WHEREAS, the Infill Developer agrees to develop and sell the Infill lots in accordance with the updated provisions contained in the Code of Miami-Dade County, Article VII, Section

17-121 through 17-128.1; Implementing No. Order 3-44; and Infill Housing Initiative Program Guidelines; and

WHEREAS, on July 20, 2021, the Miami-Dade Board of County Commissioners (the “Board”) adopted Ordinance No. 21-80, which amended Chapter 17, Article VII of the Code of Miami-Dade County, which is more commonly known as the Miami-Dade Infill Housing Initiative Program (“Infill Housing Program”); and

WHEREAS, the Developer wishes to develop the Properties and sell the homes constructed on the Properties in accordance with the Infill Housing Program, as amended by Ordinance No. 21-80,

WITNESSETH:

That the County, for and in consideration of the sum of Ten Dollars and No/100 (\$10.00) to it in hand paid by the Developer, receipt whereof is hereby acknowledged, has granted, bargained, and sold to the said Developer, their heirs and assigns forever, the following described land lying and being in Miami-Dade County, Florida (hereinafter the “Properties”):

As legally described in Exhibit “A” attached hereto and made a part hereof

THIS CONVEYANCE IS SUBJECT TO all zoning, rules, regulations and ordinances and other prohibitions imposed by any governmental authority with jurisdiction over the Properties; existing public purpose utility and government easements and rights of way and other matters of record; taxes for the year of closing and subsequent years and the following restrictions:

1. That the Properties shall be developed with affordable housing, as defined by and in accordance with the requirements of the Infill Housing Initiative Program established in Sections 17-121 through 17-128 of the Code of Miami-Dade County, Implementing Order No. 3-44, and the Miami-Dade County’s Infill Housing Initiative Guidelines. The Developer shall sell such affordable housing to qualified homebuyers whose income range is established up to 140% of the most recent median family income for the County reported by the United States Department of Housing and Urban Development. Prior to such conveyance, a restrictive covenant, in a form approved by the County in its sole discretion, shall be executed by each qualified homebuyer, and such restrictive covenant shall be recorded in the public records of Miami-Dade County.
2. That the Properties shall be developed within one (1) year of the recording of this Deed, as evidenced by the issuance of a final Certificate of Occupancy. Notwithstanding the foregoing restriction contained in this Paragraph 2, the County may, in its sole discretion, waive this requirement upon the Board finding it necessary to extend the time frame in which the Developer must complete the homes. In order for such waiver by the County to be effective, the County Mayor or the County Mayor’s designee:
 - a. Be given prior to the event of the reverter; and
 - b. Be evidenced by the preparation of a letter executed by the County Mayor

or the County Mayor's designee giving such waiver and specifying the new time frame in which the Developer must complete the homes. The letter by the County shall be conclusive evidence upon which any party may rely that the condition of the reverter has been extended to such date as specified in said waiver. If no waiver is recorded and a certificate of occupancy is not issued within one (1) year from the recording of this Deed, any party may rely upon the fact that the reverter has occurred and that title has reverted to the County.

3. That the affordable housing developed on the Property shall be sold to a qualified household, as defined in Sections 17-122(n) of the Code of Miami-Dade County, but under no circumstances shall the sales price of the home exceed the relevant County Maximum Sales Price as set forth in the Miami-Dade County Code and existing at the time of sale. In the event the Developer fails to sell the home to a qualified household or sells the home above County Maximum Sales Price as set forth in the Miami-Dade County Code and existing at the time of sale, and the Developer, upon written notification from the County, fails to cure such default, then title to the subject Properties reverts to the County, at the option of the County, as set forth in paragraph 7, and by such reverter to the County, the Developer shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever.
4. That for any of the Properties located within the HOPE VI Target Area (hereinafter "Target Area"), the Developer shall comply with the requirements set forth in Resolution No. R-1416-08, including but not limited to providing former Scott/Carver residents the right of first refusal on all units to be sold within the Target Area. The County will provide a list of former Scott/Carver residents in order for the Developer to notify these residents of the availability of homeownership opportunities.
5. That Developer shall not assign or transfer its interest in the Properties or in this Deed absent consent of the Miami-Dade County Board of County Commissioners, with the exception of any conveyance to qualified homebuyers.
6. The Developer shall require that the qualified household purchasing the eligible home execute and record simultaneously with the deed of conveyance from the developer to the qualified household the County's "Affordable Housing Restrictive Covenant," and include the following language in the deed of conveyance:

"This Property is subject to an "Affordable Housing Restrictive Covenant" recorded simultaneously herewith, which states that the Property shall remain affordable during the "Control Period." The Control Period commences on the initial sale date of the eligible home, which is the date the deed is recorded transferring title from the developer to the first qualified household, and resets automatically every twenty (20) years for a maximum of sixty (60) years. In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County.

Any such sale, transfer or conveyance, shall only be to a qualified household as defined in Section 17-122(n) of the Miami-Dade County Code at or below the maximum sales price as calculated in the restrictive covenant. Should Grantee own this home for twenty consecutive years, Grantee shall automatically be released from the Affordable Housing Restrictive Covenant.”

7. That Developer shall pay real estate taxes and assessments on the Properties or any part thereof when due. Developer shall not suffer any levy or attachment to be made, or any material or mechanic’s lien, or any unauthorized encumbrance or lien to attach, provided, however, that Developer may encumber the Properties with:
 - a) Any mortgage(s) in favor of any institutional lender for the purpose of financing any hard costs or soft costs relating to the construction of the Project in an amount(s) not to exceed the value of the Improvements as determined by an appraiser; and
 - b) Any mortgage(s) in favor of any institutional lender refinancing any mortgage of the character described in clause a) hereof; in an amount(s) not to exceed the value of the Improvements as determined by an appraiser.
 - c) Any mortgage(s) in favor of any lender that may go into default, lis penden, foreclosure, deed in lieu of foreclosure, certificate of title or tax deed issued by the government or through court order, the affordable deed restrictions are enforceable and can only be extinguished by the County. The deed restrictions shall run with the land notwithstanding the mortgage or change in ownership for the control period. The affordable deed restrictions apply to the “successors heirs and assigns” of the burdened land owner.
8. The recordation, together with any mortgage purporting to meet the requirements of clauses 7(a) or 7(b) above, of a statement of value by a Member of the American Institute of Real Estate Appraisers (MAI), (or member of any similar or successor organization), stating the value of the Project is equal to or greater than the amount of such mortgages(s), shall constitute conclusive evidence that such mortgage meets such requirements, and that the right of any reverter hereunder shall be subject to and limited by, and shall not defeat, render invalid, or limit in any way, the lien of such mortgage. For purposes of this paragraph an “institutional lender” shall mean any bank, savings and loan association, insurance company, foundation or other charitable entity, real estate or mortgage investment trust, pension funds, the Federal National Mortgage Association, agency of the United States Government or other governmental agency. In any event, the term “Institutional lender” shall be deemed to include Miami-Dade County and its respective successors and assigns.
9. If in the sole discretion of the County, one or more of the Properties ceases to be used solely for the purpose set forth in paragraph 1 herein by the Developer, or if the Developer fails to construct the homes described herein

in the manner and within the timeframe set forth in paragraph 2 herein, or if the Developer ceases to exist prior to conveyance to the qualified homebuyers, or if any term of this County Deed is not complied with, the Developer shall correct or cure the default/violation within thirty (30) days of notification of the default by the County as determined in the sole discretion of the County. If the Developer fails to remedy the default within thirty (30) days, title to the subject Properties shall revert to the County, at the option of the County upon written notice of such failure to remedy the default. In the event of such reverter, the Developer shall immediately deed such Properties back to the County, and the County shall have the right to immediate possession of such Properties, with any and all improvements thereon, at no cost to the County. The effectiveness of the reverter shall take place immediately upon notice being provided by the County, regardless of the deed back to the County by the Developer. The County retains a reversionary interest in the Properties, which right may be exercised by the County, at the option of the County, in accordance with this Deed. Upon such reversion, the County may file a Notice of Reversion evidencing same in the public records of Miami-Dade County.

10. All conditions and restrictions set forth herein shall run with the land, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Properties.

Upon receiving proof of compliance with all of the Deed restrictions listed above, to be determined in the County's sole discretion, the County shall furnish the Developer with an appropriate instrument acknowledging satisfaction with all Deed restrictions listed above. Such satisfaction of Deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

This grant conveys only the interest of the Miami-Dade County and its Board of County Commissioners in the Properties herein described and shall not be deemed to warrant the title or to represent any state of facts concerning the same.

IN WITNESS WHEREOF Miami-Dade County has caused these presents to be executed in its name by its Board of County Commissioners acting by the Chairperson of the Board, the day and year aforesaid.

WHEREAS, the Infill Developer agrees to develop and sell the Infill lots in accordance with the updated provisions contained in the Code of Miami-Dade County, Article VII, Section

17-121 through 17-128.1; Implementing No. Order 3-44; and Infill Housing Initiative Program Guidelines; and

WHEREAS, on July 20, 2021, the Miami-Dade Board of County Commissioners (the "Board") adopted Ordinance No. 21-80, which amended Chapter 17, Article VII of the Code of Miami-Dade County, which is more commonly known as the Miami-Dade Infill Housing Initiative Program ("Infill Housing Program"); and

WHEREAS, the Developer wishes to develop the Properties and sell the homes constructed on the Properties in accordance with the Infill Housing Program, as amended by Ordinance No. 21-80,

WITNESSETH:

That the County, for and in consideration of the sum of Ten Dollars and No/100 (\$10.00) to it in hand paid by the Developer, receipt whereof is hereby acknowledged, has granted, bargained, and sold to the said Developer, their heirs and assigns forever, the following described land lying and being in Miami-Dade County, Florida (hereinafter the "Properties"):

As legally described in Exhibit "A" attached hereto and made a part hereof

THIS CONVEYANCE IS SUBJECT TO all zoning, rules, regulations and ordinances and other prohibitions imposed by any governmental authority with jurisdiction over the Properties; existing public purpose utility and government easements and rights of way and other matters of record; taxes for the year of closing and subsequent years and the following restrictions:

1. That the Properties shall be developed with affordable housing, as defined by and in accordance with the requirements of the Infill Housing Initiative Program established in Sections 17-121 through 17-128 of the Code of Miami-Dade County, Implementing Order No. 3-44, and the Miami-Dade County's Infill Housing Initiative Guidelines. The Developer shall sell such affordable housing to qualified homebuyers whose income range is established up to 140% of the most recent median family income for the County reported by the United States Department of Housing and Urban Development. Prior to such conveyance, a restrictive covenant, in a form approved by the County in its sole discretion, shall be executed by each qualified homebuyer, and such restrictive covenant shall be recorded in the public records of Miami-Dade County.
2. That the Properties shall be developed within one (1) year of the recording of this Deed, as evidenced by the issuance of a final Certificate of Occupancy. Notwithstanding the foregoing restriction contained in this Paragraph 2, the County may, in its sole discretion, waive this requirement upon the Board finding it necessary to extend the time frame in which the Developer must complete the homes. In order for such waiver by the County to be effective, the County Mayor or the County Mayor's designee:
 - a. Be given prior to the event of the reverter; and
 - b. Be evidenced by the preparation of a letter executed by the County Mayor

or the County Mayor's designee giving such waiver and specifying the new time frame in which the Developer must complete the homes. The letter by the County shall be conclusive evidence upon which any party may rely that the condition of the reverter has been extended to such date as specified in said waiver. If no waiver is recorded and a certificate of occupancy is not issued within one (1) year from the recording of this Deed, any party may rely upon the fact that the reverter has occurred and that title has reverted to the County.

3. That the affordable housing developed on the Property shall be sold to a qualified household, as defined in Sections 17-122(n) of the Code of Miami-Dade County, but under no circumstances shall the sales price of the home exceed the relevant County Maximum Sales Price as set forth in the Miami-Dade County Code and existing at the time of sale. In the event the Developer fails to sell the home to a qualified household or sells the home above County Maximum Sales Price as set forth in the Miami-Dade County Code and existing at the time of sale, and the Developer, upon written notification from the County, fails to cure such default, then title to the subject Properties reverts to the County, at the option of the County, as set forth in paragraph 7, and by such reverter to the County, the Developer shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever.
4. That for any of the Properties located within the HOPE VI Target Area (hereinafter "Target Area"), the Developer shall comply with the requirements set forth in Resolution No. R-1416-08, including but not limited to providing former Scott/Carver residents the right of first refusal on all units to be sold within the Target Area. The County will provide a list of former Scott/Carver residents in order for the Developer to notify these residents of the availability of homeownership opportunities.
5. That Developer shall not assign or transfer its interest in the Properties or in this Deed absent consent of the Miami-Dade County Board of County Commissioners, with the exception of any conveyance to qualified homebuyers.
6. The Developer shall require that the qualified household purchasing the eligible home execute and record simultaneously with the deed of conveyance from the developer to the qualified household the County's "Affordable Housing Restrictive Covenant," and include the following language in the deed of conveyance:

"This Property is subject to an "Affordable Housing Restrictive Covenant" recorded simultaneously herewith, which states that the Property shall remain affordable during the "Control Period." The Control Period commences on the initial sale date of the eligible home, which is the date the deed is recorded transferring title from the developer to the first qualified household, and resets automatically every twenty (20) years for a maximum of sixty (60) years. In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County.

Any such sale, transfer or conveyance, shall only be to a qualified household as defined in Section 17-122(n) of the Miami-Dade County Code at or below the maximum sales price as calculated in the restrictive covenant. Should Grantee own this home for twenty consecutive years, Grantee shall automatically be released from the Affordable Housing Restrictive Covenant.”

7. That Developer shall pay real estate taxes and assessments on the Properties or any part thereof when due. Developer shall not suffer any levy or attachment to be made, or any material or mechanic's lien, or any unauthorized encumbrance or lien to attach, provided, however, that Developer may encumber the Properties with:
 - a) Any mortgage(s) in favor of any institutional lender for the purpose of financing any hard costs or soft costs relating to the construction of the Project in an amount(s) not to exceed the value of the Improvements as determined by an appraiser; and
 - b) Any mortgage(s) in favor of any institutional lender refinancing any mortgage of the character described in clause a) hereof; in an amount(s) not to exceed the value of the Improvements as determined by an appraiser.
 - c) Any mortgage(s) in favor of any lender that may go into default, lis penden, foreclosure, deed in lieu of foreclosure, certificate of title or tax deed issued by the government or through court order, the affordable deed restrictions are enforceable and can only be extinguished by the County. The deed restrictions shall run with the land notwithstanding the mortgage or change in ownership for the control period. The affordable deed restrictions apply to the “successors heirs and assigns” of the burdened land owner.
8. The recordation, together with any mortgage purporting to meet the requirements of clauses 7(a) or 7(b) above, of a statement of value by a Member of the American Institute of Real Estate Appraisers (MAI), (or member of any similar or successor organization), stating the value of the Project is equal to or greater than the amount of such mortgages(s), shall constitute conclusive evidence that such mortgage meets such requirements, and that the right of any reverter hereunder shall be subject to and limited by, and shall not defeat, render invalid, or limit in any way, the lien of such mortgage. For purposes of this paragraph an “institutional lender” shall mean any bank, savings and loan association, insurance company, foundation or other charitable entity, real estate or mortgage investment trust, pension funds, the Federal National Mortgage Association, agency of the United States Government or other governmental agency. In any event, the term “Institutional lender” shall be deemed to include Miami-Dade County and its respective successors and assigns.
9. If in the sole discretion of the County, one or more of the Properties ceases to be used solely for the purpose set forth in paragraph 1 herein by the Developer, or if the Developer fails to construct the homes described herein

in the manner and within the timeframe set forth in paragraph 2 herein, or if the Developer ceases to exist prior to conveyance to the qualified homebuyers, or if any term of this County Deed is not complied with, the Developer shall correct or cure the default/violation within thirty (30) days of notification of the default by the County as determined in the sole discretion of the County. If the Developer fails to remedy the default within thirty (30) days, title to the subject Properties shall revert to the County, at the option of the County upon written notice of such failure to remedy the default. In the event of such reverter, the Developer shall immediately deed such Properties back to the County, and the County shall have the right to immediate possession of such Properties, with any and all improvements thereon, at no cost to the County. The effectiveness of the reverter shall take place immediately upon notice being provided by the County, regardless of the deed back to the County by the Developer. The County retains a reversionary interest in the Properties, which right may be exercised by the County, at the option of the County, in accordance with this Deed. Upon such reversion, the County may file a Notice of Reversion evidencing same in the public records of Miami-Dade County.

10. All conditions and restrictions set forth herein shall run with the land, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Properties.

Upon receiving proof of compliance with all of the Deed restrictions listed above, to be determined in the County's sole discretion, the County shall furnish the Developer with an appropriate instrument acknowledging satisfaction with all Deed restrictions listed above. Such satisfaction of Deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

This grant conveys only the interest of the Miami-Dade County and its Board of County Commissioners in the Properties herein described and shall not be deemed to warrant the title or to represent any state of facts concerning the same.

IN WITNESS WHEREOF Miami-Dade County has caused these presents to be executed in its name by its Board of County Commissioners acting by the Chairperson of the Board, the day and year aforesaid.
