CAPITAL CAMPAIGN OVERVIEW

Capital Campaign Executive Summary

As of June 10, 2019; OYC's Capital Campaign team has been working aggressively to ensure that we are working towards meeting the scheduling goals and timeline of this project.

The team currently consists of the Overtown Youth Center, The Mourning Family Foundation who serves as the Development team; Claro serving as the Project Management Team, Kobi Karp as the design team, Design to Form as the Architect of Record and ANF as the preconstruction services firm; who is expected to serve as the official construction firm.

Our Capital Campaign team meets every week and have made significant progress in the areas of design, land and environmental surveys; as well as the initial phases of preconstruction services. Our project management team along with our legal teams have had several meetings with the City of Miami planning and zoning departments who have all agreed to make this project a priority and expedite plans through the City of Miami. Schematic Design and Design documents have been reviewed by the City and comments have been provided; in which these comments are being addressed by our project management and design team.

Originally, the existing demolition date was scheduled to take place in August of 2019; however, we are experiencing a 4 month delay due to a required entitlement and warrant requirement mandated by the City of Miami.

Reasons for 4 Demolition Delay:

- The Entitlement process is due based on the fact that this new facility will serve as a multi-use complex

OYC be utilized for the following purposes:

- Community Resource Center
- After School Program Provider
- Landlord to Theodore Gibson Charter School during school hours

Additional Reasons for the entitlement process and attaining a warrant.

- OYC will be expanding more than 50% of its original size as community center

This effort is being lead by Javier Avino with Bilzin Sumberg, as a pro-bono consultant.

Estimated Warrant Timeline – City of Miami

July 2019	Submit Warrant plan set and supporting materials through ePlan.
August-September 2019	Obtain and respond to comments from Zoning Department and Planning Department.
September-October 2019	Revise plans and supporting materials pursuant to City comments.
October 2019	Mailed notice sent to abutting owners and homeowner associations. 30 day notice period commences.
November 2019	Preparation and issuance of final Warrant. (15-day appeal period after issuance).
The dates above are intended as an approximate timeline. The process can be affected by a number of variables including City workload and the extent of design-related comments that require adjustments

The Grantee shall furnish the County with a Background Screening Affidavit (Attachment E) as proof that it is in compliance with the foregoing provisions. In the event the Grantee fails to furnish such proof to the County, the County shall not disburse any further funds and this Contract may be subject to termination at the sole discretion of the County.

If the Grantee or any owner, subsidiary, or other firm affiliated with or related to the Grantee is found by the responsible enforcement agency, the Courts, or the County to be in violation of these Acts, the County may, in its sole discretion, conduct no further business with the Grantee.

Any contract entered into based upon a false affidavit shall be voidable by the County. If the Grantee violates any of the Acts during the term of any contract the Grantee has with the County, such contract shall be voidable by the County, even if the Grantee was not in violation at the time it submitted its affidavit.

B. **County Remedies.** If the Grantee breaches this Agreement, the County may pursue any or all of the following remedies:

1. The County may terminate this Agreement by giving written notice to the Grantee of such termination and specifying the effective date thereof.
