

Memorandum

Date: November 2, 2021

To: Honorable Chairman Jose "Pepe" Diaz
and Members, Board of County Commissioners

Agenda Item No. 8(F)(6)

From: Daniella Levine Cava
Mayor

Resolution No. R-1030-21

Subject: Recommendation for Approval to Award Title Company Services

Recommendation

It is recommended that the Board of County Commissioners (Board) approve a competitive contract award, *Contract No. RFP-01552, Title Company Services*, to JGS Properties, Inc. d/b/a National Title and Abstract Company for the Finance Department in the amount of \$1,500,000. This contract will replace competitively solicited contract RFP-816, Title Company Services, which was awarded by the Board under Resolution No. R-346-13 for a four-year term with two, two-year option to renew terms.

A total of 4,563 vendors were notified, of which, 45 viewed the solicitation and five responded, including three with local addresses. The award is recommended to JGS Properties, Inc. d/b/a National Title and Abstract Company, the highest ranked responsive and responsible proposer, which has a local address, and is the incumbent.

This replacement contract will provide certified ownership and encumbrance reports (O & E) for tax deed applications and O&E reports on County-owned surplus properties. Additional services include but are not limited to: a) search of probate records, if applicable; b) determination on the validity of deeds; c) thorough search of guardianship and foreclosure proceedings; and d) the offer for purchase of a title insurance policy to successful bidders at the tax deed sale. The Tax Collector is required to provide O&E reports by State Law. Contracting for these services is more cost effective than having the tax collector's personnel research and compile the required reports internally.

Scope

The scope of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for the five-year term is \$1,500,000. The current contract, RFP-816, Title Company Services, is valued at \$4,100,000 for an eight-year and six-month term and expires on November 30, 2021. The annualized allocation for the replacement contract is lower than the current contract as it is based on the actual usage and forecasted needs.

Finance	\$1,500,000	Proprietary Funds	Gerardo Gomez
Total:	\$1,500,000		

Track Record/Monitor

Due Diligence

The lists that were referenced included convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to vendor responsibility.

Pursuant to Resolution No. R-140-15, prior to re-procurement, a full review of the scope of services was conducted to ensure the replacement contract reflects the County's current needs. The review included conducting market research, posting a draft solicitation for industry comment, and holding meetings and drafting sessions with the user department. The scope of services was updated to add services and remove services/language no longer needed.

Applicable Ordinances and Contract Measures

- The two percent User Access Program provision applies where permitted by the funding source.
- The Small Business Enterprise Selection Factor and Local Preference were applied where permitted by the funding source.

- b) The Contractor shall be bound by all determinations or orders and shall promptly comply with every order of the Project Manager, including the withdrawal or modification of any previous order and regardless of whether the Contractor agrees with the Project Manager's determination or order. Where orders are given orally, they will be issued in writing by the Project Manager as soon thereafter as is practicable.
- c) The Contractor must, in the final instance, seek to resolve every difference concerning the Agreement with the Project Manager. In the event that the Contractor and the Project Manager are unable to resolve their difference, the Contractor may initiate a dispute in accordance with the procedures set forth in this Article. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.
- d) In the event of such dispute, the parties to this Agreement authorize the County Mayor or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the County Mayor's purview as set forth above shall be conclusive, final and binding on parties. Any such dispute shall be brought, if at all, before the County Mayor within 10 days of the occurrence, event or act out of which the dispute arises.
- e) The County Mayor may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether Contractor's performance or any Deliverable meets the requirements of this Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the County Mayor participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Contractor to the County Mayor for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. Whenever the County Mayor is entitled to exercise discretion or judgement or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be fair and impartial when exercised or taken. The County Mayor, as appropriate, shall render a decision in writing and deliver a copy of the same to the Contractor. Except as such remedies may be limited or waived elsewhere in the Agreement, Contractor reserves the right to pursue any remedies available under law after exhausting the provisions of this Article.

APPENDIX A

2.0 SCOPE OF SERVICES

2.1 Background

The County, as represented by the Finance Department, requires the services of a title or abstract company, or law firm, with an office located in Miami-Dade County. Certified ownership and encumbrance (O&E) reports are required for tax deed applications in accordance with Section 197.502 of the Florida Statutes and Department of Revenue Regulation Rule 12D-13.061. Internal Services Department (ISD) also requires O&E reports on County-owned surplus property. Prior to conveying the properties to the purchasing public, the County ensures these County-owned surplus properties are free from liens. These however, account for a small portion of the required services.

Additional services, beyond the minimum requirements for O&E reports are also required, and include but are not limited to: a) search of probate records, if applicable; b) determination on the validity of deeds; c) thorough search of lunacy and foreclosure proceedings; and d) the offer for purchase of a title insurance policy to successful bidders at the tax deed sale.

The County will utilize the methods or technologies necessary to accomplish its purposes which will comply with the Uniform Electronic Transactions Act ("UETA"), including E-SIGN which permits the parties involved to decide whether electronic signatures will be used at all and what technologies to apply to the transaction.

Historical data indicates that there are approximately 4,500 O&E reports per year provided to the County, and approximately 10-15 O&E reports per year provided on County-owned surplus property. However, the County makes no guarantees with respect to the number of O&E reports to be completed by the Contractor, or the dollar amount to be paid to the Contractor.

The minimum qualification requirement for this Solicitation is that the Contractor must possess a State of Florida title agency license at the time of the deadline for receipt of proposals.
