From: Daniella Levine Cava 
Mayor

Subject: Resolution Retroactively Authorizing the Application and Receipt of Grants Funds from the Edward Byrne Memorial Justice Assistance Grant (JAG) from the U.S. Department of Justice and Authorizing the Expenditure of Awarded Funds

Executive Summary

This resolution requests the Board of County Commissioners (Board) retroactively approve the terms of and authorize the County Mayor or County Mayor’s designee’s application for grant funds from the U.S Department of Justice, Bureau of Justice Assistance, Edward Byrne Memorial Justice Assistance Grant (JAG) Program FY 2021 Local Solicitation. The resolution also seeks Board authority for the County Mayor or County Mayor’s designee to expend \$123,698 in JAG Program funding. Such funding supports the Juvenile Services Department’s (JSD’s) Miami-Dade Civil Citation Enhancement Project (Civil Citation Enhancement Project). The Civil Citation Enhancement Project is a countywide program that diverts children who are arrested for minor charges from entering the traditional justice system, which results in decreased arrests and early intervention for at-risk youth.

Recommendation

It is recommended that the Board approve the attached resolution retroactively authorizing the County Mayor or County Mayor’s designee’s application and receipt of \$123,698 in no-match grant funds from the FY 2021 JAG Program to support JSD. It is further recommended that the Board authorize the County Mayor or the County Mayor's designee to expend awarded FY 2021 JAG Program grant funds during the performance period of October 1, 2020 – September 30, 2021.

Scope

These grant funds will support services countywide.

Delegation of Authority

The County Mayor or County Mayor’s designee is retroactively authorized to apply for and receive FY 2021 JAG Program grant funds in the amount of \$123,698. The County Mayor or County Mayor’s designee is further authorized to expend said awarded FY 2021 JAG Program grant funds. The County Mayor or County Mayor’s designee is authorized to execute agreements, as may be required by JAG Program guidelines, and to exercise the provisions set forth therein and any amendments thereto, provided that such amendments are consistent with the purpose described herein and after review by the County Attorney’s Office for form and legal sufficiency.

Fiscal Impact/Funding Source

This grant does not require any matching or in-kind funds. As such, there will be no negative fiscal impact to the County. The U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance funds this grant through the Florida Department of Law Enforcement.

Track Record/Monitor

To ensure compliance with contract requirements, this grant will be monitored by JSD Administrative Services fiscal and grants staff.

Background

The JAG Program provides critical funding necessary to support criminal justice projects designed to reduce crime and violence and initiate criminal justice system improvements. The Civil Citation Enhancement Project, which helps divert juveniles Countywide who are arrested for minor charges from entering the traditional justice system, is the only such County program funded with JAG Program funding.

The Civil Citation Enhancement Project was established in April 2007 and represents a systemic change in how juvenile justice is delivered for misdemeanor offenders in Miami-Dade County. In partnership with 37 law enforcement agencies in the County, JSD is now able to provide comprehensive and targeted services to participants, without the baggage of an arrest. Juveniles are provided with evidence-based assessments and referrals are made to services within their communities. Services are comprehensive in nature addressing both the service needs of the youth and their families. Treatment plans are developed to identify needs.

Since its inception, the Civil Citation Enhancement Project has served over 21,000 youth and families, with a success rate of 83 percent. Success is determined by the participants satisfying program requirements, including individualized services. Civil Citations contribute to juvenile arrest reductions and referrals to the juvenile justice system and address Disproportionate Minority Contact and Racial and Ethnic Disparity, with 96 percent minority youth being served under the program. In an effort to maintain the successes of the Civil Citation Enhancement Project, such as the reduction in juvenile arrests for minor offenses, the strain on the criminal justice system, and providing early intervention at the earliest moment possible, JSD is constantly seeking JAG Program and other grant funding to support the program.

A copy of the FY 2021 JAG Program application and Certificate of Subaward 2021-JAGC-DADE-35-3B[1]140 and Acceptance of Federal Funding Assistance are attached to the resolution as Exhibits A and B, respectively.

General Project Information

Project Title: CIVIL CITATION ENHANCEMENT PROJECT
Subgrant Recipient: Miami-Dade County

Problem Identification

Data from the Miami-Dade County Juvenile Services Department (JSD) shows that since the inception of the Civil Citation Initiative, over 21,000 clients have been served with a success rate of 83%. Civil Citations are responsible for a 24% reduction in arrests and referral to the Juvenile Justice System (JJS) and a 38% reduction in misdemeanor offenses. In 2019, 96% of youth eligible for a Civil Citation were minorities; 51% of participants being Hispanic; 27% African American; 7% Haitian; and 15% Other.

Throughout the years, youth rehabilitation has been a priority to Miami-Dade County. Juveniles that are processed through the JJS and acquire a criminal record has a negative impact on their academics, social interactions, job opportunities, etc. Due to processing the youth through the JJS not being an effective method for rehabilitation and intervention, Miami-Dade County is seeking grant funds to continue the county-wide Civil Citation Enhancement Project, which addresses national systemic issues within the JJS.

This project will continue to address two problems in juvenile crime: (1) reduce the risk factors through appropriate interventions; and (2) to reduce misdemeanor arrests and as a result incidents of disproportionate minority overrepresentation. Youth presenting multiple risk factors will be identified and addressed through assessments administered by Juvenile Services Department (JSD) staff. Case management services will be provided to youth based on their risk level to re-offend, and their psychosocial needs. In addition, appropriate referrals to mental health and substance abuse services will be provided as needed. All youths defined as a youth, male or female, exhibiting tendencies for delinquent behaviors, 8 to 17 years of age, residing in Miami-Dade County, who has committed a first and second and third misdemeanor offense in Miami-Dade County, will be eligible for the project. It is estimated that this program will service 550 youths annually.

Miami-Dade County Juvenile Services Department in partnership with the White House Office of National Drug Control Policy and the U.S Department of Justice created the Miami-Dade County Juvenile Justice Model, a state of the art, research-based model designed to address juvenile crime prevention. The significant benefits and results of the Civil Citation Project was one of the models showcased at the Juvenile Justice Summit sponsored by the White House Office of National Drug Control Policy and the U.S Department of Justice, Office of Juvenile Justice Delinquency Prevention conducted in Miami on May 16, 2008. Miami-Dade County's Civil Citation Program allows assessment and application of appropriate, targeted interventions with the goal of preventing arrests and monetary costs involved, serving as an invaluable asset to the community.

Currently, the budget for Miami-Dade County (MDC) does not have the additional

funds to provide the necessary assessments and treatments for the youth. Grant funding will allow the program to function and operate in an optimal manner.

This is a continuation from 2021-JAGC-DADE-9-5R-110 with a project period from 10/01/2019 - 09/30/2021.

Project Summary (Scope of Work)

In order to continue the Civil Citation Enhancement Project with Miami-Dade Juvenile Services (JSD) and service all 37 local law enforcement agencies, Miami-Dade County is requesting JAG funds to provide salaries and benefits for Juvenile Assessment Counselors. The Juvenile Assessment Counselors will provide assessments and case management services to children that qualify for the JSD Civil Citation Program in Miami Dade County.

The Miami-Dade Civil Citation Program will continue to strengthen the community it serves by lowering the number of juvenile arrests for minor crimes. The program will be available to offenders who qualify in Miami-Dade County, focusing on the areas where minority overrepresentation is common. The program will serve youth that are charged with domestic violence instead of being sent to juvenile justice secure detention centers. Youth participating in the program will be recruited through the process of being issued a Civil Citation by a police officer. Our overall goal is to reduce the overall juvenile arrest rate, which would be beneficial to the youth and community as a whole.

The Juvenile Assessment Counselors will provide assessments and case management services to youth that are issued a Civil Citation by law enforcement in Miami-Dade County. The continuation of this project will allow JSD to continue to use research proven JAC and juvenile justice tools and strategies to prevent the youth from entering the system and having an arrest record. JSD Civil Citation program will include an assessment to identify substance abuse and mental health issues, appropriate referral and case management services.

The Juvenile Assessment Counselors will work in conjunction with Community Based Organizations (CBO) to ensure compliance with recommended services, as well as reporting information within specified timeframes. Monitor compliance with services at Community Based Organizations, attend monthly CBO meetings and ensure a continuum of services. Monitor treatment plans and supervise all case activity, in accordance with JSD policy and procedure. Provide families with clear and concise information relative to the youth's participation in the program. Program participation ranges approximately 90-120 days. Upon successful completion of the Civil Citation Program no entry will be made into criminal databases which may be released even if the record is sealed or expunged.

Miami-Dade County has a recurring timeline set to accomplish its goals to reduce misdemeanor arrests by serving the youth who are referred to the JSD Civil Citation Program. A portion of funding will be satisfied with JAG funds. Assessments will be provided to participants to identify substance abuse and mental health issues, address youth's psycho-social, risk level needs, and monitor their progress. Case management will be provided to each participant and include a minimum of the following:

Miami-Dade County will use grant funds to provide salaries and benefits for Juvenile Assessment Counselors. Deliverables will be completed in accordance with the contractual agreements between the subrecipient and their local vendor/providers.

Documentation of deliverables performed by the subrecipient and their local vendor/providers must be maintained by the subrecipient and made available for monitoring. Example documentation includes, but is not limited to: timesheets, paystubs, activity logs, etc.

DEFINITIONS

Disallowed costs means those charges to a Federal award that the Federal awarding agency or pass-through entity determines to be unallowable, in accordance with the applicable Federal statutes, regulations, or the terms and conditions of the Federal award.

Equipment means tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost which equals or exceeds the lesser of the capitalization level established by the non-Federal entity for financial statement purposes, or \$5,000. *See also §§200.12 Capital assets, 200.20 Computing devices, 200.48 General purpose equipment, 200.58 Information technology systems, 200.89 Special purpose equipment, and 200.94 Supplies.*

Fiscal Agent refers to the agency responsible for the administration of the PSN grant programs. FDLE has been assigned as the certified Fiscal Agent for PSN grants.

Grant agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non-Federal entity that, consistent with 31 U.S.C. 6302, 6304, is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non-Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal awarding agency or pass-through entity's direct benefit or use; and is distinguished from a cooperative agreement in that it does not provide for substantial involvement between the Federal awarding agency or pass-through entity and the non-Federal entity in carrying out the activity contemplated by the Federal award.

Improper payment means any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements. Improper payment also includes any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

Micro-purchase means a purchase of supplies or services using simplified acquisition procedures, the aggregate amount of which does not exceed the micro-purchase threshold. The non-Federal entity uses such procedures in order to expedite the completion of its lowest-dollar small purchase transactions and minimize the associated administrative burden and cost. The micro-purchase threshold is set by the Federal Acquisition Regulation in 48 CFR Subpart 2.1 (Definitions). It is \$10,000 except as otherwise discussed in Subpart 2.1 of that regulation, but this threshold is periodically adjusted for inflation.

Modified Total Direct Cost (MTDC) means all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first \$25,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$25,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency for indirect costs.

Non-Federal entity is a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Non-federal pass-through entity is a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program; the Florida Department of Law Enforcement (FDLE) is the non-federal pass-through entity for this agreement, also referred to as the State Administering Agency (SAA).

Performance goal means a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared, including a goal expressed as a quantitative standard, value, or rate. In some instances (e.g., discretionary research awards), this may be limited to the requirement to submit technical performance reports (to be evaluated in accordance with agency policy).

Period of performance means the time during which the non-Federal entity may incur new obligations to carry out the work authorized under the Federal award. The Federal awarding agency or pass-through entity must include start and end dates of the period of performance in the Federal award (see §§200.211 Information contained in a Federal award paragraph (b)(5) and 200.332 Requirements for pass-through entities, paragraph (a)(1)(iv)).

Protected Personally Identifiable Information (PII) means an individual's first name or first initial and last name in combination with any one or more of types of information, including, but not limited to social security numbers; passport numbers; credit card numbers; clearances; bank numbers; biometrics; date and place of birth; mother's maiden name; criminal, medical, and financial records; and educational transcripts. This does not include PII that is required by law to be disclosed. (See also § 200.79 Personally Identifiable Information (PII)).

Questioned cost means a cost that is questioned by the auditor because of an audit finding 1) that resulted from a violation or possible violation of a statute, regulation, or the terms and conditions of a Federal award, including for funds used to match Federal funds; 2) where the costs, at the time of the audit, are not supported by adequate documentation; or 3) where the costs incurred appear unreasonable and do not reflect the actions a prudent person would take in the circumstances.

Simplified acquisition threshold means the dollar amount below which a non-Federal entity may purchase property or services using small purchase methods. Non-Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 C.F.R. Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. § 1908. As of the publication of this part, the simplified acquisition threshold is \$250,000, but this threshold is periodically adjusted for inflation. (Also see definition of Micro-purchase, 2 C.F.R. § 200.67)

Subaward is an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual who is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Supplies means all tangible personal property other than those described in §200.33 Equipment. A computing device is a supply if the acquisition cost is less than the lesser of the capitalization level established by the non-Federal entity for financial statement purposes or \$5,000, regardless of the length of its useful life. See also §§200.20 Computing devices and 200.33 Equipment.

For PSN: Task Forces are established by each USAO to collaborate with a PSN team of federal, state, local, and tribal (where applicable) law enforcement and other community members to implement a strategic plan for investigating, prosecuting, and preventing violent crime.

SECTION I: TERMS AND CONDITIONS

1.0 Payment Contingent on Appropriation and Available Funds - The State of Florida's obligation to pay under this agreement is contingent upon an annual appropriation by the Florida Legislature. Furthermore, the obligation of the State of Florida to reimburse subrecipients for incurred costs is subject to available federal funds.

2.0 Commencement of Project - If a project is not operational within 60 days of the original start date of the award period, the subrecipient must report by letter to the Department the steps taken to initiate the project, the reasons for delay, and the expected start date.

If a project is not operational within 90 days of the original start date of the award period, the subrecipient must submit a second statement to the Department explaining the implementation delay.

Upon receipt of the ninety (90) day letter, the Department shall determine if the reason for delay is justified or shall, at its discretion, unilaterally terminate this agreement and re-obligate subaward funds to other Department approved projects. The Department, where warranted by extenuating circumstances, may extend the starting date of the project

past the ninety (90) day period, but only by formal written adjustment to this agreement.

3.0 Supplanting - The subrecipient agrees that funds received under this award will not be used to supplant state or local funds, but will be used to increase the amounts of such funds that would, in the absence of federal funds, be made available for law enforcement activities.

4.0 Personnel Changes - The subrecipient agrees to promptly notify the Department through the SIMON Help Desk of any change in chief officials or key project staff, including changes to contact information or title changes. The subrecipient acknowledges that some changes in points of contact will require formal grant adjustment to reflect the change in the agreement.

These procedures require the subrecipient to certify it shall not enter into any lower tiered covered transaction with a person who is debarred, suspended, declared ineligible or is voluntarily excluded from participating in this covered transaction, unless authorized by the Department. If the subaward is \$100,000 or more, the sub recipient and implementing agency certify that they and their principals:

- 1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, sentenced to a denial of federal benefits by a state or federal court, or voluntarily excluded from covered transactions by any federal department or agency;
- 2) Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
- 3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph (a)(ii) of the "Lobbying, Debarment and Drug Free Workplace" certification; and
- 4) Have not within a three-year period preceding this application had one or more public transactions (federal, state, or local) terminated for cause or default.

6.0 Federal Restrictions on Lobbying - In general, as a matter of federal law, federal funds may not be used by any subrecipient at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. § 1913.

Another federal law generally prohibits federal funds from being used by any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. § 1352.

7.0 State Restrictions on Lobbying - In addition to the provisions contained above, the expenditure of funds for the purpose of lobbying the legislature or a state agency is prohibited under this agreement.

8.0 Additional Restrictions on Lobbying - The subrecipient understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, without the express prior written approval of the Office of Justice Programs.

9.0 "Pay-to-Stay" - Funds from this award may not be used to operate a "pay-to-stay" program in any local jail. Furthermore, no funds may be given to local jails that operate "pay-to-stay" programs. "Local jail", as referenced in this condition, means an adult facility or detention center owned and/or operated by city, county, or municipality. It does not include juvenile detention centers. "Pay-to-stay" programs as referenced in this condition, means a program by which extraordinary services, amenities and/or accommodations, not otherwise available to the general inmate population, may be provided, based upon an offender's apparent ability to pay, such that disparate conditions of confinement are created for the same or similar offenders within a jurisdiction.

10.0The Coastal Barrier Resources Act - The subrecipient will comply and assure the compliance of all contractors with the provisions of the Coastal Barrier Resources Act (P.L. No. 97-348) dated October 18, 1982 (16 USC 3501 et seq.) which prohibits the expenditure of most new federal funds within the units of the Coastal Barrier Resources System.

All employees in positions designated by law as positions of trust or responsibility shall be required to undergo security background investigations as a condition of employment and continued employment. For the purposes of the subsection, security background investigations shall include, but not be limited to, employment history checks, fingerprinting for all purposes and checks in this subsection, statewide criminal and juvenile records checks through the Florida Department of Law Enforcement, and federal criminal records checks through the Federal Bureau of Investigation, and may include local criminal records checks through local law enforcement agencies.

Such background investigations shall be conducted at the expense of *the employing agency or employee*.

Part 22 that are applicable to collection, use, and revelation of data or information. The subrecipient further agrees, as a condition of award approval, to submit a Privacy Certificate in accordance with the requirements of 28 C.F.R. Part 22 and, in particular, 28 C.F.R. 22.23. Privacy Certification forms must be signed by the subrecipient or implementing agency chief official or an individual with formal, written signature authority for the chief official.

16.0General Appropriations Restrictions – The subrecipient must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes as set forth in the Consolidated Appropriations Act, 2018.

17.0Immigration and Nationality Act - No public funds will intentionally be awarded to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324(a), Section 274(A) of the Immigration and Nationality Act (“INA”). The Department shall consider the employment by any contractor of unauthorized aliens a violation of Section 274(A) of the INA. Such violation by the subrecipient of the employment provisions contained in Section 274(A) of the INA shall be grounds for unilateral cancellation of this contract by the Department.

18.0For NCHIP & NARIP: Enhancement of Security - If funds are used for enhancing security, the subrecipient must:

- 1) Have an adequate process to assess the impact of any enhancement of a school security measure that is undertaken on the incidence of crime in the geographic area where the enhancement is undertaken.

Any unexpended interest remaining at the end of the federal grant period must be submitted to the Office of Criminal Justice Grants for transmittal to DOJ.

2.0 Match - The value or amount of any "non-federal share," "match," or cost-sharing contribution incorporated into the approved budget is part of the "project cost" for purposes of the 2 C.F.R. § 200 Uniform Requirements, and is subject to audit. In general, the rules and restrictions that apply to award funds from federal sources also apply to funds in the approved budget that are provided as "match" or through "cost sharing."

SECTION IV: SUBAWARD MANAGEMENT AND REPORTING REQUIREMENTS

1.0 Obligation of Subrecipient Funds - Subaward funds shall not under any circumstances be obligated prior to the effective date, or subsequent to the termination date, of the period of performance. Only project costs incurred on or after the effective date, and on or prior to the termination date of the subrecipient's project are eligible for reimbursement. All payments must be completed within forty-five (45) days of the end of the subaward period of performance.

2.0 Use of Funds - Grant funds may be used only for the purposes in the subrecipient's approved application. Subrecipients shall not undertake any work or activities not described in the approved grant award, and that use staff, equipment, or other goods or services paid for with grant funds, without prior written approval from FDLE's Office of Criminal Justice Grants (OCJG).

3.0 Advance Funding - Advance funding may be provided to a subrecipient upon a written request to the Department. The request must be electronically signed by the subrecipient or implementing agency's Chief Financial Officer or the Chief Financial Officer designee.

4.0 Performance and Reporting

Reporting Time Frames - The Project Director, Application Manager, or Performance Contacts shall submit Monthly or Quarterly Project Performance Reports to the Department, within fifteen (15) days after the end of the reporting period. In addition, if the subaward period is extended beyond the "original" project period, additional Project Performance Reports shall be submitted.

Failure to Submit - Performance Reports that are not complete, accurate, and timely may result in sanctions, as specified in Section IV, Subaward Management and Reporting Requirements.

Report Contents - Performance Reports must include a response to all objectives included in your subaward. A detailed response is required in the narrative portion for yes/no performance objectives. Submitted performance reports must clearly articulate, where appropriate, performance during the execution of the award has met a standard against which the subrecipient's performance can be measured. The narrative must also reflect on accomplishments for the period and identify problems with project implementation and address actions being taken to resolve the problems. Additional information may be required if necessary to comply with federal reporting requirements.

Requirement for Data on Performance and Effectiveness Under the Award - The subrecipient must collect and maintain data that measures the performance and effectiveness of work under this award. The data must be provided to OCJG in the manner (including within the timeframes) specified by OCJG. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

Financial Consequences for Failure to Perform - In accordance with s. 215.971 F.S., payments for state and federal financial assistance must be directly related to the scope of work and meet the minimum level of performance for successful completion. If the subrecipient fails to meet the minimum level of service or performance identified in this agreement, or is customary for subawards, then the Department will apply financial consequences commensurate with the deficiency. Financial consequences may include but are not limited to withholding payments or reimbursement until the deficiency is resolved, tendering only partial payment/reimbursement, imposition of other financial consequences according to the Standard Conditions as applicable, and/or termination of contract and requisition of goods or services from an alternate source. Any payment made in reliance on subrecipient's evidence of performance, which evidence is subsequently determined to be erroneous, will be immediately due to the Department as an overpayment.

5.0 Grant Adjustments - Subrecipients must submit a grant adjustment through SIMON for major substantive changes such as changes in project activities or scope of the project, target populations, service providers, implementation schedules, project director, and designs or research plans set forth in the approved agreement and for any budget changes that affect a cost category that was not included in the original budget. Adjustments are also required when there will be a transfer of 10% or more of the total budget between budget categories, or there is an indirect cost rate category change.

Subrecipients may transfer up to 10% of the total budget between current, approved budget categories without prior approval as long as the funds are transferred to an existing line item.

Under no circumstances can transfers of funds increase the total budgeted award.

Requests for changes to the subaward agreement must be electronically signed by the subrecipient or implementing agency's chief official or the chief official's designee.

Retroactive (after-the-fact) approval of project adjustments or items not currently in the approved subaward will only be considered under extenuating circumstances. Subrecipients who incur costs prior to approval of requested adjustments do so at the risk of the items being ineligible for reimbursement under the award.

All requests for changes, including all requests for project period extensions, must be submitted in SIMON no later than thirty (30) days prior to grant expiration date.

6.0 Financial Expenditures and Reporting

Reporting Requirements - The subrecipient shall have a choice of submitting either a Monthly or a Quarterly Project Expenditure Report to the Department. Project Expenditure Reports are due thirty (30) days after the end of the reporting period. In addition, if the subaward period is extended, additional Project Expenditure Reports shall be submitted.

All project expenditures for reimbursement of subrecipient costs shall be submitted on the Project Expenditure Report Forms prescribed and provided by the Office of Criminal Justice Grants (OCJG) through the SIMON (Subgrant Information Management Online).

All Project Expenditure Reports shall be submitted in sufficient detail for proper pre-audit and post-audit.

All reports must relate financial data to performance accomplishments.

Before the "final" Project Expenditure Report will be processed, the subrecipient must submit to the Department all outstanding project reports and must have satisfied all special conditions. Failure to comply with the above provisions shall result in forfeiture of reimbursement.

Reports are to be submitted even when no reimbursement is being requested.

Submission - The report must be electronically signed by the subrecipient or implementing agency's Chief Financial Officer or the Chief Financial Officer designee.

7.0 Project Generated Income (PGI) - All income generated as a direct result of a sub project shall be deemed program income. Program income from asset seizures and forfeitures is considered earned when the property has been adjudicated to the benefit of the plaintiff (i.e., law enforcement entity).

Required Reports - The subrecipient shall submit Quarterly PGI Earnings and Expenditures Reports to the Department within thirty (30) days after the end of the reporting period covering subaward project generated income and expenditures during the previous quarter.

PGI Expenditure - Program income should be used as earned and expended as soon as possible and used to further the objectives for which the award was made.

Submission - PGI Earnings and Expenditures reports must be electronically signed by the subrecipient or implementing agency's chief financial officer or the chief financial officer's designee.

Unexpended PGI - If any PGI remains unspent after the subaward ends, the subrecipient must continue submitting quarterly PGI reports until all funds are expended.

Additionally, any unexpended PGI remaining at the end of the federal grant period must be submitted to OCJG for transmittal to the Bureau of Justice Assistance.

8.0 Subrecipient Integrity and Performance Matters - Requirement to report information on certain civil, criminal, and administrative proceedings to OCJG, SAM and FAPIIS.

The subrecipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, subrecipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management ("SAM"), to the designated federal integrity and performance system ("FAPIIS").

SECTION V: MONITORING AND AUDITS

1.0 Access to Records - The Florida Department of Law Enforcement, the Auditor General of the State of Florida, the U.S. Department of Justice, the U.S. Comptroller General or any of their duly authorized representatives, shall have access to books, documents, papers and records of the subrecipient, implementing agency and contractors for the purpose of audit and examination according to the Financial Guide and the 28 C.F.R. § 66. At any time, a representative of the Department, the U.S. Department of Justice, or the Auditor General of the State of Florida, have the right to visit the project site to monitor, inspect and assess work performed under this agreement.

The Department reserves the right to unilaterally terminate this agreement if the subrecipient, implementing agency, or contractor refuses to allow public access to all documents, papers, letters, or other materials subject to provisions of s. 119, F.S., unless specifically exempted and/or made confidential by operation of s. 119, F.S., and made or received by the subrecipient or its contractor in conjunction with this agreement.

The subrecipient will give the awarding agency or the General Accounting Office, through any authorized representative, access to and the right to examine all paper or electronic records related to the financial assistance.

2.0 Monitoring - The recipient agrees to comply with FDLE's grant monitoring guidelines, protocols, and procedures; and to cooperate with FDLE on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide FDLE all documentation necessary to complete monitoring of the award. Further, the recipient agrees to abide by reasonable deadlines set by FDLE for providing requested documents. Failure to cooperate with grant monitoring activities may result in sanctions affecting the recipient's award, including, but not limited to: withholding and/or other restrictions on the recipient's access to funds, referral to the Office of the Inspector General for audit review, designation of the recipient as a FDLE High Risk grantee, or termination of award(s).

3.0 Property Management - The subrecipient shall establish and administer a system to protect, preserve, use, maintain and dispose of any property furnished to it by the Department or purchased pursuant to this agreement according to federal property management standards set forth in the DOJ Grants Financial Guide, and 28 C.F.R. § 66. This obligation continues as long as the subrecipient retains the property, notwithstanding expiration of this agreement.

Property Use - The subrecipient must use equipment acquired under a Federal award for the authorized purposes of the project during the period of performance, or until the property is no longer needed. Subrecipients must use, manage

and dispose of equipment acquired under a Federal award in accordance with ss. 274, F.S. Tangible Property and 2 C.F.R. 200.313, Equipment.

4.0 Subaward Closeout - A Financial Closeout Audit shall be submitted to the Department within forty-five (45) days of the end date of the performance period.

The Financial Closeout Audit report located in SIMON must be electronically signed by the subrecipient or implementing agency's Chief Financial Officer or the Chief Financial Officer designee.

Subaward Closeout will be initiated by the Department after the Financial Closeout has been completed and approved. Failure to submit closeout reports timely will result in an Administrative Closeout by the Department.

5.0 High Risk Subrecipients - If a subrecipient is designated "high risk" by a federal grant-making agency, currently or at any time during the course of the period of performance under this award, the subrecipient must disclose that fact and certain related information to FDLE's OCJG. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the subrecipient's past performance, or other programmatic or financial concerns with the subrecipient. The subrecipient's disclosure must include the following: 1. The federal awarding agency that currently designates the subrecipient high risk, 2. The date the subrecipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

6.0 Imposition of Additional Requirements - The subrecipient agrees to comply with any additional requirements that may be imposed by OCJG during the period of performance for this award, if the subrecipient is designated as "high risk" for purposes of the DOJ high-risk grantee list.

7.0 Retention of Records - The subrecipient shall maintain all records and documents for a minimum of five (5) years from the date of the final financial statement and be available for audit and public disclosure upon request of duly authorized persons. The subrecipient shall comply with State of Florida General Records Schedule GS1-SL for State and Local Government Agencies:

<https://fdoswebumbracoprod.blob.core.windows.net/media/703328/g1-sl-2020.pdf>.

8.0 Disputes and Appeals - The Department shall make its decision in writing when responding to any disputes, disagreements, or questions of fact arising under this agreement and shall distribute its response to all concerned parties. The subrecipient shall proceed diligently with the performance of this agreement according to the Department's decision. If the subrecipient appeals the Department's decision, the appeal also shall be made in writing within twenty-one (21) calendar days to the Department's clerk (agency clerk). The subrecipient's right to appeal the Department's decision is contained in § 120, F.S., and in procedures set forth in Rule 28-106.104, Florida Administrative Code. Failure to appeal within this time frame constitutes a waiver of proceedings under Chapter 120, F.S.

9.0 Failure to Address Audit Issues - The subrecipient understands and agrees that FDLE's OCJG may withhold award funds, or may impose award conditions or other related requirements, if (as determined by OCJG) the subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the 2 C.F.R. § 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews.

10.0 Single Annual Audit - Subrecipients that expend \$750,000 or more in a year in federal awards shall have a single audit or program-specific audit conducted for that year. The audit shall be performed in accordance with the OMB 2 C.F.R. § 200 Subpart F – Audit Requirements and other applicable federal law. The contract for this agreement shall be identified in the Schedule of Federal Financial Assistance in the subject audit. The contract shall be identified as federal funds passed through the Florida Department of Law Enforcement and include the contract number, CFDA number, award amount, contract period, funds received and disbursed. When applicable, the subrecipient shall submit an annual financial audit that meets the requirements of 2 C.F.R. § 200 Subpart F, "Audit Requirements" s. 215.97, F.S., "Florida Single Audit Act" and Rules of the Auditor General, Chapter 10.550, and Chapter 10.650, "Local Governmental Entity Audits" and "Florida Single Audit Act Audits Nonprofit and For-Profit Organizations."

A complete audit report that covers any portion of the effective dates of this agreement must be performed and submitted to the Federal Audit Clearinghouse within the earlier of thirty (30) calendar days after receipt of the auditor's report(s), or nine (9) months after the end of the audit period. Submissions must include required elements described in Appendix X to 2 C.F.R. § 200 on the specified Data Collection Form (Form SF-SAC).

Records shall be made available upon request for a period of five (5) years from the date the audit report is issued, unless extended in writing by the Department.

Subrecipients that expend less than \$750,000 in federal awards during a fiscal year are exempt from the Single Audit Act audit requirements for that fiscal year. In this case, written notification, in the form of the "Certification of Audit Exemption" form, shall be provided to the Department by the Chief Financial Officer, or designee, that the subrecipient is exempt. This notice shall be provided to the Department no later than March 1 following the end of the fiscal year.

SECTION VI: SUBAWARD PROCUREMENT AND COST PRINCIPLES

- 1.0 Procurement Procedures** - Subrecipients must have written procedures for procurement transactions. Procedures must conform to applicable Federal law and the standards in 2 C.F.R. §§ 200.318-326.

This condition applies to agreements that OCJG considers to be a procurement "contract", and not a second tier subaward.

The details of the advance approval requirement to use a noncompetitive approach in a procurement contract under this award are posed on the OJP website at

<https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm>.

Additional information on Federal purchasing guidelines can be found in the Guide to Procurements Under DOJ Grants and Cooperative agreements at

<https://ojp.gov/funding/Implement/Resources/GuideToProcurementProcedures.pdf>.

- 2.0 Cost Analysis** - A cost analysis must be performed by the subrecipient if the cost or price is at or above the \$35,000 acquisition threshold and the contract was awarded non-competitively in accordance with s. 216.3475, F.S. The subrecipient must maintain records to support the cost analysis, which includes a detailed budget, documented review of individual cost elements for allowability, reasonableness, and necessity. See also: [Reference Guide for State Expenditures](#).
- 3.0 Allowable Costs** - Allowance for costs incurred under the subaward shall be determined according to the general principles and standards for selected cost items set forth in the DOJ Grants Financial Guide, 28 C.F.R. § 66, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments", and 2 CFR Subpart E, "Cost Principles".
- 4.0 Unallowable Costs** - Payments made for costs determined to be unallowable by either the Federal awarding agency, or the Department, either as direct or indirect costs, must be refunded (including interest) to FDLE and the Federal Government in accordance with instructions that determined the costs are unallowable unless state or Federal statute or regulation directs otherwise. See also 2 C.F.R. §§ 200.300-309.
- 5.0 Indirect Cost Rate** - A subrecipient that is eligible to use the "de minimis" indirect cost rate described in 2 C.F.R. § 200.414(f), and elects to do so, must advise OCJG in writing of both its eligibility and its election, and must comply with all associated requirements in the 2 C.F.R. § 200 and Appendix VII.
- 6.0 Sole Source** - If the project requires a non-competitive purchase from a sole source costing \$10,000 or more, the subrecipient must complete the Sole Source Justification for Services and Equipment Form and submit to OCJG upon application for pre-approval. If the subrecipient is a state agency and the cost meets or exceeds \$250,000, the subrecipient must also receive approval from the Department of Management Services (DMS) (s. 287.057(5), F.S.). The Sole Source form must be signed by the subrecipient or implementing agency chief official or chief official designee. Additional details on the sole source requirement can be found at 2 C.F.R. § 200 and the DOJ Grants Financial Guide.
- 7.0 Personal Services** - Subrecipients may use grant funds for eligible personal services including salaries, wages, and fringe benefits, including overtime in accordance with the DOJ Grants Financial Guide Section 3.9 - Compensation for Personal Services, consistent with the principles set out in 2 C.F.R. § 200, Subpart E and those permitted in the federal program's authorizing legislation. Subrecipient employees should be compensated with overtime payments for work performed in excess of the established work week and in accordance with the subrecipient's written compensation and pay plan.

Documentation - Charges for salaries, wages, and fringe benefits must be supported by a system of internal controls providing reasonable assurance that charges are accurate, allowable, and properly allocated. Documentation supporting charges must be incorporated into the official records of the organization.

Charges made to the Personnel Budget Category must reasonably reflect the total time and activity for which the employee is compensated by the organization and cover both federally funded and all other activities. The records may

include the use of subsidiary records as defined in the organization's written policies. Where grant subrecipients work on multiple grant programs or cost activities, documentation must support a reasonable allocation or distribution of costs among specific activities or cost objectives.

8.0 Contractual Services - The subrecipient must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts as described in 2 C.F.R. § 200.318, General procurement.

Requirements for Contractors of Subrecipients - The subrecipient assures the compliance of all contractors with the applicable provisions of Title I of the Omnibus Crime Control and Safe Streets Act of 1968, as amended 34 U.S.C. § 10101 et seq.; the provisions of the current edition of the DOJ Grants Financial Guide (https://ojp.gov/financialguide/doj/pdfs/DOJ_FinancialGuide.pdf); and all other applicable federal and state laws, orders, circulars, or regulations. The subrecipient must pass-through all requirements and conditions applicable to the federal grant award/subaward to any subcontract. The term "contractor" is used rather than the term "vendor" and means an entity that receives a contract as defined in 2 C.F.R. § 200.22, the nature of the contractual relationship determines the type of agreement.

Approval of Consultant Contracts Compensation for individual consultant services must be reasonable and consistent with that paid for similar services in the marketplace. The Federal awarding agency and pass-through entity must review and approve in writing all consultant contracts prior to employment of a consultant when the individual compensation rate exceeds \$650 (excluding travel and subsistence costs) per eight-hour day, or \$81.25 per hour. A detailed justification must be submitted to and approved by FDLE, who will coordinate written approval of the Federal awarding agency, prior to subrecipient obligation or expenditures of such funds. Approval shall be based upon the contract's compliance with requirements found in the Financial Guide Section 3.6 Consultant Rates, 28 C.F.R. § 66, and applicable state statutes. The Department's approval of the subrecipient agreement does not constitute approval of individual consultant contracts or rates. If consultants are hired through a competitive bidding process (not sole source), the \$650 threshold does not apply.

FFATA Reporting Requirements - Subrecipients that enter into subawards of \$25,000 or more should review the Federal Funding Accountability and Transparency Act of 2006 (FFATA), website for additional reporting requirements at <https://ojp.gov/funding/Explore/FFATA.htm>

9.0 Travel and Training - The cost of all travel shall be reimbursed according to the subrecipient's written travel policy. If the subrecipient does not have a written travel policy, cost of all travel will be reimbursed according to State of Florida Travel Guidelines § 112.061, F.S. Any foreign travel must obtain prior written approval from the Federal awarding agency and pass-through entity.

10.0 Expenses Related to Conferences, Meetings, Trainings, and Other Events - Subgrant funds requested for meetings, retreats, seminars, symposia, events, and group training activities and related expenses must receive written pre-approval from the Federal awarding agency and pass-through entity and comply with all provisions in 2 C.F.R. § 200.432 and DOJ Grants Financial Guide Section 3.10; Conference Approval, Planning, and Reporting. Subgrant applications requesting approval for meeting, training, conference, or other event costs must include a completed Conference & Events Submission Form for approval prior to obligating subgrant funds for these purposes.

11.0 Training and Training Materials – Any training or training materials that has been developed or delivered with grant funding under this award must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at www.ojp.gov/funding/ojptrainingguidingprinciples.htm.

12.0 Publications, Media and Patents Ownership of Data and Creative Material - Ownership of material, discoveries, inventions, and results developed, produced, or discovered subordinate to this agreement is governed by the terms of the DOJ Grants Financial Guide, 28 C.F.R. §§ 66, and 200.315.

Publication or Printing of Materials - Publication costs for electronic and print media, including distribution, promotion, and general handling are allowable. If these costs are not identifiable with a particular direct cost objective, it should be allocated as indirect costs. Publication includes writing, editing, and preparing the illustrated material (including videos and electronic mediums).

Subrecipients must request pre-approval in writing for page charges for professional journal publications. All publication materials must comply with provisions in 2 C.F.R. § 200.461 and DOJ Grants Financial Guide, Section 3.9; Allowable Costs – Publication.

Subrecipients must submit for review and approval one (1) copy of any written materials to be published, including web-

based materials and website content, to be paid under this award at least thirty (30) days prior to the targeted dissemination date.

All electronic and print materials paid under this award must contain the following statements identifying the federal award:

"This project was supported by Award No. [Federal Award Number] awarded by the [Bureau of Justice Assistance/Bureau of Justice Statistics], Office of Justice programs. The opinions, findings, and conclusions or recommendations expressed in this publication/program/exhibition are those of the authors and do not necessarily reflect the views of the Department of Justice or grant-making component."

Any website funded in whole or in part under this award must include the same statement on the home page, on all major entry pages (i.e., pages (exclusive of documents) whose primary purpose is to navigate the user to interior content), and on any pages from which a visitor may access or use a web-based service, including any pages that provide results or outputs from the service.

Patents - Subrecipients are subject to applicable regulations governing patents and inventions, including government wide regulations issued by the Department of Commerce (37 C.F.R. § 401 and 2 C.F.R. § 200.315(c)).

Subrecipients must promptly and fully report to FDLE and the Federal awarding agency if any program produces patentable items, patent rights, processes, or inventions, in the course of work sponsored under this award.

13.0 For NCHIP & NICS: Purchase of Automated Fingerprint Identification System (AFIS) - AFIS equipment purchased under this award must conform to the American National Standards Institute (ANSI) Standard, "Data Format for the Interchange of Fingerprint, Facial & Other Biometric Information" (ANSI/NIST-ITL 1-2007 PART 1) and any other applicable standards set forth by the Federal Bureau of Investigation (FBI).

14.0 Information Technology Projects

Criminal Intelligence Systems - The subrecipient agrees that any information technology system funded or supported by the Office of Justice Programs funds will comply with 28 C.F.R. § 23, Criminal Intelligence Systems Operating Policies, if the Office of Justice Programs determines this regulation to be applicable. Should the Office of Justice Programs determine 28 C.F.R. § 23 to be applicable, the Office of Justice Programs may, at its discretion, perform audits of the system, as per 28 C.F.R. § 23.20(g). Should any violation of 28 C.F.R. § 23 occur, the subrecipient may be fined as per 42 U.S.C. § 3789g(c)-(d). The subrecipient may not satisfy such a fine with federal funds.

The subrecipient understands and agrees that no awarded funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography. In doing so the subrecipient agrees that these restrictions will not limit the use of awarded funds necessary for any federal, state, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecutions, or adjudication activities.

State IT Point of Contact - The subrecipient must ensure that the State IT Point of Contact receives written notification regarding any information technology project funded by this grant during the obligation and expenditures period. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these grant funds. In addition, the subrecipient must maintain an administrative file documenting the meeting of this requirement. For a list of State IT Points of Contact, go to <https://it.ojp.gov/technology-contacts>.

The State IT Point of Contact will ensure the subrecipient's project follows a statewide comprehensive strategy for information sharing systems that improve the functioning of the criminal justice system, with an emphasis on integration of all criminal justice components, law enforcement, courts, prosecution, corrections, and probation and parole.

Interstate Connectivity - To avoid duplicating existing networks or IT systems in any initiatives funded by the Bureau of Justice Assistance for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the subrecipient can demonstrate to the satisfaction of the Bureau of Justice Assistance that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

ADP Justification - The subrecipient must complete an Automated Data Processing (ADP) equipment and Software and Criminal Justice Information and Communication Systems Request for Approval form if the purchase of any ADP

equipment is to be made. This form must be submitted upon application if applicable and pre-approval must be obtained. ADP Justification must be signed by the subrecipient or implementing agency chief official or an individual with formal, written signature authority for the chief official.

15.0 Interoperable Communications Guidance - Subrecipients using funds to support emergency communications activities must comply with the current SAFECOM Guidance for Emergency Communication Grants, including provisions on technical standards that ensure and enhance interoperable communications. Emergency communications activities include the purchase of Interoperable Communications Equipment and technologies such as voice-over-internet protocol bridging or gateway devices, or equipment to support the build out of wireless broadband networks in the 700 MHz public safety band under the Federal Communications Commission (FCC) Waiver Order. SAFECOM guidance can be found at <https://www.dhs.gov/publication/funding-documents>.

Subrecipients interested in developing a public safety broadband network in the 700 MHz band in their jurisdictions must adhere to the technical standards set forth in the FCC Waiver Order, or any succeeding FCC orders, rules, or regulations pertaining to broadband operations in the 700 MHz public safety band. The subrecipient shall also ensure projects support the Statewide Communication Interoperability Plan (SCIP) and are fully coordinated with the full-time Statewide Interoperability Coordinator (SWIC). If any future regulatory requirement (from the FCC or other governmental entity) results in a material technical or financial change in the project, the subrecipient should submit associated documentation, and other material, as applicable, for review by the SWIC to ensure coordination. Subrecipients must provide a listing of all communications equipment purchased with grant award funding (plus the quantity purchased of each item) to FDLE once items are procured during any periodic programmatic progress reports.

14.0 Global Standards Package - In order to promote information sharing and enable interoperability among disparate systems across the justice and public safety community, OJP requires the grantee to comply with DOJ's Global Justice Information Sharing Initiative (DOJ's Global) guidelines and recommendations for this particular grant. Grantee shall conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at <https://it.ojp.gov/gsp>. Grantee shall document planned approaches to information sharing and describe compliance to the GSP and appropriate privacy policy that protects shared information, or provide detailed justification for why an alternative approach is recommended.

15.0 Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment – In accordance with the requirements as set out in 2 C.F.R. § 200.216, subrecipients are prohibited from obligating or expending grant funds to:

- 1) Procure or obtain;
- 2) Extend or renew a contract to procure or obtain;
- 3) Enter into a contract to procure or obtain equipment, services, or systems that use telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, produced by Huawei Technologies Company or ZTE Corporation (or a subsidiary or affiliate of such entities).

16.0 Unreasonable Restrictions on Competition - This condition applies with respect to any procurement of property or services funded (in whole or in part) by this subaward, by the subrecipient (at any tier), and regardless of the dollar amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used. The provisions of this condition must be among those included in any subaward (at any tier).

- i. Consistent with the (DOJ) Part 200 Uniform Requirements -- including as set out at 2 C.F.R. 200.300 and 200.319(a) – Subrecipient (at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.
- ii. Monitoring of compliance with the requirements of this condition will be conducted by FDLE.
- iii. The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor (at any tier), grant recipient or -subrecipient (at any tier), agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.

- iv. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

17.0 Non-Disclosure Agreements - No subrecipient or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

18.0 Confidential Funds and Confidential Funds Certificate - A signed certification that the Project Director or Implementing Agency Chief Official has read, understands, and agrees to abide by all conditions for confidential funds outlined in Section 3.12 of the [DOJ Grants Financial Guide](#) is required for all projects that involve confidential funds. The signed certification must be submitted at the time of grant application. Confidential Funds certifications must be signed by the subrecipient or implementing agency Chief Official or an individual with formal, written signature authority for the Chief Official.
