This contract was originally procured through the MCC Program as noted in Exhibit B. DTPW forwarded a Request for Price Quotation, by way of e-mail transmission to a pool of firms that had registered with the Internal Services Department (ISD) for each respective trade. Additionally, DTPW advertised the project in the Daily Business Review and all solicitations were available online through the County portal under the “Procurement Solicitations” link. The project’s award evaluation was based upon the bid submitted by the lowest responsive and responsible bidder. Due diligence was conducted in accordance with ISD’s Procurement Guidelines to determine Contractor responsibility, including verifying corporate status with the Florida Department of State’s Division of Corporations and reviewing of performance or compliance issues. A copy of all bids, and the bid tabulation for the project is available by contacting the Chief of the Capital Improvements Division of DTPW.

This item seeks authority to utilize Charter County Surtax Funds to fund projects utilizing this contract. Consistent with Florida Statute 212.055, and section 29-124 and 2-1421 of the County Code, Surtax funds will be used for projects included in the Five Year PTP Implementation Plan. The listed sites provided in Exhibit A have been identified and are ready for implementation.
