Fiscal Impact/Funding Source

This proposed resolution will have no fiscal impact on PortMiami.

Track Record/Monitor

The Port staff members responsible for monitoring compliance with terms of license are Hydi Webb, Port Director, and Frederick P. Wong Jr., Deputy Port Director.

Background

Chapter 28-A, Section 28A-6, of the Miami-Dade County Code, mandates that applications for new County stevedore licenses be presented to the Board by the Mayor, after examination of the qualifications of the applicants by the Seaport Director, and after completion of a background investigation by the Miami-Dade Police Department. Staff has reviewed the qualifications of the applicant for issuance of a new County stevedore license and determined

that he is qualified in accordance with Code licensure requirements of Chapter 28 A, Section 28A-6 of the Code. An investigation of the applicant by the Miami-Dade Police Department has revealed no record of criminal activity as outlined in Chapter 28-A of the Code. The applicant has also provided the mandatory bond (attached).

As staff has determined that applicable licensure requirements have been met, it is recommended that the Board approve the issuance of a new County stevedore license to the applicant Huge G. Healey.
