WHEREAS, in January 2007, this Board adopted Ordinance 07-05, which established a voluntary workforce housing program to address the growing housing crisis for residents of unincorporated Miami-Dade County in the workforce target income group; and

WHEREAS, after the program sunsetted, this Board readopted it in May 2008 in Ordinance No. 08-51; and

WHEREAS, in December 2016, in response to the ever-increasing need for housing, this Board adopted Ordinance No. 16-138, which comprehensively amended the Workforce Housing Development Program of Miami-Dade County, Florida to revise the workforce target income group from 65 to 140 percent of median family income, to 60 to 140 percent, and to provide additional density and intensity development bonuses to incentivize private development of this necessary housing; and

WHEREAS, the County's Zoning Code currently reduces minimum parking requirements in the County's urban centers and in other zoning districts that provide for mixed-use or transit-oriented development; and

WHEREAS, this Board wishes to further incentivize the development of workforce housing by offering the same parking reductions as of right based on the development of workforce housing in proximity to transit, without requiring rezoning to an urban center or other district,
