Agenda Item No. 8(N)(3)

Resolution No. R-495-20

Subject: Recommendation to Reject all Proposals Received for Design-Build Services for the Quail Roost Park & Ride, Project No. DB14-MDT-01, Contract No. CIP071-CT1-TR14

Recommendation

It is recommended that the Board of County Commissioners (Board) reject all proposals received for Project No. DB14-MDT-01, Contract No. CIP071-CT1-TR14 for Design-Build Services for the Quail Roost Park and Ride Facility.

Fiscal Impact/Funding Source

There is no fiscal impact to Miami-Dade County (County) with the rejection of all proposals.

Background

On April 21, 2015, the Request to Advertise (RTA) was approved and filed with the Clerk of the Board with a subsequent revision to the RTA filed with the Clerk of the Board on June 1, 2015. A request for Design-Build Services was issued on May 21, 2015. A total of 18 firms attended the Step 1 pre-submittal project briefing held on May 26, 2015. Three proposals were received and filed with the Clerk of the Board by June 22, 2015.

During the procurement process, the County received an unsolicited proposal from Atlantic Pacific Communities, LLC (APC) pursuant to Section 2-8.2.6(3)(a) of the Miami-Dade County Code (Code), for the construction of a mixed-use and Transit-Oriented Development (TOD) at Quail Roost (Quail Roost Transit Village). Consequently, on December 18, 2015, via Addendum No. 12, participating firms were notified by the Internal Services Department (ISD) that the project had been placed on hold by the Department of Transportation and Public Works (DTPW), formerly Miami-Dade Transit, until further notice.

APC's unsolicited proposal sought the creation, through a ground lease and a development agreement, of a mixed use TOD consisting of approximately 350 units of affordable housing, a park-and-ride garage with 261 spaces exclusively for transit users, a covered walkway from the garage to the existing busway shelter, a kiss-and-ride and 10,000 square feet of retail/office space. The TOD would be constructed on approximately 8.4 acres of County-owned land located along the South Dade Transitway between Quail Roost Drive and Eureka Drive, located in County Commission District 9, represented by Commissioner Dennis C. Moss.

The Department of Public Housing and Community Development (PHCD) and DTPW staff reviewed APC's proposal and concluded that it met the acceptance criteria specified in Section 2-8.2.6(3)(a) of the Code. Therefore, on December 6, 2016, the Board adopted Resolution No. R-1151-16, authorizing the County Mayor or the County Mayor's designee to accept the proposal for publication and issue a competitive solicitation in accordance with Section 2-8.2.6(3)(a) of the Code, to select a developer to design and build the Quail Roost Transit Village. Request for Proposal (RFP) Number 2017-01 was

released by PHCD and DTPW on February 17, 2017, for the design and construction of the Quail Roost Transit Village. Two applications were received by the deadline submission date of March 3, 2017. Following the conclusion of the procurement process, on February 21, 2018, the Board adopted Resolution No. R-169-18, awarding a ground lease to APC for the development of the Quail Roost Transit Village.

Vendors Not Recommended for Award

As a result of Board approved development of the Quail Roost Transit Village, all three proposals received for Project No. DB14-MDT-01 can be rejected as design-build services are no longer required.
