Re: Equipment Request

With all Due respect we reach out to you in the name of our Institution to submit our request. We are a Local Government Institution established in the City of Constanza, Dominican Republic. We serve a community of around 60,000 population and all rural zones surrounding it. Most of the community lives in poverty and it is very vulnerable. We also work as first responders during crisis and natural disasters. Our Team consists of 17 Honorary firefighters that help with logistics and organization, 27 volunteer firefighters that are added to the emergencies and 16 first responders that work on a permanent basis at the institution.

At present we count with 3 trucks, one Toyota Year 1972, 1,600 gallons capacity, one Daihatsu 1996, 800 gallons capacity and a Nissan Year 2001, 1,400 gallons capacity. At present 2 of them are in repair and only the smallest one is working. Our team works as best as possible to respond to all emergencies, given the limited resources. We do a great job in maintaining and taking care of our Building and equipment.

We are requesting from "Miami Dade County Commissioners" surplus equipment (45 sets) such as Firefighter Bunker Gear, Helmets, Gloves and Boots. These items will be used in the training of our firefighters to better serve and protect our community.

Looking forward to hearing from you

Best Regards,

Lcdo. Alejandro de Jesús Cruz Estévez
Coronel / Intendente General
