Scope

The Coronavirus Aid, Relief and Economic Security (CARES) Act Grant was granted to the Miami-Dade Elections Department for election-related expenses to prevent, prepare for, and respond to COVID-19 for the 2020 Federal election cycle.

Therefore, there is no cost borne by Miami-Dade County.

Track Record/Monitor and Delegated Authority

MEMORANDUM OF AGREEMENT FOR FEDERAL FUNDS

Coronavirus Aid, Relief and Economic Security (CARES) Act

This agreement is between the State of Florida, Department of State, Division of Elections (“Department”), an agency of the State of Florida, and Supervisor of Elections for Miami-Dade County, Florida. This agreement governs the receipt and use of federal funds as specified herein.

I. Governing Law

As authorized by Congress, the funds awarded to the States under the Coronavirus Aid, Relief and Economic Security (CARES) Act (Public Law 116-136), are available solely to “prevent, prepare for, and respond to coronavirus, domestically or internationally, for the 2020 Federal election cycle.” Florida was allocated a total of \$20,253,853. The State’s non-federal match requirement for this award is \$4,050,771 (20% of the federal funds) and must be met no later than March 27, 2022. On March 9, 2020 the Governor issued Executive Order 20-52 (Emergency Management – COVID-19) Public Health Emergency) in response to the Novel Coronavirus (COVID-19) outbreak. By approval of BA20-21-01C the Department is authorized to distribute among Florida’s 67 county Supervisors of Elections (“Sub-recipients” hereinafter) a sum total of \$20,253,853 in non-recurring funds for COVID-19 election related expenses for the 2020 Federal Elections. **Attachment A** provides the distribution amount by county and match amount required. CARES funds authorization is made pursuant to the Consolidated Appropriations Act of 2020 and its supplemental appropriation, the CARES Act, and under section 101 of the Help America Vote Act of 2002 (HAVA) (Public Law 107-252). The Catalog of Federal Domestic Assistance (CFDA) number is 90.404.

II. Scope of Work, Deliverables, Restrictions

A. Scope of Work

Funds may be awarded as a reimbursement and/or advance for allowable expenses. Allowable expenses include but are not limited to those listed in **Attachment B** during the period of March 28, 2020 through December 31, 2020. Allowable expenses must be reasonable, necessary and allocable to the grant. Further details are set forth in subsections B, C, and D.

B. Deliverables, Minimum Levels of Service, and Financial Consequences

Deliverables	Apply funds solely for CoVID19 election-related expenses (expenses to prevent, prepare for, and respond to coronavirus, domestically or internationally, for the 2020 Federal election cycle) during the allowable expense period of March 28, 2020, through December 31, 2020.
---------------------	--

Minimum Level of Service	Grant deadline (See subsection C): Sub-recipient has until Friday, December 31, 2020, to submit a request for the grant. Detailed expense plan: At the time of grant application, Sub-recipient shall provide a detailed plan of allowable expenses for the 2020 Federal Election Cycle that have been expended and/or will be expended for which reimbursement or advance is sought, respectively. Deadline to encumber and/or expend funds: No later than Friday, December 31, 2020, sub-recipient shall have expended and/or encumbered for services and/or products to be used or implemented. Final expenditure report (see subsection D): Sub-recipient shall submit a final expenditure report due no later than Monday, February 1, 2021, that also includes documentation evidencing the services and/or products purchased, used and/or implemented for the 2020 Federal Election Cycle.
Financial Consequences through Friday, December 31, 2020.	A county who does not submit an application for funds by Friday, December 31, 2020 is no longer eligible for the grant. Any funds, including interests accrued, remaining after Friday, December 31, 2020, or not otherwise encumbered for services and/or products received or provided on or before Friday, December 31, 2020 must be returned to the Department, no later than Monday, February 1, 2021, and include the final expenditure report.

C. Amount of Award, Request and Disbursement Process

The Department shall distribute to each eligible Sub-recipient upon request and submission of a completed grant application. Each county is allocated a minimum base of fifty thousand dollars (\$50,000) of the total grant. In addition, each county is allocated an amount derived from the remainder of the grant which is divided by the total number of registered voters as of book closing in the 2020 Presidential Preference Primary Election and then multiplied by the respective county's number of registered voters as book closing for that county. The maximum amount that each eligible Sub-recipient may receive is set forth in **Attachment A**.

In order to receive funds, the Sub-recipient shall return this complete contract package no later than Friday, December 31, 2020. Additionally, before the Sub-recipient may receive funds, the Sub-recipient must submit the following:

1. A completed ED Form GCAS-009 (6/88), entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion Lower Tier Covered Transactions", and attached hereto as **Attachment C**. [Executive Order 12549, Debarment and Suspension, 45 CFR 1183.35, prohibits the disbursement of federal funds to the intended recipient of such funds or to any sub-recipient thereunder unless such recipient and each sub-recipient, if any, certify that they are not excluded or disqualified from receiving federal funds by any federal department or agency.]

D. Final Expenditure Report

The Sub-recipient must provide a final expenditure report (**see Attachment D**) including supporting documentation evidencing allowable expenses no later than Monday, February 1, 2021. Supporting documentation shall include invoices, canceled checks, purchase orders, vendor contracts, and other records that detail the services or products provided and the costs of such services and/or products.

Failure to submit the report may result in immediate forfeiture of all funds, including any interest accrued.

Any funds determined not to be expended in accordance with this agreement shall be forfeited and

returned, including any interest earned, to the Department within 15 days of written notice to the Sub-recipient.

E. Restrictions

Sub-recipient shall not use any funds received hereunder to support lobbying activities to influence proposed or pending federal or state legislation or appropriations, but this does not affect the right of the Sub-recipient, or that of any other organization to petition Congress, or any other level of Government, through the use of other resources.

If the Sub-recipient expends any funds on expenses that are not allowable, the Sub-recipient must reimburse immediately the Department the funds, not otherwise expended for allowable costs, including any interest earned during the term of this agreement.

If the Sub-recipient receives advanced funds, the Sub-recipient must establish and maintain these public funds in an interest bearing account in a “qualified public depository” as defined by section 280.02(26), Florida Statutes. The Sub-recipient must segregate the funds in a separate account established to hold only such funds. Sub-recipient must comply with the applicable requirements of chapter 280, including but not limited to:

- The execution and retention in your official records of a [Public Deposit Identification and Acknowledgement Form](#).
- **Additional reporting requirement:** The submission each year by November 30th of a [Public Depositor Annual Report to the Chief Financial Officers \(DFS-J1-1009\)](#)

For more information refer to the [Department of Financial Services Collateral Management for Governmental Units webpage](#) or contact the Program Administrator at 850-413-3167.

III. Payments

The Sub-recipient shall receive payment through the electronic funds transfer (EFT) if it has already been set up. If EFT has already been set up for your organization, you do not need to submit another authorization form unless you have changed bank accounts. All Sub-recipients wishing to receive funds through electronic funds transfer must submit a [Direct Deposit Authorization form](#) to the Florida Department of Financial Services. Otherwise payment will be by warrant.

IV. Monitoring, Audits, and Audit Reporting

The administration of resources awarded to the Sub-recipient, as indicated on **Attachment E- Exhibit 1**, may be subject to monitoring, audits and reporting requirements herein.

A. Monitoring

In addition to reviews of audits conducted in accordance with OMB Circular A-133, as revised, and Section 215.97, F.S., (see Part B “Audits”) monitoring procedures may include, but not be limited to, on- site visits by Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. **(see Attachment E)** By entering into this agreement, the Sub-recipient agrees to comply and cooperate with any monitoring procedures/processes the Department deems appropriate.

B. Audits

1. *Federally Funded Audits* (OMB Circular A-133, as revised in supplemental 2017.)

In the event that the Sub-recipient expends \$750,000 or more in Federal awards in its fiscal year, the Sub-recipient **is required to** have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. In determining the Federal awards expended in its fiscal year,

the Sub-recipient shall consider all sources of Federal awards, including Federal resources received from the Department. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit conducted by the Auditor General must satisfy the requirements of Subpart E of OMB Circular A-133, as revised. In connection with the audit requirements the Sub-recipient shall fulfill the responsibilities of an auditee as provided in Subpart C of OMB Circular A-133, as revised.

If the Sub-recipient expends less than \$750,000 in Federal awards in its fiscal year, an audit is **not required**. The Sub-recipient, however, must make records available for review or audit upon request by appropriate officials of U.S. Election Assistance Commission, the Department, and the General Accounting Office (GAO). If the Sub-recipient elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-federal resources (i.e., resources obtained from other than Federal entities).

2. *Other audits*

The Department may conduct a limited scope audit of federal funds as defined by OMB Circular A-133 (as revised) or other financial analysis or review of federal funds as permitted by federal law. In the event the Department determines that a limited scope audit or other type of audit of the Sub-recipient is appropriate, the Sub-recipient agrees to comply with any additional instructions provided by Department staff to the Sub-recipient regarding such audit. If the Department determines that federal funds received under this Agreement were used for any unauthorized purpose or that the Sub-recipient did not comply with this agreement or state or federal requirements for receipt, expenditure, or accounting, the Sub-recipient must return or repay these federal funds in an amount sufficient to ensure or obtain compliance, including expenses for any corrective or remedial action.

The Sub-recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Department of State, Chief Financial Officer (CFO) or Auditor General.

Additional guidance to state and federal monitoring and auditing requirements may be found at <http://www.eac.gov>.

C. **Audit Reporting**

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. 7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (Telephone Number).
