SUMMARY

This item seeks approval of a resolution required by the Florida Department of Health for receipt of \$132,787.00 in Emergency Medical Services Program grant funds for FY 2022-2023. The resolution seeks authorization for the County Mayor, through Miami-Dade Fire Rescue (MDFR), to apply for, receive, and expend said grant funds, which includes distributing allocated funds to municipal fire departments, as outlined below. These funds are made available to eligible county governments, as authorized by chapter 401, Florida Statutes, to improve and expand their pre-hospital emergency medical services as it relates to advanced and basic life support services. The funds are derived by the State from surcharges on various traffic violations.

RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the County Mayor or County Mayor's designee to apply for, receive, and expend approximately \$132,787.00 in grant funds from the Florida Department of Health through its Emergency Medical Services Program during the State of Florida's FY 2022-2023; approximately \$79,434.00 of those funds shall be distributed to MDRF and the remaining balance will be distributed to municipal fire departments, as outlined herein. It is also recommended that the Board authorize the County Mayor or the County Mayor's designee to amend the grant application for receipt of additional funds or to apply for, receive, and expend additional funds should they become available under this program during FY 2022-23. Furthermore, it is recommended that the Board authorize the County Mayor or County Mayor's designee to execute the FY 2022-23 EMS County Grant Letter of Understanding/Agreement, Per Payment From the State (Letter of Agreement), which is attached to the resolution as Attachment B, and any other documents necessary for receipt of said or additional grant funding.

SCOPE

The grant will support the provision of services countywide.

FISCAL IMPACT/FUNDING SOURCE

This grant is anticipated to provide funding in the amount of \$132,787.00 from the Florida Department of Health during its FY 2022-2023. MDRF is expected to receive a revenue allocation of \$79,434.00. The remaining balance will be distributed to municipal fire departments, as outlined below. The grant does not require any matching local or in-kind funds.

DELEGATION OF AUTHORITY

The County Mayor or County Mayor's designee is authorized to apply for, receive, and expend grant funds from the Florida Department of Health during its FY 2022-23, and execute the Letter of Agreement and other documents necessary for receipt of said or additional grant funding, which may be required by grant guidelines or to further the purpose described in the funding request. Also, the County Mayor or County Mayor's designee is authorized to execute necessary amendments to the grant application.

TRACK RECORD/MONITOR

The grant award will be monitored by Katrina Hollis-Baker, Grants Bureau Manager for MDRF.

BACKGROUND

Each year the Florida Department of Health's Office of Emergency Medical Services distributes grant funds as authorized by chapter 401, Florida Statutes. These funds are made available to eligible county governments to improve and expand their pre-hospital emergency medical services as it relates to advanced and basic life support services. The State derives the funds from surcharges on various traffic violations within each County.

Since 1987, MDFR has been responsible for the application and distribution process of the State Emergency Medical Services County Grant Program. The grant stipulates that municipalities are to apply for and receive funds through their respective county government or county fire department. Members of the five municipal fire rescue departments, as well as MDFR, conduct an annual needs assessment to formulate the Miami-Dade County application. The director of each respective fire rescue department reviews and approves the grant work and expenditure plans included in the final grant application package.

To receive their allocation from new grant revenues received from the State of Florida, each of the five municipal fire rescue departments submits an approved agreement to MDFR. The distribution of grant funds to each participating fire rescue department is based on the percentage of combined total emergency medical services incidents the respective department responded to during calendar year 2021.

The State application deadline is December 16, 2022 and requires a resolution from the Board. The new funds will be distributed to the following municipal fire departments for emergency medical services incidents that these agencies responded to in calendar year 2021, rounded to the nearest dollar, as follows:

Miami-Dade County Fire Rescue Department.....	\$ 79,434.00
City of Miami Fire Rescue Department.....	\$ 32,979.00

Instructions: County Government Application Form 2022-2023

The first application page has five numbered items.

Please note that Item 2 on the first application page is where the county's authorized person must provide his/her signature and the date.

Item 4 describes the content of the current "resolution" that is required. However, if a previous resolution has continuing authority, include a signed message about this and provide a copy of the previous resolution.

Item 5 of the first page of the application form asks for the name of the organization(s) to which you decide to allocate funds from your new county grant. The second page of the application form is the budget page, and one of these budget pages is needed for each organization listed in item 5.

The county alone has the authority to use all the grant funds itself or to provide some of the funds to other organizations within the county. However, the county remains responsible to the state for all the funds.

The budget costs must total to the exact amount of new funds for your grant. You can request budget changes and to add to the new grant budget unexpended previous funds from the prior grant, after the new grant begins.

The Request for Grant Fund Distribution Form is the last page herein and you must complete only the top part of the form. State EMS will complete the bottom part, as stated on the form.

You should copy all forms on your computer to use them. If you place them in restricted editing mode, you can use your keyboard Tab key to go from field to field.
