RE: Appointment of Four Voting Trustees to the Public Health Trust Board of Trustees

Recommendation

It is recommended that the Board of County Commissioners (Board) select and appoint four voting trustees from the list of five nominees submitted by the Public Health Trust Nominating Council (Nominating Council) for appointment to the Public Health Trust Board of Trustees (PHT). The term for the appointment for each trustee shall expire May 31, 2023.

Scope

The Nominating Council consists of Chairman Joe Arriola, Chairman of the Nominating Council and PHT, Chairwoman Audrey M. Edmonson, PHT Vice-Chairwoman Irene Lipof, PHT member William J. Heffernan, PHT member Amadeo Lopez-Castro III, PHT member Walter T. Richardson, Mayor-appointed member Mario J. Artecona, and South Florida AFL-CIO-appointed member Lovette McGill. Section 25A-3(d) of the Code of Miami-Dade County provides that voting trustees of the PHT shall be appointed by resolution approved by the Board after the Nominating Council submits to the Board a list of nominees containing a total number of names which is equal to one nominee for each vacancy on the PHT plus, at the discretion of the Nominating Council, up to two additional nominees. The Board shall select and appoint the voting trustees from the list of nominees submitted by the Nominating Council.

Fiscal Impact/Funding Source

This action has no fiscal impact to the County as the PHT members serve without compensation. Members are entitled to reimbursement for necessary expenses, including the expense of performance bonds incurred in the discharge of their duties. These expenses are funded by the PHT.

Track Record/Monitor

The Nominating Council received and reviewed six applications (including two incumbents) and interviewed three candidates in person. After assessing the applicants, the five nominees have

been ranked upon the vote of the Nominating Council and are being forwarded to the Board for consideration as required by Chapter 25A.

Background

In accordance with the procedures of the Nominating Council and staff guidance, advertisements for the PHT board were run on the LinkedIn website. This platform provided cost-effective exposure and helped target candidates in Miami-Dade County with qualifications consistent with County ordinances.

During its April 13, 2020 meeting, the Nominating Council voted to recommend five applicants to the Board. The Nominating Council further recommended and ranked the applicants in order of preference, as follows:

Walter T. Richardson and Amadeo Lopez-Castro III (top two candidates, tied);
Carmen Sabater (third);
Antonio L. Argiz (fourth); and
Francisco J. Pines (fifth).

The Nominating Council directed the Public Health Trust to conduct a background check for each of the finalist nominees. The background check included a criminal background check, a public record search of County and Statewide criminal records, National criminal and Sex offender records, County and Federal civil records, Lien/Judgement filings, Bankruptcy filing, Internet and Social media records, Driver's and vehicle information database, a screening through the Florida Department of Law Enforcement (FDLE), and a Level 2 criminal background screening through the Agency for Healthcare Administration (AHCA). No concerns were found in the background check for any of the candidates. A true and correct copy of the background check memorandum is attached hereto.

The Board must select four of the five nominees for appointment to the PHT. The terms for each such trustee shall expire May 31, 2023. The Nominating Council sincerely believes that the recommended list of nominees is both objective and balanced and is in the best interest of the community.

Dr. Walter T. Richardson is a leading voice in South Florida for social justice. His ability to equate the black religious experience with the social concerns of the black community has been recognized as a needed methodology for change. Because of his vital ministry and preaching the Sweet Home Baptist Church, where he pastored for 26 years, grew from a part-time two-Sunday a month

congregation of less than 200 member to a full-time staffed ministry with two morning services each Sunday and a membership of well over four thousand persons. The Sweet Home church is involved in holistic healing for the family in that it offers ministries involving singles, married couples, youth, the elderly and peer counseling at all levels. Ministries are also in operation dealing with chemical dependency and literacy. Sweet Home is also a racially integrated congregation with native-American blacks, Spanish, Haitians, Whites and representation from several Caribbean Islands. Dr. Richardson is also acclaimed as a leading adjunct professor at the St. Thomas University where he teaches religion. Walter T. Richardson is also nationally known for his musical talent, having recorded with several choirs and artists, including the Florida Mass Choir as vocalist and musician. Having worked for more than twenty years in executive management with Sears, Roebuck and Company, Dr. Richardson resigned that job to devote his full time to the holistic ministry of the South Dade community. Dr. Richardson retired April, 2010 from the pastorate, and now is very active as a national speaker and community activist.

Please describe the goals and objectives you will seek to accomplish if you are selected as a Trustee:

As a Hispanic woman born and raised in Miami with an ethos of paying it forward, I'm focused on building a strong and healthy Miami. A strong Miami is founded on a caring community that holds education and health care as the standard bearers for success for generations to come.

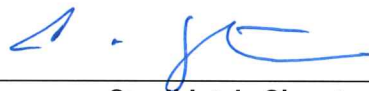

A healthy Miami is defined as a Miami that invests in quality affordable healthcare for all citizens not a select few with facilities and professionals that can answer YES to the question - am I proud to work here?

As the chief financial officer of a billion dollar organization with deep roots in Miami , I've seen firsthand how accessible and affordable quality care can make a difference in the lives of those who have it and I've also seen the devastation brought on from not having access to care .

Having an opportunity to serve on the Trust enables me to continue paying it forward. My current experiences -Treasurer of the United Way of Miami Dade County; Coral Gables budget and finance committee; certified public accountant and role as a CFO, as well as a mother of two and spouse of 30 years, with aging parents allows me to share unique insight. I intend to bring my experiences, my integrity, a healthy sense of skepticism , strong oversight , business acumen, diverse thinking and knowledge of corporate governance to enhance the goals of the Trust and ensure the mission and purpose of access to health care by all based on well operated facilities staffed with strong professionals all the while assuring that public funds are used appropriately.

I, (candidate's name) Carmen Sabater, Citizen of the United States, a duly qualified elector of Miami-Dade County, and not affiliated with the Public Health Trust of Miami-Dade County or its subordinate agencies or institutions, would, if appointed, be willing and able to discharge the responsibilities and functions of Trustee. I declare that, if selected while currently serving on another official County board, I will resign from my other County responsibilities.
