Memorandum

Date: October 6, 2020

To: Honorable Chairwoman Audrey M. Edmonson
and Members, Board of County Commissioners

From: Carlos A. Gimenez 
Mayor

Subject: Resolution Declaring the Acquisition of the Designated Property Known as Parcel 3
to be a Public Necessity Needed for the Project Entitled Improvements to SW 42
Street from SW 162 Avenue to SW 157 Avenue

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution declaring the acquisition of Parcel 3 to be a public necessity for the road widening, beautification and right-of-way improvements to SW 42 Street from SW 162 Avenue to SW 157 Avenue. The resolution authorizes the County Mayor or the County Mayor's Designee and the County Attorney to employ appraisers, expert witnesses, obtain environmental audits and to take any and all appropriate actions to acquire the subject parcel in fee simple, either by negotiation, donation, right-of-way designation, purchase at values established by appraisals, or tax assessed value whichever is higher of the two. The resolution authorizes the administration to make an additional incentive offer for a total amount not to exceed fifteen percent over the appraised value, together with reasonable attorney fees and costs, pursuant to Sections 73.091 and 73.092 Florida Statutes or by eminent domain court proceedings, including a declaration of taking as necessary for and on behalf of Miami-Dade County.

Scope

Parcel 3 and the improvements along SW 42 Street are located in County Commission District 11, represented by Commissioner Joe A. Martinez.

Fiscal Impact/Funding Source

Funding for the construction of the road improvements and right-of-way acquisition of all parcels is estimated at \$4,261,461.87 and is funded by Road Impact Fees included in the FY 2020-21 Proposed Budget and Multi-Year Capital Plan. Once the project is complete, annual maintenance and operational costs of approximately \$12,165.21 are anticipated and will be funded through the Department of Transportation and Public Works' (DTPW) General Fund allocation.

Track Record/Monitor

Alejandro Barrios, Chief, Stormwater Engineering and Right-of-Way Division, Department of Transportation and Public Works, will oversee and monitor this project.

Background

The project consists of the widening of SW 42 Street from SW 162 Avenue to SW 157 Avenue from 2-lanes to a 4-lane roadway with new raised landscape medians, irrigation, sidewalks, curb and gutters, storm drainage system, pavement markings and signage, intersection and signalization improvements and roadway lighting.

The area to be acquired by DTPW for the street improvements is legally described in Exhibit “A” and illustrated in the parcel location map set forth in Exhibit “B”, both of which are attached to the resolution. The project will improve traffic mobility and drainage along SW 42 Street from SW 162 Avenue to SW 157 Avenue. In order to reduce project time, cost and the expense of litigation, it is recommended that the administration be granted authorization to issue an incentive offer added to the initial offer to purchase Parcel 3. The total amount of the initial offer plus the incentive offer shall be no more than fifteen percent over the appraised value of Parcel 3.
