Resolution No. R-617-22

Subject: Request for Additional Expenditure Authority to Contract No. FB-01915, Courier Services (Pick-Up and Delivery); and Authorizing the Use of Charter County Transportation Surtax Funds for Such Purpose

Summary

This item requests expenditure authority of \$25,000 for the Office of the Citizen's Independent Transportation Trust (CITT). The County awarded this contract under delegated authority in the amount of \$257,783. The allocation for CITT was bifurcated from the contract award to avoid delaying the award process for other departments. The allocation will be used by CITT to procure courier services to have agenda packages and other documents picked up and delivered on demand.

Recommendation

It is recommended that the Board of County Commissioners (Board) authorize additional expenditure authority to *Contract No. FB-01915, Courier Services*, for the Office of the Citizen's Independent Transportation Trust. The Department is requesting \$25,000 in additional expenditure authority to establish a contract for courier services for the pick-up and delivery of correspondence and parcels within the tri-county area. The County awarded this competitively solicited contract under delegated authority on March 1, 2022, for a five-year term in the amount of \$257,783. The contract is used by multiple County departments to obtain courier services for the transfer of documents, boxes, construction plans and packages between various facilities.

The requested allocation for CITT was bifurcated from the contract award established under delegated authority to avoid delaying the award process for other departments. CITT is requesting \$25,000 in expenditure authority to establish its allocation under this contract. The allocation will be used by CITT to procure courier services to have agenda packages and other documents picked up and delivered on demand. Deliveries are typically within the tri-county area.

This item is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). The Board may only consider this item if CITT has forwarded a recommendation to the Board. If CITT has not forwarded a recommendation and 45 days have not elapsed since the issuance of this recommendation, a withdrawal of this item will be requested.

Scope

The scope of this item is countywide in nature.

Fiscal Impact/Funding Source

The contract expires on February 28, 2027, and has a current allocation of \$257,783. If this request is approved, the contract will have a modified cumulative allocation of \$282,783. The requested increase in expenditure authority is based on projected needs for pick-up and delivery of courier-related items for CITT. The requested allocation includes the use of Charter County Transportation Surtax Funds for such purpose.
