COMMUNITY SERVICE

Volunteered for many years (approximately 1960s through the 1980s) in the youth baseball and football programs at Suniland and Kendall parks including Khoury League and Pop Warner League. Duties included coaching, and providing whatever other assistance was needed to help make the leagues a successful and enjoyable experience for the boys. Also mentored many young adolescents throughout this time.

Has had memberships (some still active) in various organizations including Reserve Officers Association, Air Force Association, Palmetto High School Parents Association, Suniland Optimist Club, American Veterans, Clipper Pioneers Pan Am Retired Pilots – and has held different officer positions at various times in several of these organizations.

Has been active in the Naranja Lakes Condominium Associations since the 1970s. Duties included serving on multiple Boards throughout this time, and serving as President of Condos 2 and 3 (and serving on the Board for Condo 4) during the time of Hurricane Andrew (August, 1992).

During the period of post Andrew recovery, arranged for a food distribution center and the Red Cross to provide their services. Directed the efforts of Naranja Lakes so that 100% of the insurance policies were paid in full, and that the collected monies were appropriately distributed to each of the unit owners.

When it was determined that the units needed to be demolished, he coordinated those efforts. As the land could not be sold due to 1200+ unit owners not being able to provide proof of clear titles, he donated four of his own condos thereby allowing the Condo Association to declare bankruptcy with the proceeds then being distributed to all of the former owners.

When plans were then made to rebuild the community, he was sought out by Katy Sorenson to be one of the original Naranja Lakes Community Redevelopment Agency members due to his knowledge, leadership abilities, and caring feelings for the community. His involvement has been widely recognized as being extremely beneficial for the residents and community at large.
