Agenda Item No. 5(D)

Ordinance No. 20-29

Subject: Abolishment of Ordinance No. 01-98 Relating to the Marfer Subdivision Street Lighting
Special Taxing District

Recommendation

It is recommended that the Board of County Commissioners (Board) approve a petition submitted in accordance with Article 1, Chapter 18, of the Code of Miami-Dade County (Code) to abolish Ordinance No. 01-98 (Ordinance), which created the Marfer Subdivision Street Lighting Special Taxing District (Special Taxing District); waive section 28-15(g) of the Code, which required as part of the platting process that street and alley lighting be provided through the establishment of the Special Taxing District, rescind the Special Taxing District's assessment roll; and refund any excess monies in the Special Taxing District's account.

Scope

This Special Taxing District lies within Commission District 11, which is represented by County Commissioner Joe A. Martinez. If this abolishing Ordinance is approved by the Board, the Special Taxing District will be abolished, service will cease at the earliest practicable time, and the streetlights currently installed along the Special Taxing District's public right-of-way will be removed by Florida Power and Light Company (FPL), which owns the street lighting facilities.

Fiscal Impact/Funding Source

The economic impact on the County's budget will be from the Special Taxing District's cash reserves. There will be no increase or decrease in County staffing due to the abolishment of this Special Taxing District. Once final administrative and service costs are determined, the Parks, Recreation and Open Spaces Department (PROS) will forward a resolution authorizing refunds of excess funds, if any, to the affected property owners. In the event final administrative and service costs exceed the monies in the Special Taxing District's account, special assessments may be collected on the 2019-2020 combined real property tax bill to cover the expenses.

Social Equity Statement

The proposed Ordinance abolishes a Special Taxing District, pursuant to Article I, Section 1.01(A)(11) of the Miami-Dade County Home Rule Charter and Chapter 18 of the Code.

If approved, the street lighting services will cease at the earliest practicable time and property owners within the Special Taxing District will no longer be assessed a special assessment. In addition to the public notice requirements outlined in Section 18-3(d), PROS has mailed a memorandum to all the homeowners notifying them of the petition results in conjunction with a map illustrating the existing street lights to be removed.

Track Record/Monitor

The Special Taxing District is managed by PROS and overseen by the Chief of the Special Assessment Districts Division (Division), Lorena Guerra-Macias.

Background

In accordance with the provisions of Chapter 18 of the Code, a petition to abolish the Special Taxing District, duly signed by a majority (100%) of the resident owners of property within the Special Taxing District, was filed with the Clerk of the Board ("Clerk"). A copy of the petition was sent to the County Mayor or County Mayor's Designee who examined it and filed with the Clerk a memorandum certifying that such petition was sufficient in form and substance and signed and properly presented in accordance with the requirements of Chapter 18 of the Code.

This Special Taxing District was created on May 24, 2001, by Ordinance No. 01-98, and provides street lighting services in accordance with Section 28-15(g), which requires that on plats within the unincorporated areas of the County street lighting be provided for through the establishment of a special taxing district. Thus, the establishment of the Special Taxing District was required as part of the platting process, but is not a specific condition of the final recorded plat. As such, contingent upon Board approval of the abolishing ordinance, the Special Taxing District's street lighting services will be discontinued.

As pursuant to Section 18-3(d), a public notice will be duly published in a newspaper of general circulation published in Miami-Dade County, Florida, and copies thereof will be mailed to all owners of taxable real property within the

boundaries of the Special Taxing District as their names and addresses appear on the latest Miami-Dade County Real Property Tax Roll.

Public Meeting:

None necessary.

Required Referendum:

The abolishment of the Special Taxing District will be subject only to the Board's approval; no election will be necessary.

Assessment Roll:

To be repealed and no further force and effect upon adoption of this ordinance by the Board.

In compliance with the provisions of Section 18-3 (c) of the Code, I have reviewed the facts submitted by PROS and recommend that this abolishment be approved.
