Subject: Ordinance Authorizing a Revolving Line of Credit Not to Exceed \$150 Million Outstanding at any one time from Wells Fargo Bank, N.A. For the Purpose of Providing Funds to the Public Health Trust

Amended
Substitute
Agenda Item No. 5(A)
Ordinance No. 20-32

This substitute differs from the original item in that it; 1) changes the line of credit from a non-revolving line of credit to a revolving line of credit; 2) establishes a term of not to exceed 364 days from the effective date; 3) amends the primary security for the line of credit from the Public Health Trust's revenues to the County's covenant to annually budget and appropriate sufficient legally available non-ad valorem revenues; 4) replaces Exhibit A to include the negotiated commitment letter between the County and Wells Fargo; and 5) revises Exhibit B to memorialize the Public Health Trust's obligation to be the primary payor of the amounts due under the line of credit.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the accompanying ordinance, which authorizes the following:

- The selection of Wells Fargo Municipal Capital Strategies, LLC (Wells Fargo) to provide capital via a revolving line of credit (Credit Facility) in an amount not to exceed \$150 million outstanding at any one time for the purpose of providing operating capital to the Public Health Trust (Trust) in response to the overwhelming health care crisis sparked by the outbreak of coronavirus disease 2019 (COVID-19), and the payment of related financing costs;
- Approval of the of Wells Fargo commitment letter;
- Approval of the terms of the Memorandum of Understanding (MOU) with the Trust;
- County Mayor or County Mayor's designee to execute future extensions of the term of the Credit Facility if he/she determines, in consultation with the Financial Advisor, that the terms of the extension are favorable to the County;
- Waiver of Resolution No. R-130-06, which requires that any contracts of the County with third parties be executed and finalized prior to their placement on an agenda for Board consideration.

The approval of the \$150 million Credit Facility is necessary to ensure the Trust has adequate resources to help in keeping our community safe and reducing the risk of COVID-19.

The ordinance also authorizes the County Mayor or County Mayor's designee and other County officials to take all actions necessary to consummate the Credit Facility through related agreements consistent with the terms of the Wells Fargo commitment letter.

Scope

The scope of the transaction is countywide.

Fiscal Impact/Funding Source

The Trust will use its net operating revenues to pay for all draws and costs of the Credit Facility.

The terms of the Credit Facility provides that the County guarantee the Trust's commitment to make all payments with a County covenant to budget and appropriate annually sufficient legally available non-ad valorem revenues of the County. Pursuant to the terms of the MOU, the County will have the right to deduct any payment made on the Credit Facility by the County from the Trust's one half cent healthcare sales surtax prior to remitting the surtax to the Trust.

Track Record/Monitoring

The Trust will seek approval from the County for each draw made under the Credit Facility through Deputy Mayor/Finance Director, Edward Marquez. Mark Knight, Chief Financial Officer of Jackson Health System, will monitor the use of proceeds, and continuing disclosure will be managed by Arlesa Wood, Director of Bond Administration Division in the Finance Department.

Social Equity Statement

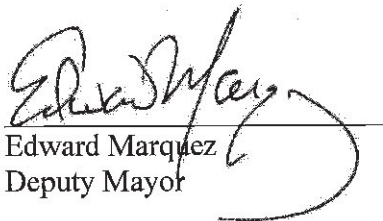

The proposed ordinance will provide operating capital to the Trust in response to the novel COVID-19 pandemic which continues to spread and pose serious health risks to the citizens of Miami-Dade County. It is of great benefit to the health and wellness of the citizens of the County that the Trust have the essential resources to adequately respond to the COVID-19 pandemic.

Background

The proposed Credit Facility was presented to the County by Wells Fargo at the request of and on behalf of the Trust. The purpose is to provide the Trust, through the County, sufficient operating capital to respond to the novel COVID-19 pandemic.

The commitment that was negotiated with Wells Fargo is attached as Exhibit A to the Ordinance. Pursuant to the commitment, the Credit Facility will have a term not to exceed 364 days from its effective date. The County will covenant to budget and appropriate from all legally available non-advalerom revenues sufficient funds to pay the Credit Facility. It is necessary for the County and the Trust to enter into an MOU attached as Exhibit B to the Ordinance in order to memorialize the Trust's obligation to serve as the primary payor of the amounts due under the Credit Facility.

Resolution No. R-130-06 provides that any County contract with a third party be finalized and executed prior to its placement on an agenda of the Board. The Credit Facility and the MOU will not have been executed until after the effective date of the ordinance and as such a waiver of Resolution No. R-130-06 is required.

MEMORANDUM OF UNDERSTANDING

BETWEEN

MIAMI-DADE COUNTY, FLORIDA

AND

PUBLIC HEALTH TRUST OF MIAMI-DADE COUNTY, FLORIDA

THIS MEMORANDUM OF UNDERSTANDING ("MOU") is made this ____ day of _____, 2020 by and between Miami-Dade County, Florida (the "County") and the Public Health Trust of the County (the "Trust") for the purpose of setting forth certain terms and conditions regarding the use of that certain \$150,000,000.00 line of credit between the County and Wells Fargo Bank, N.A. (the "Bank").

The County enacted Ordinance No. _____ (the "LOC Ordinance") authorizing a \$150,000,000.00 line of credit (the "Line of Credit") to be made available to the County by the Bank. The County has agreed to allow the Trust to draw on the Line of Credit to: (a) provide sufficient operating capital to mitigate cash flow impacts in response to the overwhelming health care crisis sparked by the outbreak of the coronavirus (COVID-19) and (b) pay any cost of issuance, finance charges, late charges, collection costs, or other amounts due under the Line of Credit ("Costs").

The Line of Credit is secured by a County covenant to annually budget and appropriate from all legally available non-ad valorem revenues of the county ("County Covenant") sufficient funds to pay the outstanding principal and interest ("P&I") and Cost on the Line of Credit. In exchange for the County Covenant, the County and the Trust agree as follows:

1. The Trust is allowed to borrow and pay the principal under the terms of the Line of Credit to this MOU and any related loan documents, provided the Trust is current in the payment of P&I and Costs and no event of default has occurred under the related loan documents.
2. All draw requests by the Trust shall be presented first to the County and approved by the Finance Director before the Trust shall present such draw requests to the Bank.
3. If at any time the Trust fails to pay the P&I and Costs when due, the County has the right (i) to pay such P&I and Costs from the (a) one-half percent (.05%) discretionary sales surtax imposed pursuant to Chapter 212, Florida Statutes (the "Healthcare Surtax") collected by the County before it is remitted to the Trust and/or (b) County funds and such amount shall be deducted from the County funds to be remitted to the Trust pursuant to the maintenance-of-effort requirement imposed pursuant to Chapter 212, Florida Statutes (the "MOE"); and (ii) not to approve any additional draw requests.

4. The term of this MOU shall commence upon the effective date of its approval by the Board and the Trust's Board and shall continue until all obligations of the Trust have been fulfilled.
