Resolution No. R-52-22

Subject: Resolution Authorizing Refund of Water and Sewer Connection Charges for MNK Hospitality, LLC

Recommendation

It is recommended that the Board of County Commissioners (Board) adopt the attached resolution authorizing the Miami-Dade Water and Sewer Department (WASD) to refund payment of water and sewer connection charges in the amount of \$11,393.70 to MNK Hospitality, LLC for a 173-room hotel and a 1,735 sq. ft. full-service restaurant, which is replacing an existing 200-room hotel located within the Central Enterprise Zone. Pursuant to Section 2-348 of the Miami-Dade County Code, MNK Hospitality, LLC is entitled to a refund of the water and sewer connection charges because it: (1) renovated property located within a designated enterprise zone, as defined by Section 290.004, Florida Statutes; (2) met the requirement to employ a certain percentage of residents who reside in the enterprise zone; and (3) was deemed to have received a property tax abatement exemption by the Department of Regulatory and Economic Resources (RER).

Scope

MNK Hospitality, LLC is in the County's Central Enterprise Zone at 7927 N.W. 7 Ave, Miami, Florida 33150, which is located in District 2 represented by Commissioner Jean Monestime.

Delegation of Authority

This item authorizes the County Mayor or County Mayor's designee to carry out the refund process and execute all required documents on behalf of the County in accordance with Section 2-348 of the Code of Miami-Dade County.

Fiscal Impact/Funding Source

Upon Board approval of this item, there will be a fiscal impact to the County in the amount of \$11,393.70, which is the refund amount due to MNK Hospitality, LLC for water and sewer connection charges resulting from enhancements made to an existing facility in an enterprise zone. The funding source for the refund is WASD Plant Expansion Funds.

Track Record/ Monitor

WASD's Chief Financial Officer, Frances Morris, will oversee the refund process to MNK Hospitality, LLC.

Background

MNK Hospitality, LLC is a 173-room hotel with a 1,735 sq. ft. full-service restaurant, which replaced an existing 200-room hotel. Sunil Kukreja, Manager of MNK Hospitality, LLC applied for a property tax abatement exemption of water and sewer connection charges after the improvements were completed. See Enterprise Zone Local Incentive Application attached hereto as Exhibit A.

As a condition to the continued rendition of increased water and sewer service, WASD imposed water and sewer connection charges in the amount of \$11,393.70 for the additional gallonage required for a 173-room hotel and a 1,735 sq. ft. full-service restaurant. The connection charges were collected with the understanding that should the business meet the requirements delineated in Section 2-348 of the Code of Miami-Dade County, which provides for waivers of payment for water and sewer connection charges, the County would refund the payment made for the water and sewer connection charges.

Section 2-348 of the Code of Miami-Dade County provides that commercial or industrial real property development within enterprise zones, for which new or increased water or sewer service is required, is eligible for waiver of payment of water and sewer connection charges upon approval of the Board, subject to the following requirements:

1. The development is consistent with the Miami-Dade County Comprehensive Development Master Plan;
2. The development is located within an existing designated enterprise zone established pursuant to Florida law;
3. The development has been deemed to have been granted an ad valorem tax exemption by Miami-Dade County; and
4. The development meets the requirement that 25 percent of the employees reside in the enterprise zone.

RER reviewed the application sent by Sunil Kukreja and issued a response confirming that the improvements made to MNK Hospitality, LLC met the County's criteria specified in Section 2-348 of the Miami-Dade County Code. See Letter from RER attached hereto as Exhibit B.

MNK Hospitality, LLC must create five new jobs and maintain those jobs for five years. In addition, 25 percent of their employees must live within the Enterprise Zone to continue to meet the criteria for this program over the next five years, which condition must be verified on the Florida Department Employer's Quarterly Report. Pursuant to the employees' roster, and as confirmed during the site visit, this project has 14 employees with 5 or 35.7% residing within the Enterprise Zone.

The Director of the Miami-Dade Water and Sewer Department has approved the required documentation. See Exemption Application Approval Form attached hereto as Exhibit C. Additionally, a Covenant executed by Sunil Kukreja, Manager of MNK Hospitality, LLC, is attached hereto as Exhibit D.

Dear Mr. Kukreja:

RE: Water and Sewer Connection Fee Approval Letter – MNK Hospitality, LLC

This letter is to inform you that the project located at 7927 NW 7th Ave, Miami, FL 33150 has been deemed to have received a property tax abatement exemption and thereby qualifies for a refund of water sewer connections authorized under County Ordinance No. 13-51. A business (project) is deemed to have met the criteria for this program under the following conditions:

- It is a new or expanding business in the Enterprise Zone (EZ) – improvements must be verified by the Property Appraiser's Office;
- It must have created five (5) new jobs and maintain those jobs for five (5) years;
- Twenty-five (25) percent of all employees must live in the Enterprise Zone, approval from the Board of County Commissioners and municipality approval (if applicable) must be received to qualify for the refund of water/sewer connection fees.

Twenty (25) percent of EZ employees must be maintained for five (5) years and verified on the Florida Department of Revenue Employer's Quarterly Report (RT6). Employees hired by a tenant are acceptable. However, the applicant will be responsible for ensuring that the jobs have been created and maintained. In the event the jobs are not maintained, the refund and statutory interest must be paid to the County or a lien will be placed on the property. The landowner must execute the lien as a condition of the reimbursement.

Every year on the anniversary date of this letter, (for the next four (4) years), the RT6 form and an employee roster certifying that the jobs have been created/maintained, must be submitted to this office. Failure to submit these required documents constitutes failure to comply with the term and conditions program. A representative of the Planning Research and Economic Analysis Section of the Department of Regulatory and Economic Resources will be conducting yearly site visits to monitor compliance with the employment requirement.

Pursuant to the employee roster and confirmed during the site visit, this project has 14 employees with 5 or 35.7 % living in the enterprise zone.

Delivering Excellence Every Day
