Background

On January 25, 2021, the County sought proposals under Request for Proposals No. NRT-2021001 (North Tower) (RFP) for the redevelopment the properties located at 395 NW 1st Street and 25 NW River Drive, Miami Florida 33128. The market value of both properties according to the Property Appraiser’s website is \$4,202,796.00. RUDG submitted a response to the RFP in which it proposes to develop and construct on the sites, two standalone mixed-income residential towers featuring a signature elevated pedestrian bridge connecting the two towers. The development will include a total of 439 affordable, workforce, and market rate housing units, of which approximately 20 percent of the total residential units will be set aside for households at or below 50 percent of area median income (AMI), approximately 20 percent of the total residential units will be set aside for workforce households earning between 60 percent and 140 percent of AMI, and approximately 60 percent of the total residential units shall be unrestricted residential rental units. Additionally, a parking garage will be constructed with approximately 478 spaces, and ground floor retail totaling approximately 5,400 square feet, for commercial uses and a historical exhibit showcasing Lummus Park. The site will be developed in

compliance with the regulations set forth by the Miami-Dade County’s Rapid Transit Zone (RTZ) Government Center Sub-Zone in accordance with section 33C-11 of the Code of Miami-Dade County, Florida.

The design and operation of the project’s development will be subject to the County’s sustainable buildings program together with Implementing Order 8-8. RUDG will design the development to be consistent with a Silver certification from the US Green Building Council LEED, and is subject to sea level rise and resilience in accordance with Resolution No. R-451-14, The RUDG will also be required to consider sea level rise projections and potential impacts as best estimated at the time of the projects using regionally consistent unified sea level rise projections and sea level mapping websites, during all project phases to ensure the project will function properly for 50 years or the design life of the project, whichever is greater.

To meet the County’s Art in Public Places program requirements, RUDG in partnership with History Miami-Downtown Miami Premier cultural institution committed to celebrating Miami history, RUDG will curate a signature waterfront installation to honor the Historic Lummus Park. Additionally, RUDG has committed to meet or exceed federal accessibility requirements and other requirements as indicated by Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794 and 24 C.F.R. Parts 8 and 9, prohibits discrimination against persons with disabilities in any program or activity receiving Federal Financial assistance. RUDG will provide at a minimum (unless more stringent requirements apply) not less than five percent of UFAS compliant units for mobility-impaired persons. An additional minimum of two percent for people with hearing or vision impairments. Further, RUDG will commit to provide a minimum of 20 percent of the value of the construction contracts to Section 3 certified, or CBE, DBE, S/M/WBE, and labor surplus area firms and it will commit to providing 30 percent of the permanent jobs created for Section 3 or targeted zip code residents. The targeted zip codes are as follows: 33125, 33127, 33128, 33130, 33135, 33136, 33137, 33138, 33142. In addition, the RUDG also will commit to providing 20 percent of the construction jobs created for Section 3 or targeted zip code residents. The targeted zip codes shall be the following: 33125, 33127, 33128, 33130, 33135, 33136, 33137, 33138, 33142. RUDG conservatively estimates that the development of the project will create an economic impact more than \$30 million for Section 3 or minority firms.

The development of The Gallery at Lummus Park will fully maximize the site’s RTZ zoning and will serve as a gateway from the Miami Riverfront to the Government Center Subzone. RUDG will partner with Velocia, one of Miami Dade leading multi modal transit partners. The partnership significantly enhances the County’s extensive investment in public transit across the Government Center Subzone through delivery of commuting and work/play transportation options that forestall the need and expense of personal vehicles. Velocias’ multi modal transit model aligns with Miami-Dade County and PHCD’s “Smart Growth” approach by creating first/last mile connectivity with Government Center subzone to key public transit lines including the Government Center Metromover Stations and Miami Central Station /Brightline.

2. Nature of Agreement.

This Agreement sets forth the principal terms that have been agreed to by the parties concerning the Development. It is anticipated that this Agreement will constitute the “Master Development Agreement” for the development and construction of the Development. The parties are executing this Agreement to establish the principal terms of the transaction in order to enable both parties to proceed with an understanding of their obligations and agreements with regard to the Development.

This Agreement is intended to provide an overall framework for a cooperative, public-private, highly coordinated approach to the implementation of the redevelopment plan of the Development. The County and the Developer agree to work with each other in good faith to execute any subsequent agreements that may be needed to complete the Development.

3. Development Feasibility and Structure.

- (a) Request for Proposals and Developer’s Response. On January 25, 2021, the County sought proposals under Request for Proposals No. NRT-2021001 (the “RFP”) for the Development from qualified housing developers. Developer submitted a response to the RFP and County selected Developer’s proposal as the highest-ranked response to the RFP. The County hereby approves the designation of the Developer as the developer of the Development, and as the County’s “Partner,” subject to and in accordance with the terms and conditions provided herein. The County also approves the further assignment of development rights to other phase-specific development entities which are affiliated with Developer for each phase, and upon such assignment, Developer’s responsibilities hereunder will cease and be of no further effect, and such responsibilities will transfer to such other phase-specific entity.
- (b) Development Overview. The parties hereby agree that the Development shall be a mixed-income housing development, consisting of the new construction of two standalone mixed-income residential towers. The Development will include a total of approximately 439 affordable, workforce, and market rate housing units, a parking garage with approximately 478 spaces, and ground floor retail totaling approximately 5,400 square feet, for commercial uses and a historical exhibit showcasing Lummus Park.

The site will be developed in compliance with the regulations set forth by the MDC-RTZ Government Center Sub-Zone, Sec. 33C-11 of the Miami Dade County Code.

The preliminary schematic plans for the Development are attached hereto at Exhibit A (hereinafter referred to as the “**Scope of Work**”). These preliminary Schematic Plans are subject to change as set forth in Section 4(b). An initial development budget for the the Development will be attached (as set forth below) hereto as Exhibit B (hereinafter referred to as the “**Development Budget**”), and will include a pre-development budget. An initial development schedule will be attached (as set forth below) hereto as Exhibit

C (hereinafter referred to as the “**Development Schedule**”). A description of the unit types, sizes and targeted income levels (the “**Unit Mix**”) for the Development is attached as Exhibit D. A list of key Development team members is attached as Exhibit E. The Scope of Work, Development Budget, Development Schedule, and the Unit Mix shall be referred to as the “**Redevelopment Plan**.”

The Developer will submit the Development Budget and Development Schedule to the County within sixty (60) days after the Effective Date for the County’s review, comment and approval. Upon approval of the Development Budget and Development Schedule by the County, each will be incorporated hereto, respectively, as Exhibit B and Exhibit C. If the County has not provided the Developer with written notice of its approval of the Development Budget and Development Schedule or with any written comments with respect thereto within the later of (i) thirty (30) days of submission, or (ii) ninety (90) days following the execution of this Agreement, the County shall be deemed to have consented to the Development Budget and Development Schedule.

Following the County’s approval (or deemed approval) of the Development Budget and Development Schedule, Developer shall be required to obtain the County’s approval, such approval not to be unreasonably withheld, only with respect to Material Changes to the Redevelopment Plan and as Material Changes become necessary. At a minimum, notice of any Development updates shall be provided in monthly intervals. After the County provides County’s approval (or deemed approval) of the Redevelopment Plan, any other changes, other than Material Changes, shall be deemed effective upon the Developer providing to the County notice of said change(s). Subject to the preceding sentence, the following shall be considered “**Material Changes**”:

- (1) Changes to the Unit Mix, which consists of approximately 439 residential units, with the following affordability ranges:
 - (a) Approximately twenty percent (20%) of the residential units will be set aside for households at/or below fifty percent (50%) of Area Median Income (“**AMI**”).
 - (b) Approximately twenty percent (20%) of the units shall be set aside for workforce households earning between sixty percent (60%) and one hundred forty percent (140%) of AMI.
 - (c) Approximately sixty percent (60%) of the residential units shall be unrestricted residential units.
- (2) Prior to Financial Closing, an increase in the Development Budget by more than ten percent (10%), net of inflation as determined by the R. S. Means City Cost Index for Miami; or
- (3) Prior to Financial Closing, changes to the Development Schedule that delay Construction Completion or lease-up by more than ninety (90) calendar days.

If the County has not provided the Developer with written notice of its approval of any submitted Material Change(s) to the Redevelopment Plan or with any written comments to any such submitted Material Change(s) within thirty (30) days of submission, the County shall be deemed to have consented to any such Material Change(s) to the Redevelopment Plan.

The County and Developer acknowledge and agree that the Development will require County approval and, if required, may result in the release of certain excess property that is encumbered by the Ground Lease.

Furthermore, contemporaneously with the execution of this Agreement, a Ground Lease was executed by and between the County and the Developer to reflect the site control granted to the Developer with respect to the Development (the “**Ground Lease**,” as such may be amended and/or restated from time-to-time).

- (c) Ownership Entities for Rental Phase and Selection of Investor. The Developer may form an ownership entity to own the Development or the Developer may own the Development (an “**Owner Entity**”). The Owner Entity will have a managing member that will be a limited liability company controlled by the Developer. The principal equity interests in the Owner Entity may be owned by a LIHTC investor and/or Qualified Opportunity Fund that is selected by the Developer and subject to approval by the County, not to be unreasonably withheld, within thirty (30) calendar days, and/or Developer may invest proceeds received from RAD refinancings previously approved under County Resolution No. R-1059-19.

Notwithstanding the foregoing set forth in Sections 3(a) through 3(c), this Agreement and the parties’ obligations hereunder are contingent upon the final approval of this Agreement by the Board, which shall be within the Board’s sole discretion. If the Board, in its sole discretion, does not approve this Agreement, this Agreement shall be null and void.

4. Development Responsibilities.

- (a) Developer Responsibilities. As more specifically set forth herein, the Developer (which, for purposes of this Section 4, will be deemed, if applicable, to be the Owner Entity to which Developer has entered into a Ground Lease with the intent for such entity to develop all or a portion of the Property) shall be responsible for development services in connection with the new construction work of the Development. The Developer shall be responsible to manage and maintain the continued occupancy of the Development upon Construction Completion of the Development, as well as carrying out all other work for which Developer is responsible, as such responsibilities are detailed in this Agreement. obtaining necessary city and County approvals, and hiring a general contractor or construction manager. Not less than ten (10) calendar days prior to submission of any funding applications, the Developer shall submit to the County a complete draft development plan (each, a “**Development Plan**”), including Scope of Work, Development Budget in Excel (in a format that includes formulas and cell inputs that the County can review and work with), Development Schedule and Unit Mix. If the Development Plan incorporates Material Changes to the Redevelopment Plan, then the County shall approve any modifications to a Development Plan within ten (10) calendar days after the County receives the Development Plan.

- (3) providing all required third-party guarantees, including investor and completion guarantees;
- (4) providing identification of all sources and uses of funding, cost estimates, and confirming the appropriateness of all budget line items, assisting in preparing or coordinating all documents necessary for closing of the financing in accordance with applicable requirements; collaborating with the County to finalize documents; scheduling the financial closing; and providing a copy of all financial closing documents to the County in open and unlocked Excel (in a format that includes formulas and cell inputs that the County can review, discuss and modify, if needed);
- (5) entering into contracts or agreements, consistent with the terms of this Agreement, necessary or convenient for Construction Completion of the Development, which contracts or agreements may be assigned, as appropriate, by the Developer to the related Owner Entity at or prior to the financial closings. Awards shall be made to the bidder or offeror whose bid or offer is most advantageous to the Development, taking into consideration price, quality and other factors deemed by the Developer to be relevant; the Developer shall make good faith efforts to contract with qualified bidders and offerors that are HUD Section 3 businesses, Small and Minority firms, Women’s Business Enterprise, and Labor Surplus Area firms, and is committed to providing 20% of the value of the construction contracts for the Development to Section 3 businesses or Small and Minority firms, Women’s Business Enterprise, and Labor Surplus Area firms. The Developer shall not employ or contract with any third party contractor which has been debarred by HUD or the County and shall promptly terminate any contracts with any third party contractor that is subsequently debarred. The Developer is also committed to hiring Section 3 eligible residents for 30% of new hires for the permanent operations phase and 20% of new hires for the construction phase of the Development;

- (6) determining all necessary governmental approvals for such plans;
- (7) carrying out pre-construction and construction activities, including demolition (as applicable), geotechnical testing, environmental testing and remediation (as applicable), design and engineering of the Development, guaranteeing Construction Completion of same without Material Changes to the Development Budget or Development Schedule, and ensuring compliance with all applicable laws, rules and regulations;

If the County has not provided the Developer with written notice of its approval of the Management Agreement or with any written comments with respect thereto within the later of (i) thirty (30) days of submission, or (ii) ninety (90) days following the execution of this Agreement, the County shall be deemed to have consented to the Management Agreement attached hereto and made a part hereof as Exhibit F to this Agreement, following the Construction Completion of the Development, including maintaining all applicable occupancy standards and maintaining all requisite reports, certifications and data in accordance with applicable UFAS units reporting requirements; Developer shall assist the County with all reporting and coordination requirements and submissions required for the project;
- (9) maintaining regular communication and attending monthly progress meetings with the County regarding its development activities, and providing written monthly reports to include: (a) current month's activities; (b) next month's planned activities; (c) schedule narratives (including any changes); (d) subcontracting narrative, including, but not limited to: job training, employment, small and minority firms, women-owned enterprises, and labor surplus firms, during construction and post construction; (e) financing summary of status; and (f) pending issues;
- (10) establishing a detailed scope of work, in conjunction with the County, for the new construction work and submitting the same for County approval; and
- (11) providing all records as may be required by the County, including, but not limited to, records pertaining to Responsible Wage, Living Wage, or if applicable, Davis-Bacon, job training, employment, small and minority firms, women-owned enterprises, and labor surplus firms, during construction and post construction, etc.
- (12) Pursuant to Section 2-8.10 of the Miami-Dade County Code, this Contract is subject to a user access fee under the County User Access Program (UAP) in the amount of two percent (2%). All sales resulting from this Agreement, or any contract resulting from the solicitation referenced on the first page of this Agreement, and the utilization of the County Contract price and the terms and conditions identified herein, are subject to the two percent (2%) UAP. This fee

applies to all contract usage whether by County Departments or by any other governmental, quasi-governmental or not-for-profit entity.

The Developer providing goods or services under this Agreement shall invoice the contract price and shall accept as payment thereof the contract price less the 2% UAP as full and complete payment for the goods and/or services specified on the invoice. The County shall retain the 2% UAP for use by the County to help defray the cost of the procurement program. The Developer's participation in this invoice reduction portion of the UAP is mandatory.

(b) Design, Construction, and Accessibility Requirements.

- (1) The Developer and County shall conduct value engineering reviews during design and construction document phases to minimize construction cost and maximize scope of work to be done with allocated funding. The County will have access to design drawings, may provide comments and requests to changes in design, finishes and all aspects of the design development process, and may participate in the design decision making process for all material design and development programming decisions.
- (2) The Developer will provide the County with all cost certifications and reports from the investor and lender and the County will have the opportunity to review and comment on such certifications and reports.
- (3) The County will have the opportunity to approve all change orders that require the approval of the investor and the lender (i.e., in excess of those minimum thresholds per occurrence and in the aggregate that do require the approval of the investor and lender), such approvals not to be unreasonably withheld or delayed.

Parts 8 and 9, prohibits discrimination against persons with disabilities in any program or activity receiving Federal Financial assistance. 24 C.F.R. § 40.4 established the Uniform Federal Accessibility Standards (UFAS) as the standard design, construction, or alteration of residential structures. UFAS became effective July 11, 1988. The Developer shall provide at a minimum (unless more stringent requirements apply) not less than five percent (5%) of UFAS compliant units for mobility-impaired persons. An additional minimum of two percent (2%) is required for people with hearing or vision impairments. Not less than one unit each shall be provided for mobility-impaired and one unit for vision or hearing impaired if percentages indicate that less than one unit is required. UFAS compliance and certifications are required for all areas required by UFAS, including interior and exterior of units, common areas, site and parking, etc. The Developer shall retain an independent, experienced, and qualified third party consultant (UFAS

consultant) to certify UFAS compliance in a certification form provided by the County. Any comments by HUD and/or the County and any other agencies having jurisdiction shall be incorporated in the construction documents. The Developer, architect of record, the UFAS consultant, and the Developer's general contractor shall attend HUD's site inspections that may be conducted during construction and/or at Construction Completion. The Developer shall facilitate site access for HUD's site inspections. HUD will provide comments to the County and the Developer. The Developer shall address all HUD comments to receive HUD approval. Should the Developer fail to comply with any of the applicable SBE requirements, the Developer shall be obligated to make up such deficit in future phases of construction of the Development, and/or pay the applicable monetary penalty pursuant to the Code. The Developer shall pay all of its employees performing work on the Property during development of the Development and during the term of this Agreement no less than the Living Wage, as set forth in Section 2-8.9 of the Code, as if all such work was subject to the provisions of Section 2-8.9 of the Code. Should the Developer fail to comply with any of the provisions set forth in Section 2-11.16 of the Code, the Developer shall be obligated to, and hereby agrees, to have the County impose the compliance, enforcement, and sanctions provisions set forth therein. - (11) The Developer shall provide to the County supporting documentation, such as Notice to Proceed (NTP) to contractors/sub-contractor and Certificates of Occupancy or Completion, as applicable.
- (12) The Developer and its consultants shall carefully review all change orders, contingency adjustments and/or any other additional costs (herein change orders) to confirm that these are appropriate and to minimize said costs whenever possible. Such review shall include, but not be limited to, compliance with contract documents, the party requesting the change order, and the reason for such request (justification), hidden or unforeseen conditions, architect/engineer (“A/E”) error and/or omissions, critical path analysis for time extensions and other contract requirements.

When change orders involve time extensions, the Developer and its consultants shall also carefully review and confirm that these are appropriate and shall minimize wherever possible time extensions. Time extension reviews shall include an evaluation of the critical path analysis to confirm whether the time extension has impacted the critical path.

- (13) The Developer shall carefully review and coordinate the work of its consultants to minimize A/E errors and omissions, and minimize any change orders, including additional costs and time extensions on the project. The County shall not approve additional costs/fees for A/E errors and omissions or any other costs/fees related to conditions which could have reasonably been discovered or should have been discovered with appropriate due diligence by the Developer and/or its consultants, contractors or other vendors.

The LEED Silver certification or designation relative to the Development is outlined by the U.S. Green Building Council. The Developer agrees to regularly provide Landlord with copies of any and all records and/or reports (including but not limited to any approvals, rejections and/or comments) from the neutral and independent third-party reviewing the Development relative to the LEED Silver designation from the U.S. Green Building Council or certification from the NGBS.

Further, the LEED Silver certification or designation or NGBS certification is a description or label designed to establish the level of energy efficiency and sustainability for Buildings and Improvements of the overall Development; and should substantially improve the “normal” or “regular” energy efficiency and indoor air quality for the overall Development. Beyond these environmentally responsible steps, Developer specifically agrees to consider additional steps or means to improve and/or protect the environment with regard to the Development, and to inform Landlord of any and all such additional methods or ways that Developer will utilize “green building standards” in the design and construction of the overall Development in an effort to achieve the important goals of creating a healthy place to work as well as an environmentally responsible development in the community. Developer’s decision whether to

incorporate or adopt any such additional steps or means shall be made in Developer's sole and absolute discretion. Other specific requirements include:

Energy-efficient reflective roofs or green roofs are also specifically required per Miami-Dade County Resolution No. R-1103-10.

Electric Vehicle (EV) charging stations.

(18) Sea Level Rise and Heat Resilience:

In accordance with Miami Dade Board of County Commissioners (BCC) Resolution R-451-14, the Developer shall be required to consider sea level rise projections and potential impacts as best estimated at the time of the Projects, using regionally consistent unified sea level rise projections and sea level rise data mapping websites, during all project phases including but not limited to planning, design, and construction, to ensure that the Projects will function properly for fifty (50) years or the design life of the projects, whichever is greater.

The Developer shall provide a comprehensive landscape plan for all open spaces that meets or exceeds the minimum standards described in the Miami-Dade County Landscaping Ordinance Chapters 18A and 18B and aligns with the Landscape Manual, while also complying with any municipal landscape code requirements, in a way that reduces building energy use intensity, aids onsite stormwater management, and expands existing tree canopy to increase community resilience to extreme heat while also enhancing overall appearance. In accordance with CDMP Policy LU-8I, the Developer is encouraged to incorporate additional heat mitigation elements into the project including porous pavements, cool roofs, and high albedo surfaces. The Developer will be required to consult with all appropriate County departments and plans will need to be in accordance with Miami-Dade County Implementing Order IO 8-8 and approved by Miami Dade PHCD Department.

The Developer's obligations under this Section 4(b) of this Agreement shall survive the termination of this Agreement.

(19) County's Responsibilities. As more specifically described herein, the County is responsible for the following activities related to the Development (such list is not intended to be exhaustive):

- i. Developing and submitting any necessary applications to HUD (provided that the Developer shall have an opportunity to review and comment on the same prior to submission);

5. Fees.

- (a) Developer Fee. The parties agree to seek approval of the maximum allowable developer fee (whether or not deferred) permitted by the Florida Housing Finance Corporation for the Development of eighteen percent (18%), with respect to four (4%) Low-Income Housing Tax Credit transactions, and sixteen percent (16%), with respect to nine percent (9%) Low-Income Housing Tax Credit transactions (the "**Developer Fee**"). The Developer agrees that the County shall earn a fee, to be structured in a manner reasonably acceptable to the parties, equal to 31% of the total Developer Fee described herein and actually received by the Developer or its affiliate. The County's share of the Developer Fee will be pari-passu to the Developer's share, and will be paid to the County on a pro rata basis as it is distributed to the Developer.
- (b) Capitalized Lease Payment. With respect to the Ground Lease to be entered into with the Developer or its subsidiary or designee agrees to pay a one-time capitalized lease payment ("**Capitalized Payment**") in the amount of \$1,536,500, which amount is calculated by multiplying the number of units (i.e., 439) times \$3,500.00, with such Capitalized Payment to be paid upon Financial Closing of the Development pursuant to possible adjustment for the actual number of units to be constructed as set forth in the Ground Lease.
- (c) County Net Cash Flow Participation. Beginning the earlier of Year 10 or the first year of positive cash flow after full payment of the deferred developer fee, if any, the County shall receive an annual payment in the amount of 16.5% of the available (net) cash flow distributed to the manager of the Developer after any deferred Developer

- (f) County Residual Participation. Upon any sale, refinance, cash-out transaction or the resyndication of the Low Income Housing Tax Credits, involving the Developer’s leasehold interests or properties, the County will receive 30% of the managing member’s proceeds from such transactions after expenses, fees and agreed upon customary offsets for repairs, county approved operating loans to the project and other related costs (the “**Net Proceeds**”).

6. Payment Provisions for County Funds (if applicable).

- (a) The Developer shall submit to the County, monthly, a Draw request for County funds in a form and format acceptable to the County, for expenditures for the work completed and incurred.
- (b) Each draw request shall be carefully reviewed and evaluated for accuracy, completeness and compliance with this agreement by the Developer prior to its submission to the County. Each draw request shall identify, by line item and by reference to the corresponding element of the Budget, (a) the total costs to date incurred, (b) the corresponding portion of the compensation due to developer, if applicable, (c) the amounts, if any, of previous draws, and (d) the portion, if any, of such costs and/or fee for which a draw is requested under the draw request and any other provisions reasonably required (with reasonable advance notice) by the County. Each draw request shall be accompanied by separate billing statements or invoices from each consultant, sub-consultant, contractor or sub-contractor (herein vendors) to which draw has been made or will be made. The County shall not be required to make advance draws or deposits.
- (c) Draw requests shall not be processed until a proper request (herein a “**Proper Invoice**”) has been received by the County from the Developer. A Proper Invoice means an invoice which conforms to the payment requirements of the County. A Proper Invoice shall include a statement by the Developer waiving claims for extra direct and indirect costs or time associated with work preceding the date of the invoice, or a statement in sufficient detail containing all rights reserved for work

already performed. All present requirements or future rules pertaining to the execution of a Proper Invoice will be made available to the Developer in a timely manner. The Developer shall make payments to all vendors included in each respective payment request within five (5) business days of receipt of funds from the County. The Developer shall include the provisions of this section in all sub-contracts, and require all vendors to include this provision in their contracts with other vendors.

- (d) The time at which payment for service is due from the County shall be calculated from the date on which a Proper Invoice is received by the County. The time at which payment shall be due from the County to the Developer shall be forty-five (45) days from receipt by the County of a Proper Invoice from the Developer. In any case in which an improper invoice is submitted by the Developer, the County shall, within ten (10) days after the improper invoice is received, notify the Developer that the invoice is improper and indicate what corrective action on the part of the Developer is needed to make the invoice proper. Notwithstanding this, the County reserves its right to review an improper invoice at any point in time and notify the Developer of corrective actions that are needed and must be taken.
- (e) Final payment shall not be made to the Developer until the Developer has resolved all pending Responsible Wage, Living Wage, or if applicable, Davis-Bacon wage rate compliance issues and restitution is made (or placed in escrow for unfound workers) to all workers determined by the County to be underpaid. At a minimum, an amount equal to the cost of all pending Responsible Wage, Living Wage, or if applicable, Davis-Bacon non-compliance issues shall be retained until such issues are resolved to the County's satisfaction.
- (f) For non-County funds, the Developer shall provide a report, in a form and format acceptable to County, indicating payment requests and approved amounts received by the Developer for all funding sources and percentage of Construction Completion. In addition, the Developer shall provide, on a monthly basis, a construction schedule and construction budget, with anticipated changes to the budget and schedule, along with a change order log, and the Developer will meet with the County at the County's request, at thirty day intervals, to review and discuss the monthly report. Any proposed changes will be subject to the approval provisions set forth in this Agreement.

7. Property Management Responsibilities.

- Designation of Property Manager. The property manager for the Development shall be TRG Management Company LLP, an affiliate of the Developer (the "**Management Agent**"). The Management Agent shall be responsible for the day-to-day operation of the Development, including, but not limited to, compliance, collections, leasing, payment of invoices and maintenance. Specific duties shall be further detailed in the initial agreement between the Management Agent and the Owner Entity, and such agreements are subject to the County's reasonable approval (the "**Management Agreement**"), to be attached hereto as Exhibit F.

- Admissions Policies. The parties agree that the occupancy will be carried out with respect to the Development following the Management Agent's tenant screening processes.
- Property Management Fee. The Management Agent shall receive a management fee pursuant to the Management Agreement.

8. Termination.

- (a) Termination for Convenience. Before the Development reaches Financial Closing, the County reserves the right to terminate this Agreement, in whole or in part, at any time for the convenience of the County, if the County shall determine in good faith that it is in the County's best interest, or contrary to that interest to proceed with the Development. In the event of a termination for convenience under this Agreement, the County shall deliver to the Developer a Notice of Termination within thirty (30) days specifying the extent to which the performance of the work under this Agreement is terminated, and the date upon which such termination becomes effective. If the performance of the work under this Agreement is terminated in whole or in part, the County shall be liable to the Developer for all costs resulting from such termination, including, but not limited to, repayment of all fees paid upon execution of the respective ground leases in accordance with Section 5(b) hereof, to the extent applicable. In addition, any predevelopment loans advanced to the Developer will be deemed satisfied in connection with the assignment of work product in accordance with subsection (f) below. Within thirty (30) days after receipt of the Notice of Termination, the Developer shall present a proper claim setting out in detail: (i) the total cost of all third-party costs incurred to date of termination, for work products that are included in the approved pre-development budget, including, but not limited to, architectural, engineering, and similar types of costs, and also including any loans from third parties; (ii) the cost (including reasonable profit) of settling and paying claims under subcontracts and material orders for work performed and materials and supplies delivered to the site, or for settling other liabilities of Developer incurred in performance of its obligations hereunder; (iii) the cost of preserving and protecting the work already performed until the County or its assignee takes possession thereof or assumes responsibility; and (iv) FHFC withdrawal penalty, if applicable. County acknowledges that Termination for Convenience may not be exercised if doing so would disqualify, reduce points or otherwise impair Developer's ability to compete in future Requests for Applications (RFAs) from FHFC. Within ninety (90) days after receipt of the claim from the Developer, the County shall either respond to the Developer's claim or make a final payment to the Developer in the event there is no dispute relative to claim.
- (b) Termination for Infeasibility. The County or the Developer may terminate this Agreement for infeasibility, but only to the extent that the County and the Developer first made good faith efforts to pursue an alternative course of action that meets the program objectives for the redevelopment contemplated for this overall project(s). In the event that, prior to a Financial Closing, adverse contingencies occur, including but not limited to, the inability to obtain sources of funds in an amount sufficient to complete an applicable Phase, and the parties cannot, within one hundred twenty (120)

days after either party providing written notice that an adverse contingency has occurred with respect to the Development, agree to amend the Development Plan for the Development, then this shall be deemed an “**Event of Infeasibility**.” Upon the occurrence of an Event of Infeasibility, this Agreement may be terminated, in whole or in part, for the Development if it has not yet reached Financial Closing, if one party so agrees following receipt from the other party of written notice of the party’s desire to terminate this Agreement for the Development. In such event, the Developer shall be limited to reimbursement for those costs as set forth in (i), (ii), (iii), and (iv) of Section 8(a).

- i. With respect to the rights of termination upon an Event of Infeasibility, either party’s exercise of such rights of termination for infeasibility shall be specific to the part of the Development terminated pursuant thereto and shall not be deemed to terminate the Ground Lease, any unaffected Sublease, or this Agreement.
 - (c) Termination for Cause. Either party may terminate this Agreement for cause, at any time, on the giving of notice to the other party of the grounds asserted for such termination and failure of the other Party to cure such grounds within thirty (30) days from receipt of such notice (“**Termination for Cause**”). Notwithstanding anything to the contrary contained herein, suspension from participation in any government programs, which suspensions, for the purposes hereof, are defined to include, but not be limited to, any sanctions imposed by HUD pursuant to 24 C.F.R. Part 24, shall be grounds for termination of this Agreement for cause without opportunity for cure. By execution of this Agreement, Developer hereby certifies to the County that it is not suspended, debarred or otherwise prohibited from participation in any government programs.
- In the event of a termination of this Agreement by the County or the Developer which is determined to constitute a breach hereof by the County or the Developer, the party in breach shall be liable to the non-breaching party in accordance with applicable law for all actual damages caused thereby.
- (d) Fraud, Misrepresentation or Material Misstatement. The County may terminate this Agreement if Developer attempts to meet its contractual obligations hereunder with the County through fraud, misrepresentation or material misstatement.
 - (e) Debarment. The foregoing notwithstanding, any individual, corporation or other entity that attempts to meet its contractual obligations with the County through fraud, misrepresentation or material misstatement may be debarred from County contracting for up to five (5) years in accordance with the County debarment procedures. The Developer may be subject to debarment for those reasons set forth in Section 10-38 of the County Code.
 - (f) Remedies. In the event that the County exercises its right to terminate this Agreement following an Event of Default, the Developer shall, upon receipt of such notice, unless otherwise directed by the County:

- i. Stop work on the date specified in the notice (the “**Effective Termination Date**”);
 - ii. Take such actions as may be necessary for the protection and preservation of the County’s materials and property;
 - iii. Cancel orders;
 - iv. Upon payment by the County for such work product and payment of other amounts due in accordance with this Section 8, assign to the County and deliver to any location designated by the County any non-cancelable orders for deliverables that are not capable of use except in the performance of this Agreement and has been specifically developed for the sole purpose of this Agreement and not incorporated in the Services; and
 - v. Take no voluntary action (unless otherwise required by legal obligations) which will increase the amounts payable by the County under this Agreement.
- (g) Developer Shall Deliver Work Product in Event of Termination. In the event that this Agreement is terminated under this Section 8, Developer agrees that it shall promptly deliver to County, or cause to be delivered to County, any concrete, transferable, and useable third party work product generated in connection with the Development, and will assign to County all of its right, title, and interest to such work product, without reservation in exchange for County’s payment of funds paid by Developer (including funds borrowed from third parties) for such work product, along with amounts due to the Developer hereunder. Developer shall be under no obligation to deliver any work product in its possession unless the County shall have reimbursed it for the cost thereof (and paid to the Developer any other amounts due hereunder) or shall have agreed to offset the cost thereof against any indebtedness owing from the Developer to the County. No payment shall be due, however, if the Developer has committed fraud, misrepresentation, material misstatement, or in the event of termination for an Event of Default pursuant to Section 9, provided, however, that the County has a predevelopment loan in effect with respect to such work product.
- (h) Reserved.

9. Event of Default.

- (a) An Event of Default shall mean a breach of this Agreement by the Developer after expiration of any applicable notice and cure period without such cure. Without limiting the generality of the foregoing, and in addition to those instances referred to herein as a breach, an Event of Default shall include, but not limited to, the following:
- i. the Developer has made a Material Change to the Development Schedule without the County’s approval;
 - ii. the Developer has refused or failed to supply commercially reasonably sufficient skilled staff personnel;

- iii. the Developer has failed to make prompt payment to subcontractors or suppliers for any Services in violation of applicable law;
 - iv. the Developer has become insolvent (other than as interdicted by the bankruptcy laws), or has assigned the proceeds received for the benefit of the Developer's creditors, or the Developer has taken advantage of any insolvency statute or debtor/creditor law or if the Developer's affairs have been put in the hands of a receiver;
 - v. the Developer has commenced construction of the Development without obtaining the approval of the County with respect to the approvals required under Sections 3 and 4 of this Agreement;
 - vi. the Developer has failed in any material respect with respect to any representation or warranty stated under Section 16 of this Agreement;
 - vii. the Developer has failed to comply with the public records disclosure requirements set forth in Section 119.0701 of the Florida Statutes and Section 25 of this Agreement;
 - viii. the Developer has failed to comply with any and all UFAS requirements and obligations; and
 - ix. the Developer has made a Material Change to the Development Budget without the County's approval; and
 - xi. the Developer fails to pay any Liquidated Damages due and payable under this Section 9.
- (b) If the County shall terminate this Agreement for default, subject to applicable cure periods set forth herein, the County or its designated representatives may immediately take possession of all applicable equipment, materials, products, documentation, and reports after payment, if applicable.
- (c) Notwithstanding the foregoing, this Agreement shall not be terminated for default if the delay in fulfilling or inability to fulfill Developer's obligations hereunder arises from (i) unforeseeable causes beyond the reasonable control of the Developer; (ii) an Economic Unavoidable Delay; or (iii) failure of any governmental entity, including, but not limited to, HUD, to provide approvals (e.g., zoning, interlocal agreements, leases, operating agreements, etc.) necessary to complete the work so long as the failure is not a result of Developer errors or omissions in an application seeking approval (any such failure or other cause or event being referred to herein as a "**Force Majeure Event**"). Examples of such causes include (a) acts of God or the public enemy, (b) material acts or failure to act, or delays in action, of the County, HUD, or other governmental entity in either their sovereign or contractual capacity, if the Developer can demonstrate that it has taken reasonable steps to provide for circumstances that facilitate a timely approval in accordance with conventional timeframes typical of such government agency,

(c) material acts or failure to act of another contractor (other than a contractor or subcontractor to the Developer or the Owner Entity) in the performance of a contract with the County, (d) fires, (e) floods, (f) strikes or labor disputes, (g) freight embargoes, (h) unavailability of materials, (i) unusually severe weather, (j) delays of subcontractors or suppliers at any tier arising from unforeseeable causes beyond the control and without fault or negligence of both the Developer and the subcontractors or suppliers, (k) delay caused by litigation that is not between the County and the Developer, and (l) infectious disease occurring over a wide area and affecting a large number of people that materially and negatively impacts the Redevelopment Plan.

(d) The Developer agrees to comply fully with its obligations to comply with the local hiring requirements outlined in this Agreement. The parties understand and agree that the damages to the County, the community, and the public resulting from the Developer's failure to comply with the local hiring requirements may not be subject to exact calculation. For this reason, the parties have agreed to require the Developer to pay the County Liquidated Damages, which shall be due and payable at project completion, for any such failure which is impossible to quantify with accuracy. In the event the Developer fails to comply with the local hiring requirements, the Developer shall be liable to the County for Liquidated Damages. The amount of Liquidated Damages for not complying with the local hiring requirements shall be as set forth in Section 9(e) of this Agreement.

(e) If the Developer fails to comply with the **local hiring requirements**, as more particularly set forth in Exhibit I, the Developer shall be liable to the County for Liquidated Damages, which Liquidated Damages (x) shall be evaluated and assessed at the end of the Development and shall be due and payable at the completion of the Development and (y) shall constitute the sole remedy of the County related thereto. The Liquidated Damages relating to those benefits shall be calculated as follows:

- The Developer commits to provide a minimum of twenty percent (20%) of the value of the construction contracts to Section 3 certified, or CBE, DBE, S/M/WBE, and Labor Surplus Area firms. Developer shall pay Liquidated Damages in the amount of \$2,000 for each percentage by which Developer fails to meet the 20% commitment.
- The Developer commits to provide thirty percent (30%) of the permanent jobs created for Section 3 or targeted zip code residents. The targeted zip codes shall be the following: 33125, 33127, 33128, 33130, 33135, 33136, 33137, 33138, 33142. Developer shall pay Liquidated Damages in the amount of \$2,500 for each job by which Developer fails to meet its commitments for the Development.
- The Developer commits to provide twenty percent (20%) of the construction jobs created for Section 3 or targeted zip code residents. The targeted zip codes shall be the following: 33125, 33127, 33128, 33130, 33135, 33136, 33137, 33138, 33142. Developer shall pay Liquidated Damages in the amount of \$2,500 for each job by which Developer fails to meet its commitments for the Development.

- (f) Within ten (10) days after the end of each quarter, Developer shall provide a detailed report to the County, in a format that the County has reviewed and agreed to, setting forth the Developer's progress toward satisfying their obligations to achieve the local hiring commitments, which report shall request the County's acknowledgement that such items have been satisfied. Within fourteen (14) days after the County's receipt of such report, the County shall (i) execute an acknowledgement of the satisfied items, or (ii) provide a detailed written explanation to Developer setting forth the County's reasons for not executing such acknowledgement. If the County fails to so respond within thirty (30) days, the County shall be deemed to have acknowledged that such items have been satisfied.

10. Notice of Default – Opportunity to Cure. Notwithstanding anything in this Agreement to the contrary, if an Event of Default occurs in the determination of the County and the County wishes to declare an Event of Default or otherwise terminate this Agreement for cause to the extent, as provided under this Agreement, the County shall notify the Developer (the “**Default Notice**”), specifying the basis for such Event of Default and the extent to which performance of work under this Agreement is terminated, and advising the Developer that such default must be cured immediately or this Agreement with the County may be terminated. The Default Notice thereof shall specify the nature of the claimed Event of Default, and, if such Event of Default shall be reasonably subject to adequate cure, the Default Notice shall state (i) the actions required to be taken by the Developer to cure the Event of Default, and (ii) the reasonable time (up to sixty (60) days but no less than thirty (30) days (the “**Cure Period**”)) within which Developer shall respond with a showing that all required actions have been taken, provided that the Developer shall have such additional time as is reasonably necessary to cure such Event of Default so long as the Developer has diligently commenced and is proceeding in a reasonable diligent manner toward curing such Event of Default. The Cure Period can be extended at the County's sole discretion. Following expiration of the stated cure period (unless the Developer has diligently commenced and is proceeding in a reasonable diligent manner toward curing such Event of Default, as provided hereinabove), the County shall deliver a second notice stating either that the Event of Default has been adequately cured or that the Agreement is terminated.

11. Remedies in the Event of Default. If an Event of Default occurs and remains uncured pursuant to Section 9 herein, the County may, as its sole remedy, terminate this Agreement in accordance with Section 10 hereof. In addition, the Developer shall be liable for all direct (but not consequential) damages to the County resulting from such Event of Default. In no event shall the County be entitled to bring any suit or proceeding for specific performance.

12. Lien Waivers. Developer agrees that it will not permit any mechanic's, materialmen's or other liens to stand against the property for work or materials furnished to Developer; it being provided, however, that Developer shall have the right to contest the validity thereof. Developer shall not have any right, authority or power to bind the County, the property or any other interest of the County in the property and will pay or cause to be paid all costs and charges for work done by it or caused to be done by it, in or to the property, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in connection with the development, construction or operation of the Development or any change, alteration or

addition thereto. IF ANY MECHANIC'S LIEN SHALL BE FILED, DEVELOPER SHALL BOND OVER, PROCURE THE RELEASE OR DISCHARGE THEREOF WITHIN NINETY (90) DAYS EITHER BY PAYMENT OR IN SUCH OTHER MANNER AS MAY BE PRESCRIBED BY LAW. NOTICE IS HEREBY GIVEN THAT THE COUNTY SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED OR TO BE FURNISHED TO THE DEVELOPER OR TO ANYONE HOLDING ANY OF THE PROPERTY THROUGH OR UNDER THE DEVELOPER, AND THAT NO MECHANICS' OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS SHALL ATTACH TO OR AFFECT THE INTEREST OF THE COUNTY IN AND TO ANY OF THE PROPERTY. THE COUNTY SHALL BE PERMITTED TO POST ANY NOTICES ON THE PROPERTY REGARDING SUCH NON-LIABILITY OF THE COUNTY.

Developer shall promptly pay all persons or entities furnishing labor and material with respect to any work performed by Developer or its contractor on or about the property in connection with the Development, and shall obtain and deliver to Landlord "releases" or waivers of liens from all parties doing work on or about the property, along with an affidavit from Developer stating that all bills have been paid with regard to such work and that there are no outstanding obligations, except in the ordinary course of business, owed with respect to any such work performed on the property in connection with the Development.

13. Indemnification.

- (a) Developer Indemnity. The Developer shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses, or damages, including reasonable attorney fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the Developer or its employees, agents, servants, partners, principals or subcontractors, subject to the following sentence. The Developer shall pay all of the County's direct (but not consequential, punitive or special) losses in connection therewith, provided Developer is adjudicated liable, and shall investigate and defend all claims, suits, or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. The Developer expressly understands and agrees that any insurance protection required by the Agreement or otherwise provided by the Developer shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as herein provided. Notwithstanding anything to the contrary herein, such indemnification by the Developer shall not cover claims or losses to the extent caused solely by the negligence, gross negligence or intentional wrongful acts or omissions of the County or its officers, employees, agents or instrumentalities.
- (b) County Responsibility. The County shall indemnify and hold harmless the Developer and its affiliates, subsidiaries, officers, agents, employees, representatives, successors and assigns from any and all liability, losses, or damages, including reasonable attorney fees and costs of defense, which the Developer or its affiliates,

subsidiaries, officers, agents, employees, representatives, successors and assigns may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the County or officers, employees, agents and instrumentalities. The County shall pay all claims and losses in connection therewith, and shall investigate and defend all claims, suits, or actions of any kind or nature in the name of the Developer, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. The County's indemnification obligations in this Section 13(b) shall be subject to the provisions of Section 768.28, Fla. Stat., whereby the County shall not be liable to pay a personal injury or property damage claim or judgment by any one person which exceeds the sum of Two Hundred Thousand and No/100 Dollars (\$200,000.00), or any claim or judgments or portion thereof, which when totaled with all other occurrence, exceeds the sum of Three Hundred Thousand and No/100 Dollars (\$300,000.00), but only to the extent the limitations set forth in that Statute are applicable. Notwithstanding anything to the contrary herein, such indemnification by Miami-Dade County shall not cover claims or losses to the extent caused solely by the negligence, gross negligence or intentional wrongful acts or omissions of the Developer or its affiliates, subsidiaries, officers, agents, employees, representatives, successors and assigns.

- (c) The obligations of the parties under this Section 13 of this Agreement to indemnify and hold harmless the other party shall survive the termination of this Agreement.

14. Insurance.

Developer shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the Developer or its employees, agents, servants, partners principals or subcontractors. Developer shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. Developer expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Developer shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County or its officers, employees, agents and instrumentalities as herein provided.

The Developer shall maintain coverage as required in A - C below throughout the term of this Agreement. If any portions of this Agreement are assigned, insurance must be provided in the name of the assignee. If material changes are made to the scope, it may be necessary to amend the insurance requirements. The Developer shall furnish to **Miami-Dade County, Public Housing and Community Development Department, 701 NW 1 CT. 16th floor, Miami, Florida 33136-3914**, Certificate(s) of Insurance or applicable cover note(s) evidencing insurance coverage that meets the requirements outlined below:

Exhibit C

Development Schedule

Court Apartments, built in 1913 and 1917, and fully restored by the county around ten years ago. At the edge of the district, the popular Copper Door B&B, at 439 Northwest Fourth Street occupies the old Demetree Hotel.

Just beyond the district, and hugging the banks of the winding Miami River, a flourishing restaurant district has emerged in recent years. Five popular restaurants comprise this vibrant assemblage of food, beverage, and entertainment havens.

On the south side of the park on Northwest Second Street stand the Park Towers Apartments (c. 1968), while southwest of there on the east bank of the Miami River is a building that housed from the 1930s to 1954 the popular Captain Tom's Restaurant and fish market. In earlier times, Seminoles and Miccosukee, Native Americans who resided in the Everglades and Big Cypress Swamp northwest of Miami-Dade County, would moor their dugout canoes nearby preparatory to trading with James Girtman, a merchant who was noted to have traded with Native Americans who operated on the western fringes of downtown Miami.

Imbued with a rich history and assisted by a strong drive to revive the center city, the Lummus Park neighborhood is on the cusp of becoming an important element in Miami's spreading downtown. Surely its location, history, and unique physical ambiance speak to its importance in the Miami that continues to develop and evolve in a dramatically different fashion from its earlier incarnation as a tourist center with Deep South roots.

Related Urban will adhere to all common area / site and unit amenity requirements in RFP No. NRT-2021-01, Section 2.4 Project Requirements / Specifications, Paragraph d.

The Gallery at Lummus Parc Amenity Program will benefit residents in numerous ways including opportunities to lead healthy and active lifestyles; incorporate sustainable living practices into their everyday lives; become culturally engaged with their surrounding local community; provide easy access to new community services and retail experiences; deliver stunning outdoor spaces where residents can absorb breathtaking views of the riverfront and Downtown skyline; and maintain more productive lives.

7. The Proposer shall provide a project development schedule and realistic timeline for the project, addressing all major milestones of development including: negotiations, site plan approval, re-zoning (if applicable), design and construction documents, building permit approvals, financial closing, construction, marketing and lease-up. An exact schedule of completion, including milestones and any possible penalties, such as liquidated damages, for failure to adhere to the schedule and other contract deliverables shall be the subject of negotiation during the process of formulating a lease agreement and / or master development agreement with the Selected Proposer. Proposers should discuss any expected variances in the timeline, and must disclose of any issues, or potential matters, that might delay the Proposer from commencing with the Project as envisioned, or otherwise delay the Project, such as, but not limited to, other development projects undertaken by the Proposer, unless extended in the County's sole discretion.

ALBERTO MILO JR. PRINCIPAL AND PRESIDENT

Alberto Milo Jr. leads Related Urban Development Group (RUDG), the affordable housing division of the nation's most prolific development company, Related Group. In this role, he is responsible for the overall design, development, construction, financing and budgeting for each project within RUDG's portfolio, whether public, affordable, workforce or mixed-income housing. Under Albert's leadership, RUDG has built and rehabilitated more than 2,700 units throughout Florida with over \$1 billion in total development costs.

Most recently, RUDG has begun an ambitious new set of projects which are designed to eliminate many of the drawbacks historically associated with public housing developments. Among these is the \$600 million River Parc master plan in Miami's Little Havana neighborhood, which is cited as the most ambitious affordable housing development in the county to date, built in partnership with Miami-Dade County. The development will contain over 2,500 units along with a new Riverwalk and commercial opportunities. Similarly, a \$400 million mixed-income riverfront development is underway in Tampa's historic West River district, developed in collaboration with the Tampa Housing Authority. Albert and his team are also currently working on the redevelopment of Liberty Square, the oldest and largest public housing development in the Southeastern United States. The project, which also follows the mixed-income format, will contain over 1,500 units along with commercial and community opportunities. The project has been lauded as one of the most significant public housing redevelopments in South Florida and the Country, with HUD Secretary, Dr. Ben Carson, calling the project an example to follow around the country.

Prior to his tenure at RUDG, Albert owned and operated real estate development, real estate brokerage and mortgage brokerage companies over the span of 20 years. After developing his first affordable housing development in 1999, he formed The Urban Development Group in 2002, focused on revitalizing communities by creating affordable homeownership for underserved markets. As a committed member of the local community, Albert has served on the Miami-Dade County Industrial Development Authority since 2005 and is a former member of the Greater Miami Chamber of Commerce's Workforce Housing Committee. He also served on the board of the YMCA of South Florida from 2017 to 2019. In 2011, he was the President of the Builder's Association of South Florida where he was awarded the President's Award and was named Builder of the Year in 2009 and 2019.

JORGE M. PÉREZ CHAIRMAN AND CHIEF EXECUTIVE OFFICER,
THE RELATED GROUP

Jorge Pérez, Chairman and Chief Executive Officer of Related Group, has been at the forefront of South Florida's complex urban evolution for over 30 years. A commitment to 'building better cities,' and a natural ability to identify emerging trends has made his one of the most trusted and influential names in real estate. Armed with a dynamic selection of land parcels, new financing techniques, the collective strength of Related's management team and a pipeline of more than 80,000 residential units, Mr. Pérez is set to answer the demands and desires of a new generation.

Pérez started out in the 1970's, making a name for himself in the public housing market of neighborhoods like Miami's Little Havana and Homestead. His attention to detail and commitment to creating quality living environments distinguished him within the marketplace and laid the groundwork for future Related projects. More than three decades later, his continued passion for vibrant urban communities has made him a trendsetter, often the first developer to enter emerging or undiscovered neighborhoods.

Over the years, Pérez and Related Group have partnered with world-class names in architecture and interior design. Collaborations with creative luminaries like Bernardo Fort Brescia, David Rockwell, Philippe Starck, Yabu Pushelberg, Piero Lissoni, Karim Rashid and many others produced neighborhood-defining projects, and established Related's developments as integral components of Miami's evolving cityscape. A lover of art and an avid collector, Pérez infuses each development with carefully selected pieces from master artists. Works by Fernando Botero, Jaume Plensa, Julio LeParc and Fabian Burgos are proudly displayed at Related developments, complementing each building's unique character and often serving as public fixtures of the community landscape.

Mr. Pérez is deeply involved in supporting Miami's ongoing cultural renaissance, sponsoring programs like the Miami International Film Festival's Emerging Cuban Independent Film/Video Artists Program and The National Young Arts Foundation's Residency in Visual Arts. Most notably, Pérez donated \$40 million to the Herzog & de Meuron-designed Pérez Art Museum Miami, or PAMM. He is also a member of the University of Miami's Board of Trustees, chairs the Miami-Dade Cultural Affairs Council, and is a director of the Miami International Film Festival. Mr. Pérez has received numerous awards for his professional and philanthropic achievements, including Ernst & Young's Entrepreneur of the Year, the Hispanic Achievement & Business Entrepreneurship Award from Hispanic Magazine, The Developers and Builders Alliance's Community Advancement Award, and The Beacon Council's 2015 Jay Malina Award. Mr. Pérez is also committed to The Giving Pledge, a campaign founded by Warren Buffett and Bill Gates to which states he will donate 50 percent of his wealth to philanthropic purposes. In 2005, Time Magazine named Mr. Pérez one of the top 25 most influential Hispanics in the United States, and he has appeared on the cover of Forbes twice.

Born in Buenos Aires, Argentina to Cuban parents, Pérez grew up in Bogota, Colombia. He graduated summa cum laude from C.W. Post College in Long Island and earned his Master's in Urban Planning from the University of Michigan.

All matters pertaining to employment, contracting, supervision, compensation, promotion and discharge of such employees or contractors shall be the sole responsibility of Manager.

Manager shall negotiate with any union lawfully entitled to represent any such employees, if any, and may execute in its own name, and not as agent for Owner, collective bargaining agreements or labor contracts resulting therefrom. Manager shall fully comply with all applicable laws and regulations having to do with worker's compensation, social security, unemployment insurance, hours of labor, wages, working conditions, and other employer-employee related subjects. Manager represents that it is and will continue to be an equal opportunity employer and, to the extent that Manager advertises for employees, will advertise as such.

This Agreement is not one of general agency by Manager for Owner, but one with Manager engaged independently in the business of managing properties on its own behalf, as an independent contractor, and in that respect having only limited agency as specifically set forth in this Agreement. All employment arrangements are, therefore solely Manager's concern and Owner shall have no liability with respect thereto. No party employed or under contract with Manager shall in any respect be deemed an employee of or under contract with Owner.

3.3 Schedule of Employees. Prior to execution hereof, Manager will provide Owner with a schedule of the parties to be employed in the direct management of the Property.

3.4 Compliance with Laws, Mortgages, etc. Manager, at Owner's expense, shall be responsible for substantial compliance with federal, state and municipal laws, ordinances, regulations and orders related to the ownership, leasing, use, operation, repair and maintenance of the Property and with the rules, regulations or orders of the local Board of Fire Underwriters or other similar bodies (collectively, the "Governmental Requirements"). Manager will be responsible for compliance with all restrictions associated with the project's Section 8 Contract, if applicable, and all regulatory requirements of the project's financing. Manager shall promptly

remedy, at Owner's expense, any violation of any such law, ordinance, rule, regulation or order which comes to its attention and which cure Manager is authorized hereby to perform.

Expenses incurred in remedying violations shall be paid from the Operation Account described hereafter provided such expenses do not exceed One Thousand Dollars (\$1,000.00) in any one instance. When more than such amount is required or if the violation is one for which the Property or Owner might be subject to monetary penalty, Manager shall notify Owner promptly, but no later than the fifth business day following the day Manager has been notified of such violation to the end that prompt arrangements may be made to remedy the violation and to pay for such expense. Manager shall be responsible, at Owner's expense, for full compliance with all terms and conditions contained in any ground lease, space lease, mortgage, deed of trust, loan agreement or other security instruments affecting the Property of which true, correct and complete copies it has been furnished (collectively, "the Mortgages") to the Manager. Project compliance reports shall be provided to Owner within fifteen (15) calendar days of receipt by the Manager.

3.5 Compliance with Equal Opportunity Requirements.

"Equal Opportunity" is defined as (1) adherence to Federal, State, and local fair housing laws, and (2) positive efforts to ensure that a wide spectrum of persons of various races, creeds, religions, and national origins are made aware of the housing development and of its benefits.

In conjunction with the marketing of multifamily housing, Manager shall follow all applicable HUD rules and regulations and:

(a) All advertising, brochures, leaflets, and other printed material shall include the Equal Housing Opportunity logo and the slogan or statement; and all advertising depicting persons shall depict persons of majority and minority groups.

(b) The Equal Housing Opportunity slogan, "Equal Housing Opportunity", utilized in the newspaper classified advertisements should be at least eight (8) point bold-faced type. Display advertising must include the Equal Housing logo and slogan. If other logotypes are used in the advertisement, then the Equal Housing Opportunity logotype should be of a size equal to the largest of other logotypes.

(c) All signs, off-site and on-site, must prominently display the logo and slogan, or the statement in a size that would not be smaller than the largest letters used on the sign.

(d) The logo and slogan, or the statement and the HUD Equal Housing Opportunity Poster, HUD Form 928.1 (dated 3-89), must be prominently displayed in the on-site office or wherever applications are being taken.

The Equal Housing Opportunity insignia are as follows:

(i) Equal Housing Opportunity Logo and Slogan

(ii) Equal Housing Opportunity Statement

“We are pledged to the letter and spirit of the policy of achievement of equal housing opportunity. We encourage and support an affirmative advertising and marketing program in which there are no barriers to obtaining housing on the basis of race, religion, gender, national origin, disability, family status, or age.”

3.6 Annual Business Plan. Manager shall prepare and submit to Owner for Owner’s approval an Annual Business Plan for the Property for the promotion, leasing, operations, repair and maintenance of the Property for each calendar year of fiscal year as designated by Owner during which this Agreement is in effect. Such Annual Business Plan shall include a detailed budget of projected income and expenses. The Annual Business Plan shall be prepared within 60 days of the takeover of management, and by October 31st of each year thereafter. If Owner does not submit any objections to the Annual Business Plan to Manager in writing within thirty (30) days of submission, Owner shall be deemed to have approved such Annual Business Plan and waived any future objection thereto.

Manager agrees to use diligence and to employ all reasonable efforts to ensure that the actual cost of maintaining and operating the Property shall not exceed the operating budget which is a part of the approved Annual Business Plan (the “Operating Budget”) either in total or in any one accounting category. Any expense causing or likely to cause a variance of greater than ten percent (10%) or \$1000.00, in any one accounting category for the current month shall be promptly explained to Owner by Manager in writing. All expenses must be charged to the proper account as specified in a Schedule of Accounts to be submitted by Manager to Owner 30 days prior to commencement of lease-up or takeover, and no expense may be classified or reclassified for the purpose of avoiding an excess in the annual budgeted amount of an accounting category. Manager shall secure Owner’s prior written approval of any expenditure that will result in an excess of the greater of One Thousand Dollars (\$1,000.00) or ten percent (10%) of the annual budgeted amount in any one accounting category of the Operating Budget; provided, however, that Owner’s consent shall not be required for an excess expenditure that includes, but shall not be limited to, mortgage payments, taxes, utilities and insurance (for the coverage required hereby) and emergencies.

During the calendar year, or fiscal year if applicable, the Manager shall inform Owner of any increases or decreases in costs, expenses and income that were not reflected in the Annual Business Plan which exceed the greater of ten percent (10%) of the estimate included in the Annual Business Plan, or \$5,000.00.

3.7 Utilities. Manager shall, on behalf of Owner, enter into or renew contracts for electricity, gas, telephone, fuel oil and other necessary utility services for the Property.

3.8 Collection of Rents and Other Income. Manager shall use diligent efforts to collect all rents and other charges, which may become due at any time from any tenant or from others for services provided in connection with or for the use of Property or any portion thereof. Manager shall collect and identify any income due Owner from miscellaneous services provided to tenants or the public including, but not limited to, parking income, tenant storage, and coin operated machines of all types (e.g., washers, dryers, vending machines, pay telephones, etc.). All monies so collected shall be deposited in the Operating Account.

(a) The Manager will collect when due all rents, charges, and other amounts receivable on the Owner's account in connection with the management and operation of the Project. These receipts, except resident security deposits, which will be handled as specified in subsection b. of this Section, shall be deposited in a custodial account separate from all other accounts and funds and shall be maintained with a financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or any successor thereto and shall be used exclusively by the Manager as funds of this Project. This custodial account will be carried in the project's name and designated as the "Project Operating Account". Except for amounts due the Manager for the Management Fee, the Manager shall have no property interest in this account.

(b) The Manager will collect, deposit, maintain and disburse resident security deposits in accordance with the terms of each resident's lease and the provisions of the Landlord-Tenant Code of the applicable state where the Project is located or any successor Act as applicable to residential dwelling units. If security deposits are held in escrow, they shall be deposited by the Manager with a financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or any successor thereto in an interest-bearing custodial account separate from all other Project accounts and funds and will be carried in the Manager's name and designated as the Project Security Account. If the Owner wishes to give a bond in lieu of escrow pursuant to the Landlord Tenant Act, Manager must also maintain an escrow account equal to 25% of all security deposits.

3.9 Competitive Bidding. All contracts for repairs, capital improvements, goods, and services, except salaries for full-time employees shall be awarded at no higher than prevailing market rates and for amounts exceeding Ten Thousand Dollars (\$10,000.00) shall, unless otherwise required by Owner, be awarded on the basis of competitive bidding, solicited in the following manner:

(a) A minimum of three (3) bids shall be required.

(b) Each bid shall be solicited in a form prescribed by Owner, if any, so that uniformity will exist in bid quotes.

(c) Manager may accept a low bid without prior approval from Owner, if the expenditure is for a budget approved item and will not result in an excess of the annual budgeted accounting category of the applicable approved Operation Budget or the Capital Budget

("Budget") which is a part of the approved Annual Business Plan. Otherwise, approval of a bid may be required by Owner before acceptance.

(d) Manager shall not accept other than the lowest bid without the prior approval of Owner. If Manager advised acceptance of other than the lowest bidder, Manager shall adequately support, in writing, its recommendations to Owner.

(e) Owner shall be free to accept or reject any and all bids.

(f) Manager may request Owner, but Owner is not compelled, to waive competitive bidding rules.

Owner shall pay for all expenses of such bidding procedure and may pay for such expenses from its own resources or may authorize payment by Manager out of the Operating Account. Expenses incurred under this Section 3.9 shall not be charged to any account category.

3.10 Repairs. The Manager shall, at Owner's expense, attend to the asking and supervision of all ordinary and extraordinary repairs, replacements, additions, improvement, maintenance, decorations and alterations, subject to the limits of the approved Annual Business Plan, including expenditures to refurbish, rehabilitate, remodel, or otherwise prepare areas covered by new leases. Such activities shall be performed to the end that the property is maintained and furnished as a typical apartment project in the applicable marketplace so long as adequate funds are available. To the extent that such work requires the services of an architect or licensed contractor, the cost to do same includes the architect's or contractor's fees. All such activity shall be made with as little hindrance to the operation of the Property as is reasonably possible.

In case of an emergency, Manager may make expenditures for repairs, which exceed the limits described in this Section 3.10 without prior written approval if it is necessary to prevent damage to the Property, injury to persons or damage to the property of third parties. Owner must be informed of any such expenditure before the end of the next business day.

3.11 Capital Improvements. The approved Annual Business Plan constitutes an authorization for Manager to expend money for authorized capital projects. With respect to the purchase and installation of capital items (cost in excess of Twenty-Five Thousand Dollars (\$25,000.00)) and new or replacement equipment, Manager shall recommend that Owner purchase those items when Manager believes such purchase to be necessary or desirable. Owner may arrange to purchase and install the same itself or may authorize Manager to do so subject to prescribed supervision and specification requirements and conditions. The competitive bid rules outlined in Section 3.9 will be observed in all capital projects involving an excess of Twenty-Five Thousand Dollars (\$25,000.00).

3.12 Service Contracts. Manager shall not enter into any contract (or contracts, if they are for a substantially similar purpose) for cleaning, maintaining, repairing or servicing the Property or any of its constituent parts that requires annual payments in excess of ten percent (10%) of the amount approved in the appropriate budget category of the Annual Business Plan without the prior written consent of Owner. As a condition to obtaining such consent, Manager shall supply Owner with a copy of the proposed contract and shall state to Owner the relationship, if any,

between Manager (or the persons in control of Manager) and the party proposed to supply such goods or services, or both.

All service contracts shall: (a) be in the name of Owner and executed by Manager; (b) be assignable, at Owner's option, to Owner's nominee; (c) include a provision for cancellation thereof by Owner, thirty (30) days' written notice (any exception to this provision must have the prior written consent of Owner); and (d) shall require that all contractors provide evidence of insurance sufficient to meet the requirements of Section 4.3. Unless Owner specifically waives such requirements, either by memorandum or as an amendment to the contract, all service contracts shall be subject to bid under procedure as specified in Section 3.9.

3.13 Taxes, Mortgages.

(a) Taxes. Manager shall obtain and verify bills for real estate and personal property taxes, improvement assessments, water charges and other like charges which are or may become liens against the Property and recommend payment or appeal as in its best judgment it shall determine. Such recommendations shall be supported by Manager's completion of data on the assessments on comparable properties determined on a net rentable, usable or gross building area basis. Manager shall, to the extent funds are available in the Operating Account, pay such bills promptly avoiding penalty for late payment and taking advantage of discounts. In the event that any tax due or imposed in respect to any such payments and such tax is the obligation of Owner, Manager shall make the required tax payment after verification of the amount due. When requested by Owner, Manager shall, without charge, except for out-of-pocket expenses (which may include an appropriate tax consultant), render advice and assistance to Owner in the negotiation and prosecution of all claims for the abatement of property taxes and other taxes affecting the Property, for awards, for any taking by eminent domain affecting the Property, and all other government regulations affecting the Property which Owner elects to contest.

(b) Mortgages. Following Owner's written request, Manager shall make all payments on or before the due date therefore required under any Mortgage, provided a copy of any such Mortgage has previously been delivered by Owner to Manager, and provided further the funds adequate for such payments are in the Operating Account. Subject to the provisions hereof, Manager shall deliver to Owner, no later than the due date, evidence that such Mortgage payment has been made, and perform all covenants (which Manager has the authority hereunder to perform) required to be performed or observed by Owner under any such Mortgage.

3.14 Use and Maintenance of Premises. Manager agrees not to knowingly permit the use of the Property for any purpose which might void any policy of insurance relating to the Property which might render loss thereunder uncollectible, or which would be in violation of any Governmental Requirement.

3.15 Other. Manager shall perform such other acts and deeds as are reasonable, necessary and proper in the discharge of its duties under this Agreement so long as such acts and deeds are authorized hereby. In addition to the foregoing, Manager shall execute or cause to be executed all leases in compliance with the Real Estate License Law of the applicable State where the Project is located, as amended. The Manager will secure the full compliance of each resident with the terms of his or her lease, and for this purpose is authorized to consult with legal counsel

approved by Owner. The Manager shall have the power to terminate and accept terminations of tenancies; settle, compromise and release claims against residents; reinstate leases; give consents provided for in all leases; institute suits to enforce Owner's rights under the lease; and take all other required action to enforce the leases in effect in the Project.

3.16 Notice to Owner. Manager shall promptly notify Owner: (a) In the event that the condition of the Property or any part thereof fails (to the knowledge of Manager) to meet the standards of the Mortgage or any other agreement relating to the Property, or to meet the standards of the Governmental Requirements; (b) Upon receipt by Manager of any notice, demand or similar communication with respect to any obligation of Owner under the Governmental Requirements, the Mortgage, or other agreement involving Owner, the Property, or any portion thereof; (c) Upon receipt by Manager of any summons, notice, demand or similar communication regarding any action at law or in equity or before any regulatory body in connection with or involving Owner, the Property, or any portion thereof; (d) Upon receipt by Manager of any notice or communication from an insurance carrier regarding insurance coverage or the insurability of the Property; or (e) Upon receipt by Manager of any notice or communication of any nature, written or oral, which is the reasonable opinion of Manager may have a material adverse effect on Owner or the Property.

3.17 Adequate Funds. Wherever the Manager is obligated to make a payment, and such obligation is qualified by there being adequate funds for such payments, the Manager shall have the right to choose which payments are made and shall have no liability for preferring one creditor over another.

3.18 Rentals. The Manager will offer for rent and will rent the dwelling units, parking spaces, commercial space and other rental facilities and concessions in the project. In connection with these duties, the Manager will carry out the following.

- (a) Make the necessary preparations as described in the Annual Business Plan.
- (b) Follow the requirements of the regulations governing the LIHTC program (the "Regulations"), if applicable HUD regulations, and the Marketing and Management Plan and Affirmative Fair Housing and Marketing Plan (Form 935.2) related to resident eligibility for occupancy;
- (c) Show the Project to prospective residents;
- (d) Take and process resident applications for rentals, counsel applicants as to eligibility for occupancy in the Project; verify income and eligibility certifications in accordance with the Regulations.
- (e) The Manager shall terminate the lease agreement and evict an individual or family for any violation of the tenant lease. The Owner shall include the following lease items in the residential lease agreement for each unit.
 - (i) The lease shall provide that upon 24 hours written notice to the resident the Owner and/or Manager shall be permitted to enter the dwelling unit during reasonable hours for the purpose of performing an inspection.

(ii) The lease must include a mechanism which shall allow termination of the agreement and eviction for violation. Manager may not terminate the tenancy or refuse to renew the lease of a resident except for serious or repeated violation of the terms and conditions of the lease; for violation of applicable federal, state or local law; for completion of the transitional housing tenancy period; or for other good cause. Any termination or refusal to renew must be preceded by a 30-day written notice specifying the grounds for the Action.

(iii) Manager shall maintain the premises in compliance with the Owner's design standards and local code requirements.

(iv) The lease must contain a provision for the resident to provide accurate information to determine eligibility at move-in and annual re-certifications.

(A) On commencement of the lease agreement, and every one year thereafter, the resident shall provide Manager with such certifications, verifications and information as Manager may require in order to perform an examination, reexamination or determination of the family's income and eligibility as provided in the rules of applicable federal or state programs. A failure to provide such certification, verifications and information, or any falsification or willful misrepresentation thereof shall be deemed to be a violation of the lease agreement.

(B) If pursuant to Paragraph (a) above, Manager determines that the resident's family income exceeds the maximum limit, the resident shall be permitted to continue to occupy such dwelling unit; provided, however, that the resident shall be required to pay the applicable rent.

(v) The lease must include a provision for the resident to execute a release for verification for utilities on an annual basis, if applicable

(vi) The lease must include:

(A) Security deposit amount and utility information.

(B) Monthly rental amount.

(C) Signatures of all parties.

(D) A statement that the lease agreement complies with all state and local laws.

(vii) The lease must agree to give the resident a thirty (30) day advance written notice of any increase in the monthly rent.

(viii) Any material misrepresentation in resident's application for the leased premises, whether intentional or otherwise, may be treated by Manager, at its sole option, as an act of default under the lease and all remedies available to Manager (or Owner) in the event of other defaults shall likewise be available to Manager (or Owner) in such case.

(ix) The lease may not contain any of the following provisions:

(A) Agreement to be sued. Agreement by the resident to be sued, to admit guilt or to a judgment in favor of the Manager or in the name of Owner in a lawsuit brought in connection with the lease.

(B) Treatment of property. Agreement by the resident that the Manager or Owner may take, hold or sell personal property of household members without notice to the resident and a court decision on the rights of the parties. This prohibition, however, does not apply to an agreement by the resident concerning disposition of personal property remaining in the housing unit after the resident has moved out of the unit. The Manager or Owner may dispose of this personal property in accordance with state law.

(C) Excusing Owner or Manager from responsibility. Agreement by the resident not to hold the Owner or the Manager legally responsible for any action or failure to act, whether intentional or negligent:

(D) Waiver of notice. Agreement of the resident that the Manager or Owner may institute a lawsuit without notice to the resident.

(E) Waiver of legal proceedings. Agreement by the resident that the Manager or Owner may evict the resident or household members without instituting a civil court proceeding in which the resident has the opportunity to present a defense, or before a court decision on the rights of the parties.

(F) Waiver of a jury trial. Agreement by the resident to waive any right to a trial by jury.

(G) Waiver of right to appeal court decision. Agreement by the resident to waive the resident's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease.

(H) Resident chargeable with cost of legal actions regardless of outcome. Agreement by the resident to pay attorney's fees or other legal cost even if the resident wins in a court proceeding by the Manager or Owner against the resident. The resident, however, may be obligated to pay cost if the resident loses.

ARTICLE 4. **INSURANCE**

4.1 Owner's Insurance. Owner, as a property operating expense, will obtain and keep in force insurance against physical damage (e.g., fire with extended coverage endorsement, boiler and machinery, etc.) and against liability for loss, damage or injury to property or persons which might arise out of the ownership or occupancy of the Property in the following amounts:

(a) Commercial Property: Total insured value; and

- (b) General Public Liability: \$1,000,000.00 / \$2,000,000.00 Aggregate per occurrence.

Manager shall furnish whatever information is reasonably requested by Owner for the purpose of establishing the placement of insurance coverage and shall aid and cooperate in every reasonable way with respect to such insurance and any loss thereunder. Owner shall include in its hazards policy covering the Property, personal property, fixtures and equipment located thereon, and Manager shall include in any fire policies for its appropriate clauses pursuant to which the respective insurance carriers shall waive all rights of subrogation with respect to losses payable under such policies. Manager shall be named as additional insured with respect to Owner's liability policies. Owner's insurance coverage shall seek to include a waiver of subrogation rider to the benefit of Manager in all coverages procured hereunder.

4.2 Manager's Insurance. Manager shall maintain, at its expense, insurance coverage in the following minimum amounts:

- (a) Workers Compensation: Statutory Amount;
- (b) Employer's Liability: \$100,000.00 minimum;
- (c) Comprehensive General Liability:
 - (i) \$1,000,000.00 bodily injury per person, \$2,000,000.00 aggregate for property damage and/or bodily injury; or
 - (ii) Umbrella coverage of no less than \$20,000,000.00; and
- (d) A fidelity bond or other surety acceptable to Owner in an amount not less than \$500,000.00

Manager shall furnish Owner with certificates evidencing the aforesaid coverage, which shall include provisions to the effect that either Party will be given at least thirty (30) days prior written notice of cancellation. Manager's insurance coverage shall seek to include a waiver of subrogation rider in favor of Owner in all coverages procured hereunder.

4.3 Subcontractors' Insurance. Manager shall require that all parties performing work on or with respect to the Property, including, without limitation, subcontractors and service vendors, maintain insurance coverage at such party's expense, in the following minimum amounts:

- (a) Workers Compensation: Statutory Amount;
- (b) Employer's Liability: \$100,000.00 minimum; and
- (c) Comprehensive General Liability:
 - (i) \$1,000,000.00 per occurrence, \$2,000,000.00 aggregate for property damage and/or bodily injury; or

Manager must obtain Owner's consent to waive any of the above requirements, which consent shall not be unreasonably withheld in light of the character or the work performed. Manager shall obtain and keep on file a Certificate of Insurance, which shows that each such party is so insured.

The limits provided for in Section 4.2 and 4.3 may be increased from time to time and at any time upon mutual consent of Owner and the Manager to give effect to increases in current liability exposure and inflationary cost increases. Changes in the amounts and types of insurance provided for hereunder shall be made as part of the Annual Business Plan.

4.4 Fidelity Bond.

The Manager will as a Project expense furnish a Blanket Position Fidelity Bond (Employee Dishonesty) in the amount equal to one month's total rent for the entire Property. The bond shall cover all persons involved in handling of funds of the Manager, Owner and development. Minimum amount of coverage required is equal to one (1) month's income potential.

ARTICLE 5. **INDEMNIFICATION**

5.1 Indemnification. Each party hereto shall defend and save the other harmless from any liability on account of loss, damage or injury arising out of such party's gross negligence or willful misconduct. The Indemnified Party shall:

(a) Promptly notify the indemnifying party (the "Indemnifying Party") and the insurance carrier after the Indemnified Party receives notice or becomes aware of any such loss, damage or injury.

(b) Cooperate in all reasonable respects with the Indemnifying Party and its insurers in the defense of such injury or claims.

(c) Not take action (such as admission of liability) which might bar the Indemnifying Party in its defense to a claim based on such loss, damage or injury.

(d) The failure of the Indemnified Party to comply with the requirements of this Section 5.1 shall not reduce or otherwise affect the Indemnified Party's right to recovery hereunder except to the extent such failure shall increase the liability of the Indemnifying Party hereunder.

Notwithstanding anything to the contrary contained in this Article 5, neither party shall be required to indemnify the other for or defend or hold it harmless from any claims, actions or proceedings resulting from acts or omissions which: (a) constitute gross negligence or willful misconduct on the part of the party claiming the right to be indemnified, its employees, agents, guests, invitees, or contractors; (b) are outside the scope of the party's authority or responsibility hereunder (unless expressly assumed by the Indemnifying Party); (c) are in breach of any duties hereunder; or (d) constitute intentional torts on the part of the party claiming the indemnity, its employees, agents, guests, invitees or contractors.

Manager agrees that Owner shall have the exclusive right, at its option, to conduct the defense to any claim, demand or suit within limits prescribed by the policy or policies of insurance described in Section 4.1 hereof.

The provisions of this Article 5 shall survive the expiration or termination of the Agreement. It is the intention of the parties that this indemnity merely requires establishing liability by a court of competent jurisdiction or by settlement agreed to by both parties and does not require payment as a condition precedent to recovery by the Indemnified Party under this indemnity. To the extent permitted by law, each party, one to the other, waives the right of subrogation that any insurance company may have by reason of having paid an insured claim with respect to the Agreement on the Property.

ARTICLE 6.

FINANCIAL REPORTING AND RECORD KEEPING

6.1 Books of Accounts. Manager shall maintain adequate and separate books and records for the Property, the entries to which shall be supported by sufficient documentation to ascertain that said entries are accurate. Such books and records shall be maintained by Manager at Manager's offices located at 2200 North Commerce Parkway, Suite 100, Weston, FL 33326 or at such other location as may be mutually agreed upon in writing. Manager shall ensure such control over accounting and financial transactions as is reasonably required to protect Owner's assets from theft, negligence or fraudulent activity on the part of Manager's employees or other agents.

(a) In addition to the financial reporting requirements of this Agreement and any and all additional reports as may be requested, the Manager will prepare and maintain records and any and all reports including but not limited to the following:

(i) A comprehensive system of permanent records, books, and accounts satisfactory to the Owner and prepared in conformity with generally accepted accounting principles.

(ii) Furnish information requested by the Owner from time to time with respect to the Project.

(b) The Manager will cause to be prepared and will submit to Owner within ninety (90) days after the end of each fiscal year an audited financial statement prepared by a certified public accountant acceptable to Owner and based upon the preparer's examination of the Project books and records. The cost of this financial statement shall be paid from the Project Operating Account as a Project expense.

(c) All records, books and accounts for the Project will be subject to examination and reproduction at reasonable hours by any authorized representative of the Owner or a certified public accountant selected by Owner.

(d) All records must be retained for three (3) years after the affordability period as defined by the applicable state Code.

(e) In the event the Project has received Federal HOME Investment Partnerships Program funds, the Manager shall comply with the recordkeeping requirements of 24 C.F.R. Sections 92.508(2)(iv), (3)(i), (ii) and (iii), (5)(i), (ii), (iv), (vi), (vii) and (ix) and (6)(iii).

6.2 Financial Reports. Manager shall furnish reports of all transactions occurring during each calendar month. These reports are to be received by Owner no later than twenty (20) calendar days after the end of each month. In addition, Manager shall furnish a summary report of all transactions occurring within each calendar year, which summary report shall be delivered to Owner within forty-five (45) days of the end of each calendar year. All such reports must show all collections, delinquencies, uncollectible items, vacancies, and other matters requested by Owner pertaining to the management, operation, and maintenance of the Property during the year. The reports shall include balance sheet, summarized or detailed operating statement, general ledger, cash flow report (annual), budget variance report (quarterly), rent roll, tenant account receivables, as well as any other items specified in the Annual Business Plan. Manager shall prepare such information on forms reasonably acceptable to Owner to facilitate the input of financial information into Owner's accounting system. Manager shall provide Owner with such other reports, summaries, projections, estimates and information, as Owner shall reasonably request. In addition, Manager shall cooperate to the extent reasonably possible with Owner's accountants in the preparation of annual financial statements (and related management letters). Such annual financial statements and management letters are to be issued within one hundred twenty (120) days after the end of each fiscal year.

6.3 Supporting Documentation. As additional support to the monthly financial statements, Manager shall at Owner's reasonable request, not more often than quarterly, provide copies of the following:

- (a) All bank statements, bank deposit slips and bank reconciliations;
- (b) Detailed cash receipts and disbursement records;
- (c) General ledger listing (periodically, Owner may request copies of all invoices paid during a specific period);
- (d) All invoices for capital expenditures and non-recurring items;
- (e) Summaries of adjusting journal entries; and
- (f) Copies of paid bills.

In addition, Manager shall maintain the following for inspection in its offices:

- (i) Detailed trial balance (if available); and
- (ii) Supporting documentation for payroll, payroll taxes and employee benefits.

6.4 Transfer of Funds. All cash balances shall be maintained by Manager in the Operating Account to be used in accordance with the terms and provisions of this Agreement.

To the extent funds are available, all operating expenses shall be paid by Manager from the Operating Account. Each month Manager shall pay all operating expenses, its management fee and then remit the excess remaining, if any, to Owner as needed or requested and allowed as per the applicable Partnership Agreement affecting the Project. Checks for remittances should be delivered to Owner, independent of required financial reports, in the most expeditious manner possible.

The minimum balance required in the operating account under this agreement is one month's worth of operating expenses, including any applicable debt service for the Project.

6.5 Accounting Principles. All financial statements and reports required by Owner will be prepared in accordance with generally accepted accounting principles with the exception that Owner may specify that the statements be prepared on a cash basis.

6.6 Owner's Property. All books, records, invoices and other documents received by Manager pursuant to its obligations hereunder shall be the property of Owner and shall be promptly delivered to Owner upon termination hereof.

6.7 Failure to Maintain Records. The failure by the Manager to maintain the books and records shall not result in consequential damages to Owner unless such failure is due to gross negligence and willful misconduct.

ARTICLE 7.

OWNER'S RIGHT TO AUDIT

7.1 Right to Audit. Owner reserves the right for Owner's employees or other agents appointed by Owner, to conduct examinations during regular business hours, upon twenty-four (24) hours' notice to Manager, of the books and records maintained for Owner by Manager. Owner also reserves the right to perform any and all reasonable additional audit tests relating to Manager's activities either at the Property or at any office of the Manager; provided such audit tests are related to those activities performed by Manager for Owner, and further provided that such examinations do not interfere with the other business of the Manager.

Should Owner's employees or appointees discover either weaknesses in internal control as established by generally accepted accounting standards or errors in record keeping, Manager shall correct such discrepancies either upon discovery or within a reasonable period of time after notice from Owner specifying such weaknesses or errors. Manager shall inform Owner, in writing, of the action taken to correct such audit discrepancies.

Any and all audits conducted either by Owner's employees or appointees will be at the sole expense of Owner.

ARTICLE 8.

BANK ACCOUNTS

8.1 Operating Account. Manager shall deposit all rents and other funds collected from the operation of the Property, including any and all advance rents, in a bank or banks designated

by Manager and approved by Owner in its reasonable discretion, in a special account or accounts (the "Operating Account") for the Property.

Owner shall be given written notice of each such account number and location. If more than one account is required to operate the Property, each account shall have a distinct name.

The funds in the Operating Account shall be segregated from all funds of Manager. Manager shall be entitled to draw against the Operating Account for Operating Expenses.

8.2 Security Deposit Account. Unless otherwise required by law, a separate non-interest bearing account will be opened by Manager at a bank designated by Manager which has been approved by Owner in its reasonable discretion for tenant security accounts.

ARTICLE 9.

PAYMENT OF EXPENSES

9.1 Employment Cost to be Reimbursed. Owner shall reimburse Manager for the total compensation and related expenses of any of Manager's employees who are stationed at the Project and do work solely for the Project if such compensation and related expenses are set forth in the Annual Business Plan approved by Owner. It is agreed that costs of such related expenses shall include cost of group insurance, standard, retirement benefits, and the employer's pro rata share of FICA taxes, state and federal unemployment assessments and worker's compensation premiums or assessment, which may be payable based on the gross pay and taxable income of employee. Manager shall preserve all records supporting the basis for such charges to Owner, and shall prior to reimbursement, submit to Owner upon request.

All matters pertaining to the employment of such employees are the responsibility of Manager, who shall be in all respects the employer of such employees and who shall fully comply with all applicable laws and regulations affecting the employer/employee relationship, including without limitation, laws and regulations having to do with payroll withholdings, worker's compensation, discrimination, social security, unemployment insurance, hours of labor, wages, and working conditions. Since this Agreement is not one of agency by Manager for Owner but one with Manager engaged independently in the business of managing properties on its own behalf, all employment arrangements are therefore solely Manager's concern.

9.2 Costs Eligible for Payment from Operating Account. Manager may and shall pay the following expenses directly from the Operating Account subject to the conditions outlined in Article 3:

(a) Costs to correct any violation of Federal, State and Municipal laws, ordinances, regulations and orders relative to the leasing, use, repair and maintenance of the Property, or relative to the rules, regulations or orders of the local Board of Fire Underwriters or other similar body, provided such costs are not the result of Manager's gross negligence or willful misconduct.

(b) Actual and reasonable costs of making all repairs, decorations and alterations, provided such cost is not the result of Manager's gross negligence or willful misconduct.

(c) Costs incurred by Manager in connection with all service agreements approved by Owner.

(d) Cost of collection of delinquent rentals collected through a collection agency.

(e) Reasonable legal fees of attorneys.

(f) Cost of capital expenditures subject to the restrictions in Section 3.10.

(g) Cost of printing checks for each bank account required so that Manager can fulfill its duties hereunder.

(i) Cost of service contracts and cost of utilities.

(n) Cost of software licensing for property operations and accounting

(o) Cost for Compliance personnel and including related expenses

9.3 Non-reimbursable Costs. The following expenses or costs incurred by or on behalf of Manager in connection with the management of the Property shall be at the sole cost and expense of Manager and shall not be reimbursed by Owner:

(a) Cost of gross salary and wages, payroll taxes, insurance, worker's compensation, and other benefits of Manager's off-site management, accounting and office personnel and independent contractors.

(b) General accounting and reporting services which are considered to be within the reasonable scope of the Manager's responsibility to Owner.

(c) Cost of forms, paper, ledgers, and other supplies and equipment used in Manager's office at any location off the Property.

(d) Cost of electronic data processing or any pro-rata charge thereof, for data processing provided by computer service companies except for annual software licensing fees necessary for onsite operations of the property.

(e) Political or charitable contributions.

(f) Cost of advances made to employee and travel by Manager's employees or agents to and from the Property except for supervisory personnel.

(g) Cost attributable to losses arising from gross negligence, willful misconduct or fraud on the part of Manager, Manager's associates, or Manager's employees.

ARTICLE 10.

OPERATING ACCOUNT

10.1 Priorities. From the funds collected and deposited by the Manager in the Operating Account, the Manager will promptly make the following disbursements in the following order when due and payable:

(a) The amount required to be paid monthly by the Manager on behalf of Owner to any lenders for principal amortization and interest on any mortgage loans and annual servicing and other fees;

(b) The amount required to be paid monthly by the manager on behalf of Owner for all real estate taxes, utilities, insurance premiums, reserve funds, and other escrow payments;

(c) The Manager's fee, as determined by this Agreement;

(d) Reimbursement to the Manager for compensation as permitted hereunder;
and

(e) All other amounts otherwise due and payable by the Owner authorized to be incurred by the Manager under the terms of this Agreement as a Project expense.

10.2 Statement of Unpaid Items. After Manager has paid to the extent of available gross income, all bills and charges based upon the ordered priorities set forth in Section 10.1, Manager shall submit to Owner a statement of all remaining unpaid bills, which Owner shall promptly provide funds for.

10.3 Segregation of Accounts. In each instance where Manager manages several properties for Owner, Manager shall segregate the income and expenses of each property so that gross income from each property will be applied only to the bills and charges from such property.

ARTICLE 11. MANAGER'S EMPLOYEES

All personnel with respect to the Project will be employees of the Manager and will be hired, paid, supervised and discharged by the Manager. Compensation for the personnel will include salary or wages, all fringe benefits, unemployment and workmen's compensation insurance premiums, and all Federal, state and local taxes incident to the employment of personnel (including social security taxes) and will be in compliance with all applicable minimum wage requirements.

ARTICLE 12. C OOPERATION; NON-DISCRIMINATION

12.1 Cooperation. Should any claims, demands, suits or other legal proceedings be made or instituted by any person against Owner which arise out of any of the matters relating to this Agreement, Manager shall give Owner all pertinent information possessed by Manager and reasonable assistance in the defense or other disposition.

12.2 Non-Discrimination.

(a) Manager shall comply with all applicable federal, state, and local laws and shall not:

(i) Refuse to lease or otherwise deny or withhold any unit from any person because of race, or color, religious creed, ancestry, sex, national origin, familial status, or handicap or disability of any prospective occupant of such unit or refuse to lease a unit to any person due to use of a guide dog because of blindness of the prospective occupant.

(ii) Discriminate against any person in the terms and conditions of any lease for a unit or in furnishing facilities, services or privileges in connection with the occupancy or use of a unit of the Project because of the race, color, religious creed, ancestry, sex, national origin or handicap or disability of any present or prospective occupant of the Project.

(iii) Print, publish, or circulate any statement or advertisement relating to the Project which indicates any preference limitation, specification or discrimination based upon race, color, religious creed, ancestry, sex, national origin or handicap or disability, or print, publish or circulate any statement or advertisement relating to the lease of any unit which indicates any preference, limitation, specification, or discrimination based upon use of a guide dog because of blindness of the occupant.

(b) Manager shall NOT make inquiries to elicit any information, make or keep records or use any form of application, containing questions or entries concerning race, color, religious creed, ancestry, sex, national origin or handicap a disability in connection with the lease of any unit in violation of applicable laws or HUD guidelines or to make inquiries, elicit information, make or keep records or use any form of application, containing questions or entries concerning the use of a guide dog because of blindness or the occupant in connection with the lease of any unit in violation of any applicable laws or HUD guidelines.

(c) During the term of this Agreement, the Manager agrees as follows:

(i) Manager shall not discriminate against any employee, applicant for employment, independent contractor, or any other person because of race, color, religious creed, ancestry, national origin, age, or sex. Manager shall take affirmative action to insure that applicants are employed, and that employees or Managers are treated during employment, without regard to their race, color, religious creed, handicap, ancestry, national origin, age, or sex. Such affirmative action shall include, but is not limited to: employment, upgrading, demotion or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training. (iii) Manager shall comply with all state and federal laws prohibiting discrimination in hiring or employment opportunities. In the event of Manager's noncompliance with the nondiscrimination clause of this Agreement or with any such laws, this Agreement may be terminated or suspended, in whole or in part.

(iv) Manager shall furnish all necessary employment documents and records to, and permit access to its books, records, and accounts by the contracting Owner for purposes of investigation to ascertain compliance with the provisions of this clause. If Manager does not possess documents or records reflecting the necessary information requested, it shall furnish such information on reporting forms supplied by the contracting Owner.

(v) Manager shall include the provisions of this nondiscrimination clause in every subcontract, so that such provisions will be binding upon each subcontractor.

(vi) Manager obligations under this clause are limited to Manager's facilities within the Property.

12.3 Resident-Management Relations. To the extent that problems affecting the Project and its residents may be avoided or solved on the basis of mutual self-interest and understanding, the Manager will encourage and assist representative organizations to promote their common interests, upon the request of residents. The expiration or termination of this Agreement shall not cut off, divest or otherwise diminish the rights or remedies, outstanding obligations, duties or liabilities of any party under this Agreement in either law or equity, which exist prior to expiration or termination of this Agreement. As against each other the principal Parties waive the defense of impossibility of performance.

A. Employ Miami: For Employ Miami, explain training programs that will be implemented for construction and post construction jobs. Including the proposer's commitment of the number of jobs that will be provided. (Requirements of this paragraph are threshold items, refer to Threshold Requirements definition).

Related Urban has a proven track record of providing extensive job training and employment opportunities to residents across our affordable and workforce housing communities. Our team will implement comprehensive Section 3 and MBE/WBE hiring programs, in strict accordance with Employ Miami standards, throughout the construction of The Gallery at Lummus Parc. A large part of the workforce that constructs The Gallery at Lummus Parc will be Section 3 and MBE/WBE firms that are hired through Related Urban's affiliated general contractor, Fortune Urban Construction.

Related Urban firmly commits to a minimum of 20% of new hires as Section 3 eligible residents as **local construction hiring** for The Gallery at Lummus Parc.

Related Urban firmly commits to a minimum of 30% of new hires as Section 3 eligible residents as **local permanent hiring** for The Gallery at Lummus Parc. Permanent jobs available will consist of maintenance and property management staff.

Through Employ Miami-Dade, Related Urban commits to providing OSHA and NCCER training in preparation for work on The Gallery at Lummus Parc construction site and any other construction related employment opportunities. The target participants will typically range between the ages of 18 - 24, out of school and have a high school diploma or GED. Our team will support those who have not received their high school diploma or GED through opportunities to enroll in Miami-Dade College EEC campus' Adult Basic Education and GED Program.

In addition, Related Urban is the only development firm with an approved Apprenticeship Program, known as the Related Urban Construction Apprenticeship Program. In coordination with staff from Miami-Dade County Public Schools' Adult Education Program and the Florida Department of Education Division of Adult and Career Education, Related Urban will offer its first-of-its-kind Construction Apprenticeship Program to target participants during the construction of The Gallery at Lummus Parc.

The Related Urban Apprenticeship Program was crafted to provide local unskilled residents, many of which are ex-offenders, with opportunities to become certified carpenters after completing a four-year program inclusive of 8,000 hours of on-the-job training and classroom instruction two nights a week at D.A Dorsey Technical College. A partner agency facilitates the program's classroom component and on-the-job training is overseen by journeymen of subcontracted firms throughout the workday. The first cohort of apprentices recently completed their work at Related Urban's Liberty Square Phase Two.

Another way that Related Urban is complementing Employ Miami-Dade's job training initiatives is through a new unique partnership with Year Up - a workforce organizations that empowers motivated young adults ages 18 - 30 years old to achieve career and academic success in addition to social and economic equity. Year Up is a proven path for young adults to successfully launch careers.

Through Year Up's programming, young adults gain critical technical and professional skills through 7-month intensive experiences. Year Up's program prepares young adults for one of five technical career tracks, including information technology (IT), financial operations, sales & customer support, business operations and software development & support. Year Up is offered at no cost and offers an educational stipend to help offset basic expenses. 100% of qualified students are placed into internships with the help of a dedicated team that is committed to helping students get a job after graduation. In fact, 90% of Year Up graduates are employed or pursuing postsecondary education within 4-months of graduation.

Related Urban will partner with Year Up at The Gallery at Lummus Parc to support young adults through a variety of intensive job training including comprehensive hands-on experience, six-month corporate internships with hands-on technical experience at major South Florida companies, valuable professional skills, job-ready skills training, coursework eligible for college credit and "After Year Up" - critical access to resources, support and a network of 18,000+ alumni.

Please see Year Up Letter of Support in Exhibit L.

Furthermore, Related Urban's Section 3 track record is unmatched across Miami-Dade County. At Liberty Square, Related Urban implemented a comprehensive job training and hiring program that focuses on residents of the Liberty City area, specifically those residing in zip codes 33142 and 33147, with an emphasis on hiring ex-offenders as well as Section 3 and MBE / WBE firms. Related Urban has successfully hired 334 Section 3 eligible residents in the construction of Liberty Square Phase One, Phase Two and Phase Three. After establishing a standard of 20% of new hires as Section 3 eligible residents at Liberty Square Phase Two and Phase Three, Related Urban has exceeded its commitments by hiring 50% as Section 3 eligible residents at Liberty Square Phase Two and is currently tracking 38% Section 3 hiring at Liberty Square Phase Three, which recently commenced construction.

Please see below for firm commitments to the number of jobs that will be created at The Gallery at Lummus Parc.

Furthermore, an addendum specifically addressing Related Urban's Section 3, DBE, MBE and WBE requirements will be included in The Gallery at Lummus Parc's General Contract and each subcontract relating to the development of this mixed-income project. Related Urban has previously set a very high standard for Section 3, DBE, MBE and WBE sub-contracting in Miami-Dade County at our Liberty Square development by committing to having a minimum of 50% of the value of the construction contracts to Section 3 and / or minority firms. **Related Urban has actually exceeded its commitment by contracting 57.6% of the value of the construction contracts to Section 3 and / or minority firms.**

ARTICLE III **RENT**

3.1 **Rent.**

Tenant covenants and agrees to pay to Landlord as rent under this Lease:

(a) an annual rental amount equal to sixteen and one half percent (16.5%) of the available (net) cash flow that is distributable by Tenant to its manager, after payment of any deferred developer fees ("**Annual Rent**"), and

(b) a one-time capitalized lease payment, to be paid upon the Commencement Date, in the amount of \$1,536,500.00 (the "**Capitalized Payment**"), which amount is calculated by multiplying the number of units (*i.e.*, 439) *times* \$3,500.00.

"**Rent**" means the sum of Annual Rent and the Capitalized Payment. If greater or fewer than 439 units are constructed at the Premises, the Capitalized Payment shall be adjusted on a unit-for-unit basis. Annual Rent shall be payable within ninety (90) days following the end of the Project's fiscal year. Any portion of the Annual Rent not paid with respect to any given year shall be deferred to the following year. No Annual Rent shall accrue until after full payment of any deferred developer fees payable to Tenant. Rent shall be made payable to the Board of County Commissioners, c/o Public Housing and Community Development, 701 N.W. 1st Court, 16th Floor, Miami, Florida 33136, or at such other place and to such other person as Landlord may from time to time designate in writing, as set forth herein. Prior to the Commencement Date, Tenant is not obligated to pay Rent or any other sums to the Landlord under this Lease.

3.2 **Surrender.**

Upon the expiration of this Lease by the passage of time or otherwise, Tenant will quietly yield, surrender, and deliver up possession of the Premises to Landlord. In the event Tenant fails to vacate the Premises and remove such personal property as Tenant is allowed to remove from the Premises at the end of the Term, or at the earlier termination of this Lease, Landlord shall be deemed Tenant's agent to remove such items from the Premises at Tenant's sole cost and expense. Furthermore, should Tenant fail to vacate the Premises in accordance with the terms of this Lease at the end of the Term, or at the earlier termination of this Lease, the Tenant shall pay to Landlord a charge for each day of occupancy after expiration or termination of the Lease in an amount equal to one hundred and fifty percent (150%) of Tenant's Rent (applicable during the immediately preceding Lease Year) prorated on a daily basis. Such charge shall be in addition to any actual damages suffered by Landlord by Tenant's failure to vacate the Premises, for which

Tenant shall be fully liable, it being understood and agreed, however, that Tenant shall under no circumstances be liable to Landlord for any incidental, indirect, punitive or consequential damages (including, but not limited to, loss of revenue or anticipated profits).

3.3 **Utilities.**

Commencing as of the Commencement Date, Tenant shall pay or cause to be paid all charges for water, gas, sewer, electricity, light, heat, other energy sources or power, telephone or other service used, rendered, or supplied to Tenant in connection with the Premises.

3.4 **Other.**

Commencing as of the Commencement Date, Tenant covenants to pay and discharge, when the same shall become due all other amounts, liabilities, and obligations which Tenant assumes or agrees to pay or discharge pursuant to this Lease, together with every fine, penalty, interest and cost which may be added for nonpayment or late payment thereof (provided that Tenant shall not be liable for any payment or portion thereof which Landlord is obligated to pay and which payment Landlord has failed to make when due); and, in the event of any failure by Tenant to pay or discharge the foregoing, Landlord shall have all the rights, powers and remedies provided herein, by law or otherwise in the case of nonpayment of Rent.

3.5 **Taxes.**

Tenant understands and agrees that as a result of the Landlord's fee ownership of the Premises, for State law purposes, all or part of the Premises may become exempt from any ad valorem taxes. Landlord represents to Tenant that any such exemption should remain in effect notwithstanding that Landlord is entering into this Lease. However, during the Term of this Lease, should, for any reason whatsoever, the Premises become exempt and then again become subject to ad valorem taxes or any other real estate taxes, fees, impositions and/or charges imposed during the Term and any extensions upon the Premises and the building and/or other improvements constructed on the Premises by Tenant ("**Real Estate Taxes**"), then, in such event, from and after the Commencement Date (but not before such date), Tenant shall be required to pay all Real Estate Taxes, prior to delinquency without notice or demand and without set-off, abatement, suspension or deduction. In the event that the folio identification number applicable to the Premises shall also contain other property not specifically included in, or a part of, the Premises, then Tenant shall only be required to pay the portion of such taxes exclusively attributable to the Premises. In addition, Tenant shall be required to pay for any water, electric, sewer, telephone or other utility charges incurred by Tenant during the Term or any extensions which are limited solely to the Premises and/or any structures and/or improvements thereon. In the event Tenant is required to pay Real Estate Taxes, Tenant shall provide the County with proof of such payment on an annual basis.

3.6 **Contested Obligations.**

If Tenant shall deem itself aggrieved by any Real Estate Taxes or other charges for which it is responsible hereunder and shall elect to contest the payment thereof, Tenant may make such payment under protest or, if postponement of such payment will not jeopardize Landlord's title to the Land, or subject Landlord to the risk of any criminal liability or civil liability or penalty, Tenant may postpone the same provided that it shall secure such payment and the interest and penalties thereon and the costs of the contest on the determination or the proceedings or suit in which such contest may be had, by causing to be delivered to Landlord cash or other security satisfactory to

Landlord, or a bond of indemnity of a good and solvent surety company, in form and amount satisfactory to Landlord. Either party paying any Real Estate Taxes or other charges shall be entitled to recover, receive and retain for its own benefit all abatements and refunds of such Real Estate Taxes or other charges, unless it has previously been reimbursed by the other party, in which case an equitable distribution will be made. Tenant agrees to save Landlord harmless from all costs and expenses incurred on account of Tenant's participation in such proceedings or as a result of Tenant's failure to pay Real Estate Taxes and other related charges with respect to the Premises. Landlord, without obligating itself to incur any costs or expenses in connection with such proceedings, shall cooperate with Tenant by providing such information and executing such applications, documents or filings as requested by Tenant, each with respect to such proceedings so far as reasonably necessary; provided, however, that Tenant acknowledges that the foregoing duty to cooperate will not require the Landlord to take any legal position contrary to the position taken by the Miami-Dade County Property Appraiser or Tax Collector in any such proceeding. Tenant shall not discontinue any abatement proceedings begun by it without first giving the Landlord written notice of its intent to do so and reasonable opportunity to be substituted in such proceedings. Landlord shall promptly furnish to Tenant a copy of any notice of any Real Estate Taxes received by Landlord.

3.7 Control and Liabilities.

Landlord acknowledges and agrees that Landlord is and shall be, at all times prior to the Commencement Date, in use, control and occupancy of the Premises and all improvements located thereon. In connection with the foregoing, Landlord further acknowledges and agrees that Landlord is responsible for maintaining, repairing, securing, supervising, and managing the Premises, including with respect to any third parties (e.g., tenants) located in the Premises. All debts, obligations and liabilities arising prior to the Commencement Date in the course of business of the Premises or otherwise in connection with the use, occupancy or operation thereof (including, but not limited to, all such liabilities for utilities, taxes and other costs and expenses related to the Premises; all such liabilities under or with respect to Environmental Laws or claims; all such liabilities under or with respect to any personal injury claims; and any and all obligations related to the operation, maintenance, repair, security, supervision and management of the Premises) are and shall be the obligation of Landlord, and Tenant shall not be liable or otherwise responsible for any such debts, obligations or liabilities or have any duties to the Landlord or any third parties with respect to the use, occupancy or operation of the Premises.

ARTICLE IV **INDEMNITY, LIENS AND INSURANCE**

4.1 Indemnity for Tenant's Acts.

Landlord shall continue to operate the Premises until the Commencement Date as provided in Section 3.7 above and Section 5.1(b), below. From and after the Commencement Date, Tenant shall indemnify and hold harmless the Landlord and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the Landlord or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Lease by the Tenant or its employees, agents, servants, members, principals or subcontractors. Tenant shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the Landlord, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon, provided,

however, nothing herein contained shall obligate or hold Tenant responsible prior to the Commencement Date (a) for any costs, expenses, claims or demands made by any party associated with the Premises or relating to acts or omissions occurring prior to the Commencement Date (including, but not limited to, any acts or omissions relating to the operation, maintenance, repair, security, supervision or management of the Premises), or (b) for any claims stemming from Landlord's and/or its officers', employees' or agents' misconduct or negligence, unless such costs, expenses, claims or demands arise from the acts or omissions of the Tenant, its agents, contractors, employees, members, or invitees; it being agreed to by the Landlord and Tenant that Tenant shall have no liability or obligation whatsoever with respect to such acts or omissions. Tenant expressly understands and agrees that any insurance protection required by this Lease or otherwise provided by Tenant shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Landlord or its officers, employees, agents and instrumentalities as herein provided.

4.2 Landlord's Environmental Responsibility and Representations.

(a) Except to the extent that an environmental condition is aggravated or exacerbated by the negligent or willful acts or omissions of Tenant, its agents or contractors, Tenant shall not be responsible under this Lease for any claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement action of any kind, and all costs and expenses incurred in connection therewith arising out of: (i) the presence of any Hazardous Substances in, on, over, or upon the Premises first affecting the Premises as of or prior to the Commencement Date, whether now known or unknown; or (ii) the failure of Landlord or its agents or contractors prior to the Commencement Date to comply with any Environmental Laws relating to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation or disposal of Hazardous Substances into, on, under or from the Premises at any time, whether or not such failure to comply was known or knowable, discovered or discoverable prior to the Commencement Date.

(b) Landlord represents and warrants to Tenant that, as of the date hereof:

1. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, neither the Land nor any part thereof has been used for the disposal of refuse or waste, or for the generation, processing, storage, handling, treatment, transportation or disposal of any Hazardous Substances;

2. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, no Hazardous Substances have been installed, used, stored, handled or located on or beneath the Land, which Hazardous Substances, if found on or beneath the Land, or improperly disposed of off of the Land, would subject the owner or occupant of the Premises to damages, penalties, liabilities or an obligation to perform any work, cleanup, removal, repair, construction, alteration, demolition, renovation or installation in or in connection with the Premises (collectively, "**Environmental Cleanup Work**") in order to comply with any Environmental Laws;

3. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, no notice from any governmental authority or any person has ever been served upon Landlord, its agents or employees, claiming any violation of any Environmental Law or any liability thereunder, or requiring or calling any attention to the need for any Environmental Cleanup Work on or in connection with the Premises, and neither Landlord,

its agents or employees has ever been informed of any threatened or proposed serving of any such notice of violation or corrective work order; and

4. except as may be referenced in the Environmental Assessments, and to the best of Landlord's knowledge, no part of the Land is affected by any Hazardous Substances contamination, which for purposes hereof, shall mean: (i) the contamination of any improvements, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on or of the Land by Hazardous Substances, or (ii) the contamination of the buildings, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on, or of, any other property as a result of Hazardous Substances emanating from the Land.

4.3 **Liens.**

(a) Tenant agrees that it will not permit any mechanic's, materialmen's or other liens to stand against the Premises for work or materials furnished to Tenant it being provided, however, that Tenant shall have the right to contest the validity thereof. Tenant shall not have any right, authority or power to bind Landlord, the Premises or any other interest of the Landlord in the Premises and will pay or cause to be paid all costs and charges for work done by it or caused to be done by it, in or to the Premises, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in connection with the Tenant's development, construction or operation of the Improvements or any change, alteration or addition thereto made by or on behalf of Tenant. IN THE EVENT THAT ANY MECHANIC'S LIEN SHALL BE FILED, TENANT SHALL EITHER (A) PROCURE THE RELEASE OR DISCHARGE THEREOF WITHIN NINETY (90) DAYS EITHER BY PAYMENT OR IN SUCH OTHER MANNER AS MAY BE PRESCRIBED BY LAW OR (B) TRANSFER SUCH LIEN TO BOND WITHIN NINETY (90) DAYS FOLLOWING THE FILING THEREOF. NOTICE IS HEREBY GIVEN THAT LANDLORD SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED OR TO BE FURNISHED TO THE TENANT OR TO ANYONE HOLDING ANY OF THE PREMISES THROUGH OR UNDER THE TENANT, AND THAT NO MECHANICS' OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS SHALL ATTACH TO OR AFFECT THE INTEREST OF THE LANDLORD IN AND TO ANY OF THE PREMISES. THE LANDLORD SHALL BE PERMITTED TO POST ANY NOTICES ON THE PREMISES REGARDING SUCH NON-LIABILITY OF THE LANDLORD.

(b) Tenant shall make, or cause to be made, prompt payment of all monies due and legally owing to all persons, firms, and corporations doing any work, furnishing any materials or supplies or renting any equipment to Tenant or any of its contractors or subcontractors in connection with the construction, reconstruction, furnishing, repair, maintenance or operation of the Premises, and in all events will bond or cause to be bonded, with surety companies reasonably satisfactory to Landlord, or pay or cause to be paid in full forthwith, any mechanic's, materialmen's or other lien or encumbrance that arises, whether due to the actions of Tenant or any person other than Landlord acting on behalf of or under the control of Tenant, against the Premises.

(c) Tenant shall have the right to contest any such lien or encumbrance by appropriate proceedings which shall prevent the collection of or other realization upon such lien or encumbrance so contested, and the sale, forfeiture or loss of the Premises to satisfy the same; provided that such contest shall not subject Landlord to the risk of any criminal liability or civil penalty, and provided further that Tenant shall give reasonable security to insure payment of such lien or encumbrance and to prevent any sale or forfeiture of the Premises by reason of such nonpayment, and Tenant hereby indemnifies Landlord for any such liability or penalty. Upon the termination after final appeal of any proceeding relating to any amount contested by Tenant

pursuant to this Section 4.3, Tenant shall immediately pay any amount determined in such proceeding to be due, and in the event Tenant fails to make such payment, Landlord shall have the right after five (5) business days' notice to Tenant to make any such payment on behalf of Tenant and charge Tenant therefor.

(d) Nothing contained in this Lease shall be construed as constituting the consent or request of Landlord, expressed or implied, to or for the performance of any labor or services or the furnishing of any materials for construction, alteration, addition, repair or demolition of or to the Premises or of any part thereof.

4.4 **Insurance Requirements.**

Beginning on the Commencement Date and continuing until the expiration or earlier termination of the Term, Tenant shall at all times obtain and maintain, or cause to be maintained, insurance for Tenant and the Premises as described in Exhibit B, or as otherwise approved in writing by Landlord.

ARTICLE V **USE OF PREMISES; COVENANTS RUNNING WITH THE LAND**

5.1 **Use; Covenants.**

(a) In accordance with and subject to the terms and conditions of this Lease, Tenant and Landlord agree that Tenant shall construct multifamily residential housing for low-income, workforce and market rate family, elderly, disabled, special needs or other population and uses acceptable to the County on the Land.

(b) Tenant covenants, promises and agrees that during the Term of this Lease it shall not devote the Premises or any part thereof to uses other than those consistent with this Lease and the requirements of all applicable documents to be executed between Landlord and Tenant (collectively, the "**Landlord/Tenant Documents**").

(c) If, prior to the Commencement Date, the Premises becomes subject to a taking by virtue of eminent domain, to any extent whatsoever, Tenant may, in its sole discretion, terminate this Lease by written notice to the Landlord, whereupon neither party hereto shall have any further rights or obligations hereunder.

(d) The provisions of this Section 5.1 are intended to create a covenant running with the land and to encumber and benefit the Premises and to bind for the Term Landlord and Tenant and each of their successors and assigns and all subsequent owners of the Premises, including, without limitation, any entity which succeeds to Tenant's interest in the Premises by foreclosure of any Permitted Leasehold Mortgage or instrument in lieu of foreclosure.

5.2 **Residential Improvements.**

(a) From and after the Commencement Date, Tenant shall construct the Improvements on the Land in conformance with the Plans and Specifications. Tenant shall cause the Improvements to be substantially completed and placed in service in accordance with the Landlord/Tenant Documents. Tenant shall construct the Improvements and make such other repairs, renovations and betterments to the Improvements as it may desire (provided that such renovations and betterments do not reduce the number of units or bedroom count at the Premises)

all at its sole cost and expense, in accordance with (i) the Landlord/Tenant Documents and (ii) any mortgage encumbering the Tenant's leasehold estate, in a good and workmanlike manner, with new materials and equipment whose quality is equal to that of the initial Improvements, and in conformity with all applicable federal, state, and local laws, ordinances and regulations. Tenant shall apply for, prosecute, with reasonable diligence, procure or cause to be procured, all necessary approvals, permits, licenses or other authorizations required by applicable governmental authorities having jurisdiction over the Improvements for the construction and/or rehabilitation, development, zoning, use and occupation of the Improvements, including, without limitation, the laying out, installation, maintenance and replacing of the heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems, fixtures, wires, pipes, conduits, equipment and appliances and water, gas, electric, telephone, drain and other utilities that are customary in developments of this type for use in supplying any such service to and upon the Premises. Landlord shall, without expense to Landlord absent consent therefor, cooperate with Tenant and assist Tenant in obtaining all required licenses, permits, authorizations and the like, and shall sign all papers and documents at any time needed in connection therewith, including without limitation, such instruments as may be required for the laying out, maintaining, repairing, replacing and using of such services or utilities. Any and all buildings, fixtures, improvements, trade fixtures and equipment placed in, on, or upon the Premises shall remain the sole and exclusive property of Tenant and its subtenants, notwithstanding their affixation to, annexation to, or incorporation into the Premises, until the termination of this Lease, at which time title to any such buildings, fixtures, Improvements trade fixtures and equipment that belong to Tenant shall vest in Landlord.

(b) Tenant shall take no action to effectuate any material amendments, modifications or any other alterations to the development proposals and applications, Plans and Specifications, or to increase the total number of units, and/or other uses on the Land, unless authorized in accordance with the Landlord/Tenant Documents or otherwise approved by Landlord in writing and in advance.

5.3 **Tenant's Obligations.**

(a) From and after the Commencement Date, Tenant shall, at its sole cost and expense, maintain the Premises, reasonable wear and tear excepted, and make repairs, restorations, and replacements to the Improvements, including without limitation the landscaping, irrigation, heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems; structural roof, walls, floors and foundations; and the fixtures and appurtenances as and when needed to preserve them in good working order and condition, and regardless of whether the repairs, restorations, and replacements are ordinary or extraordinary, foreseeable or unforeseeable, capital or non-capital, or the fault or not the fault of Tenant, its agents, employees, invitees, visitors, and contractors. All such repairs, restorations, and replacements will be in quality and class, as elected by Tenant, either equal to or better than the original work or installations and shall be in accordance with all applicable building codes; provided, however, nothing herein contained shall obligate or hold Tenant responsible for any repairs, restorations, or replacements to the Improvements required as a result of an event, act or omission that occurred or existed prior to the Commencement Date.

(b) Tenant may make any alterations, improvements, or additions to the Premises as Tenant may desire, if the alteration, improvement, or addition will not change the use of the Premises as multifamily housing, project amenities, earlier defined commercial space and parking and there is no resulting reduction in housing units required at the Premises, or permanent reduction of Project amenities and such alterations, improvements or additions to the Premises

comply with applicable law and do not impair the value of the Project. Tenant shall, prior to commencing any such actions, give notice to Landlord and provide Landlord with complete plans and specifications therefor.

(c) Tenant shall provide quarterly notarized status reports to the County Mayor or County Mayor's designee with a copy to the District Commissioner in which the Premises lie at appropriate intervals regarding each milestone set forth in the Master Development Agreement executed between the Landlord and RUDG, LLC, which said agreement is incorporated herein by reference.

5.4 Compliance with Law.

(a) From and after the Commencement Date, Tenant shall, at its expense, perform all its activities on the Premises in compliance, and shall cause all occupants of any portion thereof to comply, with all applicable laws (including but not limited to section 255.05, Florida Statutes, Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794 and 24 C.F.R. Parts 8 and 9, which prohibit discrimination against persons with disabilities in any program or activity receiving Federal Financial assistance. 24 C.F.R. § 40.4, which establishes the Uniform Federal Accessibility Standards (UFAS) as the standard design, construction, or alteration of residential structures, the Americans with Disabilities Act, and applicable Fair Housing laws and ordinances), ordinances, codes and regulations affecting the Premises or its uses, as the same may be administered by authorized governmental officials.

(b) Without limitation of the foregoing, but expressly subject to the provisions of Section 5.4, Tenant agrees to fulfill the responsibilities set forth below with respect to environmental matters:

1. From and after the Commencement Date, Tenant shall operate the Premises in compliance with all Environmental Laws applicable to Tenant relative to the Premises and shall identify, secure and maintain all required governmental permits and licenses as may be necessary for the Premises. All required governmental permits and licenses issued to Tenant and associated with the Premises shall remain in effect or shall be renewed in a timely manner, and Tenant shall comply therewith and cause all third parties to comply therewith. All Hazardous Substances present, handled, generated or used on the Premises will be managed, transported and disposed of in a lawful manner. Tenant shall exercise due care and not cause or allow on or upon the Premises, or as may affect the Premises, any act which may result in the discharge of any waste or hazardous materials in violation of Environmental Laws, or otherwise damage or cause the depreciation in value to the Premises, or any part thereof due to the release of any waste or hazardous materials on or about the Premises in violation of Environmental Laws. Tenant shall not knowingly permit the Premises or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Substances, except in such amounts as are ordinarily used, stored or generated in similar projects, or otherwise knowingly permit the presence of Hazardous Substances in, on or under the Premises in violation of any applicable law.

2. Tenant shall promptly provide Landlord with copies of all forms, notices and other information concerning any releases, spills or other incidents relating to Hazardous Substances or any violations of Environmental Laws at or relating to the Premises upon discovery of such releases, spills or incidents, when received by Tenant from any government agency or other third party, or when and as supplied to any government agency or other third party. Additionally, Tenant hereby agrees to promptly notify Landlord, in writing, should an accident or

incident occur in which any waste and/or hazardous materials are released or otherwise discharged on or about the Premises in violation of Environmental Laws.

3. From and after the Commencement Date, Tenant will construct and maintain premises to be compliant with Section 504 and the Americans With Disabilities Act and their amendments.

5.5 Ownership of Improvements/Surrender of Premises.

From and after the Commencement Date, Tenant shall be deemed to exclusively own the Improvements and the Personal Property for federal tax purposes, and Tenant alone shall be entitled to all of the tax attributes of ownership thereof, including, without limitation, the right to claim depreciation or cost recovery deductions and the right to claim the low-income housing tax credit described in Section 42 of the Code, with respect to the Improvements and the Personal Property, and Tenant shall have the right to amortize capital costs and to claim any other federal tax benefits attributable to the Improvements and the Personal Property. Subject to the rights of any Permitted Leasehold Mortgagee, at the expiration or earlier termination of the Term of this Lease or any portion thereof, Tenant shall peaceably leave, quit and surrender the Premises, and the Improvements thereon (or the portion thereof so terminated), subject to the rights of tenants in possession of residential units under leases with Tenant, provided that such tenants are not in default thereunder and attorn to Landlord as their lessor. Upon such expiration or termination, the Premises (or portion thereof so terminated) shall become the sole property of Landlord at no cost to Landlord and shall be free of all liens and encumbrances and in the condition set forth in Section 5.3 (consistent with prudent and appropriate property management and maintenance during the Term) and, in the event of a casualty, to the provisions of Article VI. Tenant acknowledges and agrees that upon the expiration or sooner termination of this Lease any and all rights and interests it may have either at law or in equity to the Premises shall immediately cease.

5.6 Easements.

Landlord agrees, that Landlord shall not unreasonably withhold, condition or delay its consent, and shall join with Tenant from time to time during the Term in the granting of easements affecting the Premises which are for the purpose of providing utility services for the Premises. If any monetary consideration is received by Tenant as a result of the granting of any such easement, such consideration shall be paid to Landlord. As a condition precedent to the exercise by Tenant of any of the powers granted to Tenant in this Section, Tenant shall give notice to Landlord of the action to be taken, shall certify to Landlord, that in Tenant's opinion such action will not adversely affect either the market value of the Premises or the use of the Premises for the Development.

5.7 Transfer; Conveyance; Assignment.

(a) Except as otherwise permitted hereunder, Tenant agrees for itself and its successors and assigns in interest hereunder that it will not (1) assign this Lease or any of its rights under this Lease as to all or any portion of the Premises generally without the consent of the Miami-Dade Board of County Commissioners, except as otherwise provided herein, or (2) make or permit any voluntary or involuntary total or partial sale, lease, assignment, conveyance, mortgage, pledge, encumbrance or other transfer of any or all of the Premises, or the Improvements, or the occupancy and use thereof, other than in accordance with this Lease (including, but not limited to (i) any sale at foreclosure or by the execution of any judgment of any

or all of Tenant's rights hereunder, or (ii) any transfer by operation of law), without first obtaining Landlord's express written consent thereto, which shall not be unreasonably withheld, conditioned or delayed.

(b) If applicable, Tenant shall have the right to enter a sublease of any part of the Premises or to partially assign this Lease with respect to any part of the Premises (a "**Sublease**") to an entity that is affiliated with Tenant, subject to the approval and consent of Landlord, which will not be unreasonably withheld, conditioned or delayed. Additionally, no Sublease shall relieve Tenant of any obligations under the terms of this Lease unless a release is granted by Landlord. Additionally, each Sublease must be for a use compatible with the standards and requirements set forth in this Article V or for low-income or special needs affordable housing. Tenant must give written notice to Landlord specifying the name and address of any Sublessee to which all notices required by this Lease shall be sent, and a copy of the Sublease. Tenant shall provide Landlord with copies of all Subleases entered into by Tenant. Landlord agrees to grant Non-Disturbance Agreements for any Sublessee which will provide that in the event of a termination of this Lease which applies to the portion of the Premises covered by such Sublease, due to an Event of Default committed by the Tenant, such Sublessee will not be disturbed and will be allowed to continue peacefully in possession directly under this Lease as the successor tenant, provided that the Sublessee shall be in compliance with the terms and conditions of its Sublease; and the Sublessee shall agree to attorn to Landlord. Landlord further agrees that it will grant such assurances to such Sublessee so long as it remains in compliance with the terms of its Sublease, and provided further that any such Sublease does not extend beyond the expiration of the Term of this Lease.

5.8 . Creating Sustainable Buildings.

(a) The proposed improvements are subject to the County's Sustainable Buildings Program provisions in Chapter 9 of the Code of Miami-Dade County, Sections 9-71 through 9-75 together with Miami-Dade County Implementing Order IO 8-8, as managed by Miami-Dade County Office of Resilience within the Regulatory and Economic Resources Department. The Developer shall design the Development to be consistent with a Silver certification rating from the U.S. Green Building Council's Leadership in Energy and Environmental Design ("LEED") as required by County Implementing Order 8-8. Pursuant to Implementing Order 8-8, the requirement for applying the appropriate LEED Silver standard may be modified due to special circumstances of the Development. Such modification shall be for the express purpose of ensuring the use of the most appropriate or relevant rating standard, and shall not, in any way, exempt the requirement to apply green building practices to the maximum extent possible. This substitution process shall be administered by and through the County's Office of Resilience Sustainability Manager. The LEED Silver certification to the Development is outlined by the U.S. Green Building Council. The Developer agrees to regularly provide Landlord with copies of any and all records and/or reports (including but not limited to any approvals, rejections and/or comments) from the neutral and independent third-party reviewing the Development relative to the LEED Silver designation from the U.S. Green Building Council. Further, the LEED Silver certification is a description or label designed to establish the level of energy efficiency and sustainability for Buildings and Improvements of the overall Development; and should substantially improve the "normal" or "regular" energy efficiency and indoor air quality for the overall Development. Beyond these environmentally responsible steps, Developer specifically agrees to consider additional steps or means to improve and/or protect the environment with regard to the Development, and to inform Landlord of any and all such additional methods or ways that Developer will utilize "green building standards" in the design and construction of the overall Development in an effort to achieve the important goals of creating a healthy place to work as well as an environmentally

responsible development in the community. Developer's decision whether to incorporate or adopt any such additional steps or means shall be made in Developer's sole and absolute discretion. Other specific requirements include: 1. Energy-efficient reflective roofs or green roofs are also specifically required per Miami-Dade County Resolution No. R-1103-10; and 2. Electric Vehicle (EV) charging stations as specifically required in Miami Dade County Resolution No: 1183-21.

(b) Sea Level Rise and Heat Resilience: In accordance with the Board's Resolution No. R-451-14, the Developer shall be required to consider sea level rise projections and potential impacts as best estimated at the time of the Projects, using regionally consistent unified sea level rise projections and sea level rise data mapping websites, during all project phases including but not limited to #7522399 v4 30364-1100 planning, design, and construction, to ensure that the Projects will function properly for fifty (50) years or the design life of the projects, whichever is greater. The Developer shall provide a comprehensive landscape plan for all open spaces that meets or exceeds the minimum standards described in the Miami-Dade County Landscaping Ordinance Chapters 18A and 18B and aligns with the Landscape Manual, while also complying with any municipal landscape code requirements, in a way that reduces building energy use intensity, aids onsite stormwater management, and expands existing tree canopy to increase community resilience to extreme heat while also enhancing overall appearance. In accordance with CDMP Policy LU-8I, the Developer is encouraged to incorporate additional heat mitigation elements into the project including porous pavements, cool roofs, and high albedo surfaces. The Developer will be required to consult with all appropriate County departments and plans will need to be in accordance with Miami-Dade County Implementing Order IO 8-8 and approved by Landlord.

ARTICLE VI **CASUALTY AND TAKING**

6.1 Casualty.

(a) Casualty Damage. In the event the Premises should be destroyed or damaged by fire, windstorm, or other casualty to the extent that the Premises is rendered unfit for the intended purpose of Tenant, Tenant may cancel this Lease after thirty (30) days' notice to Landlord, but only after removing any trash and/or debris therefrom, subject to the terms and provisions of any Permitted Leasehold Mortgage. If the Premises is partially damaged due to any other reason than the causes described immediately above, but the Premises is not rendered unusable for Tenant's purposes subject to the terms and provisions of any Permitted Leasehold Mortgage, the same shall be repaired by Tenant to the extent Tenant receives sufficient proceeds to complete such repairs from its insurance carrier under its insurance policy. Any such repairs will be completed within a reasonable time after receipt of such proceeds. If the damage to the Premises shall be so extensive as to render it unusable for Tenant's purposes but shall nonetheless be capable of being repaired within One Hundred Twenty (120) days, subject to the terms and provisions of any Permitted Leasehold Mortgage the damage shall be repaired with due diligence by Tenant to the extent Tenant receives sufficient proceeds under its insurance policy to complete such repairs. In the event a nearby structure(s) or improvement(s) is damaged or destroyed due to Tenant's negligence, Tenant shall be solely liable and responsible to repair and/or compensate the owner for such damage or loss.

Notwithstanding anything contained in this Section 6.1, or otherwise in this Lease to the contrary, as long as the Tenant's leasehold interest is encumbered by any Permitted Leasehold Mortgage, this Lease shall not be terminated by Landlord or Tenant without the prior written consent of the Permitted Leasehold Mortgagee in the event that the Premises is partially or totally

destroyed, and, in the event of such partial or total destruction, all insurance proceeds from casualty insurance as provided herein shall be paid to and held by the Permitted Leasehold Mortgagee, or an insurance trustee selected by the Permitted Leasehold Mortgagee to be used for the purpose of restoration or repair of the Premises, subject to the terms of the Permitted Leasehold Mortgage or other loan documents between Tenant and the Permitted Leasehold Mortgagee. Permitted Leasehold Mortgagee shall have the right to participate in adjustment of losses as to casualty insurance proceeds and any settlement discussion relating to casualty or condemnation.

6.2 **Taking.**

(a) **Notice of Taking.** Upon receipt by either Landlord or Tenant of any notice of Taking, or the institution of any proceedings for Taking the Premises, or any portion thereof, the party receiving such notice shall promptly give notice thereof to the other, and such other party may also appear in such proceeding and may be represented by an attorney.

(b) **Award.** Subject to the terms of the Permitted Leasehold Mortgages (as defined in Section 8.9), the Landlord and the Tenant agree that, in the event of a Taking that does not result in the termination of this Lease pursuant to Section 6.2(c) or 6.2(d), this Lease shall continue in effect as to the remainder of the Premises, and the net amounts owed or paid to the Landlord or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any costs and expenses incurred by the Landlord in collecting such award or payment (the "**Award**") will be disbursed in accordance with Section 6.2(c) or 6.2(d) (as the case may be) to the Landlord and/or Tenant. The Tenant and, to the extent permitted by law, any Permitted Leasehold Mortgagee, shall have the right to participate in negotiations of and to approve any such settlement with a condemning authority (which approval shall not be unreasonably withheld).

(c) **Total Taking.** In the event of a permanent Taking of the fee simple interest or title of the Premises, or control of the entire leasehold estate hereunder (a "**Total Taking**"), this Lease shall thereupon terminate as of the effective date of such Total Taking, without liability or further recourse to the parties, provided that each party shall remain liable for any obligations required to be performed prior to the effective date of such termination and for any other obligations under this Lease which are expressly intended to survive termination. The Taking of any portion of the Improvements, fifteen percent (15%) or more of the then existing parking area, the loss of the rights of ingress and egress as then established or the loss of rights to use the easements benefiting the Premises, shall be, at Tenant's election, but not exclusively considered, such a substantial taking as would render the use of the Premises not suitable for Tenant's use. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant, the loss of Tenant's leasehold estate and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(d) **Partial Taking.** In the event of a permanent Taking of less than all of the Premises (a "**Partial Taking**"), if Tenant reasonably determines that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot reasonably be made to be economically viable, structurally sound, then Tenant may terminate this Lease, and the Tenant's portion of the Award shall be paid to Tenant, provided that any and all obligations of Tenant have been fully and completely complied with by Tenant as of the date of said Partial Taking. If Tenant

shall not elect to terminate this Lease, Tenant shall be entitled to a reduction of rent of such amount as shall be just and equitable. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking and the Tenant does not terminate this Lease, the Tenant shall be entitled to receive and retain an equitable portion of the Award and shall apply such portion of the Award necessary to repair or restore the Premises or the Improvements as nearly as possible to the condition the Premises or the Improvements were in immediately prior to such Partial Taking. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking which affects the use of the Premises after the term hereof, the Award shall be apportioned between the Tenant and the Landlord based on the ratio of the remaining term hereof and the remaining expected useful life of the Premises following the term hereof. Subject to the terms of the Permitted Leasehold Mortgages, notwithstanding any provision herein to the contrary, the Landlord shall be entitled to receive and retain any portion of the Award apportioned to the land upon which the Improvements are located. Should such award be insufficient to accomplish the restoration, such additional costs shall be paid by Tenant. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(e) Resolution of Disagreements. Should Landlord and Tenant be unable to agree as to the division of any singular award or the amount of any reduction of rents and other charges payable by Tenant under the Lease, such dispute shall be submitted for resolution to the court exercising jurisdiction of the condemnation proceedings, each party bearing its respective costs for such determination. Landlord shall not agree to any settlement in lieu of condemnation with the condemning authority without Tenant's consent.

(f) No Existing Condemnation. Landlord represents and warrants that as of the Lease Date and the Commencement Date it has no actual or constructive knowledge of any proposed condemnation of any part of the Premises. In the event that subsequent to the Lease Date, but prior to the Commencement Date, a total or partial condemnation either permanent or temporary, is proposed by any competent authority, Tenant shall be under no obligation to commence or continue construction of the building and other improvements and rent and other charges, if any, payable by Tenant under the Lease shall abate until such time as it can be reasonably ascertained that the Premises shall not be so affected. In the event the Premises is so affected, Tenant shall be entitled to all rights, damages and awards pursuant to the appropriate provisions of this Lease.

6.3 Termination upon Non-Restoration.

Following a Partial Taking, if a decision is made pursuant to this Article VI that the remaining portion of the Premises is not to be restored, and Tenant shall have determined that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot be made economically viable or structurally sound, Tenant shall surrender the entire remaining portion of the Premises to Landlord and this Lease shall thereupon be terminated without liability or further recourse to the parties hereto, provided that any Rent, impositions and other amounts payable or obligations hereunder owed by Tenant to Landlord as of the date of the Partial Taking shall be paid in full.

ARTICLE VII
CONDITION OF PREMISES

7.1 Condition; Title.

The Premises are demised and let in an “**as is**” condition as of the Commencement Date. The Premises are demised and let to Tenant subject to: As-Is. Notwithstanding anything to the contrary contained herein, upon Tenant taking possession of the Premises, Tenant shall be deemed to have accepted the Premises in its “**as-is**” and “**where-is**” condition, with any and all faults, and with the understanding that the Landlord has not offered any implied or expressed warranty as to the condition of the Premises and/or as to it being fit for any particular purpose, provided, however, that the foregoing shall not in any way limit, affect, modify or otherwise impact any of Landlord’s representations, warranties and/or obligations contained in this Lease.

Tenant shall, within thirty (30) days following the Lease Date, obtain a title commitment to insure Tenant’s leasehold interest in the Premises. Tenant shall advise Landlord as to any title matters that Tenant deems objectionable and Landlord shall address same in accordance with Section 7.3, below.

7.2 No Encumbrances.

Landlord covenants that Landlord has full right and lawful authority to enter into this Lease in accordance with the terms hereof and to grant the estate demised hereby. Landlord represents and warrants that there are no existing mortgages, deeds of trust, easements, liens, security interests, encumbrances and/or restrictions encumbering Landlord’s fee interest in the Land other than the Permitted Encumbrances. Landlord’s fee interest shall not hereafter be subordinated to, or made subject to, any mortgage, deed of trust, easement, lien, security interest, encumbrance and/or restriction except for an encumbrance that expressly provides that it is and shall remain subject and subordinate at all times in lien, operation and otherwise to this Lease and to all renewals, modifications, amendments, consolidations and replacements hereof (including new leases entered into pursuant to the terms hereof and extensions). Landlord covenants that it will not encumber or lien the title of the Premises or cause or permit said title to be encumbered or lien in any manner whatsoever, and Tenant may reduce or discharge any such encumbrance or lien by payment or otherwise at any time after giving thirty (30) days’ written notice thereof to Landlord. Tenant may recover or recoup all costs and expenses thereof from Landlord if the Landlord fails to discharge any such encumbrance within the said thirty (30) day period. Such recovery or recoupment may, in addition to all other remedies, be made by setting off against the amount of Rent payable by Tenant hereunder. Landlord and Tenant agree to work cooperatively together to create such easements and rights of way as may be necessary or appropriate for the use of the Premises and the development of the Project thereon.

7.3 Landlord’s Title and Quiet Enjoyment.

Landlord represents and warrants that Landlord is seized in fee simple title to the Premises, free and clear and unencumbered, other than as affected by the Permitted Encumbrances. Landlord covenants that, so long as Tenant pays rent and performs the covenants herein contained on its part to be paid and performed, Tenant will have lawful, quiet and peaceful possession and occupancy of the Premises and all other rights and benefits accruing to Tenant under the Lease throughout the Term, without hindrance or molestation by or on the part of Landlord or anyone claiming through Landlord. So long as Tenant is not in default hereunder beyond any notice and grace period applicable thereto, Tenant’s possession of the

Premises will not be disturbed by Landlord, its successors or assigns. Landlord further represents and warrants that it has good right, full power and lawful authority to enter into this Lease. Tenant shall have the right to order a title insurance commitment on the Premises. In the event the title insurance commitment shall reflect encumbrances or other conditions not acceptable to Tenant ("**Defects**"), then, Landlord, upon notification of the Defects, shall immediately and diligently proceed to cure same and shall have a reasonable time within which to cure the Defects. If, after the exercise of all reasonable diligence, Landlord is unable to clear the Defects, then Tenant may accept the Defects or Tenant may terminate the Lease and the parties shall be released from further liability so long as Tenant is not in default hereunder beyond any grace period applicable thereto, Tenant's possession of the Premises will not be disturbed by Landlord, its successors and assigns.

Notwithstanding Section 7.3 above, Landlord and its agents, upon reasonable prior notice to Tenant, shall have the right to enter the Premises for purposes of reasonable inspections performed during reasonable business hours in order to assure compliance by Tenant with its obligations under this Lease.

ARTICLE VIII

DEFAULTS AND TERMINATION

8.1 Default.

The occurrence of any of the following events shall constitute an event of default (***Event of Default***) hereunder:

(a) if Tenant fails to pay when due any Rent or other impositions due hereunder pursuant to Article III (except where such failure is addressed by another event described in this Section 8.1 as to which lesser notice and grace periods are provided), and any such default shall continue for thirty (30) days after the receipt of written notice thereof by Tenant from Landlord; or

(b) if Tenant fails in any material respect to observe or perform any covenant, condition, agreement or obligation hereunder not addressed by any other event described in this Section 8.1, and shall fail to cure, correct or remedy such failure within thirty (30) days after the receipt of written notice thereof, unless such failure cannot be cured by the payment of money and cannot with due diligence be cured within a period of thirty (30) days, in which case such failure shall not be deemed to continue if Tenant proceeds promptly and with due diligence to cure the failure and diligently completes the curing thereof within a reasonable period of time; provided, however, that for such time as Landlord or its affiliate is the management agent retained by Tenant, Tenant shall not be in default hereunder due to actions or inactions taken by Landlord or its affiliate in its capacity as the management agent; or

(c) If any representation or warranty of Tenant set forth in this Lease, in any certificate delivered pursuant hereto, or in any notice, certificate, demand, submittal or request delivered to Landlord by Tenant pursuant to this Lease shall prove to be incorrect in any material and adverse respect as of the time when the same shall have been made and the same shall not have been remedied to the reasonable satisfaction of Landlord within thirty (30) days after notice from Landlord; or

(d) if Tenant shall be adjudicated bankrupt or be declared insolvent under the Federal Bankruptcy Code or any other federal or state law (as now or hereafter in effect) relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts (collectively called

Bankruptcy Laws), or if Tenant shall (a) apply for or consent to the appointment of, or the taking of possession by, any receiver, custodian, trustee, United States Trustee or Tenant or liquidator (or other similar official) of Tenant or of any substantial portion of Tenant's property; (b) admit in writing its inability to pay its debts generally as they become due; (c) make a general assignment for the benefit of its creditors; (d) file a petition commencing a voluntary case under or seeking to take advantage of a Bankruptcy Law; or (e) fail to controvert in a timely and appropriate manner, or in writing acquiesce to, any petition commencing an involuntary case against Tenant pursuant to any bankruptcy law; or

(e) if an order for relief against Tenant shall be entered in any involuntary case under the Federal Bankruptcy Code or any similar order against Tenant shall be entered pursuant to any other Bankruptcy Law, or if a petition commencing an involuntary case against Tenant or proposing the reorganization of Tenant under the Federal Bankruptcy Code shall be filed in and approved by any court of competent jurisdiction and not be discharged or denied within ninety (90) days after such filing, or if a proceeding or case shall be commenced in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of Tenant, (b) the appointment of a receiver, custodian, trustee, United States Trustee or liquidator (or other similar official of Tenant) of any substantial portion of Tenant's property, or (c) any similar relief as to Tenant pursuant to Bankruptcy Law, and any such proceeding or case shall continue undismissed, or any order, judgment or decree approving or ordering any of the foregoing shall be entered and continued unstayed and in effect for ninety (90) days; or

(f) Following the Commencement Date, Tenant vacates or abandons the Premises or any substantial part thereof for a period of more than thirty (30) consecutive days (or, if applicable, such longer period as may be permitted in accordance with Section 6.1 or 6.2); or

(g) This Lease, the Premises or any part thereof are taken upon execution or by other process of law directed against Tenant, or are taken upon or subjected to any attachment by any creditor of Tenant or claimant against Tenant, and such attachment is not stayed or discharged within ninety (90) days after its levy; or

(h) Tenant makes any sale, conveyance, assignment or transfer in violation of this Lease.

8.2 Remedies for Tenant's Default.

Upon or after the occurrence of any Event of Default which is not cured within any applicable cure period, and so long as same remains uncured, Landlord may terminate this Lease by providing not less than thirty (30) days' written notice (which notice may be contemporaneous with any notice provided under Section 8.1) to Tenant, setting forth Tenant's uncured, continuing default and Landlord's intent to exercise its rights to terminate, whereupon this Lease shall terminate on the termination date therein set forth unless Tenant's default has been cured before such termination date. Upon such termination, Tenant's interest in the Premises shall automatically revert to Landlord, Tenant shall promptly quit and surrender the Premises to Landlord, without cost to Landlord, and Landlord may, without demand and further notice, reenter and take possession of the Premises, or any part thereof, and repossess the same as Landlord's former estate by summary proceedings, ejectment or otherwise without being deemed guilty of any manner of trespass and without prejudice to any remedies which Landlord might otherwise have for arrearages of Rent or other impositions hereunder or for a prior breach of the provisions

of this Lease. The obligations of Tenant under this Lease which arose prior to termination shall survive such termination.

8.3 **Termination.**

Termination by Landlord: The occurrence of any of the following shall give Landlord the right to terminate this Lease upon the terms and conditions set forth below:

(a) Tenant fails to cause the Commencement Date to occur before the end of the Financing Contingency Period.

(b) Tenant and Landlord fail to obtain final approval of this Lease by the Board, which shall be within the Board's sole discretion (signature of this Lease by the Landlord shall be *prima facie* evidence of such approval).

(c) Institution of proceedings in voluntary bankruptcy by the Tenant.

(d) Institution of proceedings in involuntary bankruptcy against the Tenant if such proceedings continue for a period of Ninety (90) days or more.

(e) Assignment of Lease by Tenant for the benefit of creditors.

(f) A final determination of termination of this Lease in a court of law in favor of the Landlord in litigation instituted by the Tenant against the Landlord, or brought by the Landlord against Tenant.

(g) Tenant's failure to cure, within thirty (30) days following Tenant's receipt of written notice from Landlord with respect to Tenant's failure to cure a condition posing a threat to health or safety of the public or patrons (or such longer period if the default is not capable of being cured in such 30 day period).

(h) In the event an emergency situation arises wherein the Premises is needed by Landlord for an emergency public purpose.

8.4 **Remedies Following Termination.**

Upon termination of this Lease, Landlord may:

(a) retain, at the time of such termination, any Rent or other impositions paid hereunder, without any deduction, offset or recoupment whatsoever; and

(b) enforce its rights under any bond outstanding at the time of such termination; and

(c) require Tenant to deliver to Landlord, or otherwise effectively transfer to Landlord any and all governmental approvals and permits, and any and all rights of possession, ownership or control Tenant may have in and to, any and all financing arrangements, plans, specifications, and other technical documents or materials related to the Premises.

8.5 **Regulatory Default.**

Notwithstanding anything herein to the contrary, the following shall apply to any default declared as a result of any failure by Tenant to comply with the provisions of Section 8.1:

Upon a determination by Landlord that Tenant has materially breached or defaulted on any of the obligations under Section 8.1 (a **Regulatory Default**), Landlord shall notify Tenant of (i) the nature of the Regulatory Default, (ii) the actions required to be taken by Tenant in order to cure the Regulatory Default, and (iii) the time, (a minimum of sixty (60) days or such additional time period as may be reasonable under the circumstances), within which Tenant shall respond with reasonable evidence to Landlord that all such required actions have been taken.

(a) If Tenant shall have failed to respond or take the appropriate corrective action with respect to a Regulatory Default to the reasonable satisfaction of Landlord within the applicable time period, then Landlord shall have the right to terminate the Lease or seek other legal or equitable remedies as Landlord determines in its sole discretion; provided, however, that if prior to the end of the applicable time period, Tenant seeks a declaratory judgment or other order from a court having jurisdiction that Tenant shall not have incurred a Regulatory Default, Landlord shall not terminate this Lease during the pendency of such action.

(b) In addition to and not in limitation of the foregoing, if Landlord shall determine that a Regulatory Default shall have occurred by reason of a default by Tenant's management agent, and that Tenant shall have failed to respond or take corrective action to the reasonable satisfaction of Landlord within the applicable cure period, then Landlord may require Tenant to take such actions as are necessary in order to terminate the appointment of the management agent pursuant to the terms of its management agreement and to appoint a successor management agent of the Premises.

8.6 **Performance by Landlord.**

Except as otherwise expressly set forth herein, if Tenant shall fail to make any payment or perform any act required under this Lease, Landlord may (but need not) after giving not less than thirty (30) days' notice (except in case of emergencies and except where a shorter time period is specified elsewhere in this Lease) days' notice to Tenant and without waiving any default or releasing Tenant from any obligations, cure such default for the account of Tenant. Tenant shall promptly pay Landlord the amount of such charges, costs and expenses as Landlord shall have incurred in curing such default.

8.7 **Costs and Damages.**

Tenant shall be liable to, and shall reimburse, Landlord for any and all actual reasonable expenditures incurred and for any and all actual damages suffered by Landlord in connection with any Event of Default, collection of Rent or other impositions owed under this Lease, the remedying of any default under this Lease or any termination of this Lease, unless such termination is caused by the default of Landlord, including all costs, claims, losses, liabilities, damages and expenses (including without limitation, reasonable attorneys' fees and costs) incurred by Landlord as a result thereof.

8.8 **Remedies Cumulative.**

The absence in this Lease of any enumeration of events of default by Landlord or remedies of either party with respect to money damages or specific performance shall not constitute a waiver by either party of its right to assert any claim or remedy available to it under law or in equity.

8.9 Permitted Leasehold Mortgages.

Neither the Tenant nor any permitted successor in interest to the Premises or any part thereof shall, without the prior written consent of the Landlord in each instance, engage in any financing or any other transaction creating any mortgage or other encumbrance or lien upon the Premises, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Premises, except for the Permitted Encumbrances and the leasehold mortgages securing the loans which will be obtained by Tenant for construction of the Improvements and closed on or about the Commencement Date (the “**Permitted Leasehold Mortgages**”). With respect to the Permitted Leasehold Mortgages, the following provisions shall apply:

(a) When giving notice to the Tenant with respect to any default under the provisions of this Lease, the Landlord will also send a copy of such notice to the holder of each Permitted Leasehold Mortgage (each a “**Permitted Leasehold Mortgagee**”), provided that each such Permitted Leasehold Mortgagee shall have delivered to the Landlord in writing a notice naming itself as the holder of a Permitted Leasehold Mortgage and registering the name and post office address to which all notices and other communications to it may be addressed.

(b) Each Permitted Leasehold Mortgagee shall be permitted, but not obligated, to cure any default by the Tenant under this Lease within the same period of time specified for the Tenant to cure such default. The Tenant authorizes each Permitted Leasehold Mortgagee to take any such action at such Permitted Leasehold Mortgagee’s option and does hereby authorize entry upon the Premises for such purpose.

(c) The Landlord agrees to accept payment or performance by any Permitted Leasehold Mortgagee as though the same had been done by the Tenant.

(d) In the case of a default by the Tenant other than in the payment of money, and provided that a Permitted Leasehold Mortgagee has commenced to cure the default and is proceeding with due diligence to cure the default, the Landlord will refrain from terminating this Lease for a reasonable period of time (not to exceed 120 days from the date of the notice of default, unless (i) such cure cannot reasonably be completed within 120 days from the date of the notice of default, and (ii) if the default is curable without possession of the Premises, a Permitted Leasehold Mortgagee continues to diligently pursue such cure to the reasonable satisfaction of the Landlord) within which time the Permitted Leasehold Mortgagee may either (i) obtain possession of the Premises (including possession by receiver); (ii) institute foreclosure proceedings and complete such foreclosure; or (iii) otherwise acquire the Tenant’s interest under this Lease. The Permitted Leasehold Mortgagee shall not be required to continue such possession or continue such foreclosure proceedings if the default which was the subject of the notice shall have been cured. Notwithstanding the foregoing, the Landlord will refrain from terminating this Lease in the event such Permitted Leasehold Mortgagee is enjoined or stayed in such possession or such foreclosure proceedings, and provided that the Permitted Leasehold Mortgagee has delivered to Landlord copies of any and all orders enjoining or staying such action, Landlord will grant such Permitted Leasehold Mortgagee such additional time as is required for such Permitted Leasehold Mortgagee to complete steps to acquire or sell Tenant’s leasehold estate and interest in this Lease by foreclosure of its Permitted Leasehold Mortgage or by other appropriate means with due diligence; however, nothing in this Section shall be construed to extend this Lease beyond the Term.

(e) Any Permitted Leasehold Mortgagee or other acquirer of Tenant's leasehold estate and interest in this Lease pursuant to foreclosure, an assignment in lieu of foreclosure or other proceedings, any of which are permitted without the Landlord's consent, may, upon acquiring the Tenant's leasehold estate and interest in this Lease, without further consent of the Landlord, sell and assign the leasehold estate and interest in this Lease on such terms and to such persons and organizations as are acceptable to such Permitted Leasehold Mortgagee or acquirer and thereafter be relieved of all obligations under this Lease, provided such assignee has delivered to the Landlord its written agreement to be bound by all of the provisions of this Lease. Permitted Leasehold Mortgagee, or its nominee or designee, shall also have the right to further assign, sublease or sublet all or any part of the leasehold interest hereunder to a third party without the consent or approval of Landlord.

(f) In the event of a termination of this Lease prior to its stated expiration date, the Landlord will enter into a new lease for the Premises with the Permitted Leasehold Mortgagee (or its nominee), for the remainder of the term, effective as of the date of such termination, at the same Rent payment and subject to the same covenants and agreements, terms, provisions, and limitations herein contained, provided that:

1. The Landlord receives the Permitted Leasehold Mortgagee's written request for such new lease within 30 days from the date of such termination and notice thereof by the Landlord to the Permitted Leasehold Mortgagee (including an itemization of amounts then due and owing to the Landlord under this Lease), and such written request from the Permitted Leasehold Mortgagee to Landlord is accompanied by payment to the Landlord of all amounts then due and owing to Landlord under this Lease and, within 10 days after the delivery of an accounting therefor by the Landlord, pays any and all costs and expenses incurred by the Landlord in connection with the execution and delivery of the new lease, less the net income collected by the Landlord from the Premises subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Rent payment thereafter becoming due under the new lease, provided, however, that the Permitted Leasehold Mortgagee shall receive full credit for all capitalized lease and Rent payments previously delivered by the Tenant to the Landlord; and

2. Upon the execution and delivery of the new lease at the time payment is made in (1) above, all subleases which thereafter may have been assigned and transferred to the Landlord shall thereupon be assigned and transferred without recourse by the Landlord to the Permitted Leasehold Mortgagee (or its nominee), as the new Tenant.

3. If a Permitted Leasehold Mortgagee acquires the leasehold estate created hereunder or otherwise acquires possession of the Premises pursuant to available legal remedies, Landlord will look to such holder to perform the obligations of Tenant hereunder only from and after the date of foreclosure or possession and will not hold such holder responsible for the past actions or inactions of the prior Tenant. Permitted Leasehold Mortgagee's liability shall be limited to the value of such Permitted Leasehold Mortgagee's interest in this Lease and in the leasehold estate created thereby.

Notwithstanding the foregoing and to the extent permitted by Section 42 of the Code, the deadline to complete construction of the Improvements set forth in Article V shall be extended for such period of time as may be reasonably required by the Permitted Leasehold Mortgagee or its nominee to complete construction.

ARTICLE IX
SOVEREIGNTY AND POLICE POWERS

9.1 County as Sovereign.

It is expressly understood that notwithstanding any provision of this Lease and the Landlord's status thereunder:

(a) The Landlord retains all of its sovereign prerogatives and rights as a county under Florida laws and shall in no way be estopped from withholding or refusing to issue any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and regulations of whatever nature applicable to the planning, design, construction and development of the Premises or the operation thereof, or be liable for the same; and

(b) The Landlord shall not by virtue of this Lease be obligated to grant the Tenant any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of the Premises.

9.2 No Liability for Exercise of Police Power.

Notwithstanding and prevailing over any contrary provision in this Lease, or any Landlord covenant or obligation that may be contained in this Lease, or any implied or perceived duty or obligation including but not limited to the following:

(a) To cooperate with, or provide good faith, diligent, reasonable or other similar efforts to assist the Tenant, regardless of the purpose required for such cooperation;

(b) To execute documents or give approvals, regardless of the purpose required for such execution or approvals;

(c) To apply for or assist the Tenant in applying for any county, city or third party permit or needed approval; or

(d) To contest, defend against, or assist the Tenant in contesting or defending against any challenge of any nature;

shall not bind the Board, the Planning and Zoning Department, DERM, the Property Appraiser or any other county, city, federal or state department or authority, committee or agency to grant or leave in effect any tax exemptions, zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of the Landlord or any other applicable governmental agencies in the exercise of its police power; and the Landlord shall be released and held harmless, by the Tenant from and against any liability, responsibility, claims, consequential or other damages, or losses to the Tenant or to any third parties resulting from denial, withholding or revocation (in whole or in part) of any zoning or other changes, variances, permits, waivers, amendments, or approvals of any kind or nature whatsoever. Without limiting the foregoing, the parties recognize that the approval of any building permit and/or certificate of occupancy or tax exemption will require the Landlord to exercise its quasi-judicial or police powers. Notwithstanding any other provision of this Lease, the Landlord shall have no obligation to approve, in whole or in part, any application for any type of tax exemption, permit, license, zoning or any other type of matter requiring government approval or

waiver. The Landlord's obligation to use reasonable good faith efforts in the permitting of the use of County-owned property shall not extend to any exercise of quasi-judicial or police powers, and shall be limited solely to ministerial actions, including the timely acceptance and processing of any requests or inquiries by Tenant as authorized by this Lease. Moreover, in no event shall a failure of the Landlord to adopt any of the Tenant's request or application for any type of permit, license, zoning or any other type of matter requiring government approval or waiver be construed a breach or default of this Lease.

ARTICLE X **PUBLIC RECORDS ACT**

10.1 Public Records Act.

As it relates to this Lease and any subsequent agreements and other documents related to the Development, Tenant and any of its subsidiaries, pursuant to Section 119.0701, Florida Statutes, shall:

(a) Keep and maintain public records that ordinarily and necessarily would be required by Landlord in order to perform the service;

(b) Upon request of from Landlord's custodian of public records identified herein, provide the public with access to public records on the same terms and conditions that Landlord would provide the records and at a cost that does not exceed the cost provided in the Florida Public Records Act, Miami-Dade County Administrative Order No. 4-48, or as otherwise provided by law;

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Lease's term and following completion of the work under this Lease if Tenant does not transfer the records to Landlord; and

(d) Meet all requirements for retaining public records and transfer to Landlord, at no cost to Landlord, all public records created, received, maintained and/or directly related to the performance of this Lease that are in possession of Tenant upon termination of this Lease. Upon termination of this Lease, Tenant shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to Landlord in a format that is compatible with the information technology systems of Landlord.

For purposes of this Article X, the term "**public records**" shall mean all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business of Landlord.

In the event Tenant does not comply with the public records disclosure requirements set forth in Section 119.0701, Florida Statutes, and this Article X, Landlord shall avail itself of the remedies set forth in Section 8.2 of this Lease.

ARTICLE XI
RIGHT OF FIRST OFFER; RIGHT OF FIRST REFUSAL

11.1 Landlord's Intent to Market Premises.

If Landlord, in its sole discretion (but subject to any applicable State laws relating to the sale or conveyance of County-owned property), decides to sell its interest in the Premises, then, prior to marketing the Premises, Landlord shall give written notice of such intent to Tenant setting forth the terms and conditions on which Landlord desires to sell the Premises (***Sales Notice***). Tenant shall have sixty (60) days thereafter within which to notify Landlord of its intent to purchase the Premises offered for sale upon such terms and conditions as are set forth in the Sales Notice. If such Sales Notice is timely given, the closing shall be ninety (90) days after the date of the Sales Notice. The status of title to be delivered and the instruments to be executed pursuant thereto shall be as stated in the Sales Notice and the amount of earnest money that Tenant shall be required to deposit with the notification of intent to purchase by matching the offer shall be as stated in the Sales Notice. Failure of Tenant to so notify Landlord in a timely manner shall be deemed an election not to purchase. In the event Tenant does not so timely notify Landlord of its intent to purchase the offered property upon the terms and conditions stated in the Sales Notice, Landlord shall be free to market such property on its own or through a broker and thereafter may sell the property, subject to all of the terms and conditions of the Lease or any other legal requirements; provided that Landlord may not sell the Premises on terms and conditions that are materially different from those contained in any Sales Notice received by Tenant without first offering Tenant the opportunity once again to purchase the Premises in accordance with this Section 11.1 upon such materially different terms and conditions upon which Landlord bases its offer of sale.

11.2 Landlords Right of First Refusal.

The applicable Tenant and its affiliate ("**Owner Entity**") agree to provide the Landlord with written notice if the applicable Owner Entity intend to sell its leasehold interest in the Development. The Landlord shall have a right of first refusal to purchase the applicable Owner Entity's leasehold interest in the Development, after the end of its tax compliance period, if the applicable Owner Entity accepts an offer ("**Offer**") from a third party to purchase the applicable Owner Entity's leasehold interest in the Development. If the applicable Owner Entity accepts an Offer, then the applicable Owner Entity shall provide written notice to the Landlord thereof and the Landlord shall have sixty (60) days to provide written notification to the applicable Owner Entity of the Landlord's intent to exercise its right of first refusal to purchase the applicable Owner Entity's leasehold

interest in the Development. The purchase price payable by the Landlord for the applicable Owner Entity's leasehold interest in the Development shall be the purchase price set forth in the Offer. Delivery of written notice by the Landlord of its intent to exercise the option shall obligate the Landlord to complete the transaction to purchase the leasehold interest in the Development on the date no later than one-hundred and eighty (180) days after the delivery of such notice to the applicable Owner Entity. In the event the Landlord shall fail to timely provide written notice or complete the transaction within the time periods set forth herein, the Landlord shall conclusively be deemed to have waived its rights set forth in this Section 11.2. However, notwithstanding the above, the Landlord reserves the explicit right to approve the transfer of the applicable Owner Entity's leasehold interest in the Development. Such approval shall be conditioned upon the subject transferred entity has equal or greater experience and equal or greater financial capability and capacity as the original applicable Owner Entity. Such approval shall not be unreasonably withheld.

11.3 Tenant's Right of First Refusal.

If Landlord is not marketing the Premises as provided in Section 11.1 above, but receives a written offer in acceptable form from an unrelated third party that Landlord is willing to accept for the purchase of the Premises (a **Sales Offer**), Landlord shall notify Tenant of the terms and conditions of such Sales Offer. Tenant shall then have sixty (60) days within which to notify Landlord of its intent to purchase the Premises by matching said Sales Offer and, in the event of such timely response, the closing of the purchase and sale of the Premises shall be in accordance with the terms of such Sales Offer. In the event that timely notice is not given by Tenant to Landlord, Tenant shall be deemed to have elected not to match said Sales Offer, and Landlord shall be free to sell the Premises to such third party on the terms and conditions set forth in the Sales Offer, subject, however, to all terms and conditions of this Lease and any other legal requirements. If Landlord fails to sell the Premises to such third party for an aggregate sales price not less than ninety-five percent (95%) of the sales price set forth in the Sales Offer and otherwise in accordance with the terms of the Sales Offer within one hundred and eighty (180) days after Landlord is entitled to sell the Premises to such third party, the right of first refusal created in this Section 11.2 shall be revived and again shall be enforceable.

11.4 Mortgage Notice.

Tenant shall provide notice to every applicable Permitted Leasehold Mortgagee as to its election to acquire the Premises pursuant to Sections 11.1 or 11.2, above. Such notice shall be delivered within five (5) days following Tenant's notice to Landlord evidencing its intent to purchase the Premises.

11.5 Mortgage Rights.

Tenant's rights with respect to any option to purchase the Premises as set forth in this Article XI shall be assignable to and may be exercised by any Permitted Leasehold Mortgagee which succeeds in interest to the Tenant, without requiring any consent or approval by Landlord.

ARTICLE XII
INDEPENDENT PRIVATE INSPECTOR GENERAL
AND MIAMI-DADE COUNTY INSPECTOR GENERAL REVIEWS

12.1 Inspector General.

(a) Independent Private Inspector General Reviews.

Pursuant to Miami-Dade County Administrative Order 3-20, the Landlord has the right to retain the services of an Independent Private Sector Inspector General (hereinafter “**IPSIG**”), whenever the Landlord deems it appropriate to do so. Upon written notice from the Landlord, the Tenant shall make available to the IPSIG retained by the Landlord, all requested records and documentation pertaining to this Lease for inspection and reproduction. The Landlord shall be responsible for the payment of these IPSIG services, and under no circumstance shall the Tenant incur any charges relating to these IPSIG services. The terms of this provision herein, apply to the Tenant, its officers, agents, employees, subcontractors and assignees. Nothing contained in this provision shall impair any independent right of the Landlord to conduct an audit or investigate the operations, activities and performance of the Tenant in connection with this Lease. The terms of this Section shall not impose any liability on the Landlord by the Tenant or any third party.

(b) Miami-Dade County Inspector General Review.

According to Section 2-1076 of the Code of Miami-Dade County, as amended by Ordinance No. 99-63, Miami-Dade County has established the Office of the Inspector General which may, on a random basis, perform audits on all Miami-Dade County agreements, throughout the duration of said agreements, except as otherwise provided below.

Nothing contained above shall in any way limit the powers of the Inspector General to perform audits on all Miami-Dade County agreements including, but not limited to, those agreements specifically exempted above. The Miami-Dade County Inspector General is authorized and empowered to review past, present and proposed Landlord and Tenant contracts, transactions, accounts, records, agreements and programs. In addition, the Inspector General has the power to subpoena witnesses, administer oaths, require the production of records and monitor existing projects and programs. Monitoring of an existing project or program may include a report concerning whether the project is on time, within budget and in conformance with plans, specifications and applicable law. The Inspector General is empowered to analyze the necessity of and reasonableness of proposed change orders to a contract. The Inspector General is empowered to retain the services of independent private sector inspectors general (IPSIG) to audit, investigate, monitor, oversee, inspect and review operations, activities, performance and procurement process, including but not limited to project design, specifications, proposal submittals, activities of the Tenant, its officers, agents and employees, lobbyists, Landlord staff and elected officials to ensure compliance with contract specifications and to detect fraud and corruption.

Upon written notice to the Tenant from the Inspector General or IPSIG retained by the Inspector General, the Tenant shall make all requested records and documents available to the Inspector General or IPSIG for inspection and copying. The Inspector General and IPSIG shall have the right to inspect and copy all documents and records in the Tenant's possession, custody or control which, in the Inspector General's or IPSIG's sole judgment, pertain to performance of the contract, including, but not limited to original estimate files, change order estimate files, worksheets, proposals and agreements form and which successful and unsuccessful

subcontractors and suppliers, all project-related correspondence, memoranda, instructions, financial documents, construction documents, proposal and contract documents, back-charge documents, all documents and records which involve cash, trade or volume discounts, insurance proceeds, rebates, or dividends received, payroll and personnel records, and supporting documentation for the aforesaid documents and records.

ARTICLE XIII **ADDITIONAL PROVISIONS PERTAINING TO REMEDIES**

13.1 Reinstatement.

Notwithstanding anything to the contrary contained in the Lease, in the event Landlord exercises its remedies pursuant to Article VIII and terminates this Lease, Tenant may, within 90 days following such termination reinstate this Lease for the balance of the Term by paying to Landlord an amount equal to the actual damages incurred by Landlord as a result of the breach that resulted in such termination and any actual costs or expenses incurred by Landlord as a result of such reinstatement of this Lease, if agreed in the sole and absolute discretion of the Landlord.

13.2 Notice.

Notwithstanding anything to the contrary contained in the Lease, Landlord shall not exercise any of its remedies hereunder without having given notice of the Event of Default or other breach or default to the Investor (following the admission of the Investor) simultaneously with the giving of notice to Tenant as required under the provisions of Article VIII of the Lease. The Investor shall have the same cure period after the giving of a notice as provided to Tenant, plus an additional period of 60 days and the Investor shall be given all of the same cure rights as a Permitted Leasehold Mortgagee under this Lease. If the Investor elects to cure the Event of Default or other breach or default, Landlord agrees to accept such performance as though the same had been done or performed by Tenant in Landlord's reasonable discretion.

13.3 Investor.

Notwithstanding anything to the contrary contained in the Lease, following the admission of the Investor, the Investor shall be deemed a third-party beneficiary of the provisions of this Section for the sole and exclusive purpose of entitling the Investor to exercise its rights to notice and cure, as expressly stated herein. The foregoing right of the Investor to be a third-party beneficiary under the Lease shall be the only right of Investor (express or implied) to be a third-party beneficiary hereunder. Such third-party beneficiary status shall terminate in the entirety upon the exit of such investor including the acquisition of the Improvements by Landlord or Landlord designee under a Right of First Refusal Agreement.

13.4 New Manager.

Notwithstanding anything to the contrary contained in the Lease, Landlord agrees that it will take no action to effect a termination of the Lease by reason of any Event of Default or any other breach or default without first giving to the Investor reasonable time, not to exceed 60 days, to replace Tenant's manager and/or admit an additional manager and cause the new manager to cure the Event of Default or other breach or default; provided, however, that as a condition of such forbearance, Landlord must receive notice from the Investor of the substitution or admission of a new manager of Tenant within 30 days following Landlord's notice to Tenant and the Investor of the Event of Default or other breach or default, and Tenant, following such substitution or

admission of the manager, shall thereupon proceed with due diligence to cure such Event of Default or other breach or default. In no event, however, shall Landlord be required to engage in the forbearance described in this section for a period longer than six (6) months, regardless of the due diligence of the Investor or the new manager.

ARTICLE XIV **LANDLORD'S AUTHORITY**

14.1 Designation of Landlord's Representatives.

The Miami-Dade County Mayor, or their designee, shall have the power, authority and right, on behalf of the Landlord, in its capacity as Landlord hereunder, and without any further resolution or action of the Board, to:

(a) Review and approve documents, plans, applications, lease assignments and requests required or allowed by Tenant to be submitted to Landlord pursuant to this Lease;

ARTICLE XV **MISCELLANEOUS**

15.1 Construction.

Landlord and Tenant agree that all the provisions hereof are to be construed as covenants and agreements as though the words importing such covenants and agreements were used in each separate section thereof.

15.2 **Performance Under Protest.**

In the event of a dispute or difference between Landlord and Tenant as to any obligation which either may assert the other is obligated to perform or do, then the party against whom such obligation is asserted shall have the right and privilege to carry out and perform the obligation so asserted against it without being considered a volunteer or deemed to have admitted the correctness of the claim, and shall have the right to bring an appropriate action at law, equity or otherwise against the other for the recovery of any sums expended in the performance thereof and in any such action, the successful party shall be entitled to recover in addition to all other recoveries such reasonable attorneys' fees as may be awarded by a court of law.

15.3 **No Waiver.**

Failure of either party to complain of any act or omission on the part of the other party, no matter how long the same may continue, shall not be deemed to be a waiver by said party of any of its rights hereunder. No waiver by either party at any time, express or implied, of any breach of any other provision of this Lease shall be deemed a waiver of a breach of any other provision of this Lease or a consent to any subsequent breach of the same or any other provision. If any action by either party shall require the consent or approval of the other party, the other party's consent to or approval of such action on any one occasion shall not be deemed a consent to or approval of said action on any subsequent occasion. Any and all rights and remedies which either party may have under this Lease or by operation of law, either at law or in equity, upon any breach, shall be distinct, separate and cumulative and shall not be deemed inconsistent with each other; and no one of them whether exercised by said party or not, shall be deemed to be in exclusion of any other; and two or more or all of such rights and remedies may be exercised at the same time.

15.4 **Headings.**

The headings used for the various articles and sections of this Lease are used only as a matter of convenience for reference, and are not to be construed as part of this Lease or to be used in determining the intent of the parties of this Lease.

15.5 **Partial Invalidity.**

If any terms, covenant, provision or condition of this Lease or the application thereof to any person or circumstances shall be declared invalid or unenforceable by the final ruling of a court of competent jurisdiction having final review, the remaining terms, covenants, provisions and conditions of this Lease and their application to persons or circumstances shall not be affected thereby and shall continue to be enforced and recognized as valid agreements of the parties, and in the place of such invalid or unenforceable provision there shall be substituted a like, but valid and enforceable, provision which comports to the findings of the aforesaid court and most nearly accomplishes the original intention of the parties.

15.6 **Decision Standards.**

In any approval, consent or other determination by any party required under any provision of this Lease, the party shall act reasonably, in good faith and in a timely manner, unless a different standard is explicitly stated.

15.7 **Bind and Inure.**

Unless repugnant to the context, the words **Landlord** and **Tenant** shall be construed to mean the original parties, their respective successors and assigns and those claiming through or under them respectively. Execution of this Lease is contingent upon the receipt of the insurance documents, as required, within fifteen (15) calendar days after Landlord's notification to Tenant to comply before the award is made. If the insurance certificate is received within the specified time frame but not in the manner prescribed in this Lease, the Tenant shall be verbally notified of such deficiency and shall have an additional five (5) calendar days to submit a corrected certificate to the County.
