Ordinance No. 22-65

**Subject:** Ordinance Authorizing Issuance of Miami-Dade County Capital Asset Acquisition Special Obligation Bonds in an Amount Not to Exceed \$335,000,000

## **Summary / Recommendation**

It is recommended that the Board of County Commissioners (“Board”) of Miami-Dade County (“County”) enact the accompanying Ordinance (“2022 Ordinance”) which authorizes the issuance of up to \$335 million of Miami-Dade County Special Obligation Capital Asset Acquisition Bonds (“Bonds”) in one or more series for the purpose of acquiring, constructing, improving, and/or renovating certain capital assets and/or projects as described in Exhibit A to the 2022 Ordinance (“Projects”) as approved by the Board in the County’s annual capital improvement budget, and to pay costs of issuance and provide for a ten percent contingency for inflation of construction prices and changes in project design.

## **Delegation of Authority**

The 2022 Ordinance does not provide for delegation of authority; any such authority will be provided for in subsequent series resolutions.

## **Scope**

The proposed Bonds will finance projects that have a countywide impact.

## **Fiscal Impact/Funding Source**

The Bonds authorized by the 2022 Ordinance will only be issued pursuant to subsequent series resolutions adopted by the Board and will be special and limited obligations of the County with principal and interest payable solely from legally available non-ad valorem revenues of the County, as appropriated annually, or from revenues otherwise available from authorized funds and debt service reserves. Actual debt payments will be budgeted in the Countywide General Fund and paid for by funds appropriated in the adopted budgets of the entities or departments benefitting from the projects funded by each series of Bonds.

## **Social Equity Statement**

The proposed ordinance will provide funds to pay for certain capital assets and projects that will allow for direct investment in County owned assets that benefit all residents of Miami-Dade County.

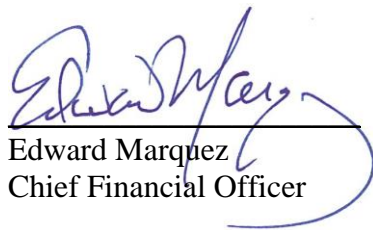

## **Track Record/Monitoring**

The programming and recommended use of capital asset bond proceeds is managed through the County’s annual capital budget process, under the auspices of Office of Management and Budget, David Clodfelter, Director. Issuance of Bonds under this ordinance and subsequent series resolutions, payment of annual debt service, and continuing disclosure will be managed by the Finance Department, Division of Bond Administration, Arlesa Wood, Director.

**Background**

The County has issued special obligation capital asset acquisition bonds in the aggregate principal amount of \$1.592 billion of which \$1.110 billion is currently outstanding. The proceeds from the capital asset acquisition bonds were used to fund various countywide capital equipment or construction projects. Each of these series were issued pursuant to Board authorized ordinances and subsequent series resolutions.

The 2022 Ordinance provides that bonds shall only be issued with a subsequent series resolution to be approved by the Board. Each series resolution will provide a more detailed description of the projects to be financed, the terms, maturities, and other details for each series of Bonds to be issued.
