Mayor

Agenda Item No. 8(F)(6)

Resolution No. R-383-20

Subject: Recommendation for Approval of a Designated Purchase, Nyxcell Cellular Tracking Equipment

Recommendation

It is recommended that the Board of County Commissioners approve this request for a designated purchase, *Contract No. SS10063, Nyxcell Cellular Tracking Equipment*, to Tactical Support Equipment, Inc. (TSE), for the Miami-Dade Police Department (MDPD). Approval of a designated purchase is being requested, pursuant to Section 2-8.1 (b)(3) of the Miami-Dade County Code, to authorize award of a contract that provides the Department with cellular tracking technology which is used to aid criminal investigations, victims of natural disasters, terrorist incidents, and incidents involving an active shooter.

The Department's Telecommunications Unit conducts cellular telephone tracking on behalf of investigative entities and many municipal police departments within Miami-Dade County. This acquisition will provide for the outfitting of police vehicles with the equipment necessary to conduct tracking of cellular devices, and will include a hand-held device which will be used to locate cellular devices in multi-unit structures such as apartment complexes and hotels.

This equipment will replace the Department's current cellular tracking technology provided by Harris Corporation under Contract No. GS-35F-0283J-4. Harris Corporation has advised that effective June 2020 they will no longer provide cellular tracking technology and vital software updates. As more cellular network providers upgrade their technology, the current equipment will not be able to access their cellular signals.

Competition for these goods is not practicable because the equipment supplied by TSE is the only cellular tracking technology available to local law enforcement agencies that can simultaneously search multiple cellular bands for active cellular signals, thus allowing for the timely capture of the signal emanating from a target cellular phone. Each piece of equipment provided by TSE is proprietary in nature, works in conjunction with each other, and cannot be combined with products from other manufacturers. Accordingly, it is in the County's best interest to award this designated purchase pursuant to Section 2-8.1(b)(3) of the County Code to acquire the Nyxcell Cellular Tracking Equipment.

Scope

The scope of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for the three-year term is \$593,889. Should the County choose to exercise, at its sole discretion, the two, one-year options to renew, the estimated cumulative value will be \$696,139.

Department	Allocation	Funding Source	Contract Manager
Police	\$593,889	Impact Fees	Laura Romano
Total:	\$593,889		

Track Record/Monitor

Sade Chaney of the Internal Services Department is the Procurement Contracting Manager.

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise all provisions of the contract, including any cancellation, renewal or extension provisions, pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38.

*Provided pursuant to Resolution No. R-1011-15. Percentage of employee residents is the percentage of vendor's employees who reside in Miami-Dade County as compared to the vendor's total workforce.

Due Diligence

Pursuant to Resolution No. R-187-12, due diligence was conducted in accordance with the Internal Services Department's Procurement Guidelines to determine contractor responsibility, including verifying corporate status and that there are no performance or compliance issues. The lists that were referenced included convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to contractor responsibility.

Applicable Ordinances and Contract Measures

- The two percent User Access Program provision applies.
- The Small Business Enterprise measures and Local Preference do not apply.
- The Living Wage does not apply.
