Memorandum

Date: July 7, 2022

To: Honorable Chairman Jose “Pepe” Diaz
and Members, Board of County Commissioners

From: Daniella Levine Cava 
Mayor

Subject: Resolution Accepting Conveyances of Four Property Interests for Road Purposes
to Miami-Dade County, Florida

Executive Summary

The purpose of this item is for the Board of County Commissioners (Board) to accept four property conveyances for various road purposes to fulfill various zoning and land development requirements to effectuate improvements needed within the public right-of-way to meet Miami-Dade County roadway standards. The grantors’ names, property locations and reasons for conveyance to the County are set forth below. Annual maintenance costs associated with the conveyances are estimated to be \$96.45.

Recommendation

The attached four instruments are being forwarded as one resolution for approval by the Board. The Department of Transportation and Public Works (DTPW) needs the property interests from various entities for road purposes and recommends that the Board accept the conveyances. The proposed conveyances are attached hereto as Exhibit 1.

Scope

The properties being conveyed are located within various Commission Districts.

Fiscal Impact/Funding Source

The total fiscal impact of accepting these conveyances is approximately \$96.45 annually for maintenance costs associated with the subject rights-of-way being included in the DTPW inventory. These costs will be funded through DTPW’s General Fund allocation.

Track Record/Monitor

DTPW is the entity overseeing this project and the person responsible for monitoring these acquisitions is Maria D. Molina, P.E., Chief, Right-of-Way Division.

Delegated Authority

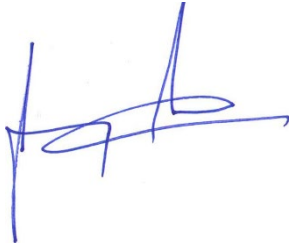

The resolution delegates authority for the Chairperson or Vice Chairperson of this Board to execute the acceptances of the instruments of conveyance. Furthermore, the County Mayor or County Mayor’s designee is directed to record the instruments of conveyance accepted therein in the public records of Miami-Dade County.

Background

These conveyances are being obtained to fulfill various zoning and land development requirements to effectuate improvements needed within the public right-of-way to meet Miami-Dade County roadway standards. The individual sites are listed below outlining the specific requirement for each.
