit unless the Project Manager issues a written directive to proceed without permit(s).

After receipt of the permits the Project Manager will schedule a Pre-Construction Conference and issue a Notice to Proceed authorizing the performance of the work.

This letter will also serve as a reminder that all work must be performed according to the scope of work and contract's terms and conditions, all permits and inspections and in accordance with all applicable Federal, State and local laws, codes and regulations.

Further, it shall be understood that since proceeds from the Charter County Transit System Sales Surtax levied pursuant to Section 29.121 of the Code of Miami-Dade County may be used to pay for all or some part of the cost of this contract, no award of this contract shall be effective and thereby give rise to a contractual relationship with the County unless and until the following have occurred: 1) the County Commission awards the contract, and such award becomes final (either by expiration of 10 days after such award without veto by the Mayor, or by Commission override of a veto); and 2) either i) the Citizens' Independent Transportation Trust (CITT) has approved same, or ii) in response to the CITT's disapproval, the County Commission re-affirms its award by two-thirds (2/3) vote of the Commission's membership and such reaffirmation becomes final.
