RE: Request for funds to restore the Historic Black X-Ray Clinic, 171 NW 11th Street

Greetings Chairwoman Edmonson,

The Black Archives History and Research Foundation of South Florida, Inc. has been a leader in the identification, documentation, and preservation of historically significant sites in Miami Dade County.

The Black Archives is seeking a capital grant to restore the historic Dr. Samuel H. Johnson X-Ray Clinic. The X-Ray Clinic served as location South Florida's first African American radiologist. At the time of construction, Johnson built his clinic because black residents were not allowed to use the x-ray facilities at Miami's City Hospital. A mechanical drawing instructor at Booker T. Washington High School, identified only as "Mr. Barker," created the plans for this small Streamline Moderne building. Notably, national figure Justice Thurgood Marshall is pictured in the X-Ray Clinic meeting with Judge John D. Johnson, Garth C. Reeves, Sr., and Attorney J. E. Graves.

We anticipate cost for the X-Ray clinic restoration not to exceed One million five Hundred Thousand Dollars (\$1,500,000.00). Our plan is to perform a full restoration of the facility. This will bring the external look of the facility to its original façade. Replace windows, doors, floors, and roofing. We will bring the building up to current code with electrical, HVAC, and plumbing. We plan to install security cameras on the facility for surveillance as well. We have several plans for an adaptive reuse of the space, but we feel that it is of the utmost importance to eliminate the look of slum and blight on this corridor now.

With your support, the Black Archives has been able to successfully turn historic structures around, and have demonstrated our ability to manage construction and restoration projects successfully byway of the Historic Lyric Theater expansion and the Dorsey House restoration. We seek your assistance again in the redevelopment of this important historic landmark that resides in your district. We look forward to your positive consideration to apply capital funding to restore this historic venue.

Thank you for your continued support of the Black Archives.

Sincerely,

Timothy A. Barber

THEATER LIGHTING UPGRADE

Currently the lighting board and the halogen lighting is out dated technology. The lighting board is inconstant with current boards that are currently in use at like institutions. The theater's board was purchased in 2011 and installed in 2014. The current halogen styled leko lighting fixtures lack energy efficiency, and we intend to purchase LED Lekos and moving lights.

Steven J. Henriquez, CPA
Treasurer

THEATER SOUND UPGRADE

Currently the soundboard that is in use at the theater is outdated technology purchased in 2011 and installed in 2014. This includes the installation of lobby sound for the transmission of auditorium announcements and intercom paging, as well as surround sound for film festivals.

THEATER STAGE REBUILD (TERMITE DAMAGE)

The facility due to its age has fought with termite infestation. In 2019, we were able to do spot treatments on the stage where the infestation was concentrated. This required demolition of small areas on the stage and spot treat for termites. Recently, the infestation has returned and areas of damage has increased. This requires us now to demolish and removed all wood on the stage, fully treat the area, and rebuild the new subfloor for the stage with pressurized wood or carbon flooring.

Humbly Submitted,

The Grantee shall maintain equipment purchased with County funding and with a purchase value of \$1,000.00 or greater until such equipment has reached its useful life and has been fully depreciated by the Grantee. If the equipment is functional beyond this point and the Grantee has the means to obtain a replacement of the equipment, the Grantee is encouraged to donate the equipment to clients, if appropriate, or to other social service Grantees in need of such equipment. The Grantee must ensure that any confidential information that may be stored in equipment/devices has been cleared prior to the donation taking place. Donations of equipment should be reported in the Grantee's final report.

O. Public Records. Pursuant to Section 119.0701 of the Florida Statutes, if the Grantee meets the definition of "Contractor" as defined in Section 119.0701(1)(a), the Grantee shall:

(2) Upon request from the County's custodian of public records identified herein, provide the County with a copy of the requested records or allow the public with access to the public records on the same terms and conditions that the County would provide the records and at a cost that does not exceed the cost provided in the Florida Public Records Act, Miami-Dade County Administrative Order No. 4-48, or as otherwise provided by law;

(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Agreement's term and following completion of the services under this Agreement if the Grantee does not transfer the records to the County; and

(4) Upon completion of the Contract, transfer, at no cost, to the County all public records created, received, maintained and/or directly related to the performance of this Agreement that are in possession of the Grantee, or keep and maintain such public records. If Grantee transfers all public records to the County upon completion of the Contract, the Grantee shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Grantee keeps and maintains the public records upon completion of the Contract, the Grantee shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

For purposes of this Article, the term "public records" shall mean all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business of the COUNTY.

Grantee's failure to comply with the public records disclosure requirement set forth in Section 119.0701 of the Florida Statutes shall be a breach of this Agreement. In the event the Grantee fails to meet any of these provisions or fails to comply with Florida's Public Records Laws, the Grantee shall be responsible for indemnifying the County in any resulting litigation and the Grantee shall defend its claim that any public record is confidential, trade secret, or otherwise exempt from inspection and copying under Florida's Public Records Laws.

In the event the Grantee does not comply with the public records disclosure requirement set forth in Section 119.0701 of the Florida Statutes, the County may, at the County's sole discretion, avail itself of any of the remedies for breach set forth under this Agreement or available at law or equity.

**ARTICLE 21. AUDITS AND INTERNAL REVIEWS BY THE OFFICE OF MANAGEMENT
AND BUDGET, OFFICE OF MIAMI-DADE COUNTY INSPECTOR GENERAL AND THE
COMMISSION AUDITOR**

The Grantee understands that it may be subject to an audit, random or otherwise, by the Office of the Miami-Dade County Inspector General or an Independent Private Sector Inspector General retained by the Office of the Inspector General, or the County Commission Auditor. The Grantee may also be subject to an internal review, random or otherwise, by the County.

Office of the Inspector General. The attention of the Grantee is hereby directed to the

requirements of Section 2-1076 of the County Code in that the Office of the Miami-Dade County Inspector General (IG) shall have the authority and power to review past, present and proposed County programs, accounts, records, contracts and transactions. The IG shall have the power to subpoena witnesses, administer oaths and require the production of records. Upon ten (10) days written notice to the Grantee from IG, the Grantee shall make all requested records and documents available to the IG for inspection and copying.

The IG shall have the power to report and/or recommend to the Board of County Commissioners whether a particular project, program, contract or transaction is or was necessary and, if deemed necessary, whether the method used for implementing the project or program is or was efficient both financially and operationally. Monitoring of an existing project or program may include reporting whether the project is on time, within budget and in conformity with plans, specifications, and applicable law. The IG shall have the power to analyze the need for, and reasonableness of, proposed change orders.

The IG may, on a random basis, perform audits on all County contracts throughout the duration of said contract (hereinafter "random audits"). This random audit is separate and distinct from any other audit by the County. Grant recipients are exempt from paying the cost of the audit which is normally 1/4 of 1% of the total contract amount.

The IG shall have the power to audit, investigate, monitor, oversee, inspect, and review the operations, activities and performance and procurement process including, but not limited to, project design, establishment of bid specifications, bid submittals, activities of the contractor, its officers, agents and employees, lobbyists, County staff and elected officials in order to ensure compliance with contract specifications and detect corruption and fraud.

The IG is authorized to investigate any alleged violation by a Grantee of its Code of Business Ethics, pursuant to Section 2-8.1 of the County Code.

The provisions in this section shall apply to the Grantee, its subcontractors, and their respective officers, agents, and employees. The Grantee shall incorporate the provisions in this section in all contracts and all other agreements executed by its subcontractors in connection with the performance of this Agreement. Any rights that the County has under this Section shall not be the basis for any liability to accrue to the County from the Grantee, its subcontractors, or third parties for such monitoring or investigation or for the failure to have conducted such monitoring or investigation and the County shall have no obligation to exercise any of its rights for the benefit of the Grantee, its contractors or third parties.

Nothing in this Agreement shall impair any independent right of the County to conduct audit or investigative activities. The provisions of this section are neither intended nor shall they be construed to impose any liability on the County by the Grantee or third parties.

ARTICLE 22. SUBCONTRACTORS AND ASSIGNMENTS

A. **Subcontracts.** The parties agree that no subcontract agreement will be made or let in connection with this Agreement without the prior written approval of the County in its sole discretion, which shall not be unreasonably withheld. In the event approval is granted by the County, and subject to the conditions below, a copy of the approved fully executed Subcontractor agreement(s) must be furnished to the County in order for Subcontractor expenses to be paid under this Agreement. With respect to any subcontract or subcontractor, the Grantee agrees as follows:

- 1) If the Grantee will cause any part of this Agreement to be performed by a Subcontractor, before entering into any subcontract hereunder, the Grantee will inform the Subcontractor fully and completely of all provisions and requirements of this Agreement relating either directly or indirectly to the Services to be performed. The provisions of this Agreement will apply to such Subcontractor and its officers, agents and employees in all respects as if it and they were employees of the Grantee; and the Grantee will not be in any manner thereby discharged from its obligations and liabilities hereunder, but will be liable hereunder for all acts and negligence of the Subcontractor, its officers, agents, and employees, as if they were employees of the Grantee. The services performed by the Subcontractor will be subject to the provisions hereof as if performed directly by the Grantee.
- 2) The Grantee, before making any subcontract for any portion of the services, will state in writing to the County the name of the proposed Subcontractor, the portion of the Services which the Subcontractor is to perform, the place of business of such Subcontractor, and such other information as the County may require. The County will have the right to require the Grantee not to award any subcontract to a person, firm, or corporation disapproved by the County in its sole discretion.
- 3) In order to qualify as a Subcontractor satisfactory to the County in its sole discretion, in addition to the other requirements herein provided, the Subcontractor must be prepared to prove to the satisfaction of the County that it has the necessary facilities, skill and experience, and ample financial resources to perform the Services in a satisfactory manner. To be considered skilled and experienced, the Subcontractor must show to the satisfaction of the County in its sole discretion that it has satisfactorily performed services of the same general type which is required to be performed under this Agreement.
- 5) The County shall have the right to withdraw its consent to a subcontract if it appears to the County that the subcontract will delay, prevent, or otherwise impair the performance of the Grantee's obligations under this Agreement. Grantee shall furnish to the County copies of all subcontracts between Grantee and Subcontractors and suppliers hereunder. Within each such subcontract, there shall be a clause for the benefit of the County permitting the County to request completion of performance by the Subcontractor of its obligations under the subcontract, in the event the County finds the Grantee in breach of its obligations, the option to pay the Subcontractor directly for the performance by such subcontractor. Notwithstanding, the foregoing shall neither convey nor imply any obligation or liability on the part of the County to any subcontractor.

B. **Assignments.** The parties agree that no assignment will be made or let in connection with this Agreement without the prior written approval of the County in its sole discretion, which shall not be unreasonably withheld.

C. If the Grantee intends to use subcontractors to provide the services listed in the

Winn Prompt Payment Ordinance (Ordinance No. 94-40), Section 2-8.1.4 of the County Code, Administrative Order No. 3-19, and the Florida Prompt Payment Act, payments must be made within thirty (30) days of receipt of a proper invoice. ARTICLE 23. PURCHASES
