BACKGROUND

Currently, there are two contracts for these services. The contracts expire on October 31, 2010. The services in the current contract are the same as those in the recommended successor contracts. However, the overall annual allocation has been reduced by \$50,000.

The original annual allocation for the current contracts was \$575,000. This amount represents \$250,000 per contract per year, plus \$75,000 total per year for optional services. In November 2009, the cost per contract was reduced by 5% to \$237,500, as directed by the Board of County Commissioners (Board) Resolution No. R-1293-09. Therefore, the allocation for these contracts is currently \$550,000.

In the successor contracts, the cost per contract was reduced another 5% to \$225,000. Additionally, the amount for optional services (and work orders in the successor contracts) was reduced to \$50,000. The total allocation for the successor contracts is \$500,000.

On January 21, 2010, the Board adopted Resolution No. R-56-10 which provides that no County contract lobbyist shall represent any entity in any forum to support a position in opposition to a position of the County, unless the Board first grants a waiver for the representation. The resolution further states: "If the contract lobbyist has no conflicts, then the lobbyist shall provide a written statement that the contract lobbyist has no conflicts prior to award." Each recommended firm was provided a copy of the resolution and confirmed in writing that the firm, and its subcontractors, had no conflicts. All of the firms have an affirmative responsibility to promptly seek, in writing, and obtain a waiver from the Board of County Commissioners for any conflict of interest prior to representing any entity in any forum. The contracts include specific language regarding the policies set forth in the resolution.

The Contractor agrees to provide input on policy issues in the form of recommendations. The Contractor agrees to implement any and all changes in providing Services hereunder as a result of a policy change implemented by the County. The Contractor agrees to act in an expeditious and fiscally sound manner in providing the County with input regarding the time and cost to implement said changes and in executing the activities required to implement said changes.
- f) The Contractor shall abide by and be governed by Miami-Dade County Ordinances and Resolutions, which may have a bearing on the Services involved in this Agreement, including but not limited to, Section 2-11.1, Code of Miami-Dade County (Ordinance 72-82, Conflict of Interest Ordinance); Resolution No. R-1236-99 (Resolution Directing the County Manager to Report Intergovernmental Activity by County Staff, Lobbyists, and Entities that Represent Miami-Dade County at the State and Federal Levels); Resolution No. R-1060-93; Resolution No. R-232-01 (Resolution Instructing County Staff and Lobbyists to Limit Legislative Initiatives and Funding Requests to Those Approved by the County Commission); Section 2-11.1.2, Code of Miami-Dade County (Ordinance No. 00-64, Ordinance Relating to County's Lobbyists); and Resolution No. R-56-10 (Resolution Setting Policy for Miami-Dade County that all Contract Lobbyists shall Obtain a Waiver from the Board of County Commissioners Prior to Representing any Client in any Forum that is Adverse to the County).

Pursuant to Resolution No. R-1236-99, no County contract lobbyist or its subcontractors shall represent any client and/or issue that may be adverse to the County without first requesting permission from the County. Resolution No. R-1236-99 provides that this obligation shall be a continuing one that applies throughout the term of this Contract. Pursuant to Resolution No. R-56-10, no contract for lobbying shall be awarded or renewed, or payment made, until the Contractor, including all subcontractors and lobbyists hired under Work Orders, seeks in writing and obtains a waiver from the Board of County Commissioners for any actual or perceived conflicts of interest. If the Contractor has no conflicts, then the Contractor shall provide a written statement prior to award of the Contract and prior to Contract renewals. All such waiver requests shall be submitted directly to the Chairman of the Board of County Commissioners.

Pursuant to Sections 2-11.1 and 2-11.1.2, no person or entity, whether an individual, firm, partnership or corporation, which receives compensation either directly or indirectly from the County for lobbying on behalf of the County or any of its agencies or instrumentalities at either the municipal, state, or national level shall represent any entity in any forum to support a position in opposition to a position of the County unless the Board of County Commissioners grants a specific waiver for a specific lobbying activity. The failure to comply with this provision shall result in either or both of the following: (i) the Contractor's contract being voidable by the County or (ii) a prohibition, for a period of up to three years, as determined by the Board of County Commissioners in its sole discretion, on the Contractor's entering into a lobbying contract with the County.

Concurrent with entering this Agreement, the Contractor, on behalf of itself and any and all employees, partners, and subcontractors, shall provide the Executive Director of the Office of Intergovernmental Affairs a copy of the 2010 state legislative and executive Lobbyist Registration Forms for each and every client the Contractor and its employees, partners, and subcontractors represents at the time this Agreement is entered. In the event the Contractor and its employees, partners, and subcontractors acquires additional clients after this Agreement is executed, the Contractor, on behalf of itself and

any and all employees, partners, and subcontractors, shall have an affirmative obligation over the term of this Agreement (including a renewal or extension term if applicable) to provide the Executive Director of the Office of Intergovernmental Affairs a copy of the legislative and executive Lobbyist Registration Forms for such clients prior to undertaking any lobbying activities for such client or within 48 hours of filing the form with the state government, whichever comes first. This obligation shall apply whether such party or interest is adverse to the County or not. Such notification must include all parties the Contractor or employees, partners, or subcontractors wishes to represent.

Separate and independent from the above-referenced obligation, the Contractor, on behalf of itself and any and all employees, partners, and subcontractors, must advise the Executive Director of the Office of Intergovernmental Affairs in writing of any position in opposition to a County position that the Contractor or any employee, partner, or subcontractor desires to take and request a waiver of such conflict before the Board of County Commissioners prior to taking such a position. A position in opposition to a County position may take the form of an adverse policy position or fiscal impact on the County, either direct or indirect. A position in opposition to a County position is not limited to a position that conflicts with an express provision of the legislative package adopted by the Board of County Commissioners. It may also arise in other areas. Not every County interest can be anticipated or enumerated in the County's legislative package, and issues arise and change over the course of the legislative process. It is incumbent on the Contractor and its employees, partners, and subcontractors to remain mindful of the County's policy and fiscal interests and positions vis-à-vis other clients. If an actual or perceived conflict arises, the Contractor and/or subcontractor must advise the Executive Director of the Office of Intergovernmental Affairs immediately in writing and seek a waiver of the conflict before the Board of County Commissioners prior to representing the adverse interest or position.

The Executive Director of the Office of Intergovernmental Affairs reserves the right to question the Contractor regarding any client or any potential and/or perceived conflict.

Once a conflict waiver request has been received by the County, the County Manager or designee, in consultation with the County Attorney's Office, reserves the right to take, in his sole discretion, any action regarding a waiver request, including but not limited to the following: (i) allow a waiver and allow the Contractor, and/or employee, partner, or subcontractor to continue to represent both the County and the other party; (ii) disallow a waiver and require the Contractor and/or employee, partner, or subcontractor to choose between representing the County or the other party, or to discontinue representing the other party; (iii) allow a limited waiver and require the Contractor and/or employee, partner, or subcontractor to continue to represent both the County and the other party under whatever limitations or restrictions the County Manager or designee, in consultation with the County Attorney's Office, determines to be appropriate. Any such actions by the County Manager or designee shall only be effective until the Board of County Commissioners has considered the conflict issue.

The Board of County Commissioners may take, in its sole discretion, any action regarding a waiver request, including but not limited to the following: (i) grant a waiver and allow the Contractor, and/or employee, partner, or subcontractor to continue to represent both the County and the other party; (ii) refuse to grant a waiver and require the Contractor and/or employee, partner, or subcontractor to choose between representing the County or the other party, or to discontinue representing the other party; (iii) refuse to grant a waiver and void its contract with the Contractor, and/or employee, partner, or subcontractor; (iv) grant a limited waiver and allow the Contractor

and/or employee, partner, or subcontractor to continue to represent both the County and the other party under whatever limitations or restrictions the County, in its sole discretion, determines to be appropriate.

Pursuant to Resolution No. R-1236-99, the Contractor and each subcontractor shall prepare reports at least monthly advising the Commission of the current status of all issues that the lobbyist is monitoring or tracking that may affect the County, the actions taken on such issues, and the recommendations for future actions on such issues. The Contractor and each subcontractor shall also raise, discuss and recommend any affirmative legislative action that may benefit the County.

Also, pursuant to Resolution No. R-1236-99, all County contracts and subcontracts for lobbying or representation at the state or federal level and/or individuals and firms hired to represent the County on intergovernmental issues must be approved by the Board of County Commissioners.

Pursuant to Resolution No. R-232-01, County lobbyists are instructed to limit legislative initiatives and funding requests on behalf of the County to those that have been approved by the Board of County Commissioners and/or set forth in the legislative package.

 Contractor has read, understands and agrees to abide by the conflict of interest and other provisions contained in this section 4(f).

ARTICLE 5. CONTRACT TERM

The Contract shall become effective on the date on the first page and shall be for the duration of one (1) year. The County, at its sole discretion, reserves the right to exercise the option to renew this Contract for a period for three (3) additional years on a year-to-year basis. The County reserves the right to exercise its option to extend this Contract for up to one hundred-eighty (180) calendar days beyond the current Contract period and will notify the Contractor in writing of the extension. This Contract may be extended beyond the initial one hundred-eighty (180) calendar day extension period by mutual agreement between the County and the Contractor, upon approval by the Board of County Commissioners.

The compensation for all Work and Services performed under this Contract, including all costs associated with such Work and Services, shall be in the total amount of two hundred twenty-five thousand (\$225,000) per year. The County shall have no obligation to pay the Contractor any additional sum in excess of this amount, except for a change and/or modification to the Contract, which is approved and executed in writing by the County and the Contractor.

Notwithstanding the amount stated above, the County reserves the right to request through the use of Work Orders that the Contractor provide related services for the purpose of carrying out the intent of this Agreement, for an additional amount as specified in the Work Order based on the scope and nature of the work requested. ARTICLE 9. METHOD AND TIMES OF PAYMENT

The Contractor agrees that under the provisions of this Agreement, as reimbursement for those actual, reasonable and necessary costs incurred by the Contractor, which are directly attributable or properly allocable to the Services, the Contractor may bill the County periodically, but not more than once per month, upon invoices certified by the Contractor. All invoices shall be taken from the books of account kept by the Contractor, shall be supported by copies of payroll distribution, receipt bills or other documents reasonably required by the County, shall show the County's contract number, and shall have a unique invoice number assigned by the Contractor. It is the policy of Miami-Dade County that payment for all purchases by County agencies and the Public Health Trust shall be made in a timely manner and that interest payments be made on late payments. In accordance with Florida Statutes, Section 218.74 and Section 2-8.1.4 of the Miami-Dade County Code, the time at which payment shall be due from the County or the Public Health Trust shall be forty-five (45) days from receipt of a proper invoice. Further, proceedings to resolve disputes for payment of obligations shall be concluded by final written decision of the County Manager, or his or her designee(s), not later than sixty (60) days after the date on which the proper invoice was received by the County or the Public Health Trust.

Invoices and associated back-up documentation shall be submitted in duplicate by the Contractor to the County as follows:

The Contractor agrees to act in an expeditious and fiscally sound manner in providing the County with input regarding the time and cost to implement said changes and in executing the activities required to implement said changes.
- f) The Contractor shall abide by and be governed by Miami-Dade County Ordinances and Resolutions, which may have a bearing on the Services involved in this Agreement, including but not limited to, Section 2-11.1, Code of Miami-Dade County (Ordinance 72-82, Conflict of Interest Ordinance); Resolution No. R-1236-99 (Resolution Directing the County Manager to Report Intergovernmental Activity by County Staff, Lobbyists, and Entities that Represent Miami-Dade County at the State and Federal Levels); Resolution No. R-1060-93; Resolution No. R-232-01 (Resolution Instructing County Staff and Lobbyists to Limit Legislative Initiatives and Funding Requests to Those Approved by the County Commission); Section 2-11.1.2, Code of Miami-Dade County (Ordinance No. 00-64, Ordinance Relating to County's Lobbyists); and Resolution No. R-56-10 (Resolution Setting Policy for Miami-Dade County that all Contract Lobbyists shall Obtain a Waiver from the Board of County Commissioners Prior to Representing any Client in any Forum that is Adverse to the County).

Pursuant to Resolution No. R-1236-99, no County contract lobbyist or its subcontractors shall represent any client and/or issue that may be adverse to the County without first requesting permission from the County. Resolution No. R-1236-99 provides that this obligation shall be a continuing one that applies throughout the term of this Contract. Pursuant to Resolution No. R-56-10, no contract for lobbying shall be awarded or renewed, or payment made, until the Contractor, including all subcontractors and lobbyists hired under Work Orders, seeks in writing and obtains a waiver from the Board of County Commissioners for any actual or perceived conflicts of interest. If the Contractor has no conflicts, then the Contractor shall provide a written statement prior to award of the Contract and prior to Contract renewals. All such waiver requests shall be submitted directly to the Chairman of the Board of County Commissioners.

Pursuant to Sections 2-11.1 and 2-11.1.2, no person or entity, whether an individual, firm, partnership or corporation, which receives compensation either directly or indirectly from the County for lobbying on behalf of the County or any of its agencies or instrumentalities at either the municipal, state, or national level shall represent any entity in any forum to support a position in opposition to a position of the County unless the Board of County Commissioners grants a specific waiver for a specific lobbying activity. The failure to comply with this provision shall result in either or both of the following: (i) the Contractor's contract being voidable by the County or (ii) a prohibition, for a period of up to three years, as determined by the Board of County Commissioners in its sole discretion, on the Contractor's entering into a lobbying contract with the County.

Concurrent with entering this Agreement, the Contractor, on behalf of itself and any and all employees, partners, and subcontractors, shall provide the Executive Director of the Office of Intergovernmental Affairs a copy of the 2010 state legislative and executive Lobbyist Registration Forms for each and every client the Contractor and its employees, partners, and subcontractors represents at the time this Agreement is entered. In the event the Contractor and its employees, partners, and subcontractors acquires additional clients after this Agreement is executed, the Contractor, on behalf of itself and

any and all employees, partners, and subcontractors, shall have an affirmative obligation over the term of this Agreement (including a renewal or extension term if applicable) to provide the Executive Director of the Office of Intergovernmental Affairs a copy of the legislative and executive Lobbyist Registration Forms for such clients prior to undertaking any lobbying activities for such client or within 48 hours of filing the form with the state government, whichever comes first. This obligation shall apply whether such party or interest is adverse to the County or not. Such notification must include all parties the Contractor or employees, partners, or subcontractors wishes to represent.

Separate and independent from the above-referenced obligation, the Contractor, on behalf of itself and any and all employees, partners, and subcontractors, must advise the Executive Director of the Office of Intergovernmental Affairs in writing of any position in opposition to a County position that the Contractor or any employee, partner, or subcontractor desires to take and request a waiver of such conflict before the Board of County Commissioners prior to taking such a position. A position in opposition to a County position may take the form of an adverse policy position or fiscal impact on the County, either direct or indirect. A position in opposition to a County position is not limited to a position that conflicts with an express provision of the legislative package adopted by the Board of County Commissioners. It may also arise in other areas. Not every County interest can be anticipated or enumerated in the County's legislative package, and issues arise and change over the course of the legislative process. It is incumbent on the Contractor and its employees, partners, and subcontractors to remain mindful of the County's policy and fiscal interests and positions vis-à-vis other clients. If an actual or perceived conflict arises, the Contractor and/or subcontractor must advise the Executive Director of the Office of Intergovernmental Affairs immediately in writing and seek a waiver of the conflict before the Board of County Commissioners prior to representing the adverse interest or position.

The Executive Director of the Office of Intergovernmental Affairs reserves the right to question the Contractor regarding any client or any potential and/or perceived conflict.
