Memorandum

Date: July 20, 2021

To: Honorable Chairman Jose “Pepe” Diaz
and Members, Board of County Commissioners

From: Daniella Levine Cava
Mayor 

Subject: Resolution Authorizing the County Mayor or the County Mayor’s Designee to Receive and Expend Funds from the Florida Department of Children and Families in a Total Amount Not to Exceed \$562,000.00 for Fiscal Year 2021-2022, Enter into a Grant and Sub-Grant Agreement with Camillus House, Inc., Exercise Amendment, Termination, Cancellation, and Modification Clauses Contained Therein, and waiving Resolution No. R-130-06

Recommendation

It is recommended that the Board authorize the County Mayor or the County Mayor’s designee to receive and expend funds from the Florida Department of Children and Families in a total amount not to exceed \$562,000.00 for Fiscal Year 2021-2022, enter into a grant and sub-grant agreement with Camillus House, Inc., and exercise amendment, termination, cancellation, and modification clauses contained in such agreements so long as such amendments are consistent with the resolution adopted by the Board. It is further recommended that the Board waive Resolution No. R-130-06, which requires all contracts to be fully negotiated and signed by all non-County parties, to give the County Mayor or the County Mayor’s designee sufficient time to negotiate the sub-grant agreement with Camillus House, Inc.

Scope

The housing and services will be provided countywide by not-for-profit service provider, Camillus House, Inc.

Delegation of Authority

Upon approval of this resolution, the County Mayor or the County Mayor’s designee will have the authority to enter into a grant agreement with the Florida Department of Children and Families in a total amount not to exceed \$562,000.00 and enter into a sub-grant agreement with Camillus House, Inc. for homeless housing and services, and exercise amendment, termination, cancellation, and modification clauses contained in such agreements so long as such amendments are consistent with the resolution adopted by the Board.

Fiscal Impact/Funding Source

The total renewal amount is \$562,000.00.

Track Record/Monitor

The Homeless Trust Executive Director, Victoria Mallette, will be responsible for overseeing the grant agreement and sub-grant agreement.

Background

The Miami-Dade County Homeless Trust received a special appropriation of \$562,000.00 during the 2021 Florida legislative session. Funding is intended to provide housing and support services for unsheltered homeless persons with special needs or homeless individuals in diversion and/or treatment programs with serious mental illness or substance use disorders. This program will provide up to 24 months of rental assistance and specialized wrap around support services providing "bridge housing" for persons who require rapid placement into housing in a non-congregate, site-based setting. Persons assisted are likely to have had a history of frequent police interactions, arrests, multiple hospitalizations, and/or crisis unit interactions. Housing this population reduces or eliminates frequent jail and hospital stays and provides a specialized housing solution for unsheltered single adults.

Camillus House currently operates two specialized homeless outreach teams on behalf of the Homeless Trust, including the Lazarus Project, which is focused on engaging, assessing, and treating Miami-Dade’s most isolated and service resistant unsheltered homeless persons. The Lazarus Project clients are among those whom this new housing is intended to serve. Similar funding awarded by the legislature was provided as a sub-grant to Camillus House in Fiscal Year 2019 pursuant to Resolution No. R-840-19. Funding was again appropriated in the FY 2020 legislative session but vetoed by the Governor.

This item was reviewed and approved by the Homeless Trust executive committee on June 11, 2021.

2. STATEMENT OF WORK

The Provider shall perform all tasks and provide units of deliverables, including reports, findings, and drafts, as specified in this Contract. Unless otherwise provided in the procurement document, if any, or governing law, the Department reserves the right to increase or decrease the volume of services and to add tasks that are incidental or complimentary to the original scope of services. When such increase or decrease occurs, except where the method of payment is prescribed by law, compensation under Section 3 will be equitably adjusted by the Department to the extent that it prescribes a fixed price payment method or does not provide a method of payment for added tasks.

2.1 Scope of Work

The Scope of Work is described in Exhibit B.

2.2 Task List

The Provider shall perform all tasks set forth in the Task List, found in Exhibit C, in the manner set forth therein.

2.3 Deliverables

The Deliverables are described in Exhibit D.

2.4 Performance Measures

- 2.4.1** The performance measures for acceptance of deliverables are set forth in Exhibit D, Section D-___.

2.4.2 To avoid contract termination, Provider's performance must meet the minimum acceptable level of performance set forth in Exhibit E, Minimum Performance Measures, Section E-1, regardless of any other performance measures in this Contract. By execution of this Contract, the Provider hereby acknowledges and agrees that its performance under the Contract must meet these Minimum Performance Measures and that it will be bound by the conditions set forth therein. If the Provider fails to meet these measures, the Department, at its exclusive option, may allow a reasonable period, not to exceed six (6) months, for the Provider to correct performance deficiencies. If performance deficiencies are not resolved to the satisfaction of the Department within the prescribed time, and if no extenuating circumstances can be documented by the Provider to the Department's satisfaction, the Department must terminate the Contract. The Department has the sole authority to determine whether there are extenuating or mitigating circumstances. The Provider further acknowledges and agrees that during any period in which the Provider fails to meet these measures, regardless of any additional time allowed to correct performance deficiencies, payment for deliverables may be delayed or denied and financial consequences may apply.

3. PAYMENT, INVOICE AND RELATED TERMS

The Department shall pay for services performed by the Provider during the service performance period of this Contract according to the terms and conditions of this Contract in an amount not to exceed that set forth in Section 1.1, subject to the availability of funds and satisfactory performance of all terms by the Provider. Except for advances, if any, provided for in this Contract, payment shall be made only upon written acceptance of all services by the Department per Section 3.1 and shall remain subject to subsequent audit or review to confirm contract compliance. The State of Florida's performance and obligation to pay under this Contract is contingent upon an annual appropriation by the Legislature. Any costs or services paid for under any other contract or from any other source are not eligible for payment under this Contract.

3.1 Prompt Payment and Vendor Ombudsman

Per section 215.422, F.S., the Department has five (5) working days to inspect and approve goods and services, unless the bid specifications, purchase order, or this Contract elsewhere specifies otherwise. Department determination of acceptable services shall be conclusive. Department receipt of reports and other submissions by the Provider does not constitute acceptance thereof, which occurs only through a separate and express act of the Contract Manager. For any amount that is authorized for payment but is not available within forty (40) days, measured from the latter of the date a properly completed invoice is received by the Department or the goods or services are received, inspected, and approved (or within thirty-five (35) days after the date eligibility for payment of a health care provider is determined), a separate interest penalty as described in section 215.422, F.S., will be due and payable in addition to the amount authorized for payment. Interest penalties less than one dollar will not be paid unless the Provider requests payment. A Vendor Ombudsman has been established within the Department of Financial Services and may be contacted at (850) 413-5516.

3.2 Method of Payment

The Provider shall be paid in accordance with Exhibit F.

3.3 Invoices

3.3.1 The Provider shall submit bills for fees or other compensation for services or expenses in sufficient detail for proper pre-audit and post-audit. Where itemized payment for travel expenses is permitted in this Contract, the Provider shall submit bills for any travel expenses in accordance with section 112.061, F.S., or at such lower rates as may be provided in this Contract.

3.3.2 The final invoice for payment shall be submitted to the Department no more than ____ days after the Contract ends or is terminated. If the Provider fails to do so, all rights to payment are forfeited and the Department will not honor any requests submitted after the aforesaid time period. Any payment due under the terms of this Contract may be withheld until performance of services and all reports due from the Provider and necessary adjustments thereto, have been approved by the Department.

3.4 Financial Consequences

If the Provider fails to perform in accordance with this Contract or perform the minimum level of service required by this Contract, the Department will apply financial consequences as provided for in Section 6.1. The parties agree that the penalties provided for under Section 6.1 constitute financial consequences under sections 287.058(1)(h) and 215.971(1)(c), F.S. The foregoing does not limit additional financial consequences, which may include but are not limited to refusing payment, withholding payments until deficiency is cured, tendering only partial payments, applying payment adjustments for additional financial consequences or for liquidated damages to the extent that this Contract so provides, or termination of this Contract per Section 6.2 and requisition of services from an alternate source. Any payment made in reliance on the Provider's evidence of performance, which evidence is subsequently determined to be erroneous, will be immediately due as an overpayment in accordance with Section 3.5, to the extent of such error. Financial consequences directly related to the deliverables under this Contract are defined in Exhibit F.

3.5 Overpayments and Offsets

The Provider shall return to the Department any overpayments due to unearned funds or funds disallowed that were disbursed to the Provider by the Department and any interest attributable to such funds. Should repayment not be made promptly upon discovery by the Provider or its auditor or upon written notice by the Department, the Provider will be charged interest at the lawful rate of interest on the outstanding balance until returned. Payments made for services subsequently determined by the Department to not be in full compliance with contract requirements shall be deemed overpayments. The Department shall have the right at any time to offset or deduct from any payment due under this or any other contract or agreement any amount due to the Department from the Provider under this or any other contract or agreement. If this contract involves federal or state financial assistance, the following applies: The Grantee shall return to the Department any unused funds; any accrued interest earned; and any unmatched grant funds, as detailed in the Final Financial Report, no later than 60 days following the ending date of this Contract.

3.6 MyFloridaMarketPlace Transaction Fee.

This Contract is **exempt from** the MyFloridaMarketPlace transaction fee.

4. GENERAL TERMS AND CONDITIONS GOVERNING PERFORMANCE

4.1 Compliance with Statutes, Rules and Regulations

In performing its obligations under this Contract, the Provider shall without exception be aware of and comply with all State and Federal laws, rules, Children and Families Operating Procedures (CFOPs), and regulations relating to its performance under this Contract as

they may be enacted or amended from time-to-time, as well as any court or administrative order, judgment, settlement or compliance agreement involving the Department which by its nature affects the services provided under this Contract.

4.2 State Policies

The Provider shall comply with the policies set forth in the Department of Financial Services' Reference Guide for State Expenditures and active Comptroller/Chief Financial Officer Memoranda issued by the Division of Accounting and Auditing.

4.3 Independent Contractor, Subcontracting and Assignments

4.3.1 In performing its obligations under this Contract, the Provider shall at all times be acting in the capacity of an independent contractor and not as an officer, employee, or agent of the State of Florida, except where the Provider is a State agency. Neither the Provider nor any of its agents, employees, subcontractors or assignees shall represent to others that it is an agent of or has the authority to bind the Department by virtue of this Contract, unless specifically authorized in writing to do so. This Contract does not create any right in any individual to State retirement, leave benefits or any other benefits of State employees as a result of performing the duties or obligations of this Contract.

4.3.2 The Department will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial or clerical support) to the Provider, or its subcontractor or assignee, unless specifically agreed to by the Department in this Contract. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds and all necessary insurance for the Provider, the Provider's officers, employees, agents, subcontractors, or assignees shall be the sole responsibility of the Provider and its subcontractors. The parties agree that no joint employment is intended and that, regardless of any provision directing the manner of provision of services, the Provider and its subcontractors alone shall be responsible for the supervision, control, hiring and firing, rates of pay and terms and conditions of employment of their own employees.

4.3.3 The Provider may subcontract under this Contract

4.3.3.1 The Provider shall not subcontract for any of the work contemplated under this Contract without prior written approval of the Department, which shall not be unreasonably withheld. The Provider shall take such actions as may be necessary to ensure that it and each subcontractor of the Provider will be deemed to be an independent contractor and will not be considered or permitted to be an officer, employee, or agent of the State of Florida.

4.3.3.2 The Provider is responsible for all work performed and for all commodities produced pursuant to this Contract whether actually furnished by the Provider or by its subcontractors. Any subcontracts shall be evidenced by a written document. The Provider further agrees that the Department shall not be liable to the subcontractor in any way or for any reason relating to this Contract.

4.3.3.3 The Provider shall include, in all subcontracts (at any tier) the substance of all clauses contained in this Contract that mention or describe subcontract compliance, as well as all clauses applicable to that portion of the Provider's performance being performed by or through the subcontract.

4.3.4 To the extent that a subcontract provides for payment after Provider's receipt of payment from the Department, the Provider shall make payments to any subcontractor within seven (7) working days after receipt of full or partial payments from the Department in accordance with section 287.0585, F.S., unless otherwise stated in the contract between the Provider and subcontractor. Failure to pay within seven (7) working days will result in a penalty that shall be charged against the Provider and paid by the Provider to the subcontractor in the amount of one-half of one percent (0.5%) of the amount due per day from the expiration of the period allowed for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen (15%) percent of the outstanding balance due.

4.4 Provider Indemnity

Section 19 of PUR 1000 Form shall apply per its terms, except that the phrase "arising from or relating to personal injury and damage to real or personal tangible property" in the first paragraph is replaced with "arising out of or by reason of the execution of this Contract or arising from or relating to any alleged act or omission by the Provider, its agents, employees, partners, or subcontractors in relation to this agreement," and the following additional terms will also apply:

4.4.1 If the Provider removes an infringing product because it is not reasonably able to modify that product or secure the Department the right to continue to use that product, the Provider shall immediately replace that product with a non-infringing product that the Department determines to be of equal or better functionality or be liable for the Department's cost in so doing.

4.4.2 Further, the Provider shall indemnify the Department for all costs and attorneys' fees arising from or relating to Provider's claim that a record contains trade secret information that is exempt from disclosure; or arising from or relating to the scope of the Provider's redaction of the record, as provided for under Section 5.3, including litigation initiated by the Department.

4.4.3 The Provider's inability to evaluate liability or its evaluation of liability shall not excuse its duty to defend and indemnify after receipt of notice. Only an adjudication or judgment after the highest appeal is exhausted finding the Department negligent shall excuse the Provider of performance under this provision, in which case the Department shall have no obligation to reimburse the Provider for the cost of its defense. If the Provider is an agency or subdivision of the State, its obligation to indemnify, defend and hold harmless the Department shall be to the extent permitted by section 768.28, F.S. or other applicable law, and without waiving the limits of sovereign immunity.

4.5 Insurance

The Provider shall maintain continuous adequate liability insurance coverage during the existence of this Contract and any renewal(s) and extension(s) thereof. With the exception of a State agency or subdivision as defined by subsection 768.28(2), F.S., by execution of this Contract, the Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the Provider and the clients to be served under this Contract. Upon the execution of this Contract, the Provider shall furnish the Department written verification supporting both the determination and existence of such insurance coverage and shall furnish verification of renewal or replacement thereof prior to the expiration or cancellation. The Department reserves the right to require additional insurance as specified in this Contract.

4.6 Notice of Legal Actions

The Provider shall notify the Department of potential or actual legal actions taken against the Provider related to services provided through this Contract or that may impact the Provider's ability to deliver the contractual services, or that may adversely impact the Department. The Provider shall notify the Department's Contract Manager within ten (10) days of Provider becoming aware of such actions or potential actions or from the day of the legal filing, whichever comes first.

4.7 Intellectual Property

All intellectual property, inventions, written or electronically created materials, including manuals, presentations, films, or other copyrightable materials, arising in relation to Provider's performance under this Contract, and the performance of all of its officers, agents and subcontractors in relation to this Contract, are works for hire for the benefit of the Department, fully compensated for by the Contract amount. Neither the Provider nor any of its officers, agents nor subcontractors may claim any interest in any intellectual property rights accruing under or in connection with the performance of this Contract. It is specifically agreed that the Department shall have exclusive rights to all data processing software falling within the terms of section 119.084, F.S., which arises or is developed in the course of or as a result of work or services performed under this Contract, or in any way connected herewith. Notwithstanding the foregoing provision, if the Provider is a university and a member of the State University System of Florida, then section 1004.23, F.S., shall apply.

4.7.1 If the Provider uses or delivers to the Department for its use or the use of its employees, agents or contractors, any design, device, or materials covered by letters, patent, or copyright, it is mutually agreed and understood that, except as to those items specifically listed in Exhibit A as having specific limitations, the compensation paid pursuant to this Contract includes all royalties or costs arising from the use of such design, device, or materials in any way involved in the work contemplated by this Contract. For purposes of this provision, the term "use" shall include use by the Provider during the term of this Contract and use by the Department its employees, agents or contractors during the term of this Contract and perpetually thereafter.

4.7.2 All applicable subcontracts shall include a provision that the Federal awarding agency reserves all patent rights with respect to any discovery or invention that arises or is developed in the course of or under the subcontract. Notwithstanding the foregoing provision, if the Provider or one of its subcontractors is a university and a member of the State University System of Florida, then section 1004.23, F.S., shall apply, but the Department shall retain a perpetual, fully-paid, nonexclusive license for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products.

4.8 Transition Activities

Continuity of service is critical when service under this Contract ends and service commences under a new contract. Accordingly, when service will continue through another provider upon the expiration or earlier termination of this Contract, the Provider shall, without additional compensation, complete all actions necessary to smoothly transition service to the new provider. This includes but is not limited to the transfer of relevant data and files, as well as property funded or provided pursuant to this Contract. The Provider shall be

required to support an orderly transition to the next provider no later than the expiration or earlier termination of this Contract and shall support the requirements for transition as specified in a Department-approved Transition Plan, which shall be developed jointly with the new provider in consultation with the Department.

4.9 Real Property

Any State funds provided for the purchase of or improvements to real property are contingent upon the Provider granting to the State a security interest in the property at least to the amount of the State funds provided for at least five (5) years from the date of purchase or the completion of the improvements or as further required by law. As a condition of receipt of State funding for this purpose, if the Provider disposes of the property before the Department's interest is vacated, the Provider will refund the proportionate share of the State's initial investment, as adjusted by depreciation.

4.10 Publicity

Without limitation, the Provider and its employees, agents, and representatives will not, without prior Departmental written consent in each instance, use in advertising, publicity or any other promotional endeavor any State mark, the name of the State's mark, the name of the State or any State agency or affiliate or any officer or employee of the State, or any State program or service, or represent, directly or indirectly, that any product or service provided by the Provider has been approved or endorsed by the State, or refer to the existence of this Contract in press releases, advertising or materials distributed to the Provider's prospective customers.

4.11 Sponsorship

As required by section 286.25, F.S., if the Provider is a non-governmental organization which sponsors a program financed wholly or in part by State funds, including any funds obtained through this Contract, it shall, in publicizing, advertising, or describing the sponsorship of the program state: "Sponsored by (Provider's name) and the State of Florida, Department of Children and Families". If the sponsorship reference is in written material, the words "State of Florida, Department of Children and Families" shall appear in at least the same size letters or type as the name of the organization.

4.12 Employee Gifts

The Provider agrees that it will not offer to give or give any gift to any Department employee during the service performance period of this Contract and for a period of two years thereafter. In addition to any other remedies available to the Department, any violation of this provision will result in referral of the Provider's name and description of the violation of this term to the Department of Management Services for the potential inclusion of the Provider's name on the suspended vendors list for an appropriate period. The Provider will ensure that its subcontractors, if any, comply with these provisions.

4.13 Mandatory Reporting Requirements

The Provider and any subcontractor must comply with and inform its employees of the following mandatory reporting requirements. Each employee of the Provider, and of any subcontractor, providing services in connection with this Contract who has any knowledge of a reportable incident shall report such incident as follows:

4.13.1 A reportable incident is defined in CFOP 180-4, which can be obtained from the Contract Manager.

4.13.2 Reportable incidents that may involve an immediate or impending impact on the health or safety of a client shall be immediately reported to the Contract Manager.

4.13.3 Other reportable incidents shall be reported to the Department's Office of Inspector General through the Internet at <http://www.dcf.state.fl.us/admin/ig/rptfraud1.shtml> or by completing a Notification/Investigation Request (Form CF 1934) and emailing the request to the Office of Inspector General at IG.Complaints@myflfamilies.com. 5.2 Inspections and Corrective Action

The Provider shall permit all persons who are duly authorized by the Department to inspect and copy any records, papers, documents, facilities, goods and services of the Provider which are relevant to this Contract, and to interview any clients, employees and subcontractor employees of the Provider to assure the Department of the satisfactory performance of the terms and conditions of this Contract. Following such review, the Department may direct the development, by the Provider, of a corrective action plan where appropriate. The Provider hereby agrees to timely correct all deficiencies identified in the Department's direction. This provision will not limit the Department's choice of remedies under law, rule, or this contract.

5.3 Provider's Confidential and Exempt Information

5.3.1 By executing this Contract, the Provider acknowledges that, having been provided an opportunity to review all provisions hereof, all provisions of this Contract not specifically identified in writing by the Provider prior to execution hereof as "confidential" or "exempt" will be posted by the Department on the public website maintained by the Department of Financial Services pursuant to section 215.985, F.S. The Provider, upon written request of the Department, shall promptly provide a written statement of the basis for the exemption applicable to each provision identified by the Provider as "confidential" or "exempt", including the statutory citation to an exemption created or afforded by statute, and state with particularity the reasons for the conclusion that the provision is exempt or confidential.

5.3.2 Any claim by Provider of trade secret (proprietary) confidentiality for any information contained in Provider's documents (reports, deliverables or workpapers, etc., in paper or electronic form) submitted to the Department in connection with this Contract will be waived, unless the claimed confidential information is submitted in accordance with the following standards:

5.3.2.1 The Provider must clearly label any portion of the documents, data, or records submitted that it considers exempt from public inspection or disclosure pursuant to Florida's Public Records Law as trade secret. The labeling will include a justification citing specific statutes and facts that authorize exemption of the information from public disclosure. If different exemptions are claimed to be applicable to different portions of the protected information, the Provider shall include information correlating the nature of the claims to the particular protected information.

5.3.2.2 The Department, when required to comply with a public records request including documents submitted by the Provider, may require the Provider to expeditiously submit redacted copies of documents marked as trade secret in accordance with Section 5.3.2.1. Accompanying the submission shall be an updated version of the justification under Section 5.3.2.1, correlated specifically to redacted information, either confirming that the statutory and factual basis originally asserted remain unchanged or indicating any changes affecting the basis for the asserted exemption from public inspection or disclosure. The redacted copy must exclude or obliterate only those exact portions that are claimed to be trade secret. If the Provider fails to promptly submit a redacted copy, the Department is authorized to produce the records sought without any redaction of proprietary or trade secret information.

5.3.3 The Provider shall be responsible for defending its claim that each and every portion of the redactions of trade secret information are exempt from inspection and copying under Florida's Public Records Law.

The Information Security Officer shall act as the liaison to the Department's security staff and will maintain an appropriate level of information security for Department information systems or any client or other confidential information the Provider is collecting or using in the performance of this Contract. An appropriate level of security includes approving and tracking all who request or have access, through the Provider's access, to Department information systems or any client or other confidential information. The Information Security Officer will ensure that any access to Department information systems or any client or other confidential information is removed immediately upon such access no longer being required for Provider's performance under this contract.

These penalties are cumulative and may be assessed upon each separate failure to comply with instructions from the Department to complete corrective action, but shall not exceed ten (10%) of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made. These penalties do not limit or restrict the Department's application of any other remedy available to it under law or this Contract.

6.1.2 The increments of penalty imposition that shall apply, unless the Department determines that extenuating circumstances exist, shall be based upon the severity of the noncompliance, nonperformance, or unacceptable performance that generated the need for corrective action plan, in accordance with the following standards.

6.1.2.1 Noncompliance that is determined by the Department to have a direct effect on client health and safety shall result in the imposition of a ten percent (10%) penalty of the total contract payments during the period in which the corrective action plan has not been implemented or in which acceptable progress toward implementation has not been made.

6.1.2.2 Noncompliance involving the provision of service not having a direct effect on client health and safety shall result in the imposition of a five percent (5%) penalty.

6.1.2.3 Noncompliance as a result of unacceptable performance of administrative tasks shall result in the imposition of a two percent (2%) penalty.

6.1.3 The deadline for payment shall be as stated in the Order imposing the financial penalties. In the event of nonpayment the Department may deduct the amount of the penalty from invoices submitted by the Provider.

6.2 Termination

6.2.1 In accordance with Section 22 of PUR 1000 Form, this Contract may be terminated by the Department without cause upon no less than thirty (30) calendar days' notice in writing to the Provider unless a sooner time is mutually agreed upon in writing.

Such notice may be issued without providing an opportunity for cure if it specifies the nature of the noncompliance and states that provision for cure would adversely affect the interests of the State or is not permitted by law or regulation. Otherwise, notice of termination will be issued after the Provider's failure to fully cure such noncompliance within the time specified in a written notice of noncompliance issued by the Department specifying the nature of the noncompliance and the actions required to cure such noncompliance. In addition, the Department may employ the default provisions in Rule 60A-1.006(3), F.A.C., but is not required to do so in order to terminate the Contract. The Department's failure to demand performance of any provision of this Contract shall not be deemed a waiver of such performance. The Department's waiver of any one breach of any provision of this Contract shall not be deemed to be a waiver of any other breach and neither event shall be construed to be a modification of the terms and conditions of this Contract. The provisions herein do not limit the Department's right to remedies at law or in equity.

6.2.5 Failure to have performed any contractual obligations under any other contract with the Department in a manner satisfactory to the Department will be a sufficient cause for termination. Termination shall be upon no less than twenty-four (24) hours' notice in writing to the Provider. To be terminated under this provision, the Provider must have:

6.2.5.1 Previously failed to satisfactorily perform in a contract with the Department, been notified by the Department of the unsatisfactory performance, and failed to timely correct the unsatisfactory performance to the satisfaction of the Department; or

The decision shall be final and conclusive unless within twenty-one (21) calendar days from the date of receipt of the Department's decision, the Provider delivers to the Contract Manager a petition for alternative dispute resolution.

6.3.2 After receipt of a petition for alternative dispute resolution the Department and the Provider shall attempt to amicably resolve the dispute through negotiations. Timely delivery of a petition for alternative dispute resolution and completion of the negotiation process shall be a condition precedent to any legal action by the Provider concerning this Contract.

Examples of services or operations requiring such licensure or certification include but are not limited to childcare, day care, nursing homes, and boarding homes.

If the Provider fails to furnish the County with the licenses or certificates required under this Section, the County shall not disburse any funds until it is provided with such licenses or certificates. Failure to provide the licenses or certificates within sixty (60) days of execution of this Agreement may result in termination of this Agreement at the County's discretion.

B. Background Screening. The Provider agrees to comply with all applicable federal, state and local laws, regulations, ordinances and resolutions regarding background screening of employees, volunteers and subcontractors. Provider's failure to comply with any applicable laws, regulations, ordinances and resolutions regarding background screening of employees, volunteers and subcontractors is grounds for a material breach and termination of this contract at the sole discretion of the County.

The Provider agrees to comply with all applicable laws (including but not limited to Chapters 39, 402, 409, 394, 408, 393, 397, 984, 985 and 435, Florida Statutes, as may be amended from time to time), regulations, ordinances and resolutions, regarding background screening of those who may work or volunteer with vulnerable persons, as defined by section 435.02, Florida Statutes, as may be amended from time to time.

The Provider agrees to ensure that employees, volunteers and subcontracted personnel who work with vulnerable persons satisfactorily complete and pass Level 2 background screening before working or volunteering with vulnerable persons. Provider shall furnish the County with proof that employees, volunteers and subcontracted personnel, who work with vulnerable persons, satisfactorily passed Level 2 background screening, pursuant to Chapter 435, Florida Statutes, as may be amended from time to time.

the County shall not disburse any further funds and this Contract may be subject to termination at the sole discretion of the County.

ARTICLE 9. CONFLICT OF INTEREST

A. The Provider agrees to abide by and be governed by Miami-Dade County Ordinance No. 72-82 (Conflict of Interest Ordinance codified at Section 2-11.1 et al. of the Code of Miami-Dade County), as amended, which is incorporated herein by reference as if fully set forth herein, in connection with its contract obligations hereunder.

B. No person under the employ of the County, who exercises any function or responsibilities in connection with this Contract, has at the time this Contract is entered into, or shall have during the term of this Contract, any personal financial interest, direct or indirect, in this Contract.

C. **Nepotism.** Notwithstanding the aforementioned provision, no relative of any officer, board of director, manager, or supervisor employed by the Provider shall be employed by the Provider unless the employment preceded the execution of this Contract by one (1) year. No family member of any employee may be employed by the Provider if the family member is to be employed in a direct supervisory or administrative relationship either supervisory or subordinate to the employee. The assignment of family members in the same organizational unit shall be discouraged. A conflict of interest in employment arises whenever an individual would otherwise have the responsibility to make, or participate actively in making decisions or recommendations relating to the employment status of another individual if the two individuals (herein sometimes called "related individuals") have one of the following relationships:

1. By blood or adoption: Parent, child, sibling, first cousin, uncle, aunt, nephew, or niece;
2. By marriage: Current or former spouse, brother- or sister-in-law, father- or mother-in-law, son- or daughter-in-law, step-parent, or step-child; or
3. Other relationship: A current or former relationship, occurring outside the work setting that would make it difficult for the individual with the responsibility to make a decision or recommendation to be objective, or that would create the appearance that such individual could not be objective. Examples include, but are not limited to, personal relationships and significant business relationships.

For purposes of this section, decisions or recommendations related to employment status include decisions related to hiring, salary, working conditions, working responsibilities, evaluation, promotion, and termination.

An individual, however, is not deemed to make or actively participate in making decisions or recommendations if that individual's participation is limited to routine approvals and the individual plays no role involving the exercise of any discretion in the decision-making processes. If any question arises whether an individual's participation is greater than is permitted by this paragraph, the matter shall be immediately referred to the Miami-Dade County Commission on Ethics and Public Trust.

This section applies to both full-time and part-time employees and voting members of the Provider's Board of Directors.

D. No person, including but not limited to any officer, board of directors, manager, or supervisor employed by the Provider, who is in the position of authority, and who exercises any function or

responsibilities in connection with this Contract, has at the time this Contract is entered into, or shall have during the term of this Contract, received any of the services, or direct or instruct any employee under their supervision to provide such services as described in the Contract. Notwithstanding the before mentioned provision, any officer, board of directors, manager or supervisor employed by the Provider, who is eligible to receive any of the services described herein may utilize such services if he or she can demonstrate that he or she does not have direct supervisory responsibility over the Provider's employee(s) or service program. Staff members, or their immediate family members (spouse, children, siblings, mother or father) of Homeless Trust funded programs, who are eligible for and wish to receive services from a Homeless Trust funded program must receive the approval of the Executive Director of their employer (i.e. the Provider) prior to applying for and receiving those services. This approval must be in writing and accompany any referral for such services. Any Provider knowingly accepting a referral of an employee of a Homeless Trust funded program, and providing services without the written approval of the Executive Director of the Provider, will be subject to the recoupment/disallowance by the County of any funds paid for services to this individual and/or their immediate family member. When the services are to be provided at the same agency the employee works for, this information must be disclosed in writing to the director of the Homeless Trust, which shall be reviewed for eligibility determination and a sign off must come from the County. This provision does not apply to staff members seeking emergency shelter, medical or legal services. Providers must complete a Client Services Authorization Form (**Attachment P**) for staff members seeking services.

ARTICLE 10. CIVIL RIGHTS

The Provider agrees to abide by Chapter 11A of the Code of Miami-Dade County ("County Code"), as amended, which prohibits discrimination in employment, housing and public accommodations on the basis of race, creed, religion, color, sex, familial status, marital status, sexual orientation, pregnancy, age, ancestry, national origin or handicap; Title VII of the Civil Rights Act of 1968, as amended, which prohibits discrimination in employment and public accommodation; the Age Discrimination Act of 1975, 42 U.S.C. §6101, as amended, which prohibits discrimination in employment because of age; the Rehabilitation Act of 1973, 29 U.S.C. §794, as amended, which prohibits discrimination on the basis of disability; the Americans with Disabilities Act, 42 U.S.C. §12101 et seq., which prohibits discrimination in employment and public accommodations because of disability; the Federal Transit Act, 49 U.S.C. §1612, as amended; and the Fair Housing Act, 42 U.S.C. §3601 et seq. It is expressly understood that the Provider must submit an affidavit attesting that it is not in violation of the Acts. If the Provider or any owner, subsidiary, or other firm affiliated with or related to the Provider is found by the responsible enforcement agency, the Courts or the County to be in violation of these acts, the County will conduct no further business with the Provider.

Any contract entered into based upon a false affidavit shall be voidable by the County. If the Provider violates any of the Acts during the term of any contract the Provider has with the County, such contract shall be voidable by the County, even if the Provider was not in violation at the time it submitted its affidavit.
