WHEREAS, on March 20, 2001, this Board adopted Ordinance No. 01-47, as amended, that created the County's Infill Housing Initiative Program ("Infill Housing Program"); and

WHEREAS, the purpose of the Infill Housing Program is "to increase the availability of affordable homes for very low-, low- and moderate-income persons ("qualified households"), maintain a stock of affordable housing, redevelop urban neighborhoods by eliminating the blight of vacant lots and dilapidated or abandoned properties, to equitably distribute homeownership opportunities within, and in some cases outside of the Infill Target Areas, and generate payment of ad valorem taxes"; and

WHEREAS, the Infill Housing Program also encourages “the redevelopment of vacant, dilapidated or abandoned property through the sale or conveyance of County property to qualified developers and the inclusion of privately owned vacant, dilapidated or abandoned properties located within and outside of the Infill Target Areas”; and

WHEREAS, the Infill Housing Program requires each developer to build no more than four single-family homes, attached or detached, on the properties that are conveyed to such developers; and

WHEREAS, the Infill Housing Program does not permit the construction of multi-family housing or developments, or commercial or retail development, on any property that is conveyed to a developer in accordance with the Infill Housing Program; and

WHEREAS, the Infill Housing Program requires each developer to construct homes within two years from the recording of the deed as evidenced by the issuance of final certificates of occupancy unless such timeframe is extended by the County upon a finding by this Board that such extension is necessary; and

WHEREAS, property conveyances by the County to developers made pursuant to the Infill Housing Program, which reference compliance with the Infill Housing Program in the deed of conveyance, includes compliance with, but not limited to, chapter 17, article VII of the Code of Miami-Dade County, the Infill Housing Program Guidelines, and Implementing Order 3-44; and

WHEREAS, on July 20, 2021, this Board adopted Ordinance No. 21-80, which established the maximum sales prices for the County’s affordable housing programs, including the Infill Housing Program, and established a methodology for determining the maximum sales price; and

WHEREAS, Ordinance No. 21-80 authorizes the maximum sales price set forth therein to be applied to properties conveyed or projects funded prior to the effective date of this ordinance upon the adoption by this Board of a resolution, which is sponsored by the commissioner of the district in which the properties are located, and which authorizes the application of the maximum sales price; and

WHEREAS, J.L. Brown Development Corporation (“JL Brown”), a Florida for profit corporation, is a real estate company that has been involved in the design of over 125 townhomes and single-family homes in South Miami-Dade; and

WHEREAS, JL Brown has also designed, constructed, and marketed over 100 homes to first time homebuyers through the County’s Surtax program; and

WHEREAS, this Board, in accordance with Resolution No. R-348-19, authorized the conveyance of two County properties, among others, to JL Brown for the purpose of developing the properties with housing to be sold to very low-, low- and moderate-income households (“qualified homebuyers”) in accordance with the Infill Housing Program; and

WHEREAS, the properties are located in Commission District 8 at 29120 Alabama Road (Folio No. 30-7904-004-0140), and 14980 Leisure Drive (Folio No. 30-7904-005-2050) (“JL Brown properties”); and

WHEREAS, the JL Brown properties were conveyed to JL Brown by County Deed, recorded in the public records of Miami-Dade County on August 12, 2019; and

WHEREAS, on May 5, 2020, this Board adopted Resolution No. R-394-20, which authorized the County Mayor or County Mayor’s designee to execute instruments for multiple developers that indicate the County’s intent to grant additional two-year extensions to developers to continue to develop certain former County-owned properties; and

WHEREAS, in accordance with the County Deeds conveying the JL Brown properties, JL Brown is required to develop such properties within two years from the recording of the deeds, which compliance with such deed restrictions shall be evidenced by JL Brown obtaining certificates of occupancy for the homes constructed on the JL Brown properties; and

WHEREAS, JL Brown has demonstrated to the County's satisfaction, as represented to the County by a letter attached hereto as Attachment "A", that the delays in completing the construction of the homes on the JL Brown properties has occurred due the increase in construction costs of labor and material; and

WHEREAS, JL Brown has provided administration with a request for a one-year extension to complete the construction of the homes and has further requested an increase in the sales price of the homes from \$205,000.00 to the current maximum sales price permitted under Ordinance No. 21-80; and

WHEREAS, this Board wishes to grant a one-year extension for JL Brown to obtain its certificates of occupancy, and to authorize the execution of the Amended and Restated County Deed attached hereto for the purpose of increasing the maximum sales price in accordance with Ordinance No. 21-80,

Miami-Dade County Commission

Cutler Bay, Florida 33189

Dear Commissioner Higgins

Thank you for agreeing to grant an extension to develop the 2 parcels described below which was conveyed to J.L. Brown Development Corporation. Also, we are requesting the approval to increase the sales price from \$205,000,000 to the maximum sales price allowed under the program to \$352,000.00.

We have worked extremely hard and spent thousands of dollars to get to this point. As outlined below we have permits in hand for the construction documents and have applied for final site plan approval with the process numbers listed.

Parcel Description

29120 Alabama Road, Leisure City, Florida 33033

14980 Leisure Drive, Leisure City, Florida 33033

Reason for Delay

The project has been delayed for a variety of reasons. The construction cost to develop the property exceeded the approved sales price of \$205,000.00. We tried bidding the homes to variety of contractors and sub contractors but all exceeded \$205,000.00 to build the units. We designed the site plan and construction documents to build the homes back in 2020. We submitted the plans to the Miami Dade County Building Department and received approvals under the cookie cutter program. However, the sales price remained too low to move forward.

Project Status:

Please be advised that we are currently under permitting for the above properties.

The complete construction documents have been approved and permitted by Miami Dade County Building Department under the Permit Number 2022045756. This permit has been issued by the building department under the Miami Dade County Building Department Cookie Cutter Program. This program approves the developers building construction documents and set up a registration where the developer can construct these homes on any site that meet the guidelines with the preapproved plans. This allows J.L. Brown to quickly move from one infill parcel to another within 30-45 days to begin construction on existing or new infill lots awarded. (Please see a copy of the Cookie Cutter Permit Attached along with the complete construction documents and approved blueprints stamped by Miami Dade County.

In addition, we have obtained site plan approvals from Miami Dade County Workforce Housing and the Director of Zoning for the above parcels. (Please see Approved letters attached and executed by Nathan Logon Assistant Director of Zoning.

Also, we have submitted site plans to Miami Dade County for final review and approval for the address above to begin construction. The construction plans have been approved under the Cookie Cutter Program which only require a final review of the site plan by Miami Dade County to make sure it meets the standards of various department. The departments that need to review includes, Derm, Planning, Public Works, Impact Fees, Etc.

Here are the process numbers that the final review with Miami Dade County Building Department.

PROCESS NUMBERS	ADDRESS
C2022154821	29120 Alabama Road, Leisure City Florida 33033 THIS SITE WILL HAVE 1 DUPLEX BUILDING and 1 Single family Home FOR 3 RESIDENTIAL UNITS
C2022154142	14980 Leisure Drive, Leisure City Florida 33033 THIS SITE WILL HAVE 1 DUPLEX BUILDING FOR 2 RESIDENTIAL UNITS

J.L. Brown has submitted the site plans under the above process numbers and expect to have all final approvals within the next 30-60 days or less. We have received the comments to be corrected as per Miami Dade County Building Department. Most of the comments are minor and can be addressed within 15-30 days. Other Comments will take a little longer, for example, Derm request that we install sewer on 29120 Alabama Road since sewer is in the area.

We have carefully designed an affordable twin home to accommodate large families. The floor plans include 3 and 4 bedrooms, 3 full baths, huge family room housed under almost 1,900 Square Feet of living space. Each property will include a private driveway for 2 cars, generous front and rear yard with private fencing.

Attached are supporting documents for your review for the parcels. Please grant an extension of time to develop the sites and a price increase to the current prevailing rate for the infill lots identified above.

Thank you for your support in making homeownership available to the residents of Miami Dade County.

Sincerely,

James L. Brown, Sr.

As legally described in Exhibit "A" attached hereto and made a part hereof

THIS CONVEYANCE IS SUBJECT TO all zoning, rules, regulations and ordinances and other prohibitions imposed by any governmental authority with jurisdiction over the Properties; existing public purpose utility and government easements and rights of way and other matters of record; taxes for the year of closing and subsequent years and the following restrictions:

1. That the Properties shall be developed with affordable housing, as defined by and in accordance with the requirements of the Infill Housing Program, including but not limited to, the requirement that no more than four single-family homes be constructed on each of the Properties in accordance with the Infill Housing Program. The Developer shall sell such affordable housing to qualified homebuyers whose income range is established up to 120% of the most recent median family income for the County reported by the United States Department of Housing and Urban Development. Prior to such conveyance, a restrictive covenant, in a form approved by the County in its sole discretion, shall be executed by each qualified homebuyer, and such restrictive covenant shall be recorded in the public records of Miami-Dade County.

That the Properties shall be developed and construction completed within one (1) year from the effective date of the resolution approving this deed which is Resolution No. ____, as evidenced by the issuance of a final Certificate of Occupancy. No further extensions will be approved.

2. Reserved.
3. That the affordable housing developed on the Properties shall be sold to a qualified household, as defined in Sections 17-122(n) of the County Code, but under no circumstances shall the sales price of the home exceed the relevant County Maximum Sales Price as set forth in the Miami-Dade County Code and existing at the time of sale. In the event the Developer fails to timely sell the home to a qualified household or sells the home above County Maximum Sales Price as set forth in the Miami-Dade County Code and existing at the time of sale, and the Developer, upon written notification from the County, fails to cure such default within 30 days, then title to the subject Properties shall revert to the County, at the option of the County, as set forth

in paragraph 12, and the Developer shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever.

4. That for any of the Properties located within the HOPE VI Target Area (hereinafter "Target Area"), the Developer shall comply with the requirements set forth in Resolution No. R-1416-08, including but not limited to providing former Scott/Carver residents the right of first refusal on all units to be sold within the Target Area. The County will provide a list of former Scott/Carver residents in order for the Developer to notify these residents of the availability of homeownership opportunities.
5. That Developer shall not assign or transfer its interest in the Properties or in this Amended Deed absent consent of the Board, in its sole and absolute discretion, except for any conveyance to qualified homebuyers.
6. The Developer shall require that the qualified household purchasing the eligible home execute and record simultaneously with the deed of conveyance from the Developer to the qualified household the County's approved "Affordable Housing Restrictive Covenant," which is customarily used as part of the Infill Housing Program, and include the following language in the deed of conveyance:

"This Property is subject to an "Affordable Housing Restrictive Covenant" recorded simultaneously herewith, which states that the Property shall remain affordable during the "Control Period." The Control Period commences on the initial sale date of the eligible home, which is the date the deed is recorded transferring title from the developer to the first qualified household, and resets automatically every twenty (20) years for a maximum of sixty (60) years. In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County. Any such sale, transfer or conveyance, shall only be to a qualified household as defined in Section 17-122(n) of the Miami-Dade County Code at or below the maximum sales price as calculated in the restrictive covenant. Should Grantee own this home for twenty consecutive years, Grantee shall automatically be released from the Affordable Housing Restrictive Covenant."

7. That Developer shall pay real estate taxes and assessments on the Properties or any part thereof when due. Developer shall not suffer any levy or attachment to be made, or any material or mechanic's lien, or any unauthorized encumbrance or lien to attach, provided, however, that Developer may encumber the Properties with the following, subject to the requirements set forth in Section 17-124(d) of the County Code, and paragraphs 8 and 9 herein:
 - a) Any mortgage(s) in favor of any institutional lender solely for the purpose of financing or refinancing any hard costs or soft costs relating to the construction of the single-family home(s) in an amount(s) not to exceed the lesser of: (i) the value of the cost of

construction of the single-family home(s), which estimate shall be verified as set forth in section 8 below; and (ii) the Maximum Sales Price in effect at the time the mortgage is recorded.

For purposes of this paragraph an "institutional lender" shall mean any bank, savings and loan association, insurance company, foundation or other charitable entity, real estate or mortgage investment trust, pension funds, the Federal National Mortgage Association, agency of the United States Government or other governmental agency. In any event, the term "Institutional lender" shall be deemed to include Miami-Dade County and its respective successors and assigns.

8. That the Developer shall provide the County, at least ten (10) business days prior to the execution and recordation of any mortgage purporting to meet the requirements of section 7 above, with a detailed statement of value of such actual or projected hard and soft costs for the development and construction of the single-family home(s) on the Properties prepared and signed by a state certified appraiser, contractor or other similar expert, which verifies and certifies that: (a) the information or estimates set forth therein are correct and accurate; and (b) that neither the Maximum Sales Price nor the mortgage (and if more than one mortgages, all of the mortgages in the aggregate), exceed the detailed statement of value of the actual or projected hard and soft costs for each of the single-family homes constructed or to be constructed on the Properties. Such statement of value shall constitute conclusive evidence that such mortgage meets such requirements, and that the right of any reverter hereunder shall be subordinate to the lien of such mortgage; provided, however, that for the reverter in this Amended Deed to be subordinate to any mortgage, the Developer must be in compliance with all provisions of this Amended Deed at the time of recordation of such mortgage.
9. That prior to placing any mortgage on the Properties, the Developer shall provide the County Mayor or County Mayor's designee with written notice of the intent to mortgage same, along with a copy of the proposed mortgage and the statement of value required by section 8 above, to evidence that such mortgage does not exceed the cost of construction.
10. That in the event that any mortgage(s) on the Properties in favor of any institutional lender goes into default, foreclosure, deed in lieu of foreclosure, certificate of title or tax deed issued by the government or through court order, all deed restrictions and provisions set forth in this Amended Deed, save and except for the right of reverter, shall not be extinguished, and shall remain enforceable by the County and in full force and effect. The restrictions set forth in this Amended Deed shall run with the land and shall be binding on any successors or assigns of Developer, notwithstanding the mortgage or change in ownership until such deed restrictions are satisfied or released as set forth paragraph 14 below.
11. In the event that Developer mortgages the Properties without compliance with sections 7 through 10 herein, then such mortgage shall of no force and effect, and shall be subordinate to all rights of the County, including the County's right of reverter.

12. The County retains a reversionary interest in the Properties, which right may be exercised by the County, at the option of the County, in accordance with this Deed. If in the sole discretion of the County, one or more of the Properties ceases to be used solely for the purpose set forth in paragraph 1 herein by the Developer, or if the Developer fails to construct the homes described herein in the manner and within the timeframe set forth in paragraph 2 herein, or if the Developer ceases to exist prior to conveyance to the qualified homebuyers, or if any other term of this Amended Deed is not complied with, the Developer shall correct or cure the default/violation within thirty (30) days of notification of the default by the County. If the Developer fails to remedy the default within thirty (30) days, as determined in the sole discretion of the County, title to the subject Properties shall revert to the County, at the option of the County, which shall be effected upon written notice to Developer of such failure to remedy the default, and the filing of a Notice of Reverter in the public records evidencing same (which may be filed simultaneously with or subsequent to such written notice of reverter). The reverter will become effective upon the filing of such Notice of Reverter. In the event of such reverter, the Developer shall immediately deed such Properties back to the County, and the County shall have the right to immediate possession of such Properties, with any and all improvements thereon, at no cost to the County. The effectiveness of the reverter shall take place immediately upon the filing of the Notice of Reverter, regardless of whether the Developer provides a deed back to the County for such Properties.

All conditions and restrictions set forth herein shall run with the land, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Properties.

13. Upon receiving proof of compliance with all of the Amended Deed restrictions set forth herein, to be determined in the County's sole discretion, the County shall furnish the Developer with an appropriate instrument acknowledging satisfaction with all Amended Deed restrictions. Such satisfaction of Deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

This grant conveys only the interest of the Miami-Dade County and its Board of County Commissioners in the Properties herein described and shall not be deemed to warrant the title or to represent any state of facts concerning the same.

IN WITNESS WHEREOF Miami-Dade County has caused these presents to be executed in its name by its Board of County Commissioners acting by the Chairperson of the Board, the day and year aforesaid.
