and Members, Board of County Commissioners

Agenda Item No. 8(P)(12)

From: Daniella Levine Cava
Mayor

Resolution No. R-312-23

Subject: Recommendation for Approval to Reject Proposal for Development, Management, and Operation of Miami-Dade West Kendall District Park

Summary

This item recommends the rejection of the sole proposal received from Sports City International, LLC (SCI) for the development, management, and operation of Miami-Dade West Kendall District Park (MDWKDP) for the Parks, Recreation, and Open Spaces Department (PROS).

The SCI proposal was evaluated and recommended for negotiations by a Competitive Selection Committee in a remote selection meeting held on June 22, 2020. Commencing on September 3, 2020, 14 negotiation meetings were held with SCI, wherein various aspects of the project were discussed and negotiated, including scope of work, schedule, compensation, financing, and deed restrictions. The County was unable to verify if SCI had the financial wherewithal to deliver the project. In November 2021, in an effort to provide SCI with every opportunity to negotiate an agreement, the County issued a notice requesting proof of financing in the form of a letter of intent from a financial institution. SCI was advised, absent proof of financing, the County would terminate negotiations. SCI provided documentation in response to the County's request and five negotiation meetings were subsequently held. Even with this additional documentation, the County was unable to verify the financial standing of SCI. On September 6, 2022, SCI notified the County that their financial partner had withdrawn from the project. The final negotiation meeting was held on September 27, 2022, wherein the County and SCI mutually agreed to terminate negotiations as an impasse was reached due to SCI's inability to provide proof of financing for the project. Following the rejection of this proposal, and after performing a thorough review of the scope of work, project requirements, and market conditions, the County will re-advertise a competitive solicitation.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the rejection of the sole proposal received under Request for Proposals No. *RFP-01435, Development, Management, and Operation of Miami-Dade West Kendall District Park*, for PROS.

Background

The County received an unsolicited proposal from Sports City International, LLC (SCI) on July 3, 2018 to provide for the development and operation of a multi-sports complex at MDWKDP. The Board, through Resolution No. R-333-19, accepted the unsolicited proposal and directed the County Mayor or County Mayor's designee to advertise a competitive solicitation for the same project purpose as the unsolicited proposal.

On November 21, 2019, a solicitation was advertised under full and open competition. The solicitation closed on January 17, 2020 and the only response the County received was from SCI. A survey of the vendors that viewed the solicitation, but did not submit a proposal, was performed to better understand the reason why one response was received. Responses to the survey included project was very complex, vendor can't be competitive, and vendor did not have sufficient time to submit proposal.

As previously stated, SCI was recommended for negotiations; however, in the end SCI and the County mutually agreed to terminate negotiations, because ultimately SCI was unable to provide proof of financing for the project.

The County will perform a thorough review of the scope of work, project requirements, and market conditions and will issue a new solicitation.
