

Date: June 30, 2015

and Members, Board of County Commissioners
From: Carlos A. Gimenez
Mayor
Subject: Recommendation for Approval to Advertise Request for Proposals No.RFP-00031, Car Sharing Program

Agenda Item No. 8(F)(9)

Resolution No. R-568-15

Recommendation

It is recommended that the Board of County Commissioners (Board) authorize the advertisement of Request for Proposals (RFP) No. RFP-00031, Car Sharing Program, in substantially the form attached. A recommendation for award of any contract resulting from this solicitation shall be presented to the Board for approval. The Board will be notified of any addenda issued during the advertisement period when the award recommendation is presented to the Board.

The RFP seeks proposals from qualified firms to deliver a car sharing program for County vehicles that includes self-service, fuel efficient vehicles. The selected proposer shall make available a sufficient number of vehicles to satisfy the demand for the County's existing downtown loaner fleet and provide a 24/7 reservation system whereby County staff is able to reserve a vehicle through the internet or telephone.

Scope

The scope of this RFP is countywide in nature.

Fiscal Impact/Funding Source

The final amount of the contract, funding source, and term will be presented to the Board once there is a recommendation to award.

However, it is expected that a fully-expanded car sharing program resulting from this solicitation will have a positive fiscal impact to the County. If the program proves successful, the County may benefit in multiple ways, including, but not limited to, a reduction in the cost of operating and maintaining the County's current fleet of loaner vehicles.

Track Record/Monitor

Kristina Guillen, Procurement Contracting Officer in the Internal Services Department, will manage the solicitation. Technical support will be provided by the County's Internal Services Department, Fleet Management Division. User departments will include any department that desires to utilize a loaner vehicle based in downtown Miami.

Background

On February 4, 2014, the Board adopted Resolution No. R-147-14 directing the County Mayor or County Mayor's designee to solicit a car sharing program. Resolution No. R-147-14 cited a number of large cities in the United States (e.g., New York City, Chicago, Boston, Austin and Washington, D.C.) that partner with car sharing companies such as Zipcar and Car2Go to create car sharing programs, which improve efficiency and reduce the costs of maintaining and operating government-owned vehicles. The County Mayor or County Mayor's designee was directed to present a solicitation for a similar car sharing program to the Board within 60 days of Resolution No. R-147-14's effective date.

On June 10, 2014, the Request to Advertise the car sharing program solicitation was presented to the Finance Committee and forwarded by the Finance Committee to the Board with a favorable recommendation (Legistar 140904). The Board considered the Request to Advertise at its July 1, 2014 meeting and deferred the item to "no date certain." During that meeting, a concern was raised that the advertisement memorandum indicated the solicitation may be revised based on industry feedback. The Board was informed by the Internal Services Department that industry feedback had already been gathered and considered and that no further changes to the solicitation were contemplated.

Another concern was raised regarding the solicitation's requirement that the selected proposer allow all County-authorized employees to participate in the car sharing program. More specifically, the concern was whether the selected proposer would be responsible for insuring the cars yet would not be able to deny drivers based on its own screening methods for program participation. The Internal Services Department Director advised the Board that the requirement was necessary to ensure all County-authorized employees are able to participate in the car sharing program to fulfill their job functions. If the selected proposer did not accept all authorized employees, the County would need to maintain separate pool vehicle operations for employees deemed ineligible for program participation by the selected proposer. This would result in two (2) vehicle programs: a program for employees accepted by the selected proposer and a County program for all other County employees. Such a result is counterproductive as it would compromise potential savings and improved efficiency. Therefore, it is not operationally feasible to change this requirement. It is important to note that the County requires a valid driver's license as well as departmental approval for any employee to use a vehicle from the County's pool vehicle fleet.

Since the time of the deferral, certain minor updates have been made to the solicitation. The updates are shown in track changes mode in the attached solicitation. Upon approval by the Board, staff will finalize and release the solicitation.

The selected proposer shall provide a car sharing program in the downtown Miami area, within a two-mile radius of the Stephen P. Clark Center. The program will supplant the existing downtown Miami County-owned pool of loaner vehicles located at 201 NW 1 Street. The vehicles will be shared by various County employees and may be shared by the public at the selected proposer's discretion. The program shall be a pilot, initially limited to the downtown area. If the pilot program is successful (i.e., meets program objectives including cost savings), the program may be expanded to the four (4) other County loaner car facility locations.

County Measures and Preferences

A Small Business Enterprise Selection Factor is assigned to the solicitation. The User Access Program will apply where permitted by funding source. Local Preference will be applied in accordance with the Ordinance.

- c) A vehicle fleet capable of providing, at a minimum, the services currently being provided to County employees in the Downtown area. (Refer to the existing County fleet details which can be found in Section 7, regarding the current number of vehicles made available to employees.)
- d) A fleet comprised of the following vehicle types by percentage: 80% sedans; 15% passenger vans (full size and mini); 3% cargo vans and 2% utility vehicles.
- e) An increased supply of vehicles to address:

2.5 Infrastructure to be Provided

The selected Proposer shall:

- a) Provide all items necessary (i.e., key card, keys, fuel card, parking card, website, etc.) required for County employees to reserve, locate, start, drive, fuel, report incidents, park and return vehicles as quickly and efficiently as possible.
- b) Provide parking, to include arrangement and costs, for each vehicle at its designated parking location when not in use.

Note: The County's Internal Services Department manages over 5,000 parking spaces at approximately 12 parking locations throughout the areas of Downtown Miami and the Civic Center. Rates, locations and details may be found at: <http://www.miamidade.gov/internalservices/downtown-parking.asp>. Parking arrangements are outside of the scope of this solicitation and the County makes no guarantees of leasing or renting such spaces to the selected Proposer.

- c) Work with the County to continually evaluate and make recommendations to best achieve program goals. Improvements to the Program may be accomplished through the expansion, reduction or alternative modification of services.

2.6 Services to be Provided

a) Reservation System

The selected Proposer shall:

- 1) Provide for a 24/7 reservation system that allows individual drivers to make self-service reservations electronically via the internet or via telephone.
- 2) Provide a convenient system for the County to authorize employees to use the car sharing service. Such system should include user profiles for each authorized employee that enables the County to pre-approve employees and vehicle types allowed for each. Sedans will be issued as standard. Other vehicle types may require prior County approval.

b) Vehicle Maintenance Requirements

The selected Proposer shall maintain, at all times, the car sharing fleet by the manufacturer's recommended standards. Routine preventative maintenance must be performed during off peak hours or substitute vehicles must be provided to ensure the needs of the County are met at all times. Any vehicles in need of repair must be temporarily disabled from being reserved until required repairs are performed. It is the selected Proposer's responsibility to monitor their fleet to ensure that all vehicles meet requirements.

c) Billing Requirements

The selected Proposer shall provide individual billing to a variety of cost centers within each County department via electronic billing. Within the last 12 month period, the County's fleet management services billed 227 different index codes. The selected Proposer shall set up multiple billing accounts (anticipated to be at least 227 to accommodate the different index codes) with the possibility of a number of different individuals associated with each billing account.

d) Reporting Requirements

The selected Proposer shall provide various detailed utilization reports that will be available to a variety of departmental transportation coordinators. This will allow County management to review and approve expenses in detail and allow for the projection and budgeting of future car sharing expenditures. The reports should preferably be self-serve through the selected Proposer's system or, alternatively, would be provided at least monthly and on demand by the selected Proposer to all departments.

e) Customer Service Requirements

The selected Proposer must make available, immediately accessible customer service representatives, 24 hours a day; 7 days a week, for customer service, technical assistance and roadside assistance.

f) Training Requirements

The selected Proposer must make available, Program and vehicle comprehensive training, to potential users. The selected Proposer will be responsible for scheduling and presenting the training. The County will provide access to the employees. The training should preferably be web-based group training as well as one-on-one training or any combination of the two types.

g) Insurance Requirements

The selected Proposer shall secure and maintain, at all times, insurance for the Program and its participants. Refer to Section 5.0, Article 10 for the insurance requirements.

h) Rate Requirements

The selected Proposer shall factor in all costs associated with operating and maintaining these shared use vehicles into an all-inclusive rate per hour, per vehicle, in Form B-1, Price Proposal Schedule. A breakdown showing the individual items encompassed in the rate (fuel, insurance, maintenance, roadside assistance, etc.) is required by the County on Page 2 of Form B-1, Price Proposal Schedule. The selected Proposer shall provide rates per contract year by vehicle type, in hour increments. Actual usage will be paid prorated to the minute, fraction of an hour, hour, or as negotiated. The selected Proposer should offer discounted rates for vehicles needed for extended or long term use. Separate charges for mileage, sign-up fees to the service, and/or any other fees incurred during the operation of these vehicles will not be permitted. Tolls incurred by County employees, on County business, are allowed to be billed to the County.

(See Affidavit – "Lobbyist Registration for Oral Presentation" regarding registering speakers in the proposal for oral presentations.) Upon completion of the oral presentation(s), the Evaluation/Selection Committee will re-evaluate, re-rate and re-rank the proposals remaining in consideration based upon the written documents combined with the oral presentation.

4.4 Selection Factor

This Solicitation includes a selection factor for Miami-Dade County Certified Small Business Enterprises (SBE's) as follows. 4.5 Local Certified Service-Disabled Veteran's Business Enterprise Preference

This Solicitation includes a preference for Miami-Dade County Local Certified Service-Disabled Veteran Business Enterprises in accordance with Section 2-8.5.1 of the Code of Miami-Dade County. 4.6 Price Evaluation

After the evaluation of the technical proposal, the County will evaluate the price proposals of those Proposers remaining in consideration.

The price proposal will be evaluated subjectively in combination with the technical proposal, including an evaluation of how well it matches Proposer's understanding of the County's needs described in this Solicitation, the Proposer's assumptions, and the value of the proposed services. The pricing evaluation is used as part of the evaluation process to determine the highest ranked Proposer. The County reserves the right to negotiate the final terms, conditions and pricing of the contract as may be in the best interest of the County.

4.7 Local Preference

The evaluation of competitive solicitations is subject to Section 2-8.5 of the Miami-Dade County Code, which, except where contrary to federal or state law, or any other funding source requirements, provides that preference be given to local businesses. If, following the completion of final rankings by the Evaluation/Selection Committee a non-local Proposer is the highest ranked responsive and responsible Proposer, and the ranking of a responsive and responsible local Proposer is within 5% of the ranking obtained by said non-local Proposer, then the Evaluation/Selection Committee will recommend that a contract be negotiated with said local Proposer.

4.8 Negotiations

The County may award a contract on the basis of initial offers ~~Proposals~~ received, ~~without discussions~~. Therefore, each initial offer Proposal should contain the Proposer's best terms from a monetary and technical standpoint.

The County Mayor or designee will determine with which Proposer(s) the County shall negotiate, if any, taking into consideration the Local Preference Section above. The County Mayor or designee, at their sole discretion, may direct negotiations with the highest ranked Proposer, negotiations with multiple Proposers, and/or may request best and final offers. In any event the County engages in negotiations with a single or multiple Proposers and/or requests best and final offers, the discussions may include price and conditions attendant to price.

Notwithstanding the foregoing, if the County and said Proposer(s) cannot reach agreement on a contract, the County reserves the right to terminate negotiations and may, at the County Mayor's or designee's discretion, begin negotiations with the next highest ranked Proposer(s). This process may continue until a contract acceptable to the County has been executed or all proposals are rejected. No Proposer shall have any rights against the County arising from such negotiations or termination thereof.

Any Proposer recommended for negotiations shall complete a Collusion Affidavit, in accordance with Sections 2-8.1.1 of the Miami-Dade County Code. (If a Proposer fails to submit the required Collusion Affidavit, said Proposer shall be ineligible for award.)

Any Proposer recommended for negotiations may be required to provide to the County:
