From: Daniella Levine Cava
Mayor 

Subject: Resolution Declaring the Acquisition of the Designated Property Known as Parcel 1 to be a Public Necessity for the Project Entitled Improvements to Harriet Tubman Highway from NE 164 Street to NE 173 Street

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached resolution declaring the acquisition of Parcel 1 to be a public necessity for the road widening, beautification, and right-of-way improvements to Harriet Tubman Highway from NE 164 Street to NE 173 Street. The resolution authorizes the County Mayor or the County Mayor’s designee and the County Attorney to employ appraisers and expert witnesses; to obtain environmental audits; and to take any and all appropriate actions to acquire the subject parcel in fee simple, either by negotiation, donation, right-of-way designation, or by purchase at values established by appraisals or tax assessed values, whichever is higher of the two. The resolution authorizes the administration to make an additional incentive offer for a total amount not to exceed fifteen percent over the appraised value, together with reasonable attorneys’ fees and costs, pursuant to Sections 73.091 and 73.092 of the Florida Statutes, or by eminent domain court proceedings, including a declaration of taking as necessary for and on behalf of Miami-Dade County.

SCOPE

The impact of this project is Countywide; however, it is located within District 4, which is represented by Commissioner Sally A. Heyman.

FISCAL IMPACT/FUNDING SOURCE

Funding for the construction and right-of-way acquisition of all parcels is estimated at \$10,303,000.00 and is funded by Road Impact Fees (RIF3) programmed within the FY 2020-2021 Adopted Budget and Multi-year Capital Plan. Once the project is built out, annual maintenance and operational cost of approximately \$8,948.62 is anticipated and will be funded through the General Fund.

TRACK RECORD/MONITOR

The Department of Transportation and Public Works (DTPW) is the entity overseeing this item and the person responsible is Ms. Maria Molina, P.E., Chief, Right of Way Division.

DELEGATED AUTHORITY

The resolution delegates authority to the County Mayor or the County Mayor’s designee to take any and all appropriate actions to acquire the subject parcel in fee simple and to record the instruments of conveyances accepted herein in the Public Records of Miami-Dade County. The County Mayor’s

designee is further authorized to issue an incentive offer to purchase Parcel 1 in a total amount not to exceed fifteen percent over the appraised value of Parcel 1.

BACKGROUND

The project consists of widening Harriet Tubman Highway from two (2) to four (4) lanes from NE 164 Street to NE 173 Street. The proposed improvements include raised landscape medians, bicycle facilities, continuous sidewalks, curb and gutter, existing signalization improvements, pavement markings and signing, decorative lighting, continuous storm drainage system, and replacement and widening of the existing bridge crossing over the Snake Creek Canal. The project length is approximately 0.70 miles.

The area to be acquired by DTPW for the street improvements is legally described in Exhibit “A” and illustrated in the parcel location map set forth in Exhibit “B”, both of which are attached to the resolution. These improvements will improve traffic mobility and improve drainage along Harriet Tubman Highway from NE 164 Street to NE 173 Street.

In order to reduce project time and cost, and to avoid the expense of litigation, it is recommended that the administration be granted authorization to issue an incentive offer added to the initial offer to purchase Parcel 1. The total amount of the initial offer plus the incentive offer shall be no more than fifteen percent over the appraised value of Parcel 1.
