Memorandum

Date: October 20, 2020

To: Honorable Chairwoman Audrey M. Edmonson
and Members, Board of County Commissioners

From: Carlos A. Gimenez, Mayor 

Subject: Recommendation for Amending Resolution No. R-1048-17 relating to Allocation of Funds from Building Better Communities General Obligation Bond Program Project No. 352 "New Family Units at Liberty Square and Lincoln Gardens" and Award of Grant from Building Better Communities General Obligation Bond Program Project No. 352 in the Amount of \$2,790,426.00 to Blessing Hands Outreach, Inc

Recommendation

It is recommended that the Board of County Commissioners (Board):

1. Amend Resolution No. R-1048-17, which approved a reduction of Building Better Communities General Obligation Bond Program Project No. 352 - "New Family Units at Liberty Square and Lincoln Gardens" (GOB Project 352) funds allocated to the Liberty Square/Lincoln Gardens redevelopment project (Project) in the amount of \$5,580,853, to, at the request of Commission District 3, re-allocate \$2,790,426 of such GOB Project 352 funds back into the redevelopment project and make a corresponding reduction to the other funds allocated to the redevelopment project;
2. Award the grant of \$2,790,426 of GOB Project 352 funds to Blessing Hands Outreach, Inc (Grantee), the Florida not for profit corporation selected by Lincoln Gardens, LLC, a Florida limited liability company (Project Developer) to receive the grant;
3. Approve the waiver of Resolution No. R-138-14 which requires that the final underwriting report for each affordable housing project awarded a grant of Building Better Communities General Obligation Bond Program (Bond Program) funds be presented to the Board along with the approval of the grant documents due to timing issues which has delayed the preparation of the underwriting report and its review and approval by the board of directors of the Housing Finance Authority of Miami-Dade;
4. Approve, the Bond Program Grant Agreement (Grant Agreement) between the County and Grantee that is attached to the Resolution as Exhibit A and the Rental Regulatory Agreement among the County, Grantee and Lincoln Gardens, LLC, a single purpose Florida limited liability company formed by the Project Developer to construct the Lincoln Gardens portion of the Project (Lincoln Gardens project), that is attached to the Resolution as Exhibit B;
5. Authorize the waiver of Resolution No. R-130-06 to provide the Grantee sufficient time to obtain the approval of its board of directors. The Grant Agreement requires that the Grantee provide a corporate resolution from its Board of Directors authorizing its

representative to enter into the Grant Agreement. The Grantee was unable to hold a Board of Directors meeting for this purpose prior to the submission of this legislation for Board approval. It is advantageous to expedite this legislation so that financial closing can occur in October with new construction starting shortly thereafter. The Board's approval of the grant and regulatory agreements is contingent on receipt of fully executed copies of such agreements by the Grantee and Lincoln Gardens, LLC, prior to financial closing;

6. Authorize the County Mayor or County Mayor's designee to execute all standard shell contracts, amendments, standard shell loan documents and other agreements necessary to accomplish the purposes set forth herein and to exercise the cancellation and other provisions contained therein; and
7. Authorize the County Mayor or the County Mayor's designee execute, subordinate and/or modify the terms of shell contracts, agreements, amendments and loan documents so long as such execution, subordination or modifications are necessary to accomplish the purposes set forth in the resolution.

Scope

Lincoln Gardens is located at 4771 NW 24th Court within County Commission District 3, which is represented by Chairwoman Audrey M. Edmonson.

Fiscal Impact/Funding Source

There is no additional fiscal impact to the County from this item. The amount to be provided by the County for the Project remains at \$46,000,000, which was the total amount previously allocated by the Board pursuant to Resolution Nos. R-636-16 and R-1048-17.

Track Record/Monitor

The development of the Lincoln Gardens – Phase One public housing site will be monitored by Michael Liu, Director of the Miami-Dade Public Housing and Community Development Department (Department).

Background

The Department issued a competitive solicitation on May 27, 2015 titled: Request for Applications No. 2015-01 to Developer Pool Pursuant to RFQ #794A, #794B and #794C for Redevelopment of Liberty Square and Lincoln Gardens "Liberty City Rising" (RFA). Liberty Square is the County's largest and oldest public housing site. It contains approximately 57 acres and is bounded on the north and south by NW 67th Street and NW 62nd Street, respectively, and on the west and east by NW 15th Avenue and NW 12th Avenue, respectively. Lincoln Gardens is a vacant 9-acre site located at 4771 NW 24th Court (referred to herein as the Project Site and approximately two miles from Liberty Square). The Lincoln Gardens project will consist of the transformation of the Project Site into a mixed-income mixed-use development.

Pursuant to Resolution No. R-636-16, the Board allocated \$32,300,000 of GOB Project 352 funds to the Project as part of a funding package to be provided by the County in support of the development of the Project in an aggregate amount not-to-exceed \$46,000,000 (Total Funding

Allocation). The balance of the funding package was as follows: \$6,000,000 in Documentary Surtax funding (with \$2,000,000 over three Surtax funding cycles; 2015, 2016 and 2017) and \$8,000,000 from the Capital Fund Financing Program (CFFP) funds for a total of \$46,000,000 for the Project (total funding allocation). Subsequently, the Project Developer has subdivided the Lincoln Gardens project into three phases. Phase one of the development of Lincoln Gardens project is scheduled to commence construction in October 2020.

Similarly, as was established for Liberty Square Phases One and Two, Related Urban Development Group (RUDG) for Lincoln Gardens has selected a Florida not for profit corporation, Blessing Hands Outreach, Inc (Grantee), to receive the grant on their behalf. The non-profit entity is required because if RUDG received a grant directly, it would be treated as income and the costs funded by the grant proceeds would not be able to be included in the eligible tax basis, which would reduce the tax credits available to the project and create a new gap in project financing. In addition to the Grantee acting as a technical lender to the project, the Grantee will also provide support services for the residents of Lincoln Gardens. These services include senior meals, family stability programs and facilitating onboarding activities.

Subsequent to contract award, the Board adopted Resolution No. R-1048-17 which approved the use of \$1,517,381 in RHF funds for Liberty Square Phase One and \$4,063,472 in HOPE VI funds for the Lincoln Gardens project, for a total of \$5,580,853 with a corresponding reduction of \$5,580,853 in GOB Project 352 funds from the total funding allocation.

The Commissioner of Commission District 3 has requested, and the Department recommends, that the Board re-allocate \$2,790,426 of GOB Project 352 funds back to the Project and grant such GOB Project 352 funds towards the development of the Project. Other funds in the project would be reduced by a corresponding amount so that total county funding to the project would not exceed \$46,000,000.00.

WHEREAS, the Board of Directors of the Grantee through a corporate resolution, have authorized its representative(s) to enter into this Agreement; and

WHEREAS, Grantee intends to lend the Funding to Lincoln Gardens Lenders, LLC, a Florida limited liability company (“Intermediate Lender”) and Intermediate Lender intends to lend the Funding to the Developer; and

NOW, THEREFORE, in consideration of the mutual covenants recorded in this Agreement and in consideration of the mutual promises and covenants contained and the mutual benefits to be derived from this Agreement, the parties agree as follows:

Section 1. Parties; Effective Date; and Term. The parties to this Agreement are the Grantee and the County. It is agreed by the parties hereto that the Project will be developed and constructed by the Developer in accordance with the description in Section 2 and the Budget in Section 5. The County has delegated the responsibility of administering this Agreement to the County's Public Housing and Community Development Department or its successor or assigns. The County acknowledges that the Grantee may delegate certain of its responsibilities to the Developer.

This Agreement shall take effect as of the date written above upon its execution by the authorized officers of the County and of the Grantee (such date the “Effective Date” or “Commencement Date”) and shall terminate upon the completion and the issuance of a certificate of occupancy for the Units or thirty (30) months from the date of this Agreement whichever occurs first. In this Agreement, Fiscal Year means the County's Fiscal Year which currently is October 1 through the following September 30.

Section 2. Project Development and Description: Timetable; Use of Funds. The Project shall be developed in accordance with the requirements set forth in the Lease and the MDA. In order to qualify for the Funding, Grantee and Developer shall comply with the terms of the Lease and the MDA. The Developer shall be obligated to build a minimum of 49 PHA-Assisted Units (as defined in the MDA), 85 units that will be maintained and operated as qualified low-income units (“Affordable Units”) and collectively with the PHA-Assisted Units, the “Units”) in the Project and all of the required parking for the Units as prescribed by the building code. Any revisions to the Project shall be made in accordance with the Lease and the MDA, as amended.

Grantee agrees that all aspects of the Project as described above shall be completed within thirty (30) months from the Effective Date. If construction is not completed within such thirty (30) month period and the County Mayor or County Mayor’s designee (the “County Mayor”) has not extended the time for completion pursuant to the terms of this Agreement, it shall be an Event of Default under Section 15 of this Agreement.

The Grantee and Developer shall use, among other sources of funds, BBC GOB grant funds derived from the sale of BBC GOB or related drawdown bonds (“Funds”) for the purpose of developing and constructing the Project in the manner described in this Agreement and the Lease, as may be amended from time to time.

Section 3. Restrictive Covenant. 100% of the Affordable Units shall be set aside for a mix of Eligible Tenants as that term is defined in the Regulatory Agreement (the “Eligible Tenants”). Of the 134 total units in the Project, 49 units shall be operated and maintained as PHA-Assisted Units, 33 units shall be maintained and operated as Affordable Units leased to households having incomes not exceeding 60% AMI, 52 units shall be maintained and operated as Affordable Units leased to households having incomes not exceeding 80% AMI; all as further set forth in the Regulatory Agreement.

The initial monthly rates and rental terms are set forth in the Regulatory Agreement. The Regulatory Agreement shall be recorded by the Grantee at its expense. County shall have no obligation to disburse any Funds pursuant to this Agreement until evidence of such recordation is delivered to the County. Any documents which are recorded in connection with the Funds, including without limitation the Regulatory Agreement, shall be specifically subordinate to any commercial mortgage financing obtained by the Developer which is used to finance the Project so long as the Units remain affordable at the set asides set forth in the Regulatory Agreement.

Section 4. Payment of Funding Allocation: and Availability and Disbursement of Funds. Subject to availability of Funds as set forth in this Section 4 and the receipt by the County of the documents set forth in Section VI of the Regulatory Agreement and the terms of this Agreement, the County agrees to make disbursements to the Grantee or the Developer, if designated by the Grantee, as soon as it's practical, from available Funds for the Funding in accordance with the BBC GOB five year capital plan and the Funding Plan for each Fiscal Year after receipt of invoices from the Grantee or from the Developer, with certification from the Grantee, for capital costs incurred in connection with the development of the Project, provided, however, such reimbursements shall be made not more than thirty (30) days after receipt of invoices when Funds are available. With each request for reimbursement, the Grantee and/or Developer, as applicable, shall also provide a written statement that (a) the Grantee is not in default pursuant to the provisions of this Agreement and the Regulatory Agreement; (b) the Budget has not been materially altered without the County's approval; (c) all quarterly reports have been submitted; (d) the reimbursement is in compliance with the IRC Reimbursement Rules defined below in this Section 4; and (e) the Project is progressing in accordance with its construction schedule.

The Funding shall be disbursed on a reimbursement basis in accordance with the County's BBC GOB Administrative Rules which are attached as Attachment 1 ("Administrative Rules") and incorporated in this Agreement by this reference. By making this grant of the Funding pursuant to this Agreement, the County assumes no obligation to provide financial support of any type whatsoever in excess of the Funding Allocation. Cost overruns are the sole responsibility of the Grantee. Grantee understands and agrees that reimbursements to the Grantee shall be made in accordance with federal laws governing the BBC GOB Program, specifically the Internal Revenue Code of 1986 and the regulations promulgated under it. Any reimbursement request by the Grantee or Developer for eligible Project expenses shall be made no later than eighteen (18) months after the later of (a) the date the original expenditure is paid, or (b) the date the Units are placed in service or abandoned, but in no event more than three (3) years after the original expenditure is paid by the Grantee or the Developer (the "IRC Reimbursement Rules"). Notwithstanding the foregoing, provided the Grantee has submitted the required reimbursement request forms as described in the Administrative Rules together with all supporting invoices and is otherwise in compliance with this Grant Agreement, the County will disburse Funds in the amount requested by Grantee no later than thirty (30) days after Grantee's submission of such Reimbursement Request when Funds are available.

The County shall only be obligated to reimburse the Grantee provided the Grantee is not in breach of this Agreement or the Regulatory Agreement and the Grantee has demonstrated that it or the Developer has adequate funds to complete the Project. The Funding shall be reduced by the amount of Funds disbursed from time to time pursuant to this Agreement. The County shall administer, in accordance with the Administrative Rules, available Funds as authorized by Board Resolutions.

The County covenants to appropriate in its annual budget Funds derived from the sale of BBC GOB notes and/or bonds, or other County financial vehicles designed to bridge the sale or availability of BBC GOB notes and/or bonds ("GOB Bond Funds") in the amount necessary to fund the Funding Plan in each Fiscal Year until the Funding is fully funded

in accordance with the Funding Plan. The County agrees to notify the Grantee and Developer in writing if there is any proposed change to an annual appropriation through a subsequent budget amendment in that Fiscal Year, provided, however, the County's failure to notify the Grantee and/or Developer of such notice shall not constitute a default under this Agreement or the Lease. The Grantee may not require the County to use any other source of legally available revenues other than from GOB Bond Funds to fund the Funding Plan. This Agreement does not in any manner create a lien in favor of the Grantee on any revenues including the GOB Bond Funds of the County. The County agrees to respond in writing within fifteen (15) days of a request from the Grantee during the term of this Agreement as to the amount appropriated by the County for the Funding Plan for the current Fiscal Year.

Section 5. Project Budget. The Grantee agrees to demonstrate fiscal stability and the ability to administer Funds received pursuant to this Agreement responsibly and in accordance with standard accounting practices by adhering to the Budget. If Grantee wishes to materially revise the Budget for the purpose of meeting its obligations and the economic feasibility of the Project, the Grantee shall submit such a request in writing to the County Mayor seeking approval from the Board of such revisions. Grantee shall not proceed with the revisions until the County has approved the requested revisions in writing. A material revision shall mean a change of more than 10% of the total Budget.

Section 6. Expenditure Deadline. The Grantee shall cause the Developer to spend or commit all of the Funding on or before thirty (30) months from the Commencement Date (the "Expenditure Deadline"). Any Funding not spent or committed by the Expenditure Deadline for the Project or for which an extension has not been requested shall be subject to reversion to the County and this Agreement shall be terminated in accordance with the provisions of this Agreement. Disbursements of Funds are subject to the IRS Reimbursement Rules described in Section 4.

An extension may be requested in writing from the County Mayor at least thirty (30) days prior to the Expenditure Deadline. The County Mayor, at his or her discretion, may grant an extension of up to one (1) year from the Expenditure Deadline as long as the requested extension will not substantially alter the Project including its quality, impact, or benefit to the County or its citizens or result in a violation of the IRC Reimbursement Rules. All extension requests may be authorized by the County Mayor and must include documentation for the cause for such an extension request to be warranted and a statement on the progress of the Project.

In any case, the thirty (30) month period shall be extended for delays caused by casualty, war, terrorism, natural disasters, unavailability of labor or materials, civil uprising, governmental delays or other matters beyond the Grantee's and/or the Developer's control including, without limitations, delays caused by the County's failure to disburse the Funds in accordance with the terms of this Grant Agreement but only to the extent such extensions would not violate the IRS Reimbursement Rules.

Section 7. Reports: and Filing Deadlines. To demonstrate that Funds disbursed pursuant to this Agreement have been used in accordance with the Budget, the Grantee shall cause the Developer to submit the following reports to the County Mayor:

Quarterly Reports: The Grantee shall cause the Developer to submit to the County Mayor, a written report documenting that the Grantee is meeting, is fulfilling or has fulfilled all project descriptions and the Budget requirements. This report is to be received by the County Mayor no less than quarterly, and will end upon Project stabilization (as that term is defined in the Developer's limited partnership agreement).

Annual Statements: The Grantee shall cause the Developer to also submit a written report to the County Mayor on or prior to September 30th of each year from the time of the execution of this Agreement through the termination of this Agreement demonstrating that the Grantee and the Developer are fulfilling, or have fulfilled, their purpose, and have complied with all applicable municipal, County, state and federal requirements, and this Agreement, exhibits, and/or other substantive materials affecting this Agreement, whether by reference or as may be attached or included as a condition to the distribution of Funds pursuant to the Funding Plan.

The County Mayor may also request a compilation statement or independent financial audit and accounting for the expenditure of Funds disbursed pursuant to this Agreement. This audit will be prepared by the Grantee's independent certified public accounting firm at the expense of the Grantee. If a dispute arises regarding the expenditure of the Funds as shown in the compilation statement or independent financial audit, the County Mayor may request that an independent certified public accounting firm selected by the County perform an audit at the expense of the Grantee.

The County will notify the Grantee in writing if it does not receive any Quarterly Report or Annual Statement timely. The Grantee shall have five (5) business days from the time it receives any such notice to respond and cure any reporting deficiency. The County may withhold the distribution of any additional Funds pursuant to this Agreement only after (a) the County notifies the Grantee of a report deficiency, and (b) the Grantee fails to cure the report deficiency within the prescribed timeframes above.

In the event that the Grantee fails to submit the required reports as required above, the County Mayor may terminate this Agreement in accordance with Section 1S or suspend any further disbursement of Funds pursuant to this Agreement until all reports are current. Further, the County Mayor must approve these reports for the Grantee to be deemed to have met all conditions of the grant award.

Section 8. Program Monitoring and Evaluation. The County Mayor may monitor and conduct an evaluation of the Grantee's operations and the Project, which may include visits by County representatives to observe and discuss the progress of the Project with the Grantee's personnel. Upon request, the Grantee shall provide the County Mayor with notice of all meetings of its Board of Directors or governing

board, and the Project related events. In the event the County Mayor concludes, as a result of such monitoring and/or evaluation, that the Grantee is not in compliance with the terms of this Agreement or the Administrative Rules or for other reasons, then the County Mayor must provide in writing to the Grantee, within thirty (30) days of the date of said monitoring/evaluation, notice of the inadequacy or deficiencies noted which may significantly impact on the Grantee's and/or Developers' ability to complete the Project and fulfill the terms of this Agreement within a reasonable time frame. If Grantee and/or Developer refuses or is unable to address the areas of concern within thirty (30) days of receipt of such notice from the County Mayor, then the County Mayor, at his or her discretion, may withhold Funds until such time as the Grantee can demonstrate that such issues have been corrected. Further, in the event that the Grantee does not expend the Funds for the Project or uses any portion of the Funds for costs not associated with the Project and the Grantee refuses or is unable to address the areas of concern, then the County Mayor may request the return of all or a portion of the Funds disbursed to date pursuant to this Agreement. The County Mayor may also institute a moratorium on applications from the Grantee to County grants programs for a period of up to one (1) year or until the deficient areas have been addressed to the satisfaction of the County Mayor, whichever occurs first. In addition to the Grantee, the County agrees to provide all notices required in this Section 8 to the Developer.

Section 9. Accounting, Financial Review and Access to Records and Audits. The Grantee must keep accurate and complete books and records for all receipts and expenditures of Funds received pursuant to this Agreement in conformance with general accounting standards. These books and records, as well as all documents pertaining to payments received and made in conjunction with each disbursement of Funds pursuant to this Agreement, such as vouchers, bills, invoices, receipts and canceled checks, shall be retained in the County in a secure place and in an orderly fashion in a location within the County by the Grantee for at least three (3) years after the later of the Expenditure Deadline specified in Section 6; the extended Expenditure Deadline, as approved by the County Mayor, if any; the completion of a County requested or mandated audit or compliance review; or the conclusion of a legal action involving the disbursement of Funds pursuant to this Agreement and/or the Project activities related to the expenditure of such Funds.

The County Mayor may examine these books, records and documents at the Grantee's offices or other approved site under the direct control and supervision of the Grantee during regular business hours and upon reasonable notice. Furthermore, the County Mayor may, upon reasonable notice and at the County's expense, audit or have audited all financial records of the Grantee, whether or not purported to be related to this grant.

The Grantee agrees to cooperate with the Miami-Dade County Office of Inspector General (IG) which has the authority and power to investigate County affairs and review past, present and proposed County programs, accounts, records, contracts and transactions. The IG contract fee shall not apply to this Agreement and the Grantee shall not be responsible for any expense reimbursements or other amounts payable to the IG or its contractors. The IG may, on a random basis, perform audits on

this Agreement throughout the duration of said Agreement (hereinafter "random audits"). This random audit is separate and distinct from any other audit by the County.

The IG shall have the power to retain and coordinate the services of an independent private sector inspector general ("IPSIG") who may be engaged to perform said random audits, as well as audit, investigate, monitor, oversee, inspect, and review the operations, activities and performance and procurement process including, but not limited to, project design, establishment of bid specifications, bid submittals, activities of the Grantee and contractor and their respective officers, agents and employees, lobbyists, subcontractors, materialmen, staff and elected officials in order to ensure compliance with contract specifications and detect corruption and fraud. The IG shall have the power to subpoena witnesses, administer oaths and require the production of records. Upon ten (10) days written notice to the Grantee {and any affected contractor and materialman) from IG, the Grantee {and any affected contractor and materialman) shall make all requested records and documents available to the IG for inspection and copying.

The IG shall have the power to report and/or recommend to the Board whether a particular project, program, contract or transaction is or was necessary and, if deemed necessary, whether the method used for implementing the project or program is or was efficient both financially and operationally. Monitoring of an existing project or program may include reporting whether the project is on time, within Budget and in conformity with plans, specifications, and applicable law. The IG shall have the power to analyze the need for, and reasonableness of, proposed change orders.

The IG is authorized to investigate any alleged violation by a contractor of its Code of Business Ethics, pursuant to County Code Section 2-8.1.

The provisions in this section shall apply to the Grantee, its contractors and their respective officers, agents and employees. The Grantee shall cause the Developer to incorporate the provisions in this section in all contracts and all other agreements executed by its contractors in connection with the performance of this Agreement. Any rights that the County has under this Section shall not be the basis for any liability to accrue to the County from the Grantee, its contractors or third parties for such monitoring or investigation or for the failure to have conducted such monitoring or investigation and the County shall have no obligation to exercise any of its rights for the benefit of the Grantee.

Grantee agrees to cooperate with the Commission Auditor who has the right to access all financial and performance related records, property, and equipment purchased in whole or in part with governmental funds pursuant to Section 2-481 of the County Code.

Section 10. Publicity and Credits. The Grantee shall cause the Developer to include the following credit line in all promotional marketing materials related to this funding including web sites, news and press releases, public service announcements, broadcast media, programs, and publications: "THIS LINCOLN GARDENS PROJECT IS

SUPPORTED BY THE BUILDING BETTER COMMUNITIES BOND PROGRAM AND THE MAYOR AND BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY.”

Section 11. Naming Rights and Advertisements. It is understood and agreed between the parties that the Grantee is funded by Miami-Dade County. Further, by acceptance of the Funds, the Grantee agrees that Project funded by this Agreement shall recognize and adequately reference the County as a funding source. In the event that any naming rights or advertisement space is offered on a facility constructed or improved with the BBC GOB Program, then Miami- Dade County's name, logo, and slogan shall appear on the facility not less than once and equal to half the number of times the most frequent sponsor or advertiser is named, whichever is greater. Lettering used for Miami-Dade County will be no less than 75% of the size of the largest lettering used for any sponsor or advertiser unless waived by the Board. Grantee shall cause the Developer to ensure that all publicity, public relations, advertisements and signs recognize and reference the County for the support of Project. This is to include, but is not limited to, all posted signs, pamphlets, wall plaques, cornerstones, dedications, notices, flyers, brochures, news releases, media packages, promotions and stationery. The use of the official County logo is permissible for the publicity purposes stated herein. The Grantee shall cause the Developer to submit sample of mock up of such publicity or materials to the County for review and approval. The Grantee shall ensure that all media representatives, when inquiring about the Project(s) funded by the Agreement, are informed that the County is its funding source.

Section 12. Liability and Indemnification. It is expressly understood and intended that the Grantee, as the recipient of the BBC GOB Program, is not an officer, employee or agent of the County, its Board of County Commissioners, its Mayor, nor the County department administering this Agreement and the disbursement of Funds. Further, for purposes of this Agreement, the parties agree that the Grantee, its officers, agents and employees are independent contractors and solely responsible for the Project.

The Grantee shall take all actions as may be necessary to ensure that its officers, agents, employees, assignees and/or subcontractors shall not act as nor give the appearance of that of an agent, servant, joint venture partner, collaborator or partner of the department administering these grants, the County Mayor, the Miami-Dade County Board of County Commissioners, or its employees. No party or its officers, elected or appointed officials, employees, agents, independent contractors or consultants shall be considered employees or agents of any other party, nor to have been authorized to incur any expense on behalf of any other party, nor to act for or to bind any other party, nor shall an employee claim any right in or entitlement to any pension, workers' compensation benefit, unemployment compensation, civil service or other employee rights or privileges granted by operation of law or otherwise, except through and against the entity by whom they are employed.

The Grantee agrees to be responsible for all work performed and all expenses incurred in connection with the Project. The Grantee may subcontract as necessary to complete Project, including entering into subcontracts with vendors for services and commodities, provided that it is understood by the Grantee that the County shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and that the

Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. It is expressly understood that the Grantee may be loaning the proceeds of the Funds to the Developer which will be building the Project. The development of the Project will be overseen by, and be the responsibility of, the Developer. It is understood that certain of the responsibilities set forth herein undertaken by the Grantee may be satisfied by the Developer.

The Grantee shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement and/or the development of the Project by the Grantee or the Developer or their employees, agents, servants, partners, principals, sub-consultants or subcontractors (collectively, "Adverse Proceedings"). Grantee shall pay all claims and losses in connection with such Adverse Proceedings and shall investigate and defend all Adverse Proceedings in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may result from such Adverse Proceedings. Grantee expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Grantee shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as provided in this Section 12.

Section 13. Assignment. Other than as provided herein, the Grantee is not permitted to assign this Agreement or any portion of it other than as herein provided. Any purported assignment will render this Agreement null and void and subject to immediate rescission of the full amount of the Funding Allocation and immediate reimbursement by the Grantee of the full amount of the Funding disbursed to date to the Grantee. The Grantee may assign its rights and obligations hereunder to an affiliate which is controlled by Grantee or its principals or to a Florida not for profit corporation if necessary to facilitate the use of federal low income tax credits for the benefit of the Project. The County acknowledges that the Grantee and/or Developer will be obtaining additional financing for the Project and that such lender(s) will require an assignment of this Agreement and/or the Funds to such lender(s) as additional security for their loans. To the extent required by the lender(s), the County agrees to cause a legal opinion acceptable to the lender(s) to be provided to the lender(s) regarding the enforceability of this Agreement and any such assignment to the lender(s). Such assignment will be expressly conditioned on the lender's agreement to use such Funds solely in fulfillment of the purposes set forth herein. Any such financing obtained by the Grantee for purposes of developing the Project will be senior in lien priority to the funding evidenced by this Grant Agreement.

Section 14. Compliance with laws. The Grantee is obligated and agrees to abide by and be governed by all Applicable laws necessary for the development and completion of the Project. "Applicable law" means any applicable law (including, without limitation, any environmental law), enactment, statute, code, ordinance, administrative order, charter, tariff, resolution, order, rule, regulation, guideline, judgment, decree, writ, injunction, franchise, permit, certificate, license, authorization, or other direction or

requirement of any governmental authority, political subdivision, or any division or department thereof, now existing or hereinafter enacted, adopted, promulgated, entered, or issued. Notwithstanding the foregoing, "Applicable Laws" and "applicable laws" shall expressly include, without limitation, all applicable zoning, land use, developments of regional impact ("DRIs") and Florida Building Code requirements and regulations, all applicable impact fee requirements, all requirements of Florida Statutes, specifically including, but not limited to, Chapter 11-A of the County Code (nondiscrimination in employment, housing and public accommodations); all disclosure requirements imposed by Section 2-8.1 of the Miami-Dade County Code; County Resolution No R-754-93 (Insurance Affidavit); County Ordinance No. 92-15 (Drug-Free Workplace); County Ordinance No. 91-142 (Family Leave Affidavit); execution and delivery of public entity crimes disclosure statement, Miami-Dade County disability non-discrimination affidavit, and Miami-Dade County criminal record affidavit; all applicable requirements of Miami-Dade County Ordinance No. 90-90 as amended by Ordinance 90-133 (Fair Wage Ordinance); the requirements of Section 2-1701 of the Code and all other applicable requirements contained in this Agreement.

The Grantee shall comply with Miami-Dade County Resolution No. R-385-98 which creates a policy prohibiting contracts with firms violating the Americans with Disabilities Act of 1990 and other laws prohibiting discrimination on the basis of disability and shall execute a Miami-Dade County Disability Non-Discrimination Affidavit confirming such compliance.

The Grantee covenants and agrees with the County to comply with Miami-Dade County Ordinance No. 72-82 (Conflict of Interest), Resolution No. R-1049-93 (Affirmative Action Plan Furtherance and Compliance), and Resolution No. R.-185-00 (Domestic Leave Ordinance).

All records of the Grantee and its contractors pertaining to the Project shall be maintained in Miami-Dade County and, upon reasonable notice shall be made available to representatives of the County. In addition, the Office of Inspector General of Miami-Dade County shall have access thereto for any of the purposes provided in Sec. 2-1076 of the Code of Miami-Dade County.

The Grantee shall submit to the department administering this Agreement, all affidavits required in this Section 14 prior to, or at the time, this Agreement is delivered by the Grantee to the County fully executed by an authorized officer.

Section 15. Default. Opportunity to Cure and Termination.

(a) Each of the following shall constitute a default (a "Grantee Default") by the Grantee:

- (1) If the Grantee uses any portion of the Funding for costs not associated with the Project (i.e. ineligible costs), and the Grantee fails to cure its default within thirty (30) days after written notice of the default is given to the Grantee by the County; provided, however, that if not reasonably possible to cure such default

within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the Grantee commences diligently and thereafter continues to cure.

- (2) If the Grantee shall breach any of the other covenants or provisions in the Regulatory Agreement and/or this Agreement other than as referred to in Section 15(a)(1) and the Grantee fails to cure its default within thirty (30) days after written notice of the default is given to the Grantee by the County; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the Grantee commences diligently and thereafter continues to cure.
 - (3) If the Grantee fails to complete the Project within four (4) years of the Commencement Date of this Agreement subject to extension as provided above.
- (b) The following shall constitute a default (a "County Default") by the County:
 - (1) If the County shall breach any of the covenants or provisions in this Agreement and the County fails to cure its default within thirty (30) days after written notice of the default is given to the County by the Grantee; provided, however, that if not reasonably possible to cure such default within the thirty (30) day period, such cure period shall be extended for up to one hundred eighty (180) days following the date of the original notice if within thirty (30) days after such written notice the County commences diligently and thereafter continues to cure.
- (c) Remedies:
 - (1) Upon the occurrence of a Grantee Default as provided in Section 15(a) and such default is not cured within the applicable grace period, in addition to all other remedies conferred by this Agreement, the Grantee shall reimburse the County, in whole or in part as the County shall determine, all Funds provided to the Grantee by the County pursuant to the terms of this Agreement and this Agreement shall be terminated.
 - (2) Either party may institute litigation to recover damages for any Grantee Default or County Default (as applicable) or to obtain any other remedy at law or in equity (including specific performance,

permanent, preliminary or temporary injunctive relief, and any other kind of equitable remedy), provided, however, any damages sought by the Grantee shall be limited solely to legally available Funds appropriated by the County to fund disbursements pursuant to this Agreement and no other revenues of the County.

- (3) Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default.
- (4) Any failure of a party to exercise any right or remedy as provided in this Agreement shall not be deemed a waiver by that party of any claim for damages it may have by reason of the default.

(d) Termination:

- (1) Notwithstanding anything herein to the contrary, either party shall have the right to terminate this Agreement, by giving written notice of termination to the other party, but with respect to the County's right to termination, only to the extent that a material Grantee Default has occurred and is continuing beyond any applicable grace or cure period, and with respect to the Grantee's right to terminate, only to the extent that a material County Default has occurred and is continuing beyond any applicable grace or cure period; provided, however, such termination shall not be effective until all payments are made by Grantee to the County pursuant to (c) (1) of this Section 15 above.
- (2) Termination of this Agreement by any Party is not effective until five (5) business days following receipt of the written notice of termination.
- (3) Upon termination of this Agreement pursuant to Section 15(d)(1) above, no party shall have any further liability or obligation to the other party except as expressly set forth in this Agreement; provided that no party shall be relieved of any liability for breach of this Agreement for events or obligations arising prior to such termination.

In the event the Funding is canceled or the Grantee is requested to repay any of the Funding because of a breach of this Agreement, the Grantee will not be eligible to apply to the County for another grant or contract with the County for a period of one (1) year, commencing on the date the Grantee receives the notice in writing of the breach of this Agreement. Further, the Grantee will be liable to reimburse Miami-Dade County for all

unauthorized expenditures discovered after the expiration or termination of this Agreement. The Grantee will also be liable to reimburse the County for all lost or stolen Funds disbursed to the Grantee pursuant to this Agreement. Funds, which are to be repaid to the County pursuant to this Section or other sections in this Agreement, are to be repaid by delivering to the County Mayor a certified check for the total amount due payable to Miami-Dade County Board of County Commissioners. Notwithstanding any other provision contained herein, in the event the Project is completed by the Grantee, no breach hereunder shall give rise to an obligation to repay any Funds which have been properly utilized for the construction and development of the Project.

These provisions do not waive or preclude the County from pursuing any other remedy, which may be available to it under the law.

The Developer, Bank of America, N.A., as limited partner of the Developer and as lender to the Developer, shall have the opportunity to cure any default of the Grantee within the time frame allotted to the Grantee under this Agreement.

Section 16. Waiver. There shall be no waiver of any right related to this Agreement unless in writing and signed by the party waiving such right. No delay or failure to exercise a right under this Agreement shall impair such right or shall be construed to be a waiver thereof. Any waiver shall be limited to the particular right so waived and shall not be deemed a waiver of the same right at a later time or of any other right under this Agreement. Waiver by any party of any breach of any provision of this Agreement shall not be considered as or constitute a continuing waiver or a waiver of any other breach of the same or any other provision of this Agreement.

Section 17. Written Notices. Any notice, consent or other communication required to be given under this Agreement shall be in writing, and shall be considered given when delivered in person or sent by facsimile or electronic mail (provided that any notice sent by facsimile or electronic mail shall simultaneously be sent personal delivery, overnight courier or certified mail as provided herein), one (1) business day after being sent by reputable overnight carrier or t h r e e (3) business days after being mailed by certified mail, return receipt requested, to the parties at the addresses set forth below (or at such other address as a party may specify by notice given pursuant to this Section to the other party);

Section 18. Captions. Captions as used in this Agreement are for convenience of reference only and do not constitute a part of this Agreement and shall not affect the meaning or interpretation of any provisions in this Agreement.

Section 19. Agreement Represents Total Agreement: Amendments. This Agreement, and its attachments, which are incorporated in this Agreement, incorporate and include all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained in this Agreement. The parties agree that there are no commitments, agreements, or understandings concerning the subject matter of this Agreement that are not contained in this Agreement, and that this Agreement contains the entire agreement between the parties as to all matters pertaining to the funding for the Project by the County through all or a portion of the Funding and the development of the Units by the Grantee. Accordingly, it is agreed that no deviation from the terms of this Agreement shall be predicated upon any prior representations or agreements, whether oral or written. It is further agreed that any oral representations or modifications concerning this Agreement shall be of no force or effect.

This Agreement may be modified, altered or amended only by a written amendment duly executed by the County and the Grantee or their authorized representatives.

Section 20. Litigation Costs/Venue. In the event that the Grantee or the County institutes any action or suit to enforce the provisions of this Agreement, the prevailing party in such litigation shall be entitled to reasonable costs and attorney's fees at the trial,

appellate and post-judgment levels. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida. The County and the Grantee agree to submit to service of process and jurisdiction of the State of Florida for any controversy or claim arising out of or relating to this Agreement or a breach of this Agreement. Venue for any court action between the parties for any such controversy arising from or related to this Agreement shall be in the Eleventh Judicial Circuit in and for Miami-Dade County, Florida, or in the United States District Court for the Southern District of Florida, in Miami-Dade County, Florida.

Section 21. Representations of the Grantee. The Grantee represents that this Agreement has been duly authorized by the governing body of the Grantee and that the governing body has designated Gwendolyn Cooper or such other individual or individuals who may be designated by the Grantee in writing from time to time (the "Authorized Officer"), as the individual with the required power and authority to execute this Agreement on behalf of Grantee. The Grantee represents that it is a validly existing not for profit corporation in good standing under the laws of the State of Florida.

Once this Agreement is properly and legally executed by its Authorized Officer, the governing body of the Grantee agrees to a) comply with the terms of this Agreement; b) comply with the terms of the Regulatory Agreement; c) comply with all applicable laws, including, without limitation, the County's policy against discrimination; d) comply with the Administrative Rules; and e) submit all written documentation required by the Administrative Rules and this Agreement to the County Mayor.

Section 22. Responsibilities of Developer. The County's agreement to allow the Funds paid to the Grantee to be subsequently re-loaned by the Grantee to Intermediate Lender and to be further re-loaned by Intermediate Lender to the Developer was specifically conditioned upon the Developer developing the Project. Thus the parties acknowledge that the Developer will be responsible for the various obligations of the Grantee set forth in this Agreement. The Developer has joined in this Agreement for the express purpose of acknowledging such obligation.

Section 23. Representation of the County. The County represents that this Agreement has been duly approved by the Board, as the governing body of the County, and the Board has granted the County Mayor, the required power and authority to execute this Agreement and that this is a legally enforceable agreement in accordance with its terms. The County agrees to provide Funds to the Grantee for the purpose of developing and improving the Project in accordance with terms of this Agreement, including its Exhibits which are incorporated in this Agreement. The County shall only disburse Funds if the Grantee is not in breach of this Agreement and continues to have adequate funds to complete the Project. Any and all reimbursement obligations of the County shall be fully subject to and contingent upon the availability of Funds within the time periods set forth in this Agreement.

Section 24. Invalidity of Provisions, Severability. Wherever possible, each provision of the Agreement shall be interpreted in such manner as to be effective and valid under Applicable Law, but if any provision of this Agreement shall be prohibited or invalid under

Applicable Law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement, provided that the material purposes of this Agreement can be determined and effectuated.

Section 25. Insurance. The Grantee must maintain and shall furnish, upon request, to the County Mayor, certificate(s) of insurance indicating that insurance has been obtained which meets the requirements as outlined below:

- A. Worker's Compensation Insurance for all employees of the vendor as required by Section 440 of the Florida Statutes.
- B. Public Liability Insurance on a comprehensive basis in an amount not less than \$300,000 combined single limit per occurrence for bodily injury and property damage, **Miami-Dade County must be shown as an additional insured with respect to this coverage.**

All insurance policies required above shall be issued by companies authorized to do business under the laws of the State of Florida, with the following qualifications:

The company must be rated no less than "B" as to management, and no less than "Class V" as to financial strength, by the latest edition of Best's Insurance Guide, published by A.M. Best Company, Oldwick, New Jersey, or its equivalent, subject to the approval of the County's General Services Administration Risk Management Division.

or

The company must hold a valid Florida Certificate of Authority as shown in the latest "List of All Insurance Companies Authorized or Approved to Do Business in Florida" issued by the State of Florida Department of Insurance and are members of the Florida Guaranty Fund.

Modification or waiver of any of the insurance requirements identified in this Section 24 is subject to the approval of the County's General Services Administration Risk Management Division. The Grantee shall notify the County of any intended changes in insurance coverage, including any renewals of existing policies.

Section 26. Special Conditions. The Funding is awarded to the Grantee with the understanding that the Grantee is performing a public purpose by providing affordable rental units through the development of the Project. Use of the Funds for any purpose other than for construction of the Units and certain soft costs related thereto will be considered a material breach of the terms of this Agreement and will allow Miami-Dade County to seek remedies including, but not limited to, those outlined in Section 15 of this Agreement.

Section 27. Miami-Dade County's Rights As Sovereign. Notwithstanding any provision of this Grant Agreement,

(a) Miami-Dade County retains all of its sovereign prerogatives and rights as a county under Florida laws (other than its contractual duties under this Agreement) and shall not be estopped by virtue of this Agreement from withholding or refusing to issue any zoning approvals and/or building permits; from exercising its planning or regulatory duties and authority; and from requiring the Project to comply with all development requirements under present or future laws and ordinances applicable to its design, construction and development; and

(b) Miami-Dade County shall not by virtue of this Agreement be obligated to grant the Grantee or the Project or any portion of it, any approvals of applications for building, zoning, planning or development under present or future laws and ordinances applicable to the design, construction and development of the Project.

RENTAL REGULATORY AGREEMENT
AMONG
MIAMI-DADE COUNTY,
BLESSING HANDS OUTREACH INC
and
LINCOLN GARDENS, LLC

This Rental Regulatory Agreement (the "Agreement"), by and among Miami-Dade County, a political subdivision of the State of Florida (the "County" or "Miami-Dade County"), through its Board of County Commissioners (the "Board"), Blessing Hands Outreach Inc, a Florida not for profit corporation ("Grantee"), with offices at 5400 N.W. 25th Avenue, Suite 712, Miami, FL 33142, and Lincoln Gardens, LLC, a Florida limited liability company (the "Developer"), with offices at 315 S. Biscayne Blvd., 3rd Floor, Miami, FL 33131, is entered into as of [REDACTED], 2020].

WHEREAS, pursuant to Resolution No. R-197-15, adopted on March 3, 2015 as amended by Resolution No. R-852-15 adopted on October 6, 2015 (the "Allocation Resolution"), the Board approved a Countywide grant/allocation of \$32,300,000 from Building Better Communities General Obligation Bonds ("BBC GOB") Project No. 352 titled "New Family Units At Liberty Square And Lincoln Gardens" for the development of public housing and affordable housing units as a part of a mixed-income, mixed-use project at Liberty Square and Lincoln Gardens (the "Overall Project").

WHEREAS, pursuant to the terms of the Affordable Housing Development and Grant Agreement (the "Grant Agreement"), by and between the County and the Grantee dated of even date herewith, the County has agreed that it will fund \$2,790,426.00 of the allocated BBC GOB funds (the "Phase One Funding") in fiscal year 2020-2021 for reimbursable capital expenditures made in connection with the Project (the "Funding Plan"); and

WHEREAS, pursuant to Resolution No. R-_____, adopted by the Board on [REDACTED], 2020, the County (i) approved the grant of the Phase One Funding to the Grantee and (ii) approved the form of the Grant Agreement and this Agreement and authorized its representatives to enter into it; and

WHEREAS, Phase one of the Overall Project shall consist of 49 PHA-Assisted Units and 85 qualified low-income units ("Affordable Units" collectively with the PHA-Assisted Units, the "Units"); and

WHEREAS, in connection with the receipt of the Phase One Funding, the Grantee and the Developer agree that the Units shall be leased to Eligible Tenants (defined below) and to maintain rents at certain prescribed rates, as set forth in this Agreement.

NOW, THEREFORE, for and in consideration of Ten dollars (\$10.00), the promises and covenants contained in this Agreement and for other good and valuable consideration received and acknowledged, the Grantee, its successors and assigns, the Developer, its successors and assigns, and the County, through its Department of Public Housing and Community Development ("PHCD") and any successor agency or department of the County agree as follows:

PROPERTY ADDRESS: The Project is located at 4771 NW 24th Court, Miami, Florida 33142.

LEGAL DESCRIPTION

OF PROPERTY: The leasehold interest in the real property legally described and attached hereto as Exhibit A.

UNITS: The Project shall consists of 134 total units consisting of 60 two-bedroom units, 56 three-bedroom units, and 18 four-bedroom units in several multi-family buildings.

ELIGIBLE TENANTS Natural persons or families with total annual household income that does not exceed sixty percent (60%) and eighty percent (80%) of area median income for Miami-Dade County adjusted for family size ("AMI") as determined by the United States Department of Housing and Urban Development ("HUD")

WITNESSETH:

I. Grantee and the Developer agree with respect to the Property for the period beginning on the date of recordation of this Agreement, and ending on the last day of the thirtieth (30th) year after the year in which the Project is completed and a certificate of occupancy is issued (the "Affordability Period") that:

- a) All of the Units shall be leased to Eligible Tenants as set forth herein and 49 units shall be operating and maintained as PHA-Assisted Units. Of the 134 total

units in the Project, 22 units shall be maintained and operated as Affordable Units leased to households having incomes not exceeding 30% AMI, 38 units shall be maintained and operated as Affordable Units leased to households having incomes not exceeding 50% AMI, 22 units shall be maintained and operated as Affordable Units leased to households having incomes not exceeding 60% AMI and 52 units shall be maintained and operated as Affordable Units leased to households having incomes not exceeding 80% AMI, all minus a utility allowance in accordance with Section 42 of the Internal Revenue Code (the "Utility Allowance"). Accordingly, the maximum initial approved rental rates for this Property are set forth in the attached Exhibit B. In the case of Section 8 Units, the HUD approved contract rent is allowed.

- b) The parties agree that once recorded, this Agreement shall be a restrictive covenant on the Project that shall run with the Property since the subject matter of this Agreement and its covenants touch and concern the Property. This Agreement shall be binding on the Property, the Project, and all portions of each, and upon any purchaser, transferee, grantee or lessee or any combination of each, and on their heirs, executors, administrators, devisees, successors and assigns and on any other person or entity having any right, title or interest in the Property, the Project, or any portion of each, for the length of time that this Agreement shall be in force. Grantee and Developer hereby make and declare these restrictive covenants which shall run with the title to said Property and be binding on the Grantee, Developer and their successors in interest, if any, for the period stated in the preamble above, without regard to payment or satisfaction of any debt owed by Grantee to the County or the expiration of any agreement between the Grantee and the County regarding the Property, Project or both.
- c) The Project will include such amenities as detailed in the Lease and the MDA (as such terms are defined in the Grant Agreement).
- d) Grantee and Developer agree that upon any violation of the provisions of this Agreement, the County, through its agent, PHCD, may give written notice thereof to the Grantee and Developer, by registered mail, at the address stated in this Agreement, or such other address or addresses as may subsequently be designated by the Grantee and Developer in writing to PHCD, and in the event Grantee and Developer do not cure such default (or take measures reasonably satisfactory to PHCD to cure such default), within thirty (30) days after the date of notice, or within such further time as PHCD may determine is necessary for correction, PHCD may, without further notice, declare a default under this Agreement, and effective upon the date of such default, PHCD may:
 - i) Declare the whole County Grant immediately due and payable and then proceed with legal proceedings to collect the County Grant;

- ii) Apply to any court, County, State or Federal, for any specific performance of this Agreement; for an injunction against the violation of this Agreement; or for such relief as may be appropriate since the injury to PHCD arising from a default remaining uncured under any of the terms of this Agreement would be irreparable, and the amount of damage would be difficult to ascertain.

Notwithstanding (i) and (ii) above, the only remedy available to the County with respect to a lender or third party that takes title to the Project through a foreclosure, transfer of title by deed in lieu of foreclosure or comparable conversion is specific performance of the set aside provision in Section I(g) below.

- e) Grantee and Developer further agree that they will, during the term of this Agreement: furnish each resident at the time of initial occupancy, a written notice that the rents to be charged for the purposes and services included in the rents are approved by the County pursuant to this Agreement; that they will maintain a file copy of such notice with a signed acknowledgment of receipt by each resident; and, that such notices will be made available for inspection by the County during regular business hours.
- f) Grantee and Developer agree that the Units shall meet the energy efficiency standards promulgated by the Secretary of HUD, the Florida Housing Finance Corporation (hereafter "FHFC"), and/or Miami-Dade County, as applicable.
- g) Notwithstanding the foregoing, the provisions set forth in Section I(a), above, and the definition of Eligible Tenants described above, shall automatically be modified in the event of involuntary noncompliance caused by foreclosure, transfer of title by deed in lieu of foreclosure or comparable conversion. In such event the Units in the Property shall be leased to natural persons or families with total annual household income at or below one hundred and forty percent (140%) of AMI.

Bank of America, N.A., a national banking association, as an investing member of the Developer, and as lender to the Developer, or their successors in interest, shall have the opportunity to cure, within the time frame allotted to the Grantee and Developer, any default of Grantee or Developer under this Agreement.

- II. PHCD, Grantee and Developer agree that rents may increase as the AMI increases as published by HUD with the prior approval of PHCD. Any other adjustments to rents will be made only if PHCD (and HUD if applicable), in their sole but reasonable discretion, find any adjustments necessary to support the continued financial viability

of the Project and only by an amount that PHCD (and HUD if applicable) determine is necessary to maintain continued financial viability of the Project.

Developer will provide documentation to justify a rental increase request not attributable to increases in median income but attributable to an increase in operating expenses of the Project, excluding the management fee attributed to the Grantee for managing the Project. Within thirty (30) days of receipt of such documentation, PHCD will approve or deny, as the case may be, in its sole but reasonable discretion, all or a portion of the rental increase in excess of the amount that is directly proportional to the most recent increase in Median Annual Income. In no event, however, will any increase attributable solely to an increase in Median Annual Income be denied.

- III. Except as otherwise noted, all parties expressly acknowledge that PHCD shall perform all actions required to be taken by Miami-Dade County pursuant to Sections IV, V, VI and VII of this Agreement for the purpose of monitoring and implementing all the actions required under this Agreement. In addition, thirty (30) days prior to the effective date of any rental increase, the Grantee shall cause the Developer to furnish PHCD with notification provided to tenants advising them of the increase.

IV. Occupancy Reports

The Developer shall, on an annual basis, furnish PHCD, with an occupancy report, which provides the following information:

- A) List of all occupied apartments, indicating composition of each resident family, as of the end date of the reporting period. Composition includes (if legally obtainable and available), but is not limited to:
1. Number of residents per Units.
 2. Area median Income (AMI) per Unit.
 3. Race, Ethnicity and age per Unit (Head of Household).
 4. Number of Units serving special need clients.
 5. Gross Household Rent
 6. Maximum rent per Unit.
 7. The number of Units leased to Eligible Tenants with total annual household income that does not exceed sixty percent (60%) of AMI

and eighty percent (80%) of AMI.

- B) A list of all vacant apartments, as of the end date of the reporting period.
- C) The total number of vacancies that occurred during the reporting period.
- D) The total number of Units that were re-rented during the reporting period, stating family size and income.
- E) The Developer shall upon written request of PHCD allow representatives of PHCD to review and copy any and all of its executed leases with tenants residing on the Property.

V. Inspections

Pursuant to 42 U.S.C. § 12755, the Developer shall maintain the Property in compliance with all applicable federal housing quality standards, receipt of which is acknowledged by the Developer, and contained in Sec. 17-1, et seq., Code of Miami-Dade County, pertaining to minimum housing standards (collectively, "Housing Standards").

- A) PHCD shall annually inspect the Property, including a representative sampling of dwelling Units and all common areas, to determine if the Property is being maintained in compliance with Federal Housing Quality Standards and any applicable Miami-Dade County Minimum Housing Codes. The Developer will be furnished a copy of the results of the inspection within thirty (30) days, and will be given thirty (30) days from receipt to correct any deficiencies or violations of the property standards of the Miami-Dade County Minimum Housing Codes or Housing Standards.
- B) At other times, at the request of the Grantee, Developer or of any tenant, PHCD may inspect any Unit for violations to the property standards of any applicable Miami-Dade County Minimum Housing Codes or Housing Standards. The tenant and the Grantee and/or Developer will be provided with the results of the inspection and the time and method of compliance and corrective action that must be taken. The Units shall contain at least one bedroom of appropriate size for each two persons.

VI. Lease Agreement, Selection Policy and Management Plan

Prior to initial rent-up and occupancy, the Grantee and/or Developer will submit the following documents to PHCD:

- A) Proposed form of resident application.

- B) Proposed form of occupancy agreement.
- C) Applicant screening and tenant selection policies.
- D) Maintenance and management plan which shall include the following information:
 - 1. A schedule for the performance of routine maintenance such as up-keep of common areas, extermination services, etc.
 - 2. A schedule for the performance of non-routine maintenance such as painting and reconditioning of dwelling Units, painting of building exteriors, etc.
 - 3. A list of equipment to be provided in each dwelling Unit.
 - 4. A proposed schedule for replacement of dwelling equipment.
 - 5. A list of tenant services, if any, to be provided to residents.

The Developer agrees that the County has the right to refer eligible applicants for housing. The Developer shall not deny housing opportunities to eligible, qualified families, including those with Section 8 Housing Choice Vouchers, unless the Developer is able to demonstrate a good cause basis for denying the housing as determined by PHCD in its sole but reasonable discretion. It is understood that the Developer may conduct reasonable background searches including criminal checks which may be relied upon in determining whether a prospective tenant will be accepted by Developer. Pursuant to the Board's Resolution No. R-34-15, the Developer, its agents and/or representatives, shall provide written notice to the County related to the availability of rental opportunities, including, but not limited to, the number of available units, bedroom size, and rental prices of such rental units at the start of any leasing activity, and after issuance of certificate of occupancy. The Developer, its agents and/or representatives shall also provide the County with the contact information for the Developer, its agents and/or representatives.

VII. Financial Reports

- A) Annually, the Developer shall transmit to the County, upon written request, a certified annual operating statement showing project income, expenses, assets, liabilities, contracts, mortgage payments and deposits to any required reserve accounts (the "Operating Statement"). PHCD shall review the Operating Statement to insure conformance with all provisions contained in this

Agreement.

- B) The Developer will create and maintain a reserve account for the maintenance of the Units and will deposit \$300 per Unit per year in such reserve account. This reserve may be combined with reserve accounts required by any other parties making loans to the Developer and will be deemed satisfied by any deposits made by the Developer in accordance with Grant documents.

VIII. Action By or Notice to the County

Unless specifically provided otherwise herein, any action to be taken by, approvals made by, or notices to or received by the County required by this Agreement shall be taken, made by, given or delivered to:

Miami-Dade County Public Housing and Community Development

Attn: Director

Copy to:

Suite 2810
Miami, Florida 33128

All notices to the Grantee shall be simultaneously delivered to the Developer, at its address set forth herein.

IX. Recourse:

In the event of a default by the Grantee under this Agreement, the County shall have all remedies available to it at law and equity.

Funding Application Packages determined to be Eligible or Conditionally Eligible shall be reviewed and competitively evaluated to recommend Funding Allocations. A listing of all Funding Application Packages shall be presented to the Board by the County Mayor or the County Mayor's designee in the form of a Resolution stating the eligibility determination, presenting the funding recommendations of the County Mayor or the County Mayor's designee based on the competitive evaluation and seeking approval for the award of a Funding Allocation and the disbursement of funds. In the event that an award of a Funding Allocation to a Conditionally Eligible Recipient is approved by the Board, staff shall verify that all conditions precedent have been satisfied prior to executing a Grant Agreement or an Interlocal Agreement, as the case may be.

ARTICLE III – GRANT ADMINISTRATION

SECTION 1. FUNDING ALLOCATION ADMINISTRATION & REIMBURSEMENT POLICY

A) Grant Agreement or Interlocal Agreement

- 1) As a condition of award of a Funding Cycle Allocation, the County and the Recipient shall enter into a Grant Agreement or an Interlocal Agreement, as the case may be, which sets forth the responsibilities and duties of each regarding administration of the approved Project and approved Funding Cycle Allocation.
- 2) The Grant Agreement or the Interlocal Agreement, as the case may be, shall specify the following and shall incorporate such other terms and conditions as may be required by particular circumstances:
 - a) A Project Narrative/Description of Project, including location of Project, and beginning and end dates;
 - b) An overall budget for the final Project, identifying additional sources of revenue;
 - c) A Funding Cycle Allocation and Funding Allocation line item budget (proposed use of BBC GOB funds);
 - d) If the Recipient is a Community-Based Organization or other entity (not a Municipality or Public Agency), a letter of commitment of matching funds validly executed committing the organization to raise any additional capital funds necessary to complete the Project, and committing to provide operating, maintenance and programming funds upon completion of the Project, all as authorized and approved by the Recipient's Board of Directors or governing entity;
 - e) If the Recipient is a Municipality or Public Agency, a letter of commitment of matching funds validly executed committing the organization to appropriate capital funds necessary to complete the Project and to provide operating, maintenance and programming funds upon completion of the Project, all as authorized and approved by the governing board of such Municipality or Public Agency;
 - f) Certification of ownership, or evidence of lease or other use agreement for a minimum ~~un~~-expired term of 25 years;
 - g) Business plan and/or operating pro-forma, defining and identifying strategies to address the impact the Project will have on the organization's operational structure; and
 - h) A list of consultants that will be involved in the development of the Project (e.g., Owner's project manager(s), Architecture and Engineering team, Specialty Consultants, Developers, General Contractor or Construction Manager, etc.) as they become available.

B) **Pre-Agreement Expenses.** The incurring of Pre-Agreement Expenses by a Recipient creates no obligation on the County to execute a Grant Agreement or Interlocal Agreement, as the case may be, or otherwise satisfy those expenses. However, prior to the effective date of the Grant Agreement or Interlocal Agreement, as the case may be, a Recipient may incur eligible Pre-Agreement Expenses and then after the effective date of the Grant Agreement or Interlocal Agreement, as the case may be, be reimbursed for those costs, provided that:

- 1) The costs and activities are funded as part of the Funding Allocation award and are in compliance with the requirements of the Ordinance and these rules.

- 2) For those Projects funded by bond proceeds from bond sales subsequent to the sale of the Series 2005 Bonds, reimbursement of Pre-Agreement Expenses is limited to those Pre-Agreement Expenses incurred one (1) year prior to the first day of the Application Submission Period, unless previously approved by the Board. Pre-Agreement Expenses in the case of Economic Development Fund projects are limited to those Pre-Agreement Expenses incurred one (1) year prior to the application for an Economic Development Fund award.
- 3) The Recipient has notified the County Mayor or the County Mayor's designee in writing of the intent to submit eligible Pre-Agreement expenses for reimbursement within 30-days of a Grant Agreement or Interlocal Agreement being executed. Recipients shall send a letter addressed to the County Mayor or the County Mayor's designee for review and approval of eligible expenses.

C) Payment. Recipients are paid allocated funds subject to the following conditions:

- 1 **BBC GOB Program Administration.** Not more than one percent (1%) of the value of each Funding Allocation award may be earmarked for all costs incidental to the administration of the BBC GOB Program.
- 2 **Timing.** With the exception of eligible Pre-Agreement Expenses, Project costs eligible for reimbursement shall be incurred between the effective date of, and the Project completion date identified in, the Grant Agreement or the Interlocal Agreement, as the case may be.
- 3) **Soft Cost Limits.** Project Soft Costs for Planning Services, Design Services and Project Administration, as defined in Article 1, Section 4, "Soft Costs", are eligible for funding provided that bond proceeds utilized to pay for such costs do not exceed seventeen percent (17%) of the total bond proceeds allocated to a given Project. This limitation may be waived by the Board. Where a major Project is funded in phases, this cost limit may not necessarily apply to each individual Project phase, but must apply to the Funding Allocation for the Project.

In order for GOB project to effectively comply with the Sustainable Building Ordinance (Ordinance 07-65), the amount eligible for reimbursement for project soft costs will be increased from 17% to 20% to accommodate both the costs of green building design, commissioning and pre-certification services in accordance with the Sustainable Buildings Ordinance and Implementing Order 8-8. For those projects where it is not practical to attain certification, design services can be employed to implement design interventions that on the average will result in an estimated payback of up to 10 years. Typical categories of payback include, but are not limited to, energy efficiency, water efficiency, productivity and operations, and maintenance.

- 4) Recipients will implement their own procurement process; however, they shall comply with all applicable Federal, State and local laws and regulations, including the County ordinances and regulations.
- 5) Recipients are responsible for managing the day-to-day operations of Funding Cycle Allocation supported activities, and maintaining communications with the County Mayor or the County Mayor's designee regarding the Project. Recipients must monitor Funding Cycle Allocation supported activities to assure compliance with the Ordinance, these rules, the Grant

Agreement or Interlocal Agreement, as the case may be, and all applicable Federal, State and local requirements.

- 6) Payments to the Recipient may be withheld at any time that the Recipient fails to comply with the terms of the Grant Agreement or the Interlocal Agreement, as the case may be. Funds withheld for failure to comply with the terms of the Grant Agreement or the Interlocal Agreement, as the case may be, but without suspension of the Funding Cycle Allocation shall be released to the Recipient upon subsequent compliance. Recipients will not be required to reimburse the County for payments already received by the County unless the Recipient fails to acquire, purchase, construct, develop and/or operate the Project for the purpose described in the Funding Application Package or is otherwise in default under the Grant Agreement or Interlocal Agreement.
- 7) Recipients must complete the authorized signature form (Exhibit A).
- 8) a. In general, payment shall be made on a reimbursement basis. A Funding Cycle Allocation Recipient may submit a Request for Advance Payment form (Exhibit B) for review and approval by the County Mayor or the County Mayor's designee. Approved Recipients may receive an advance payment no more than 180 days in advance of the allocation schedule approved by the Board, for up to 25% of the value of the Funding Allocation for the subject Project.

b. However, in accordance with the guidelines reflected below, the County Mayor or the County Mayor's designee may, on a case-by-case basis and at his sole discretion, consider advance payment of up to 90% of a Municipality's Funding Allocation for a specific project. Upon the decision by the County Mayor or the County Mayor's designee that a request for advance payment of up to 90% of a Municipality's Funding Allocation for a specific Project will be considered, the guidelines below will be applied consistently and in their entirety.

Conditions under which a Municipality may receive up to 90% of its Funding Allocation for a subject Project:

- A Municipality must not owe money to the County and the County must not have any outstanding claims against the Municipality;
- Project activity to date is proceeding on-schedule;
- Construction schedules are being updated on a monthly basis and all required documentation has been submitted to Miami-Dade's Office of Management and Budget (OMB);
- The Municipality must have contract(s) in place to complete the Project and no outstanding claims or disputes can exist between the Municipality and their contractors on the Project; and
- Municipality payments to contractors, subcontractors and suppliers are being made timely.

Field Evaluations will be conducted on a case-by-case basis by Miami-Dade's Office of Management and Budget (OMB) and will include items such as:

- Field audit determination that the Project is on-schedule including physical

- construction; and
- Follow-up field audit inspections will be performed by OMB to ensure Project completion.

OMB will submit a written recommendation to the County Mayor or County Mayor's designee to approve any disbursement under these provisions. The Municipalities will be required to execute a supplemental agreement acknowledging these terms.

Safeguards/Corrective Actions to be implemented by the County in case of non-compliance by a Municipality with the BBC-GOB Program Administrative Rules or if satisfactory progress is not being maintained will include:

- Funding for municipal or other GOB-funded Project to be performed by the subject Municipality will be withheld;
- The County will ask to be reimbursed the amount given to the Municipality as part of the Grant Agreement and/or withheld funds due to the Municipality from other County funding sources such as PTP; and
- If the Municipality refuses to reimburse the County the amount due under the Grant Agreement, the County may employ all available means to recover the subject funds up to and including litigation.

The aforementioned safeguards will be implemented by the County in Cases of non-compliance. All conditions shall be a part of all Interlocal Agreements with a Municipality. All existing Interlocal Agreements will be amended to include the provisions referenced above and all new Interlocal Agreements will likewise include these provisions.

Any disbursement of funds under these provisions will be reported to the Board.

- c. All advance payments received by a Recipient shall be maintained in a separate interest bearing account and may not be commingled with other funds. All advances and interest earned must be fully accounted for. The Recipient shall submit evidence of interest earned (Exhibit C) to the County with any subsequent reimbursement request. The amount of interest earned shall be deducted from such subsequent payment to the Recipient. If at any time the amount of interest earned is greater than the reimbursement request, the Recipient shall submit payment to the county an amount equal to the interest earned less the reimbursement request. Upon the County's receipt of the payment and any required supporting documentation from the Recipient, the reimbursement request may be paid. Checks must be made payable to Miami-Dade County Board of County Commissioners and forwarded to the Office of Management and Budget.
- 9) Recipients must submit reimbursement/payment requests no later than quarterly. If a Recipient is unable to submit a reimbursement/payment request by the quarterly deadline, a written justification indicating the reason for the delay and expected submission date is required to be submitted by the deadline. Failure to comply with this requirement shall render the Recipient in non-compliance with the Administrative Rules and may result in reduction or forfeiture of payment, at the discretion of the County Mayor or the County Mayor's designee. Failure to submit two consecutive requests shall be deemed a forfeiture of all rights unless specifically waived by the County Mayor or the County Mayor's designee. The Recipient

must submit a written explanation for such delays in order to be considered for a waiver of this requirement and all such waivers shall be made at the sole discretion of the County Mayor or the County Mayor's designee.

- 10) Recipients shall complete, sign, and submit to the County the appropriate Reimbursement Request forms as necessary (Exhibits D through F) accompanied by supporting documentation (i.e., copies of invoices, receipts and check payments).
- 11) Reimbursement requests for Fixtures, Furniture & Equipment items must be included and approved in the Grant Agreement or the Interlocal Agreement, as the case may be, prior to acquisition. Written requests for Fixtures, Furniture & Equipment approval must be accompanied by Exhibit G.
- 12) In accordance with State law, five percent (5%) of the value of the BBC GOB Program funding for a given Project shall be retained by the County for all projects in excess of \$100,000, unless otherwise recommended in writing by staff and approved by the Board. Upon completion of a Project, a signed project completion certificate (Exhibit I) must be submitted with the final reimbursement request forms in order for the remaining retainage to be released.
- 13) The County Mayor or the County Mayor's designee may require that reimbursement requests for any Funding Allocations requiring a cash match must be accompanied by documentation of the expenditure of committed match funds (i.e., copies of invoices, canceled checks, etc.).
- 14) Each Recipient will ensure that all contractors and consultants perform in accordance with the terms, conditions, drawings and specifications of their contracts or purchase orders and that all Federal, State and local contracting rules apply.
- 15) Each Recipient shall maintain an accounting system, which meets generally accepted accounting principles, and shall maintain all required financial records to properly account for all Building Better Communities General Obligation Bond funds and any supplemental funds used for the Project. The Recipient shall at all times maintain a separate accounting of all Building Better Communities General Obligation Bond funds.
- 16) Each Recipient shall be responsible for reporting, on a continuous, on-going basis, any contractual relationship established to perform work on the project, start dates, progress payments, completion dates, etc. in the system provided by the County.
- 17) The Recipient shall be responsible for completing the Project. If the total cost of the Project exceeds the value of the Funding Allocation, then the Recipient must provide any supplemental funds required. In the event that supplemental funds are necessary for completion of a Project, as of the point in time that it is known that supplemental funds are needed, the Recipient must demonstrate that such supplemental funds have been committed to the Project prior to and as a condition of disbursement or further disbursement of Funding Cycle Allocations. The requirement for a Recipient to provide supplemental funds may be modified, in part or whole, by the Board, to the extent that it approves in writing any reduction or change to the Project scope of work in accordance with the Ordinance. Approval of any reduction or change in scope of work is at the sole discretion of the Board.

D) Acquisition Projects. Guidelines and requirements for administering Acquisition Project Funding Allocations are as follows:

- 1) **Appraisal Required.** Prior to acquisition of a Project site, a Recipient must obtain an appraisal or appraisals supporting the fair market value of the land to be acquired. Pursuant to State law, if the property is \$500,000 or less in appraised value, one appraisal is required. If the property exceeds \$500,000 in appraised value, two appraisals are required.
- 2) **Amount Authorized for Payment.** The amount of Funding Cycle Allocation authorized for payment for land acquisition shall in no case exceed the Funding Allocation available for the Project. In the event that the negotiated acquisition price exceeds by ten percent or greater the appraised value of the land, the disbursement of Funding Allocation shall be conditioned upon a written justification for the purchase price and other conditions attendant to the proposed purchase, which justification is declared satisfactory by the Board in writing. Appraisal costs are eligible Funding Allocation costs as long as the appraised property is being realistically and seriously considered for Acquisition, regardless of the outcome.
- 3) **Environmental Survey.** The Recipient may not acquire land for a BBC GOB Program funded Project until a Phase I environmental survey is completed, which demonstrates that the property is suitable for its intended general use and for the specific Project. GOB funds may be used for the necessary clean-up a Phase II environmental survey may require provided the scope of the Project is not impacted. Changes to the scope of the Project require BCC approval.
- 4) **Signage.** For six months following an Acquisition, the County shall post a sign, in the general design provided by the County, containing the Building Better Communities General Obligation Bond logo, identifying the source of Project funding. The cost of such a sign is eligible for payment from the Funding Allocation.
- 5) **Ownership.** Title to land acquired with BBC GOB Program funds or facilities constructed/developed with Building Better Communities General Obligation Bond funds shall vest with a Public Agency, a legally incorporated 501(c)(3) not-for-profit Community-Based Organization, or an active and duly registered Florida for-profit corporation or other recognized business entity.

E) Development Projects. Guidelines and requirements for administering Development Project Funding Allocations are as follows:

- 1) **Licensed Contractors; Contractor Bonds.** Duly licensed contractors shall perform all construction. Construction contracts for work in excess of the threshold amounts established in Section 255.20 of the Florida Statutes shall require payment and performance bonds, which comply with the requirements of Section 255.05, Florida Statutes, to the extent applicable.
- 2) **Cost Elements.**
 - a) **Construction Equipment.** Recipients are required to use their own equipment, if available. If a Recipient's equipment is used, the maximum Funding Allocation payment shall cover

operating and routine maintenance costs of such equipment; the Funding Allocation excludes any depreciation or replacement cost from payment. If a Recipient's equipment is used, a report or source document must describe the work performed, indicate the hours used and be related to the Project. If a Recipient does not have needed construction equipment available, then the Recipient may rent such equipment.

- b) Construction Supplies and Materials. Supplies and materials may be purchased for a specific Project or may be drawn from a central stock, providing they are claimed at a cost no higher than that which the Recipient paid. When supplies and/or materials are purchased with the intention of constructing a piece of equipment, structure or part of a structure, the costs that are charged as supplies and materials may be capitalized according to the Recipient's normal practice or policy. If capitalized, only the cost reasonably attributable to the Project may be claimed under the Project.
 - c) Personnel or Employee Services. Services of the Recipient's employees who perform work directly related to the accomplishment of the Project are eligible costs payable from the Funding Allocation. These costs must be computed according to the Recipient's prevailing wage or salary scales and may include fringe benefit costs, such as vacations, sick leave, FICA, MICA, health and life insurance, and workers compensation at the Recipient's established fringe benefit rate. Costs charged to the Project must be computed on the basis of actual time spent on the Project, and supported by time and attendance records describing the work performed on the Project. Overtime costs may be allowed under the Recipient's established policy, provided that the regular work time was devoted to the same Project. Salaries and wages claimed for employees working on allocation-funded Projects must not exceed the Recipient's established rates for similar positions or rates per industry standards. Alternative methodologies for established wage rates must be pre-approved by the Board.
 - d) Consultant Services. The costs of consultant services necessary for the Project are eligible for payment from the Funding Allocation. The Recipient must pay consultants according to the Recipient's customary or established method and rate. No consultant fee may be paid to the Recipient's own employees.
- 3) Cost Activities.
- a) Construction activities. The cost of all necessary construction activities, from site preparation (including demolition, survey, excavation and other site work) to the completion of a structure is eligible for payment from the Funding Allocation.
 - b) Fixtures, Furniture and Equipment. Except for Projects funded by the Economic Development Fund, the cost of Fixtures, Furniture and Equipment necessary to operate the facility are eligible for payment from the Funding Allocation, if approved in the Grant Agreement or the Interlocal Agreement, as the case may be, and a detailed list of eligible items is submitted in writing and approved by the County Mayor or the County Mayor's designee prior to its purchase (See Article III, Section 1 (c)). Costs for consumable goods shall not be considered eligible for payment from the Funding Allocation. Also, refer to Article I, Section 4, for a detailed definition of Fixtures, Furniture, and Equipment.
 - c) Interpretive Signs and Aids. The cost of signs, display boards or other interpretive aids

relating to the Project are eligible for payment from the Funding Allocation.

- d) Signage. During the time period of Development, the County shall post a sign in a prominent location at the Project site in the general design provided by the County depicting the Building Better Communities General Obligation Bond logo and identifying the source of funding for the Project. The cost of such a sign is eligible for payment from the Funding Allocation.

Recipients are encouraged to use value-engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions.

- 4) The following is a nonexclusive list of costs ineligible for payment from the Funding Allocation:
 - a) Funding Application costs.
 - b) Ceremonial expenses.
 - c) Expenses for publicity.
 - d) Bonus payments unless specifically authorized by the Board.
 - e) Charges in excess of the lowest responsive and responsible bid or proposal in accordance with the governing rules and procedures of the Recipient, when the law requires the Recipient to utilize competitive selection. In the event a selection process is used, other than a low bid process any cost in excess of the cost of the highest ranked firm shall be considered ineligible.
 - f) Charges for deficits or overdrafts.
 - g) Charges incurred contrary to the policies and practices of the Recipient.
 - h) Interest expense (May be reimbursed at the discretion of the Board if incurred during the construction period and is attributable only to the construction period).
 - i) Litigation expenses or judgments.
 - j) The cost of services, material or equipment obtained under any other program.
 - k) Costs of discounts not taken.
 - l) The cost of purchasing a non-refundable option when acquiring land.

F) Budget Changes.

- 1) Recipients shall adjust their Project budgets to reflect actual costs and updated cost estimates and shall submit adjusted Project budgets to the County Mayor or the County Mayor's designee as soon as the recipient is aware of a material budget change.

- 2) Budget adjustments may not exceed the 17% Soft Cost limitation for design, planning, and program administration, with the exception of those projects meeting the Sustainable Building Ordinance, nor exceed the Project Funding Allocation without approval of the Board.
- 3) Recipients shall obtain the prior written approval of the Board whenever budget adjustments are anticipated as outlined in a, b, and c below. The request must be in the same budget format the Recipient used in the Grant Agreement or Interlocal Agreement, as the case may be, and shall be accompanied by a narrative justification for the proposed revision. Such request for adjustment shall, if approved, amend the Grant Agreement or Interlocal Agreement, as the case may be. Requests for budget changes shall be considered whenever any of the following adjustments are required:
 - a) For any Project involving both Acquisition and Development activities, any proposed budget transfers from Development to Acquisition.
 - b) Any proposed reduction or revision of the scope or objectives of the Project (regardless of whether there is an associated budget adjustment) that substantially changes the original intent of a project.
 - c) Any change that would increase Soft Costs for planning, design, and project administration which exceeds the limit specified in Article III, Section 3 (c)(1).

In the event that a Recipient has completed the approved scope of work for a Project and has unexpended funds, the Recipient may submit a request to the Office of Management and Budget to expend these funds in an existing or new budget line item for the Project. The County Mayor or the County Mayor's designee is authorized to approve such budget changes and expenses not to exceed 15% of the total budget.

- G) **Cost Overruns.** The Recipient shall fund all cost overruns. During the execution of work on a Project, the Recipient may find that actual Project costs exceed the approved budget. For cost overruns that will require additional funding for the Project, or otherwise require a budget adjustment for which prior Board approval is required pursuant to paragraph E above, the Recipient shall:
- 1) Provide a justification for the additional costs;
 - 2) Identify available funds for the completion of the Project; and, if necessary
 - 3) Request from the Board a change or revision in the Project scope consistent with the terms of the Ordinance and the Authorizing Resolutions.

The Board, at its discretion, may authorize in writing a change or revision in the scope of the Project: (i) where change or revision of the scope is consistent with the Ordinance; and (ii) where the change or revision is justified by the Recipient; and (iii) where the Recipient does not have sufficient funds to complete the Project with the available funds. Under those circumstances, the Board, in its sole discretion, may identify other funds available under the Ordinance for the Project.

SECTION 2. COMPLIANCE RESPONSIBILITIES

The following constitute general requirements for program compliance:

- A) An annual independent audit of the Building Better Communities General Obligation Bond funds must be submitted by all Recipients to the Office of Management and Budget no later than six months after the close of the Recipient's fiscal year for which a Funding Allocation was received and each year thereafter until Project completion. The audit report must include the Fund Summary Status Report, Exhibit J. The audit must be performed by certified independent auditors and include the following:
 - 1) Test for compliance with the Grant Agreement or Interlocal Agreement, as the case may be, Miami-Dade County Ordinance No. 05-47, applicable resolutions and the Building Better Communities General Obligation Bond Administrative Rules.
 - 2) Test to verify compliance with advance requirements.
 - 3) Sufficient tests, as determined by the independent auditor, to verify true and accurate reflection of Project expenditures.
 - 4) Tests to verify expenditure of required match dollars.
 - 5) Verification of the Fund Summary Status Report.
- B) Land and facilities acquired, developed, improved, or rehabilitated by Funding Allocation shall be dedicated and maintained in perpetuity for the use and benefit of the general public except where leases are in effect. Any land, facilities, or equipment acquired with Building Better Communities General Obligation Bond funds may not be sold or transferred without the written consent of the County and may require an equitable reimbursement of bond funding based on residual value. All projects shall be open to the public at reasonable times and shall be managed in a safe and attractive manner appropriate for public use.
- C) Funding Allocation for the purposes of development, improvement, rehabilitation, or restoration shall be expended for these purposes only on lands owned by a Recipient or on lands for which the Recipient holds a lease or other use agreement. Such lease or other use agreement must be for an unexpired minimum term of 25 years. The Funding Allocation Recipient may demonstrate the eligibility of the Project to the reasonable satisfaction of the Board, through a joint ownership, use, franchise or other agreement, evidencing that the lands and/or the Project will be utilized for the public benefit, consistent with the terms of the Ordinance, for a term of at least 25 years in duration. The lease must not be revocable at will.
- D) Recipient shall maintain all financial and programmatic records, supporting documents and other records pertinent to the Funding Allocation for a period of three years from the starting date defined below. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three year period, the records must be retained until completion of the action and resolution of all issues that arise from it, or until the end of the regular three year period, whichever is later. When Funding Allocation support is continued or renewed at annual or other intervals, the retention period for the records of each funding period starts on the day the Recipient submits to the County its single or last expenditure report for that period. In all other cases, the retention period starts on the day the Recipient submits its final expenditure report.

- E) The Board and the County, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers or other records of the Recipient in order to make audits, examinations, excerpts and transcripts.

Office of the Miami-Dade County Inspector General (IG) (MDC Code Section 2-1076) shall have the authority and power to review past, present and proposed County programs, accounts, records, contracts, and transactions. The IG shall have the power to subpoena witnesses, administer oaths, and require the production of records. Upon ten (10) days written notice to the Recipient from IG, the Recipient shall make all requested records and documents available to the IG for inspection and copying. The IG shall have the power to report and/or recommend to the Board whether a particular project, program, contract, or transaction is or was necessary and, if deemed necessary, whether the method used for implementing the project or program is or was efficient both financially and operationally. Monitoring of an existing project or program may include reporting whether the project is on time, within budget and in conformity with plans, specifications, and applicable law. The IG shall have the power to analyze the need for, and reasonableness of, proposed change orders.

The IG may, on a random basis, perform audits on all County contracts throughout the duration of said contract (hereinafter "random audits"). This random audit is separate and distinct from any other audit by the County. To pay for the functions of the Office of the Inspector General, any and all payments to be made to the Recipient under the Grant Agreement will be assessed one quarter of one percent of the total amount of the payment, to be deducted from each progress payment as the same becomes due unless, as stated in the Code or the Grant Agreement, the Project is federally or state funded and federal or state law or regulations preclude such a charge. The Recipient shall in stating its agreed prices be mindful of this assessment.

The IG shall have the power to retain and coordinate the services of an independent private sector inspector general (IPSIG) who may be engaged to perform said random audits, as well as audit, investigate, monitor, oversee, inspect, and review the operations, activities, and performance and procurement process including, but not limited to, project design, establishment of bid specifications, bid submittals, activities of the contractor, its officers, agents, and employees, lobbyists, County staff, and elected officials in order to ensure compliance with contract specifications and detect corruption and fraud.

- F) If a Recipient materially fails to comply with any term of an award, the Board or the County Mayor or the County Mayor's designee may take one or more of the following actions, as appropriate in the circumstances:
- 1) Temporarily withhold cash payments pending correction of the deficiency by the Recipient;
 - 2) Disallow all or part of the cost of the activity or action not in compliance;
 - 3) Wholly or partly suspend or terminate the current award for the Recipient's Project;
 - 4) Withhold further Funding Allocation awards from the Recipient; or
 - 5) Take other remedies that may be legally available.

- G) Any of the enforcement actions listed in paragraph F above, taken by the County Mayor or the County Mayor's designee, which are contested and unresolved between the Recipient and the County within thirty days of such action, will result in the Board providing the Recipient with an opportunity to be heard on the issue. Said hearing will occur within sixty days of the Board receiving the Recipient's written request. Staff will recommend appropriate action to the Board.
- H) Costs to Recipient resulting from obligations incurred by the Recipient during a suspension or after termination of an award are not eligible for reimbursement unless the County Mayor or his designee expressly authorizes them in the notice of suspension or termination or subsequently authorizes reimbursement in writing. Other costs incurred by the Recipient during suspension or after termination, which are necessary and not reasonably avoidable, are eligible for reimbursement, if:
 - 1) The costs result from obligations that were properly incurred by the Recipient before the effective date of suspension or termination, were not in anticipation of it, and in the case of a termination, are non-cancelable; and
 - 2) The costs would be eligible for reimbursement if the award were not suspended or if the award expired normally at the end of the funding period in which the termination takes effect.
- I) Inspections. Staff of the Board or the County, or both, shall periodically inspect each Project to ensure compliance with these rules, the Ordinance, and the Grant Agreement or Interlocal Agreement, as the case may be. Staff shall perform an inspection of the Project site to ensure compliance prior to release of the final Funding Allocation payment.

SECTION 3. REPORTS

Recipients are required to submit the Project Status Report no later than monthly (Exhibit E), in the format stipulated by the County Mayor or the County Mayor's designee. Additional reports that shall be due upon request of the County Mayor or the County Mayor's designee may include, but are not limited to:

- A) Actual accomplishments of each Funding Cycle Allocation;
- B) Problems encountered in implementation of each Funding Cycle Allocation; and
- C) Anticipated start and/or completion dates of each Funding Cycle Allocation.

Recipient may be required to meet with the Board to discuss the Project.

SECTION 4. PROJECT CLOSE-OUT

- A) A Recipient has up to forty-five (45) days after the expiration or termination of the Funding Allocation to submit all final documentation including final reimbursement requests and Project completion certificates.
- B) The close-out of a Funding Allocation does not affect:
 - 1) The County's right to disallow costs and recover funds on the basis of a later audit or review;
 - 2) The Recipient's obligation to return any funds due as a result of later refunds, corrections, or other transactions;
 - 3) Records retention responsibilities set forth above;
 - 4) Continuing responsibilities set forth in the Ordinance, the Grant Agreement or Interlocal Agreement, as the case may be, and these rules; and
 - 5) Audit rights set forth in these rules.
- C) Any amounts paid to Recipient in excess of the amount to which the Recipient is finally determined to be entitled under the terms of the Grant Agreement or Interlocal Agreement, as the case may be, constitute a debt to the County. If not paid within a reasonable period after demand, the County may reduce the debt by:
 - 1) Making an administrative offset against other requests for reimbursement;
 - 2) Withholding payments otherwise due to the Recipient; or
 - 3) Taking other action provided by law.

Any overdue debt of the Recipient shall accrue interest at the maximum rate allowed by law.

SECTION 5. INTERPRETATION; ADMINISTRATION

These administrative rules have been promulgated under the Ordinance. In the event of a conflict between these rules and the provisions of the Ordinance, the Ordinance shall prevail.

The County Mayor or the County Mayor's designee shall be authorized to interpret the provisions of these administrative rules and their interpretation of any matters governed hereby shall be final and may only be overturned by a majority vote of the Board. The County Mayor or the County Mayor's designee shall submit recommendations amending these administrative rules to the Board, which may approve or reject such recommendations by majority vote.

The County Mayor or the County Mayor's designee shall be authorized and required to administer the Building Better Communities General Obligation Bond Program consistent with the Ordinance and these administrative rules.

WHEREAS, pursuant to Resolution No. R-197-15, adopted on March 3, 2015 as amended by Resolution No. R-852-15 adopted on October 6, 2015 (the "Allocation Resolution"), the Board approved a Countywide grant/allocation of \$32,300,000 from Building Better Communities General Obligation Bonds ("BBC GOB") Project No. 352 titled "New Family Units At Liberty Square And Lincoln Gardens" for the development of public housing and affordable housing units as a part of a mixed-income, mixed-use project at Liberty Square and Lincoln Gardens (the "Overall Project").

WHEREAS, pursuant to the terms of the Affordable Housing Development and Grant Agreement (the "Grant Agreement"), by and between the County and the Grantee dated of even date herewith, the County has agreed that it will fund \$2,790,426.00 of the allocated BBC GOB funds (the "Phase One Funding") in fiscal year 2020-2021 for reimbursable capital expenditures made in connection with the Project (the "Funding Plan"); and

WHEREAS, pursuant to Resolution No. R-____-__, adopted by the Board on _____, 2020, the County (i) approved the grant of the Phase One Funding to the Grantee and (ii) approved the form of the Grant Agreement and this Agreement and authorized its representatives to enter into it; and

WHEREAS, Phase one of the Overall Project shall consist of 49 PHA-Assisted Units and 85 qualified low-income units ("Affordable Units" collectively with the PHA-Assisted Units, the "Units"); and

WHEREAS, in connection with the receipt of the Phase One Funding, the Grantee and the Developer agree that the Units shall be leased to Eligible Tenants (defined below) and to maintain rents at certain prescribed rates, as set forth in this Agreement.

NOW, THEREFORE, for and in consideration of Ten dollars (\$10.00), the promises and covenants contained in this Agreement and for other good and valuable consideration received and acknowledged, the Grantee, its successors and assigns, the Developer, its successors and assigns, and the County, through its Department of Public Housing and Community Development ("PHCD") and any successor agency or department of the County agree as follows:

PROPERTY ADDRESS: The Project is located at 4771 NW 24th Court, Miami, Florida 33142.

**LEGAL DESCRIPTION
OF PROPERTY:**

The leasehold interest in the real property legally described and attached hereto as Exhibit A.

UNITS: The Project shall consists of 134 total units consisting of 60 two-bedroom units, 56 three-bedroom units, and 18 four-bedroom units in several multi-family buildings.

ELIGIBLE TENANTS Natural persons or families with total annual household income that does not exceed sixty percent (60%) and eighty percent (80%) of area median income for Miami-Dade County adjusted for family size ("AMI") as determined by the United States Department of Housing and Urban Development ("HUD")

WITNESSETH:

I. Grantee and the Developer agree with respect to the Property for the period beginning on the date of recordation of this Agreement, and ending on the last day of the thirtieth (30th) year after the year in which the Project is completed and a certificate of occupancy is issued (the "Affordability Period") that:

- a) All of the Units shall be leased to Eligible Tenants as set forth herein and 49 units shall be operating and maintained as PHA-Assisted Units. Of the 134 total units in the Project, 22 units shall be maintained and operated as Affordable Units leased to households having incomes not exceeding 30% AMI, 38 units shall be maintained and operated as Affordable Units leased to households having incomes not exceeding 50% AMI, 22 units shall be maintained and operated as Affordable Units leased to households having incomes not exceeding 60% AMI and 52 units shall be maintained and operated as Affordable Units leased to households having incomes not exceeding 80% AMI, all minus a utility allowance in accordance with Section 42 of the

Internal Revenue Code (the "Utility Allowance"). Accordingly, the maximum initial approved rental rates for this Property are set forth in the attached Exhibit B. In the case of Section 8 Units, the HUD approved contract rent is allowed.

- b) The parties agree that once recorded, this Agreement shall be a restrictive covenant on the Project that shall run with the Property since the subject matter of this Agreement and its covenants touch and concern the Property. This Agreement shall be binding on the Property, the Project, and all portions of each, and upon any purchaser, transferee, grantee or lessee or any combination of each, and on their heirs, executors, administrators, devisees, successors and assigns and on any other person or entity having any right, title or interest in the Property, the Project, or any portion of each, for the length of time that this Agreement shall be in force. Grantee and Developer hereby make and declare these restrictive covenants which shall run with the title to said Property and be binding on the Grantee, Developer and their successors in interest, if any, for the period stated in the preamble above, without regard to payment or satisfaction of any debt owed by Grantee to the County or the expiration of any agreement between the Grantee and the County regarding the Property, Project or both.
- c) The Project will include such amenities as detailed in the Lease and the MDA (as such terms are defined in the Grant Agreement).
- d) Grantee and Developer agree that upon any violation of the provisions of this Agreement, the County, through its agent, PHCD, may give written notice thereof to the Grantee and Developer, by registered mail, at the address stated in this Agreement, or such other address or addresses as may subsequently be designated by the Grantee and Developer in writing to PHCD, and in the event Grantee and Developer do not cure such default (or take measures reasonably satisfactory to PHCD to cure such default), within thirty (30) days after the date of notice, or within such further time as PHCD may determine is necessary for correction, PHCD may, without further notice, declare a default under this Agreement, and effective upon the date of such default, PHCD may:
 - i) Declare the whole County Grant immediately due and payable and then proceed with legal proceedings to collect the County Grant;
 - ii) Apply to any court, County, State or Federal, for any specific performance of this Agreement; for an injunction against the violation of this Agreement; or for such relief as may be appropriate since the injury to PHCD arising from a default remaining uncured under any of the terms of this Agreement would be irreparable, and the amount of damage would be difficult to ascertain.

Notwithstanding (i) and (ii) above, the only remedy available to the County

with respect to a lender or third party that takes title to the Project through a foreclosure, transfer of title by deed in lieu of foreclosure or comparable conversion is specific performance of the set aside provision in Section I(g) below.

- e) Grantee and Developer further agree that they will, during the term of this Agreement: furnish each resident at the time of initial occupancy, a written notice that the rents to be charged for the purposes and services included in the rents are approved by the County pursuant to this Agreement; that they will maintain a file copy of such notice with a signed acknowledgment of receipt by each resident; and, that such notices will be made available for inspection by the County during regular business hours.
- f) Grantee and Developer agree that the Units shall meet the energy efficiency standards promulgated by the Secretary of HUD, the Florida Housing Finance Corporation (hereafter "FHFC"), and/or Miami-Dade County, as applicable.
- g) Notwithstanding the foregoing, the provisions set forth in Section I(a), above, and the definition of Eligible Tenants described above, shall automatically be modified in the event of involuntary noncompliance caused by foreclosure, transfer of title by deed in lieu of foreclosure or comparable conversion. In such event the Units in the Property shall be leased to natural persons or families with total annual household income at or below one hundred and forty percent (140%) of AMI.

Bank of America, N.A., a national banking association, as an investing member of the Developer, and as lender to the Developer, or their successors in interest, shall have the opportunity to cure, within the time frame allotted to the Grantee and Developer, any default of Grantee or Developer under this Agreement.

- II. PHCD, Grantee and Developer agree that rents may increase as the AMI increases as published by HUD with the prior approval of PHCD. Any other adjustments to rents will be made only if PHCD (and HUD if applicable), in their sole but reasonable discretion, find any adjustments necessary to support the continued financial viability of the Project and only by an amount that PHCD (and HUD if applicable) determine is necessary to maintain continued financial viability of the Project.

Developer will provide documentation to justify a rental increase request not attributable to increases in median income but attributable to an increase in operating expenses of the Project, excluding the management fee attributed to the Grantee for managing the Project. Within thirty (30) days of receipt of such documentation, PHCD will approve or deny, as the case may be, in its sole but reasonable discretion, all or a portion of the rental increase in excess of the amount that is directly proportional to the most recent increase in Median Annual Income. In no event,

however, will any increase attributable solely to an increase in Median Annual Income be denied.

III. Except as otherwise noted, all parties expressly acknowledge that PHCD shall perform all actions required to be taken by Miami-Dade County pursuant to Sections IV, V, VI and VII of this Agreement for the purpose of monitoring and implementing all the actions required under this Agreement. In addition, thirty (30) days prior to the effective date of any rental increase, the Grantee shall cause the Developer to furnish PHCD with notification provided to tenants advising them of the increase.

IV. Occupancy Reports

The Developer shall, on an annual basis, furnish PHCD, with an occupancy report, which provides the following information:

- A) List of all occupied apartments, indicating composition of each resident family, as of the end date of the reporting period. Composition includes (if legally obtainable and available), but is not limited to:
 - 1. Number of residents per Units.
 - 2. Area median Income (AMI) per Unit.
 - 3. Race, Ethnicity and age per Unit (Head of Household).
 - 4. Number of Units serving special need clients.
 - 5. Gross Household Rent
 - 6. Maximum rent per Unit.
 - 7. The number of Units leased to Eligible Tenants with total annual household income that does not exceed sixty percent (60%) of AMI and eighty percent (80%) of AMI.
- B) A list of all vacant apartments, as of the end date of the reporting period.
- C) The total number of vacancies that occurred during the reporting period.
- D) The total number of Units that were re-rented during the reporting period, stating family size and income.
- E) The Developer shall upon written request of PHCD allow representatives of PHCD to review and copy any and all of its executed leases with tenants residing on the Property.

V. Inspections

Pursuant to 42 U.S.C. § 12755, the Developer shall maintain the Property in compliance with all applicable federal housing quality standards, receipt of which is acknowledged by the Developer, and contained in Sec. 17-1, et seq., Code of Miami-Dade County, pertaining to minimum housing standards (collectively, "Housing Standards").

- A) PHCD shall annually inspect the Property, including a representative sampling of dwelling Units and all common areas, to determine if the Property is being maintained in compliance with Federal Housing Quality Standards and any applicable Miami-Dade County Minimum Housing Codes. The Developer will be furnished a copy of the results of the inspection within thirty (30) days, and will be given thirty (30) days from receipt to correct any deficiencies or violations of the property standards of the Miami-Dade County Minimum Housing Codes or Housing Standards.
- B) At other times, at the request of the Grantee, Developer or of any tenant, PHCD may inspect any Unit for violations to the property standards of any applicable Miami-Dade County Minimum Housing Codes or Housing Standards. The tenant and the Grantee and/or Developer will be provided with the results of the inspection and the time and method of compliance and corrective action that must be taken. The Units shall contain at least one bedroom of appropriate size for each two persons.

VI. Lease Agreement, Selection Policy and Management Plan

Prior to initial rent-up and occupancy, the Grantee and/or Developer will submit the following documents to PHCD:

- A) Proposed form of resident application.
- B) Proposed form of occupancy agreement.
- C) Applicant screening and tenant selection policies.
- D) Maintenance and management plan which shall include the following information:
 - 1. A schedule for the performance of routine maintenance such as up-keep of common areas, extermination services, etc.
 - 2. A schedule for the performance of non-routine maintenance such as painting and reconditioning of dwelling Units, painting of building exteriors, etc.

3. A list of equipment to be provided in each dwelling Unit.
4. A proposed schedule for replacement of dwelling equipment.
5. A list of tenant services, if any, to be provided to residents.

The Developer agrees that the County has the right to refer eligible applicants for housing. The Developer shall not deny housing opportunities to eligible, qualified families, including those with Section 8 Housing Choice Vouchers, unless the Developer is able to demonstrate a good cause basis for denying the housing as determined by PHCD in its sole but reasonable discretion. It is understood that the Developer may conduct reasonable background searches including criminal checks which may be relied upon in determining whether a prospective tenant will be accepted by Developer. Pursuant to the Board's Resolution No. R-34-15, the Developer, its agents and/or representatives, shall provide written notice to the County related to the availability of rental opportunities, including, but not limited to, the number of available units, bedroom size, and rental prices of such rental units at the start of any leasing activity, and after issuance of certificate of occupancy. The Developer, its agents and/or representatives shall also provide the County with the contact information for the Developer, its agents and/or representatives.

VII. Financial Reports

- A) Annually, the Developer shall transmit to the County, upon written request, a certified annual operating statement showing project income, expenses, assets, liabilities, contracts, mortgage payments and deposits to any required reserve accounts (the "Operating Statement"). PHCD shall review the Operating Statement to insure conformance with all provisions contained in this Agreement.
- B) The Developer will create and maintain a reserve account for the maintenance of the Units and will deposit \$300 per Unit per year in such reserve account. This reserve may be combined with reserve accounts required by any other parties making loans to the Developer and will be deemed satisfied by any deposits made by the Developer in accordance with Grant documents.

VIII. Action By or Notice to the County

Unless specifically provided otherwise herein, any action to be taken by, approvals made by, or notices to or received by the County required by this Agreement shall be taken, made by, given or delivered to:
