Agenda Item No. 8(G)(6)

Resolution No. R-693-22

Subject: Setting of Proposed FY 2022-23 Library District Operating Millage Rate

Executive Summary

This item recommends a Library District Operating millage rate for the Board's approval. As the Proposed Budget was developed this year, a prioritization was given to sustaining our current level of services for the Library District and completing required capital projects that are mandated by 40-year certification and other requirements to be completed within the five-year forecast. I would urge the Board to consider the below millage rate. Although it is a lower rate than what has been proposed for several years, it is enough to provide the service that is required in the Library District.

Recommendation

It is recommended that the Board approve the Library District operating millage rate of 0.2812 mills, as proposed in the FY 2022-23 Proposed Budget, for use in preparing the "Notice of Proposed Property Taxes" to be mailed to all property owners in August. The proposed millage rate represents a one percent reduction from the adopted FY 2021-22 millage rate for the Library District.

Scope

State law requires that all property owners be advised of proposed property taxes along with notification of public budget hearings. The Property Appraiser will mail required notices to all property owners in August using proposed tax rates adopted by all taxing authorities in Miami-Dade County.

Delegated Authority

This item contains no delegations of authority to the County Mayor or Mayor's designee.

Fiscal Impact/Funding Source

The millage rate recommended will generate \$90.461 million in ad valorem revenue for the Library District.

Track Record/Monitor

Not applicable.

Background

The recommended Library District operating millage rate of 0.2812 mills provides revenue to support Library District operations as provided for in the FY 2022-23 Proposed Budget.
