Agenda Item No. 3(B)(3)

Resolution No. R-182-20

Subject: Resolution Authorizing Submittal of a Grant Application to Florida Inland Navigation District, Waterways Assistance Program (FIND) for up to \$227,210.00 with Matching County Funds of up to \$314,560.00 for Miami-Dade County Marinas and Park Canoe - Kayak Launch Sites - Phase 1 (Design and Permitting).

Recommendation

It is recommended that the Board of County Commissioners (Board) authorize the County Mayor or County Mayor's designee to apply to Florida Inland Navigation District's Waterways Assistance Program (FIND) for up to \$227,210.00, with matching county funds of up to \$314,560.00, for Miami-Dade County Marinas and Park Canoe - Kayak Launch Sites - Phase 1 (Design and Permitting). It is further recommended that the Board authorize the County Mayor or County Mayor's designee to receive and expend funds and execute grant agreements, certain amendments and other documents as required by the grant agreement upon review and final approval of the County Attorney's Office for legal sufficiency.

Scope

Black Point Marina is located at 24775 SW 87 Avenue, Miami, in County Commission District 8, which is represented by Commissioner Daniella Levine Cava.

East Greynolds Park is located at 16913 Biscayne Boulevard, North Miami Beach in County Commission District 4, which is represented by Commissioner Sally A. Heyman.

Homestead Bayfront Marina is located at 9698 N Canal Drive, Miami, in County Commission District 9, which is represented by Commissioner Dennis C. Moss.

Matheson Hammock Marina is located at 9610 Old Cutler Road, Coral Gables, in County Commission District 7, which is represented by Commissioner Xavier L. Suarez.

Pelican Harbor Marina is located at 1275 NE 79 Street, Miami, in County Commission District 3, which is represented by Chairwoman Audrey M. Edmonson.

Fiscal Impact/Funding Source

The project will design and permit new canoe-kayak launch sites at four Miami-Dade County Marinas (Black Point Marina, Homestead Bayfront Marina, Matheson Hammock Marina, and Pelican Harbor Marina) and East Greynolds Park. The County's estimate for Phase 1 (Design and Permitting) project costs is \$541,770.00. The FIND estimated total project costs of \$227,210.00 shown on the resolution is

less because FIND disallows in-house costs such as project management, bidding and contracting costs from the grant program. Thus, the maximum FIND grant is 50 percent of FIND's allowed project costs. If awarded, the FIND grant will provide funds of \$227,210.00 and the county will provide \$314,560.00 of project funding from PROS Index code PRE130935014, the Florida Boating Improvement Program Vessel Fees Allocation Fund. The project will design and permit new canoe-kayak launch sites for four Miami-Dade County Marinas (Black Point Marina, Homestead Bayfront Marina, Matheson Hammock Marina and Pelican Harbor Marina) and East Greynolds Park; therefore, no additional operating costs will be incurred from completion of this project.

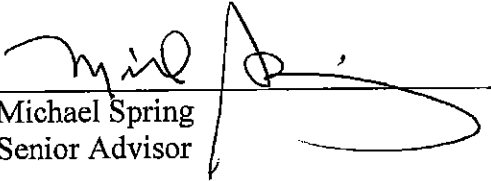

Track Record/Monitor

FIND's Waterway Assistance Program has awarded to Miami-Dade County Parks, Recreation and Open Spaces Department over \$5,000,000.00 in grants since 2012. The proposed grant will be administered by PROS Acting Grants Manager Dorothy Mills-Mayers.

Background

FIND is a Special Taxing District for the continued management and maintenance of the Atlantic Intracoastal Waterway. FIND grant projects must be related to the Florida Intracoastal Waterway. The application is due to be mailed by March 27, 2020 and is required to be accompanied by the adopted resolution. If awarded, the grant term will begin October 2020 and end September 2022. The project is scheduled to be completed within the grant term, but, if needed, a one-year extension is allowed upon request.

As part of the application process, it is required that a resolution be adopted in substantially the form of this resolution by the applicant for FIND grant funds. Amendments will only be made in conformance with this resolution where no additional matching funds or other County funds are encumbered, otherwise Board approval will be required to make amendments to the grant.
