Agenda Item No. 8(F)(15)

Resolution No. R-37-22

Subject: Recommendation for Approval to Award Financial Advisory Services – General Segment

Recommendation

It is recommended that the Board of County Commissioners (Board) approve a competitive contract award, *Contract No. RFP-01744, Financial Advisory Services – General Segment*, to PFM Financial Advisors LLC for the Finance Department in the amount of \$4,167,000. This contract will replace competitively solicited *Contract No. RFQ-00008* which was awarded by the Board under Resolution No. R-882-14 for a three-year term with two, two-year options to renew.

Approximately 10,000 vendors were invited, of which, 51 viewed the solicitation; and 395 local firms were identified and invited through email blast. Seven proposals were received in response to the solicitation including one "No Bid." The award is recommended to the incumbent, PFM Financial Advisors LLC, the highest ranked responsive, responsible proposer. The recommended vendor has a local address. Additionally, we have no Small Businesses that can perform this function, therefore a selection factor was applied.

Background

The contract provides for financial advisory services for revenue debt transactions and services for general obligation, special obligation, public health trust/general obligation, public health trust/sales tax, transit and sunshine state debt transactions and services. These transactions include issuance of bonds, notes, certificates, or other financing instruments, and ongoing advisory services for the County's General Segment. The General Segment includes all financial advisory services for the County, other than financial advisory services for the Water and Sewer Segment and Enterprise Segment.

A separate Request for Proposals was issued for each of the three (Water and Sewer Segment RFP-01743, General Segment RFP-01744 and Enterprise Segment RFP-01745) Financial Advisory Service segments. The awards of the Water and Sewer and Enterprise segments are being presented for approval by the Board as separate items in this agenda.

Scope

The scope of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for the five-year term is \$4,167,000. The current contract, *RFQ-00008-2(2)*, is valued at \$5,834,000 for a seven-year and three-month term and expires on January 31, 2022. The annual allocation under the contract is substantially the same as the previous contract and is based on the forecasted needs of the department.

Finance	\$4,167,000	Bond Proceeds	Arlesa Wood
Total:	\$4,167,000		

Track Record/Monitor

Vendor Recommended for Award

A Request for Proposals was issued under full and open competition. Seven proposals were received in response to the solicitation, including one “No Bid.”

Pursuant to Resolution No. R-477-18, the highest-ranked proposer is recommended in accordance with the method of award per the solicitation and does not qualify for local preference at this time but has a local address. Local firms were identified through market research and notified via email blast of the solicitation.

Due Diligence

Pursuant to Resolution No. R-187-12, due diligence was conducted in accordance with the Internal Services Department’s Procurement Guidelines to determine vendor responsibility, including verifying corporate status and that there are no performance and compliance issues. The lists that were referenced included convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to vendor responsibility.

Pursuant to Resolution No. R-140-15, prior to re-procurement, a full review of the scope of services was conducted to ensure the replacement contract reflects the County’s current needs. The review included conducting market research, posting a draft solicitation for industry comment, and holding meetings and drafting sessions with the user department. The scope of services was updated to include changes to the minimum qualifications, preferred qualification, and adding leasing programs to the short-term financing service for non-bond related work.

Applicable Ordinances and Contract Measures

- The two percent User Access Program provision does not apply.
- The Small Business Enterprise Selection Factor and Local Preference applied.
- The Living Wage does not apply as the services are not covered under the Living Wage Ordinance.
