RESOLUTION NO. _____ R-1037-20

RESOLUTION URGING THE FLORIDA LEGISLATURE TO
EXPAND THE QUALIFYING IMPROVEMENTS THAT MAY
BE FINANCED THROUGH PROPERTY ASSESSED CLEAN
ENERGY (PACE) PROGRAMS TO INCLUDE THE RAISING
OF ELECTRICAL BOXES AND HOME FOUNDATIONS AND
IMPROVEMENTS TO UNDERGROUND INFRASTRUCTURE
OF HOMES TO PROMOTE GREATER RESILIENCY

WHEREAS, Miami-Dade County is understood to be particularly vulnerable to sea level rise and extreme weather events, such as hurricanes or flooding, due to the County's low elevation and proximity to the coast; and

WHEREAS, Miami-Dade County has consistently demonstrated leadership on issues related to sea level rise through the creation of the Miami-Dade County Sea Level Rise Task Force and the County's Office of Resilience; and

WHEREAS, as part of Miami-Dade County's longstanding efforts with respect to sea level rise, the County has been focusing on various ways to improve the overall resiliency of the community; and

WHEREAS, some strategies to improve resiliency to sea level rise and extreme weather events include the raising of electrical boxes and the raising of home foundations, as well as improvements to underground infrastructure of homes, such as water pipes; and

WHEREAS, a Property Assessed Clean Energy (PACE) financing program is a financing structure through which property owners may voluntarily opt into a special assessment district to finance certain improvements and retrofits to real property, where that financing is repaid over time through a non ad-valorem assessment on the owner's property tax bill; and

WHEREAS, section 163.08, Florida Statutes, provides that only certain kinds of improvements can qualify for PACE financing in Florida, and these qualifying improvements currently include energy conservation and efficiency improvements, renewable energy improvements, and wind resistance improvements; and

WHEREAS, the raising of electrical boxes and home foundations and improvements to underground infrastructure of homes are not currently eligible for PACE financing because they are not listed as qualifying improvements in section 163.08; and

WHEREAS, section 163.08 could be amended to expand the list of qualifying improvements to also include the raising of electrical boxes, the raising of home foundations, and other improvements to underground infrastructure of homes in order to promote greater resiliency; and

WHEREAS, this Board previously adopted Resolution No. R-1107-19, which urged the Florida Legislature to expand the PACE list of qualifying improvements to include these resiliency-related improvements; and

WHEREAS, adding these specific improvements to the PACE list of qualifying improvements would provide additional options for property owners to finance such resiliency improvements; and

WHEREAS, the availability of PACE financing may help some property owners who are unable to access other financing; and

WHEREAS, facilitating these resiliency-related improvements through PACE financing may increase the number of property owners who make such improvements to their property, and thereby increase the resiliency of those properties and the community-at-large, in a way that may provide greater protection during storms or flooding events; and

WHEREAS, in furtherance of the County's efforts to encourage and support property owners who wish to raise their electrical boxes, raise the foundations of their homes, or make other improvements to underground infrastructure of their homes, this Board now wishes to urge the Florida Legislature to expand the list of qualifying improvements for PACE to include such improvements,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board:

Section 1. Urges the Florida Legislature to expand the qualifying improvements that may be financed through PACE programs to include the raising of electrical boxes, the raising of home foundations, and other improvements to underground infrastructure of homes, in order to promote greater resiliency.

Section 2. Directs the Clerk of the Board to transmit certified copies of this resolution to the Governor, the Senate President, the House Speaker, and the Chair and Members of the Miami-Dade State Legislative Delegation.

Section 3. Directs the County's state lobbyists to advocate for the legislation described in section 1 above, and authorizes and directs the Office of Intergovernmental Affairs to include this item in the 2021 State Legislative Package.

The Prime Sponsor of the foregoing resolution is Vice Chairwoman Rebeca Sosa. It was offered by Commissioner **Rebeca Sosa**, who moved its adoption. The motion was seconded by Commissioner **José "Pepe" Diaz** and upon being put to a vote, the vote was as follows:

Audrey M. Edmonson, Chairwoman	aye		
Rebeca Sosa, Vice Chairwoman	aye
