Agenda Item No. 8(P)(13)

Resolution No. R-196-23

Subject: Recommendation for Approval to Award a Contract for Financial Feasibility Consulting Services

Summary

This item is for the award of a contract for financial feasibility consulting services for Miami-Dade Aviation Department (MDAD) to study, analyze, and report on financial matters, passenger traffic counts, and demographic aspects pertaining to the issuance of aviation revenue bonds and to update forecasts for traffic, revenues, and expenditures. The recommended vendor will evaluate MDAD's ability to generate revenues sufficient to satisfy debt service coverage requirements and to recommend rates and charges for Miami-Dade County's airport system to meet the County's rate covenant. The consultant is the incumbent and will serve as MDAD's Traffic Engineer as required by Section 705 of the Amended and Restated Trust Agreement, subject to the approval of the Trustee and Co-Trustee. It is important to note (as detailed below), the services of the Traffic Engineer, as set forth in the Trust Agreement, is not of the typical or traditional engineering as it applies to construction and related fields; but more relates to Traffic Engineer from a financial feasibility analysis as may be required by MDAD.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve a competitive contract award, *Contract No. RFQ-02249, Financial Feasibility Consulting Services*, to LeighFisher Inc., for MDAD in the amount of \$6,000,000 for a five-year term. The current contract, *RFQ No. MDAD-14-01, Financial Feasibility Consultant Services for MDAD*, was established by the Board on October 7, 2014, through Resolution R-867-14 for a five-year term, with three one-year options to renew.

Background

As required by Section 705 of the Amended and Restated Trust Agreement, the County shall employ an independent firm or corporation "having a nationwide and favorable reputé for skill and experience" to perform the duties imposed on the Traffic Engineer by the Trust Agreement. The responsibilities of the consultant shall include services such as:

- Evaluating MDAD's ability to generate revenue sufficient to satisfy debt service coverage requirements [analyzing the economic base, forecasting international and domestic passenger and cargo traffic, forecasting revenues and expenditures at Miami International Airport (MIA)]
- Participating in investment rating agency, credit insurer, and investor presentations
- Evaluating rate covenant compliance and rents, fees, and charges for facilities and services
- Evaluating the financial impact of facilities constructed with Airport revenues other than bonds issued under the Trust Agreement
- Recommending rents, fees, and charges for the Airport System
- Pricing services which include, but are not limited to, financial analysis

Scope

The scope of this item is countywide in nature as it relates to all MDAD airports.

Fiscal Impact/Funding Source

The fiscal impact for the five-year term is \$6,000,000. The current contract, *RFQ. No. MDAD-14-01*, is valued at \$8,887,500 for an eight year and six-month term and expires on April 30, 2023. The annual allocation under the replacement contract is higher than the previous contract due to an increase in

contract utilization. Based on the current Capital Improvement Program and the expected bond issuances that will be required to sustain MDAD's funding needs, it is anticipated that there will be a more frequent need for financial feasibility studies; therefore, higher contract capacity is needed to fund the services. Additionally, to keep up with emerging trends in air traffic, both domestic and international, MDAD will be requiring traffic forecasts on a more frequent basis.

Delegated Authority

If this item is approved, the County Mayor or County Mayor's designee will have the authority to exercise all provisions of the contract, including any cancellation or extension provisions, pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38.

Vendor Recommended for Award

A Request for Qualifications was issued under full and open competition. Two responses were received, including one "No Bid". More than 18,000 vendors were invited via BidSync to participate in the competitive solicitation process. Sixty vendors viewed the BidSync notification, of which six downloaded the solicitation packet, and one proposal was submitted. Due to the limited participation, staff reached out to firms that viewed the BidSync solicitation to inquire about their decision not to submit a proposal. Eleven responses were received, and all vendors stated that they do not provide these services. No vendor indicated that there were any barriers to competition preventing firms from submitting a proposal.

Pursuant to Resolution No. R-477-18, the highest-ranked proposer is recommended in accordance with the method of award per the solicitation and is non-local. The lack of local vendor participation is attributable to the highly specialized nature of financial feasibility consulting services, as well as the fact that the Trust Agreement requires the employment of an independent firm or corporation having a nationwide and favorable reputé for skill and experience in such work. LeighFisher Inc. is the incumbent.

*Provided pursuant to Resolution No. R-1011-15. Percentage of employee residents is the percentage of vendor's employees who reside in Miami-Dade County as compared to the vendor's total workforce.

Vendor Not Recommended for Award or Did Not Bid

Vendor	Local Address	Reason for Not Recommending
Fiscal Advising, Consulting & Strategizing, Inc.	No	No Bid*

*A "No Bid" means the vendor responded indicating that it will not be providing an offer.

Due Diligence

Pursuant to Resolution No. R-187-12, due diligence was conducted in accordance with the Strategic Procurement Department's Procurement Guidelines to determine vendor responsibility, including verifying corporate status and that there are no performance and compliance issues through various vendor responsibility lists and a keyword internet search. The lists that were referenced included convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to vendor responsibility.

Pursuant to Resolution No. R-140-15, prior to re-procurement, a full review of the scope of services was conducted to ensure the replacement contract reflects the County's current needs. The review included conducting market research, posting a draft solicitation for industry comment, and holding meetings and drafting sessions with the user department.

Applicable Ordinances and Contract Measures

- The two percent User Access Program provision does not apply.
- The Small Business Enterprise Selection Factor and Local Preference were applied.
- The Living Wage Ordinance does not apply as the services are not covered under the Ordinance.
- The Responsible Wages and Benefits Ordinance does not apply as the services are not covered under the Ordinance.
