Memorandum

Date: May 3, 2022

To: Honorable Chairman Jose "Pepe" Diaz
and Members, Board of County Commissioners

From: Danielle Levine Cava 
Mayor

Subject: Social Equity Statement for Ordinance Amending the Operational Hours to Use
Landscape Equipment #220306

Section 21-28 of the Code of Miami-Dade County, Florida currently prohibits the operation of noise-producing landscaping equipment and other noise-producing tools outside of a residence between the hours of 8:00 p.m. and 7:00 a.m. The proposed amendment to Section 21-28 of the County Code seeks to extend this provision to include the morning period from 7:00 a.m. to 8:00 a.m.

Noise produced by landscaping equipment and other noise-producing tools during early morning hours can be disruptive in residential areas. At the same time, the early morning hours are particularly ideal for avoiding excessive heat and humidity for outdoor workers. According to the National Weather Service, excessive heat is the leading weather-related killer in the United States. A combination of high heat and humidity can lead to heat-related illness, including heat cramps, heat exhaustion and heat stroke. Outdoor workers are up to 35 times more likely to have a heat related illness or injury than the average person. No other social benefits or burdens can be identified at this time.
