Resolution No. R-417-21

Subject: Recommendation to Ratify Emergency Purchase: Miami-Dade Police Department
Elevator Modernization

Recommendation

It is recommended that the Board of County Commissioners (Board) approve this request for a designated purchase pursuant to Section 2-8.1(b)(3) of the Miami-Dade County Code, by a two-thirds vote of the Board members present, and to ratify an emergency award, *E-10115, Elevator Modernization*, for the purchase of elevator modernization services in the amount of \$540,000 for the Miami-Dade Police Department. This emergency award was necessary to purchase urgent upgrades to two elevators, one at the South District Station and another at the Intracoastal District Station.

An emergency was declared by the Director of the Department on October 1, 2020, to ensure that the elevators at these locations receive the necessary modernization to comply with current State of Florida code requirements. The equipment was not interfacing with the fire alarm system, which posed a life safety hazard. The Miami-Dade Police Department contacted ThyssenKrupp Elevator Corp. and requested an emergency quote for the modernization as they are the incumbent vendor for the maintenance and support services for these elevators.

Competition for these services was not practicable due to the urgent need to bring the elevators up to code to ensure the well-being and safety of all patrons using them. As such, the Department declared an emergency and immediately secured the services of a qualified firm to accomplish the upgrades. The firm was contacted and a quote for the services was requested. Upon review, the Department deemed the quote was fair and reasonable under the circumstances, and proceeded with the work. Therefore, ratification of this emergency award is in the County's best interest, as the upgrades were critical and necessary to protect the safety and welfare of all persons using these elevators.
