

Memorandum

Date: June 30, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor 

Subject: Request for Additional Time and Expenditure Authority to Contract No. C-1084(5),
Microsoft Computer Equipment, Accessories, Hardware, Related Software and Services

Agenda Item No. 8(F)(7)

Resolution No. R-567-15

Recommendation

It is recommended that the Board of County Commissioners (Board) approve this request to extend the contract term by six (6) months and increase the expenditure authority by \$600,000 to Contract C-1084(5), Microsoft Computer Equipment, Accessories, Hardware, Related Software and Services, for the Miami-Dade Information Technology Department. The County originally accessed this State of Minnesota contract in February 2014 to purchase Microsoft Surface Pro Tablets for County staff working in the field with remote network access. The additional funds will be used to purchase Microsoft Surface Pro Tablets on behalf of the Miami-Dade Public Library System to replace existing laptops that have reached their end of useful life in addition to supporting new programs being implemented. The remaining allocation will be used as-needed to support operational needs throughout the County.

The State of Minnesota extended the contract for one (1) year with an expiration date of December 31, 2015. At the time of the extension, the County extended the contract for an additional six (6) months under the County Mayor's authority to ensure continuity of service until the full extension travelled to the next available Board meeting for approval. The six-month extension was for time only, as no additional funds were added to the contract.

Approval of this request for an additional six (6) months extends the contract from June 30, 2015 through December 31, 2015, aligning the County's term with the State of Minnesota contract. The County is also requesting \$600,000 in additional expenditure authority, which is based on the Information Technology Department's projected usage during the full 12-month extension term. The department will specifically use the funds to purchase Microsoft Surface Pro Tablets and associated accessories for County staff.

Scope
