Memorandum

Date: May 5, 2020

To: Honorable Chairwoman Audrey M. Edmonson
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

A handwritten signature in black ink, appearing to read "Carlos A. Gimenez".

Subject: Fiscal Impact Statement for Ordinance Relating to Rules of Procedure of the Board of County Commissioners; Pamphlets or Fact Cards

The implementation of this ordinance would have a marginal fiscal impact to Miami-Dade County that is difficult to determine at this time. This ordinance would require the establishment of displays and pamphlets or fact cards with the details about the life of these individuals for buildings named pursuant to this ordinance. The cost of a display and copies of a brochure or pamphlet would be marginal and could be covered within the cost of the management of a named building. If implemented the cost would be funded by the funding source used to support the named building.

Subject: Social Equity Statement for Ordinance Requiring Naming, Renaming, or
Codesignation of a County Building in Honor of an Individual, to Create Pamphlets or
Fact Cards

The proposed ordinance requires the Mayor or Mayor's designee, upon the naming, renaming, or codesignation of a county building in honor of an individual, to create pamphlets or fact cards with details about the life of the individual and to display and make the pamphlets or fact cards available in a certain quantity in the public area of such building.

While the proposed ordinance may provide an opportunity for the sharing of historical information from one generation to the next through the naming, renaming or codesignation of a County building in honor of an individual, its implementation will not have any measurable social equity benefit or burden.

A handwritten signature in black ink, appearing to read "Edward Marquez". The signature is cursive and includes a large, sweeping flourish that extends to the right and then loops back down.
