RESOLUTION NO. R-44-23

RESOLUTION DIRECTING THE COUNTY MAYOR OR
COUNTY MAYOR'S DESIGNEE TO CONDUCT A SURVEY
OF PROPERTY OWNERS IN THE PROPOSED MIAMI
SPRINGS ANNEXATION AREA AND PROVIDE A REPORT
TO THIS BOARD

WHEREAS, at the January 17, 2023 Board of County Commissioners meeting, a motion was made directing the County Mayor or County Mayor's designee to conduct a survey of property owners in the proposed Miami Springs annexation area and provide a report to this Board,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board directs the County Mayor or County Mayor's designee to conduct a survey of the property owners in the proposed Miami Springs annexation area and to prepare and distribute a written report to this Board with the results of such survey on or before March 28, 2023. Thereafter, such report shall be placed on an agenda of the full Board without committee review, pursuant to Rule 5.06(j).

The survey shall be conducted pursuant to the following provisions, which are similar to the new annexation survey provisions contained in Ordinance No. 22-127.

- (1) The County's Office of Management and Budget, or such other department as designated by the County Mayor, shall, as specified herein, prepare and mail a survey to each property owner within the proposed Miami Springs boundary change area to ascertain whether each such property owner is in favor of or against the proposed boundary change.
- (2) For purposes of this survey, "property" shall mean a parcel of real property within the proposed boundary change area that is identified by a folio number issued by the Miami-Dade County Property Appraiser, and the applicable list of property owners within a proposed boundary change area shall be based on information provided by the Miami-Dade County Property Appraiser.

- (3) The cost of the survey shall be paid by the City of Miami Springs, which initiated the proposed boundary change.
- (4) This survey shall include:
 - a. a brief description of the proposed boundary change, including the boundaries of such area;
 - b. the current municipal services millage rate of the proposed boundary change area;
 - c. the current municipal services millage rate of the municipality to which the boundary change is proposed;
 - d. a brief statement, not to exceed 100 words, by the applicant as to why the applicant has requested the proposed boundary change;
 - e. a designated location on the survey where each property owner can indicate whether the owner is in favor of or against the proposed boundary change;
 - f. a designated location on the survey for the party completing the survey to affirm that such party has the authority to respond on behalf of the property owner or owners; and
 - g. instructions on the manner and timeframe in which the survey must be completed and returned to the County for consideration.
- (5) The County's Office of Management and Budget, or such other department as designated by the County Mayor, shall prepare the survey with respect to said proposed boundary change, and this survey shall be mailed to property owners in the proposed boundary change area. Property owners shall be provided a deadline by which to respond, which shall be at least 21 days from the date the County mails the survey. Survey responses which are received or postmarked on or before said deadline shall be counted, provided, however, that if the County receives multiple responses for the same property, then only the first response received and opened shall be counted and the remaining responses shall not be used to compute the percentage of property owners in favor of the proposed boundary change. A prepaid postage return envelope shall be included with each survey sent to property owners.
- (6) If a property has multiple owners, only one response may be counted per property. For any property owner that is not an individual, the responding party shall be required to affirm on the survey that such party has the authority to respond on behalf of said property owner or owners. If the County receives multiple responses for the same property, then only the first response received and opened shall be counted and the remaining responses shall not be used to compute the percentage of property owners in favor of or against the proposed boundary change. Notwithstanding anything stated to the contrary herein, the County

Mayor and the County Mayor's designee are not precluded from providing information to the Board of County Commissioners as to discrepancies, or any other issues, with respect to survey responses.
