Executive Summary

This item ratifies the Homeless Trust's action in applying for new funding of approximately \$21,214,474.00 for three years beginning in Fiscal Year 2022-2023 through Fiscal Year 2024-2025 from the United States Department of Housing and Urban Development (USHUD) for housing and services to benefit persons experiencing homelessness and ratifies the issuance of a Request for Applications (RFA) for proposals from non-profits and local governments for housing and services for inclusion in the USHUD application and approves the sub-recipients selected; receiving and expending federal funds awarded; entering into grant and sub-grant agreements; exercising amendment, renewal, termination, cancellation and modification clauses of any agreement entered into pursuant to the resolution; and waiving Resolution R-130-06.

Scope

Housing and services will be provided countywide to not-for-profit service providers and municipalities pursuant to applicable regulations.

Delegation of Authority

This item delegates to the County Mayor or the County Mayor's designee the authority to receive and expend federal funds in an amount totaling approximately \$21,214,474.00 for three years beginning in Fiscal Year 2022-2023 through Fiscal Year 2024-2025 from USHUD for homeless housing and services, including additional funds should they become available; execute all agreements and sub-grant agreements; and exercise amendment, renewal, termination, cancellation and modification clauses of any agreement entered into pursuant to this resolution.

Fiscal Impact/Funding Source

The total amount anticipated to be received competitively is \$21,214,474.00, which includes a non-competitive Planning Grant in the amount of \$636,435.00, bringing the total amount to

approximately \$21,214,474.00, which is \$7,071,491.33 annually for Fiscal Years 2022-2023 through 2024-2025.

Track Record/Monitor

The Homeless Trust Executive Director, Victoria Mallette, will be responsible for overseeing the grants to non-profit service and municipalities. The Homeless Trust is the collaborative applicant for Miami-Dade responsible for the successful application, contracting, and monitoring of USHUD's Homeless Continuum of Care (CoC) program funds since 1996.

Background

In June 2022, the U.S. Department of Housing and Urban Development (USHUD) released a special Notice of Funding Opportunity (NOFO) to address unsheltered homelessness with an emphasis on serving people with severe service needs. Through this Special NOFO, USHUD will award funding to communities to implement coordinated approaches -- grounded in Housing First and public health principles -- to reduce the prevalence of unsheltered homelessness, and improve services engagement, health outcomes, and housing stability among highly vulnerable unsheltered individuals and families.

Miami-Dade County, through the Homeless Trust, serves as the coordinating agency and the collaborative applicant for our community's homeless CoC application. Non-profit housing and service providers were selected through a RFA for inclusion in the application to USHUD for new project funding. The RFA was duly advertised, a workshop was held for interested applicants, and a selection committee was appointed pursuant to standard processes. Sub-recipients submitted local applications with federally required program narratives, budget forms, and expenditure plans consistent with the priorities set forth in the RFA. The Homeless Trust Board has reviewed and approved the applications that were included in the local consolidated application to USHUD.

All of the housing and collateral services will be consistent with the County's CoC approach, as outlined in the Miami-Dade County Community Homeless Plan: Priority Home and local Standards of Care. New projects include permanent supportive housing, support services only permanent supportive housing, joint transition housing/rapid rehousing and street outreach. The non-competitive planning funds in the amount of \$636,435.00 assist the CoC in carrying out its responsibilities.

In order to provide the County Mayor or the County Mayor's designee sufficient time to negotiate the sub-grant agreements with housing and services agencies without interrupting service delivery to clients experiencing and at-risk of homelessness, the Trust is seeking a waiver of Resolution No. R-130-06, which requires all contracts to be fully negotiated and signed by all non-County parties.

The CoC program is designed to promote a community-wide commitment to the goal of ending homelessness; to provide funding for efforts by nonprofit providers, States, and local governments to quickly re-house individuals, families, and youth experiencing homelessness and

persons fleeing domestic violence while minimizing the trauma and dislocation caused by homelessness; to promote access to and effective utilization of mainstream programs by homeless individuals and families; and to optimize self-sufficiency among those experiencing homelessness.

This item was reviewed and approved by the Homeless Trust's Executive Committee on September 23, 2022.
