Agenda Item No. 8(P)(4)

Resolution No. R-304-23

Subject: Recommendation for Approval to Establish a Prequalification Pool for Purchase of Appliances, Parts, and Related Services

Summary

This item is for the establishment of a prequalification pool for the purchase of appliances (gas and electric), parts, supplies, maintenance, and repair services for both commercial and residential use, for multiple County departments on an as needed basis. This pool will support and provide the County with various types of kitchen and facility appliances and related repair and maintenance services to include, but not limited to, ranges, range hoods, wall ovens, electric ovens, cook tops, air fryers, ice machines, refrigerators, freezers, dishwashers, washer-extractors, microwaves, coffee makers, washers, and dryers. Nineteen departments will be utilizing this pool to purchase, repair, and maintain various appliances installed in County facilities including, but not limited to, correctional facilities, public housing units, fire stations, assisted living facilities, domestic violence residential facilities, and water and wastewater plants and facilities.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the establishment of a prequalification pool, *EVN0000079, Purchase of Appliances, Parts, and Related Services* for multiple County departments, in the amount of \$10,662,722, for a five-year term. Small Business Enterprise (SBE) measures will be determined prior to advertising each spot market competition. To track pool expenditures by vendor, bidding under this and other prequalification pools will gradually be conducted and monitored in a single platform, INFORMS, which will allow staff to provide data reports to the Board, as requested. The pool will remain open to allow additional vendors that meet the prequalification criteria to be added throughout the pool's duration.

This pool will replace the following pools currently utilized to fulfill the County's needs for appliances and related services:

- *Prequalification Pool RTQ-00256 - Repairs Replacement/Parts Appliances & Kitchen (Gas & Electric)* was approved by the Board on May 17, 2016, for an eight-year term through Resolution No. R-368-16. Upon inception, the pool had five vendors, of which one was local. Currently, the pool has six vendors, of which one is local, and none are certified SBE firms.
- *Prequalification Pool 9384-1/22 - Appliances, Parts, Supplies, and Services Pre-Qual* was approved by the Board on November 26, 2012, for a five-year term with one, five-year option to renew through Resolution No. R-156-13. Upon inception, the pool had four vendors, of which three were local. Currently, the pool has eight vendors, of which four are local and none are certified SBE firms.

Background

This pool will allow multiple departments to purchase various appliances (gas and electric), associated parts, installation, and repair/maintenance services under four groups as follows: Group 1: Purchase of Appliances and/or Appliance Related Parts; Group 2: Purchase of Installation, Repair and/or Maintenance Services – Commercial Electrical Appliances; Group 3: Purchase of Installation, Repair and/or Maintenance Services – Residential Electrical Appliances; and Group 4: Purchase of Installation, Repair and/or Maintenance Services – Commercial and Residential Gas Appliances.

Scope

The scope of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for the five-year term is \$10,662,722. The combined value under the current pools is \$14,095,980, allocated as follows:

- *Prequalification Pool RTQ-00256 – Repairs Replacement/Parts Appliances & Kitchen (Gas & Electric)* is valued at \$2,500,000 for eight years and expires on May 31, 2024; and
- *Prequalification Pool 9384-1/22 – Appliances, Parts, Supplies, and Services Pre-Qual* is valued at \$11,645,980 for ten years and three months and expires on June 30, 2023.

The annualized allocation under the replacement pool is higher than the current pools due to the departments increasing their overall allocation because of the increased cost of appliances and services required under the pool.

Delegated Authority

Upon approval of this item, a pool of prequalified vendors will be established to participate in spot market competitions. The County Mayor or the County Mayor's designee will have the authority to solicit pricing and award contracts up to an aggregate amount of the allocation authorized by the Board. The County Mayor or the County Mayor's designee will also have the authority to (a) exercise all provisions of the solicitation documents and any resulting contracts pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38 and (b) add vendors to the pool at any time, subject to ratification by the Board on a bi-annual basis.

Vendors Prequalified for Pool

Eight vendors responded to the solicitation and all eight vendors are being recommended for inclusion in the pool as set forth in the table below. Five vendors have local addresses, of which two are certified SBE firms.

Pursuant to Resolution No. R-477-18, fewer than 75 percent of vendors recommended are local due to the limited number of vendors with the licenses and capabilities to supply the required appliance goods and services. The solicitation was sent out to 270 vendors via INFORMS, including the incumbent vendors. Outreach efforts included posting on the County's website for future solicitations and a local business tax receipt search for local vendors. Staff will continue to reach out to local vendors for inclusion in the prequalification pool, as vendors can be added throughout the term of the pool.

Due Diligence

Pursuant to Resolution No. R-187-12, due diligence was conducted in accordance with the Strategic Procurement Department's Procurement Guidelines to determine vendor responsibility, including verifying corporate status and that there are no performance and compliance issues through various vendor responsibility lists and a keyword internet search. The lists that were referenced included convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to vendor responsibility.

Pursuant to Resolution No. R-140-15, prior to re-procurement, a full review of the scope of services was conducted to ensure the replacement pool reflects the County's current needs. The review included conducting market research, posting a draft solicitation for industry comment, and holding meetings and drafting sessions with the user departments.

Applicable Ordinances and Contract Measures

- The two percent User Access Program provision applies where permitted by the funding source.
- Small Business Enterprise (SBE) measures and Local Preference will be applied at the time of spot market competition, where permitted by the funding source. An SBE set-aside applies for spot market competition up to \$250,000 of at least two available SBE certified firms or over \$250,000 of at least three available SBE certified firms. Each spot market quote must be submitted to Small Business Development for review.
- The Living Wage is applicable to Groups 2, 3 and 4 as the services are covered under the Ordinance.
- The Responsible Wages and Benefits Ordinance does not apply as the services are not covered under the Ordinance.
