Memorandum

Date: April 4, 2023

To: Honorable Chairman Oliver G. Gilbert, III
and Members, Board of County Commissioners

From: Daniella Levine Cava 
Mayor

Subject: Vacation of Right-of-Way Petition P-993, Section: 13-56-39, SW 229 Terrace Between SW 127 Avenue and the South Dade Transitway (Busway); and a Remaining Portion of SW 126 Road (also known as North Loop) Lying East of SW 127 Avenue and Southwest of SW 229 Terrace, Commission District: 8

Executive Summary

The purpose of this item is for the Board of County Commissioners (Board) to grant a petition filed by Mr. Thomas B. Ward, Jr. and Ms. Delores A. Ward to vacate the subject portion of County right-of-way. If this petition is granted, the underlying lands will become incorporated into the abutting properties. The owners of all the abutting properties wish to close the portion of the SW 229 Terrace Between SW 127 Avenue and the South Dade Transitway (Busway) and a remaining portion of SW 126 Road (also known as North Loop) lying east of SW 127 Avenue and southwest of SW 229 Terrace to incorporate the land into their properties for development purposes for the Children's Rainbow Day School on the petitioners' properties to the north and the Miami-Dade County Fire Rescue Department's proposed fire station on the properties to the south.

The subject portion of right-of-way is covered with grass, trees, and brush and has never been improved nor maintained by Miami-Dade County. The \$21,046.21 fee for this Vacation of Right-of-Way petition has been paid.

Recommendation

It is recommended that the Board grant Vacation of Right-of-Way Petition P-993, attached to this Memorandum as Exhibit 2, following a public hearing. The Miami-Dade County Departments of Regulatory and Economic Resources, Transportation and Public Works (DTPW), Water and Sewer, and Fire Rescue have no objection to this portion of right-of-way being vacated. This request conforms with County regulations governing the procedures for the vacation of County right-of-way as set forth in Resolution No. 7606. The subject portion of right-of-way includes areas of grass, trees, and brush. Location maps are attached as Exhibit 1.

Scope

The subject Vacation of Right-of-Way petition is located within District 8, which is represented by Commissioner Danielle Cohen Higgins.

Fiscal Impact/Funding Source

The Property Appraiser's Office has assessed the properties adjacent to the subject portion of right-of-way at an average rate of \$9.90 per square foot. Therefore, the estimated value of the subject land is \$190,862. However, all the properties abutting the subject portion of right-of-way are tax-exempt. Therefore, the granting of this petition will not result in an increase in revenue from property taxes. The fee for this Vacation of Right-of-Way petition is \$21,046.21.

Background

The owners of all the abutting properties wish to close the portion of the SW 229 Terrace Between SW 127 Avenue and the South Dade Transitway (Busway) and a remaining portion of SW 126 Road (also known as North Loop) lying east of SW 127 Avenue and southwest of SW 229 Terrace to incorporate the land into their properties for development purposes for the Children's Rainbow Day School on the petitioners' properties to the north and the Miami-Dade County Fire Rescue Department's proposed fire station on the properties to the south.

The subject portion of right-of-way is covered with grass, trees, and brush and has never been improved nor maintained by Miami-Dade County. A segment of wooden rail fence encroaches upon the subject portion of right-of-way to be closed.

The subject lands were dedicated to Miami-Dade County for perpetual use of the public in 1926 by the plat of SILVER PALM PARK, recorded in Plat Book 25, at Page 13, of the Public Records of Miami-Dade County, Florida. Four of the abutting properties are zoned RU-1 (Single-Family Residential District, 7,500 square feet net). One abutting property is zoned GU (Interim District).

5. ACCESS TO OTHER PROPERTY: The undersigned certify that in the event this petition is granted no other property owners will be prevented from access to and from their property and no other property owners in the vicinity will be adversely affected.

6. GROUNDS FOR REQUESTING PETITION AND PROPOSED USE FOR THE LAND BY THIS REQUEST: The undersigned submits as grounds and reasons in support of this petition the following (state in detail, why petition should be granted):

Thomas B. Ward, Jr. and Delores Ward (the "Petitioners"), the owners and operators of the Children's Rainbow Day School (the "School"), located at 22940 Old Dixie Hwy, Goulds, FL 33170, respectfully request the right-of-way vacation for a portion of SW 229th Terrace between Old Dixie Hwy and SW 127th Avenue as depicted on the aerial below highlighted in green.

The requested right-of-way that is proposed to be closed has never been used for any right-of-way purposes nor has it ever been improved for public access. The vacation of the right-of-way would facilitate the continued use of the School in a way that is consistent with a unified campus, but more importantly, the requested vacation would reduce the possibility of vehicles crashing through the gate along the School's boundary where students from the younger grade levels play.

In addition, the Miami-Dade County Fire Rescue Department, which recently acquired all of the other properties along the requested right-of-way to be closed that are not owned by the Petitioners, is in support of the right-of-way vacation request. Vacation of the right-of-way would provide Miami-Dade County Fire Rescue with the much needed additional land that would benefit the design of the future fire station proposed on those abutting properties. Furthermore, there is no reason or necessity, now or in the future, that would give rise to any kind of support for allowing the right-of-way proposed to be closed to remain providing access to any of the adjacent properties. As a result, the vacation of the right-of-way will not only benefit the School, but it will also benefit the any future fire station developed on the abutting properties, which in turn will benefit the entire community.

7. Signatures of all abutting property owners:
