Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the execution of a Contract for Sale and Purchase between Miami-Dade County (Buyer), and Urbanistica, LLC, (Seller), for the purposes of expanding North Shorecrest Park. This item was prepared by the Internal Services Department on behalf of the Parks, Recreation and Open Spaces Department. More specifically, the resolution does the following:

- Authorizes the acquisition of approximately 27,038 square feet (0.62 acres) of vacant residentially zoned land, located at 830 NE 89 Street, Miami, FL (Folio No. 30-3206-026-0060) (Property) for the purposes of expanding North Shorecrest Park;
- Authorizes the County Mayor or County Mayor's designee to execute a Contract for Sale and Purchase in the amount of \$1,515,000 (Attachment 1 to the resolution); and
- Authorizes the County Mayor or County Mayor's designee to accept the conveyance by General Warranty Deed (Attachment 2 to the Resolution), to record the instrument of conveyance in the public records of Miami-Dade County and to exercise any and all other rights set forth in the Contract for Sale and Purchase.

Scope

The Property is located in Commission District 3, which is represented by Commissioner Keon Hardemon.

Fiscal Impact/Funding Source

The estimated total cost of the acquisition is \$ 1,525,000, which includes \$1,515,000 for the acquisition of the Property and approximately \$10,000 for closing costs. The acquisition and closing costs will be funded from Park Open Space Impact Fee Funds.

In accordance with the requirements in Section 125.355, Florida Statutes, two independent appraisals were procured by the Internal Services Department. The appraisers were instructed to estimate the fair market value of the fee simple estate. One appraisal, dated February 3, 2020, valued the Property at \$1,600,000 (Attachment 3 to the Resolution). The second appraisal, dated February 5, 2020, valued the Property at \$1,430,000 (Attachment 4 to the Resolution). The average of the two appraised values is \$1,515,000, which is equivalent to the purchase price.

Track Record/Monitoring

Jessica Gutierrez of the Internal Services Department is managing the purchase of the Property. Stephanie Cornejo of the Parks, Recreation and Open Spaces Department will manage the expansion of the public park

and Members, Board of County Commissioners

Delegation of Authority

Authorizes the County Mayor or County Mayor's designee to execute the Contract for Sale and Purchase and to exercise any and all other rights conferred herein.

Background

The Parks, Recreation and Open Spaces Department is seeking to purchase the Property to expand the adjacent North Shorecrest Park from 0.53 acres in size to 1.15 acres, resulting in a 117 percent increase in the overall size of the park. The acquisition of this Property will increase local park open space and recreational opportunities to area residents. The adjacent North Shorecrest Park is an unmanned park and is improved with a playground, a shelter, benches, and walkways. The purchase of this Property is in compliance with and is in support of the goals and policies outlined in the Miami-Dade County Comprehensive Development Master Plan Recreation and Open Space Element Objective ROS-1B, for the County to provide "Local parks and recreation programs to serve the close-to-home recreation needs of unincorporated residential areas". Additionally, Resolution No. R-953-12 directs the acquisition of vacant parcels adjacent to existing parks for the purposes of park expansion.

As part of the due diligence process, the County conducted an environmental review that consisted of a Phase 1 and Phase 2 environmental site assessment. Based on the findings of the Phase I assessment, DERM required that a Phase 2 environmental site assessment be conducted as it was reported that the site was partially cleared and filled in 1995. The Phase 2 site assessment required additional soil sampling to confirm that the fill used was clean fill without any trace of hazardous materials. On September 30, 2020, the Phase 2 assessment was completed, and no areas of environmental concern were identified and no further assessment was recommended for the site.

The proposed park use is permitted under the Property's current RU-4, High Density Apartment House District zoning designation. The future development of the Property will be subject to the park planning process and community input once the Property is acquired by the County. Future development of the local park may include amenities such as open play fields, fitness equipment, landscaping and site furniture. It is recommended that the Board approve the proposed acquisition to allow for the future expansion of North Shorecrest Park for the benefit of nearby residents.

WITNESSETH, that for and in consideration of the mutual covenants contained herein, the Buyer and Seller agree as follows:

1. REALTY. 2. PURCHASE PRICE. Buyer agrees to pay a purchase price for the real property of \$1,515,000 (One Million Five Hundred and Fifteen Thousand Dollars), by County check or wire transfer of U.S. funds. The purchase price is predicated on a site area of 27,038 square feet or 0.62 acres more or less, and shall be adjusted according to the net acreage as determined by the final survey as referred to in Paragraph 7 herein, exclusive of any dedicated rights-of-way located, thereon. The purchase price to be paid at closing shall be subject to environmental / hazardous materials testing, other adjustments and prorations provided for herein and will be paid at closing as specified in Article 12 herein.

3. INTEREST CONVEYED. Seller is the record owner of the fee simple title to the subject Real Property and agrees to convey good, marketable and insurable title by General Warranty Deed, in substantially the form of Exhibit “B” attached hereto and made a part hereof (“General Warranty Deed”). Notwithstanding the foregoing, if Seller is unable, at closing, to convey to the Buyer such title as stated in this paragraph, the Buyer’s sole remedy shall be to terminate this Contract.

4. AD VALOREM TAXES. Buyer, a political subdivision of the State of Florida, is exempt from payment of ad valorem taxes. Therefore, it shall be Seller's responsibility to comply with Section 196.295, Florida Statutes by placing the appropriate amount of pro rata taxes to the day of closing and any delinquent taxes in escrow with the Miami-Dade County Tax Collector.

5. TITLE INSURANCE. Buyer may, at its expense, within fifteen (15) business days of the effective date of this Contract, obtain a marketable title insurance commitment and furnish a copy to the Seller. Said commitment shall show a good, marketable and insurable title to the Real Property in the Seller's name. Buyer shall have ten (10) business days from receipt of title commitment to inspect said title documents and report defects, if any, in writing to the Seller. Buyer may at Buyer's expense obtain an owner's marketable title insurance policy (ALTA Form "B") from a title insurance company licensed by the State of Florida ("Title Company") in the amount of the purchase price. In addition, the policy shall insure title to the Real Property for the period between closing and recording of the General Warranty Deed. In connection herewith, Seller agrees to provide all affidavits and other documents as required by the title insurer. If the title commitment shows title to the Real Property to be unmarketable and uninsurable, then this Contract shall be rendered null and void and both Buyer and Seller shall be released of all obligations hereunder, except that Buyer may waive any defects and proceed with closing at Buyer's option.

6. ENVIRONMENTAL/HAZARDOUS MATERIALS INSPECTIONS. Buyer, at Buyers sole cost and expense completed a ASTM PHASE I Environmental Site Assessment Report of the Real Property (PHASE I) or an Environmental Status Report (ESR) from the Miami-Dade County Department of Regulatory and Economic Resources, Division of Environmental Resource Management (DERM) to obtain information regarding the environmental conditions of the site, and to determine the existence and extent, if any, of environmental impacts, specifically: contamination (as defined in Section 24-5 of the Code of Miami-Dade County (the "Code") and/or Chapter 620780 Florida Administrative Code ("FAC") or the presence of hazardous materials or hazardous waste, pursuant to Section 24-5 of the Code, or solid waste as defined in Section 15-1 of the Code and/or Chapter 62-701 FAC, on the Real Property in violation of any laws, ordinances rules or restrictions of any governmental authority having jurisdiction.

Based on the findings on the PHASE I report, DERM has requested that a PHASE II Environmental Site Assessment Report (PHASE II) be completed. Buyer shall, at Buyers sole cost and expense and at least sixty (60) days from the effective date of this Contract, obtain a PHASE II Environmental Site Assessment Report (PHASE II). The foregoing time periods for testing shall be referred to herein as the "Inspection Period." Should any such inspections show defects to the Real Property, including the presence of hazardous material and/or excessive development cost, which Buyer is unable or unwilling to accept, Buyer may elect to terminate this Contract by giving Seller written notice prior to the expiration of the Inspection Period, whereupon both Buyer and Seller shall be released from all further obligations hereunder, except those which expressly survive the termination hereof, unless Seller in Seller's sole discretion elects in writing to repair such defects to Buyer's satisfaction. If Seller agrees to repair such defects by Closing, Buyer will proceed to Closing without delay. If in writing Seller is unwilling or unable to repair such defects to Buyer's satisfaction, Buyer may waive all such defects and proceed to Closing at Buyer's option without adjustment to the Purchase Price, such option to be exercised in writing within fifteen (15) days of Seller's notice to Buyer that they are unable or unwilling to repair such defects. If Buyer does not waive such defects, this Contract shall terminate as above set forth.

7. SURVEY. Buyer, at Buyer's sole cost and expense and not less than 30 days prior to closing, obtain a current certified boundary survey of the Real Property prepared by a professional land surveyor licensed by the State of Florida. The survey shall be certified to the Buyer, the Title Company and the Seller. The date of certification shall be within sixty (60) days before the Closing date, unless this sixty (60) day time period is waived by Buyer and by the Title Company for purposes of deleting the standard exceptions for survey matters and easements or claims of easements not shown by the public records from the owners' title policy. The survey shall contain a certification of the number of square feet and calculated acreage contained in the Real Property, less any dedicated right of way thereon. If the survey shows any encroachment on the Real Property or that any improvements on the Real Property encroach on the land of others, the same shall be regarded as a title defect. The legal description in the survey shall be subject to Seller's and Buyer's approval.

8. RIGHT TO ENTER REAL PROPERTY. Seller agrees that Buyer and its agents shall, upon reasonable notice, have the right to enter the Real Property for all lawful and agreed upon purposes in connection with this transaction provided the Buyer shall indemnify and hold Seller harmless for damage or injury caused by Buyer and its agents subject to all limitations of Section 768.28, Florida Statutes. Buyer shall not in the course of such entry make any invasive tests, alterations or improvements to the balance of the parent tract owned by Seller, except with the express written consent of Seller. Buyer hereby agrees to indemnify, protect and hold harmless Seller from and against any and all claims, demands, losses, costs, damages to the balance of the parent tract. If Closing does not occur, Buyer shall repair and restore the Real Property to the condition existing prior to any test or construction on the site.

9. TENANCIES. Seller further warrants and represents that no person is living on or occupying the Real Property (or any portion thereof) to, or otherwise permits the use or occupancy of the Real Property (or any portion thereof) by, any natural person, firm, partnership, association, corporation, limited liability company, trust, public body, authority, government unit, and that (i) there are no other agreements, oral or written, that permits the use or occupancy of any portion of the Real Property; (ii) Seller shall not permit the use or occupancy of any portion of the Real Property subsequent to the date of Seller execution of this Contract; (iii) Seller will indemnify, defend and hold harmless Buyer, its agencies, instrumentalities, commissioners, trustees, officers, employees, and agents, for and against all persons claiming an interest in possession of the Real Property or any portion thereof that is contrary to the representations in this paragraph.

10. PRORATIONS: In addition to proration of taxes as provided in Paragraph 4 above, expenses for electricity, water, sewer, waste collection, and personal property taxes, if any and all revenue if any shall be prorated to the day prior to closing.

11. LIENS. All liens of record, including certified municipal and county liens, as well as special assessments, if any, shall be paid in full at or before closing by the Seller. If a pending lien has been filed against the Real Property which has not been certified as of the date of closing, and the work and improvements for which the lien was filed have been completed prior to the closing, despite the fact that the pending lien has not been certified, such lien shall be paid by the Seller.

12. CLOSING. The closing of this transaction shall be completed within sixty (60) days of the Effective Date of this contract unless otherwise extended, as mutually agreed upon by both Buyer and Seller or as otherwise provided herein. The precise date, time, and place of closing shall be set by Buyer and Seller.

13. TIME. Buyer and Seller mutually agree to fully and timely execute such papers as deemed necessary to complete the conveyance in accordance with the terms of this contract. All time periods will be calculated in business days.

14. BROKERS. Any and all real estate fees or commissions claimed due pursuant to this transaction to any real estate broker or agent shall be paid by the Seller. Seller shall hold Buyer harmless from and against any and all claims, liability, cost, expense, damages, judgments and causes of action, including reasonable attorney's fees, based on real estate commissions claimed due pursuant to this transaction to any real estate broker or real estate agent.

15. EXPENSES. Seller shall be responsible for recording fees on the General Warranty Deed. Seller shall be responsible for the payment of Florida Documentary Stamp Taxes and Miami-Dade County Surtax on the Warranty Deed.

19. DEFAULT. If either party defaults under this Contract, then the other party may waive the default and proceed with closing without adjustment to the purchase price, in which event any and all claims with respect to such default shall be deemed extinguished, or either party may seek specific performance. In addition to specific performance, a non-defaulting party may terminate the Contract if a defaulting party does not cure a default within thirty (30) days of receipt of a default notice from the non-defaulting party. Such default notice shall be sent in writing via U.S. Mail or via electronic communication. In no event shall either party be liable for any damages (actual, special consequential, punitive or otherwise) for any default under this Contract.

20. LITIGATION. In the event of any litigation arising out of this Contract, the prevailing party shall be entitled to recover reasonable attorney's fees and costs from the other party upon final court judgment, including appellate proceedings.

21. DISCLOSURE. Seller warrants that there are no facts which materially and adversely affect the physical condition and present use of the Real Property which have not been disclosed by Seller to Buyer or which are not readily observable to Buyer or which Buyer cannot

Jessica Gutierrez, Real Estate Officer

Dear Ms. Gutierrez:

In accordance with our Agreement for Appraisal Services, we have made an investigation and analysis in order to estimate the market value of the Proposed North Shorecrest Park Expansion land at 830 NE 89th Street, Miami, Florida. The purpose of the valuation is to assist Miami-Dade County in the acquisition of the property. The value is estimated as of February 5th, 2020, the date of our inspection.

The property is a 27,038 square foot residentially zoned parcel of vacant land. The site is zoned for apartment development and the owner has had plans drawn and approved for a 30-unit apartment building.

As part of the data provided by you and the property owner, we have reviewed the proposed building plans and the permit status at the Miami-Dade County Building Department. We have also read and analyzed an appraisal report for the proposed apartment development as prepared by Cushman & Wakefield for Ocean Bank as part of a proposed loan package.

An investigation was made for recent sales of multi-family land in the Upper East Side market area. We found four recent land sales, a current listing for the subject property and a listing for the single-lot property adjacent to the east of the subject land. After analysis of the available data, it is my opinion that the market value of the subject land, before consideration of the entitlements is equal to about \$40,000 per potential dwelling unit or \$1.2 million. Including the entitlements, the value is \$1.43 million.

It is reasonable to expect that the property owner has relied on the Cushman & Wakefield appraisal to set the asking price for the current listing of the property and will rely on the report in negotiating a sale to Miami-Dade County. With that in mind, certain features of the report are noted as follows:

- The report includes a land value section (pages 68 through 72) but includes no data on land sales from the Upper East Side market area.
- All of the land sales on which the value of the subject land is based are from the Little Havana market area (page 70).
- After completion of the three approaches to value, the report concludes that the development of the apartment building, as planned, is not financially feasible (page 67). The value as though complete is \$8 million, but the cost approach analysis indicates a cost of \$11.5 million and that is with an unrealistic profit allowance equal to 10% of hard and soft cost, but without land.

The property is described in detail in the following text, followed by the valuation analysis. This report is submitted in a format prepared in conformity with the Standards Section 2-2(a) of the Uniform Standards of Professional Appraisal Practice.

Data, information, and calculations leading to the value conclusions are incorporated in the report following this letter. The report, in its entirety, including all assumptions and limiting conditions, is an integral part of, and inseparable from this letter.

Thank you for this opportunity to have been of service. If you have any questions regarding the report or if we can be of further help, please let us know.
