With each payment request you are required to upload an invoice summary directly to Delphi. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to this Grant. 15. Exclusive Rights.

The sponsor shall not grant an exclusive right to use an air navigation facility on which this Grant has been expended. However, providing services at an airport by only one fixed-based operator is not an exclusive right if—

- b. Subject to the FAA Reauthorization Act of 2018, Public Law 115-254, Section 163, if a change or alteration in the airport or the facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the Secretary, the owner or operator will, if requested, by the Secretary (1) eliminate such adverse effect in a manner approved by the Secretary; or (2) bear all costs of relocating such property (or replacement thereof) to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof) to the level of safety, utility, efficiency, and cost of operation existing before the unapproved change in the airport or its facilities except in the case of a relocation or replacement of an existing airport facility due to a change in the Secretary's design standards beyond the control of the airport sponsor.

20. Civil Rights.

It will promptly take any measures necessary to ensure that no person in the United States shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any activity conducted with, or benefiting from, funds received from this Grant.

Please refer to the [Airport Rescue Grants Frequently Asked Questions](#) for further information.

With each payment request you are required to upload an invoice summary directly to Delphi. Additional details or invoices may be requested by FAA during the review of your payment requests.

As part of your final payment request, you are required to include in Delphi:

- A signed SF-425, *Federal Financial Report*

Until the grant is completed and closed, you are responsible for submitting a signed and dated SF-425 annually, due 90 days after the end of each Federal fiscal year in which this grant is open (due December 31 of each year this grant is open).

As a condition of receiving Federal assistance under this award, you must comply with audit requirements as established under 2 CFR part 200. Subpart F requires non-Federal entities that expend \$750,000 or more in Federal awards to conduct a single or program specific audit for that year. Note that this includes Federal expenditures made under other Federal-assistance programs. Please take appropriate and necessary action to assure your organization will comply with applicable audit requirements and standards.

I am readily available to assist you and your designated representative with the requirements stated herein. The FAA sincerely values your cooperation in these efforts.

Sincerely,

WHEREAS, the Sponsor has accepted the terms of FAA's Airport Rescue Grant offer;

WHEREAS, in consideration of the promises, representations and assurances provided by the Sponsor, the FAA has approved the Airport Rescue Grant Application for the Miami-Opa Locka Executive Airport, (herein called the "Grant" or "Airport Rescue Grant") consisting of the following:

WHEREAS, this Airport Rescue Grant is provided in accordance with the American Rescue Plan Act ("ARP Act", or "the Act"), Public Law 117-2, as described below, to provide eligible Sponsors with funding for costs related to operations, personnel, cleaning, sanitization, janitorial services, combating the spread of pathogens at the airport, and debt service payments. Airport Rescue Grant amounts to specific airports are derived by legislative formula (See Section 7102 of the Act).

24. Disadvantaged Business Enterprises.

The sponsor shall not discriminate on the basis of race, color, national origin or sex in the award and performance of any DOT-assisted contract covered by 49 CFR Part 26, or in the award and performance of any concession activity contract covered by 49 CFR Part 23. In addition, the sponsor shall not discriminate on the basis of race, color, national origin or sex in the administration of its Disadvantaged Business Enterprise (DBE) and Airport Concessions Disadvantaged Business Enterprise (ACDBE) programs or the requirements of 49 CFR Parts 23 and 26. The sponsor shall take all necessary and reasonable steps under 49 CFR Parts 23 and 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts, and/or concession contracts. The sponsor's DBE and ACDBE programs, as required by 49 CFR Parts 26 and 23, and as approved by DOT, are incorporated by reference in this agreement. Implementation of these programs is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the sponsor of its failure to carry out its approved program, the Department may impose sanctions as provided for under Parts 26 and 23 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1936 (31 U.S.C. 3801).

Please take appropriate and necessary action to assure your organization will comply with applicable audit requirements and standards.

I am readily available to assist you and your designated representative with the requirements stated herein. The FAA sincerely values your cooperation in these efforts.

FROM: The United States of America (acting through the Federal Aviation Administration, herein called the "FAA")

WHEREAS, the Sponsor has submitted to the FAA an Airport Rescue Grant Application dated July 19, 2021, for a grant of Federal funds at or associated with the Dade-Collier Training and Transition Airport, which is included as part of this Airport Rescue Grant Agreement;

WHEREAS, the Sponsor has accepted the terms of FAA's Airport Rescue Grant offer;

WHEREAS, in consideration of the promises, representations and assurances provided by the Sponsor, the FAA has approved the Airport Rescue Grant Application for the Dade-Collier Training and Transition Airport, (herein called the "Grant" or "Airport Rescue Grant") consisting of the following:

WHEREAS, this Airport Rescue Grant is provided in accordance with the American Rescue Plan Act ("ARP Act", or "the Act"), Public Law 117-2, as described below, to provide eligible Sponsors with funding for costs related to operations, personnel, cleaning, sanitization, janitorial services, combating the spread of pathogens at the airport, and debt service payments. Airport Rescue Grant amounts to specific airports are derived by legislative formula (See Section 7102 of the Act).

WHEREAS, the purpose of this Airport Rescue Grant is to prevent, prepare for, and respond to the coronavirus pandemic. Funds provided under this Airport Rescue Grant Agreement must be used only for purposes directly related to the airport. Such purposes can include the reimbursement of an airport's operational expenses or debt service payments in accordance with the limitations prescribed in the Act.

Airport Rescue Grants may be used to reimburse airport operational expenses directly related to Dade-Collier Training and Transition incurred no earlier than January 20, 2020.

Airport Rescue Grants also may be used to reimburse a Sponsor's payment of debt service where such payments occur on or after March 11, 2021. Funds provided under this Airport Rescue Grant Agreement will be governed by the same principles that govern "airport revenue." New airport development projects not directly related to combating the spread of pathogens may not be funded with this Grant. Funding under this Grant for airport development projects to combat the spread of pathogens will be reallocated using an addendum to this Agreement for identified and approved projects.

NOW THEREFORE, in accordance with the applicable provisions of the ARP Act, Public Law 117-2, the representations contained in the Grant Application, and in consideration of (a) the Sponsor's acceptance of this Offer; and, (b) the benefits to accrue to the United States and the public from the accomplishment of the Grant and in compliance with the conditions as herein provided,
